Item 2.02. Results of Operation and Financial Condition

On November 20, 2008, Foot Locker, Inc. (the "Company") issued a press release announcing its operating results for the third quarter of 2008. The press release includes a non-GAAP financial measure of third quarter and year-to-date net income before an impairment charge and store closing program costs, which the Company believes is a useful measure to investors because it allows for a more direct comparison of the Company's performance for the quarter and year to date with the Company's performance in the prior-year periods. A reconciliation schedule to GAAP is provided in the release. The Company also updated its earnings guidance for the 2008 fiscal year.

A copy of the press release is furnished as Exhibit 99.1, which, in its entirety, is incorporated herein by reference.
