**PROXY STATEMENT
OF
PROVIDENT FINANCIAL HOLDINGS, INC.
3756 Central Avenue
Riverside, California 92506**

**ANNUAL MEETING OF SHAREHOLDERS
JANUARY 28, 2003**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Provident Financial Holdings, Inc. ("Company") to be used at the Annual Meeting of Shareholders of the Company ("Annual Meeting"). The Company is the holding company for Provident Savings Bank, F.S.B. ("Savings Bank"). The Annual Meeting will be held at the Riverside Art Museum located at 3425 Mission Inn Avenue, Riverside, California, on Tuesday, January 28, 2003, at 3:00 p.m., local time. This Proxy Statement and the enclosed proxy card are being first mailed to shareholders on or about December 27, 2002.

VOTING AND PROXY PROCEDURE

Shareholders Entitled to Vote. Shareholders of record as of the close of business on December 16, 2002 ("Voting Record Date") are entitled to one vote for each share of common stock ("Common Stock") of the Company then held. As of the close of business on the Voting Record Date, the Company had 5,084,169 shares of Common Stock issued and outstanding.

If you are a beneficial owner of Company common stock held by a broker, bank or other nominee (i.e., in "street name"), you will need proof of ownership to be admitted to the Annual Meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

ownership. If you want to vote your shares of Company common stock held in street name in person at the Annual Meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Quorum. The presence, in person or by proxy, of at least a majority of the total number of outstanding shares of Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. Abstentions will be counted as shares present and entitled to vote at the Annual Meeting for purposes of determining the existence of a quorum. Broker non-votes will be considered shares present and will be included in determining whether a quorum is present.

Voting. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where no instructions are indicated, proxies will be voted in accordance with the recommendation of the Board of Directors. If a shareholder of record attends the Annual Meeting, he or she may vote by ballot. The Board recommends a vote FOR the election of the nominees for director and FOR the approval of the appointment of Deloitte & Touche LLP as the Company's independent auditors for the fiscal year ending June 30, 2003.

The three directors to be elected at the Annual Meeting will be elected by a plurality of the votes cast by shareholders present in person or by proxy and entitled to vote. Shareholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld and broker non-votes will have no effect on the outcome of the election because the nominees receiving the greatest number of votes will be elected.

<PAGE>

Approval of the appointment of independent auditors requires the affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy and entitled to vote at the Annual Meeting. In determining whether such proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against the proposal; broker non-votes will be disregarded and will have no effect on the outcome of the vote.

Proxies; Revocation of a Proxy. The Board of Directors solicits proxies so that each shareholder has the opportunity to vote on the proposals to be considered at the Annual Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. Where a proxy card is properly signed and dated but no instructions are indicated, proxies will be voted FOR the nominees for director set forth below and FOR the approval of the appointment of Deloitte & Touche LLP as independent auditors.

Shareholders who execute proxies retain the right to revoke them at any time before they are voted. Proxies may be revoked by written notice delivered in person or mailed to the Secretary of the Company or by filing a later proxy prior to a vote being taken on a particular proposal at the Annual Meeting. Attendance at the Annual Meeting will not automatically revoke a proxy, but a shareholder of record in attendance may request a ballot and vote in person, thereby revoking a prior granted proxy.

If your Company Common Stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this proxy statement. If you wish to change your voting instructions after you have returned your voting instruction form to your broker or bank, you must contact your broker or bank.

Participants in the Provident Savings Bank ESOP. If a shareholder is a participant in the Provident Savings Bank, F.S.B. Employee Stock Ownership Plan (the "ESOP"), the proxy card represents a voting instruction to the trustees of the ESOP as to the number of shares in the participant's plan account. Each participant in the ESOP may direct the trustees as to the manner in which shares of Common Stock allocated to the participant's plan account are to be voted. Unallocated shares of Common Stock held by the ESOP and allocated shares for which no voting instructions are received will be voted by the trustees in the same proportion as shares for which the trustees have received voting instructions.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Persons and groups who beneficially own in excess of 5% of the Company's Common Stock are required to file with the Securities and Exchange Commission ("SEC"), and provide a copy to the Company, certain reports disclosing such ownership pursuant to the Securities Exchange Act of 1934, as amended ("Exchange Act"). Based on such reports, the following table sets forth, as of the close of business on the Voting Record Date, certain information as to those persons who were beneficial owners of more than 5% of the outstanding shares of Common Stock. Management knows of no persons other than those set forth below who beneficially owned more than 5% of the outstanding shares of Common Stock as of the close of business on the Voting Record Date.

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

The following table also sets forth, as of the close of business on the Voting Record Date information as to the shares of Common Stock beneficially owned by (a) each current director of the Company and each of management's nominees for director, (b) each of the executive officers named in the Summary Compensation Table found below ("named executive officers") and all executive officers and directors of the Company as a group.

The Company's Board of Directors consists of eight members. The Board of Directors is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Three directors will be elected at the Annual Meeting to serve for a three year period, or until their respective successors have been elected and qualified. The nominees for election this year are Craig G. Blunden, Roy H. Taylor and Seymour M. Jacobs, each of whom is a current member of the Board of Directors of the Company.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the above named nominees. Employment Agreements

The Savings Bank has entered into an employment agreement with Mr. Blunden. The agreement has a term of three years and may be renewed by the Board for an additional year each year unless Mr. Blunden has attained age 62 or the Board or Mr. Blunden have given advance notice of their intention not to extend the term of the agreement. The agreement further provides for a base salary which may not be reduced except as part of a general salary reduction policy for senior executives of the Savings Bank and, at any time, below the initial base salary of the agreement. Mr. Blunden's base salary is subject to annual review by the Board. Mr. Blunden's current base salary under the agreement is \$283,343. In the event of a "change of control" of the Savings Bank (as defined below), Mr. Blunden's base salary is fixed as the sum of his then current base salary and any bonuses paid during the 12-month period preceding the change in control. Under the agreement, Mr. Blunden is eligible to participate in all fringe benefit programs available to employees of the Savings Bank as well as any program made available to senior executives of the Savings Bank, including the use of an employer-provided automobile. The agreement also provides for the reimbursement of expenses incurred by Mr. Blunden in the course of his employment.

In the event of Mr. Blunden's termination without cause by the Savings Bank, the agreement provides for (i) a lump sum payment equal to the discounted present value of the aggregate future base salary payments Mr. Blunden would have received over the then remaining term of the agreement and (ii) the continuation of life and medical insurance at the Savings Bank's expense for Mr. Blunden and his dependents. If Mr. Blunden's employment terminates by reason of his death or disability, the Savings Bank is also obligated to continue life and medical insurance benefits for Mr. Blunden and his dependents, as applicable.

In the event of Mr. Blunden's termination without cause following a change in control of the Savings Bank, Mr. Blunden is entitled to an additional payment equal to three times the sum of his base salary and bonuses during the 12 months preceding his termination of employment reduced by the value of any other payments made by the Savings Bank by reason of Mr. Blunden's termination without cause. In the event that a change of control of the Savings Bank had occurred on June 30, 2002, based solely on the cash compensation paid to Mr. Blunden during 2002 and excluding the value of any other employee benefits which may be payable, Mr. Blunden would have received a payment of approximately \$1,075,689. For purposes of the agreement, "change in control" is defined to mean (i) a change in control of the Savings Bank as determined under applicable regulations of the Office of Thrift Supervision and (ii) a change in the composition of the Board following a merger, consolidation or other business combination involving the Savings Bank such that a majority of the directors of the resulting entity consists of persons who were not directors immediately prior to such transaction.

Post-Retirement Compensation Agreement

The Savings Bank has entered into a separate post-retirement compensation agreement with Mr. Blunden. The agreement provides that if Mr. Blunden terminates employment with the Savings Bank after attaining age 60, the Savings Bank will provide Mr. Blunden with a monthly benefit for life equal to 50% of his final average monthly salary. For purposes of the agreement, "final average monthly salary" is defined as the average of Mr. Blunden's highest paid 36 consecutive months of employment with the Savings Bank determined by reference to the gross amount of Mr. Blunden's monthly salary excluding bonus and incentive awards, director's fees and accelerated payments of future salary. Assuming that Mr. Blunden's current compensation level was equivalent to his "final average monthly salary," the normal monthly benefit payable under the agreement would be \$10,966. Under the agreement, Mr. Blunden may elect to receive the actuarially determined lump sum equivalent of the normal monthly benefit or a joint-and-survivor benefit. Mr. Blunden may also elect to receive an early retirement benefit under the agreement which is reduced proportionately to reflect the number of months then remaining to Mr. Blunden's 60th birthday. However, in the event of Mr. Blunden's termination of employment prior to age 60 by reason of his death or disability, the agreement provides for payment of the normal monthly benefit to Mr. Blunden or his beneficiary. At June 30, 2002, the accrued liability of the Savings Bank with respect to its obligations under the agreement was \$1,026,794.

Severance Agreements

The Company and the Savings Bank have entered into severance agreements with Messrs. Schrader, Blanchard, Gale, and Ternes and Ms. Brunner. The agreements have a term of one year, which may be extended for an additional year on the anniversary of the effective date of the agreement by the Board of Directors. The agreements provide that in the event of an involuntary termination of the officer following a change in

control of the Company or the Savings Bank, they will be entitled to receive two times their then current base salary. A severance payment also will be provided on a similar basis in connection with a voluntary termination of employment where, subsequent to a change in control, the officer is assigned duties inconsistent with their positions, duties, responsibilities and status immediately prior to such change in control. The Savings Bank or its successor would also be obligated to continue the officer's other employee benefits for a one-year period following termination of employment.

The term "change in control" is defined in the agreements as having occurred when, among other things, (a) a person other than the Company purchases shares of the Company's common stock pursuant to a tender or exchange offer for such shares, (b) any person (as such term is used in Sections 13(d) and 14(d)(2) of the Exchange Act) is or becomes the beneficial owner, directly or indirectly, of securities of the Company representing 25% or more of the combined voting power of the Company's then outstanding securities, (c) the membership of the Board of Directors changes as the result of a contested election, or (d) shareholders of the Company approve a merger, consolidation, sale or disposition of all or substantially all of the Company's assets, or a plan of partial or complete liquidation. If a change in control of the Company or the Savings Bank occurred during the fiscal year ending June 30, 2002, based solely on the officer's current salary level and excluding the value of any other employee benefits which may be payable, the officers would receive payment as follows: Mr. Schrader, \$294,000; Mr. Ternes, \$265,000; Mr. Gale, \$199,992; Mr. Blanchard, \$221,520; and Ms. Brunner, \$221,400.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee operates pursuant to a Charter approved by the Company's Board of Directors. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process of the Company. The Audit Committee Charter sets out the responsibilities, authority and specific duties of the Audit Committee. The Charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent accountants, the internal audit department, and management of the Company.

Report of the Audit Committee. The Audit Committee reports as follows with respect to the Company's audited financial statement for the year ended June 30, 2002:

- The Audit Committee has completed its initial review and discussion of the Company's 2002 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor (Deloitte & Touche LLP) the matters required to be discussed by Statement on Auditing Standards ("SAS") No. 61, *Communication with Audit Committees*, as amended by SAS No. 90, *Audit Committee Communications*, including matters related to the conduct of the audit of the Company's financial statements;
- The Audit Committee has received written disclosures, as required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committee*, indicating all relationships, if any, between the independent auditor and its related entities and the Company and its related entities which, in the auditors' professional judgment, reasonably may be thought to bear on the auditors' independence, and the letter from the independent auditors confirming that, in its professional

judgment, it is independent from the Company and its related entities, and has discussed with the auditors the auditors' independence from the Company; and

- The Audit Committee has, based on its initial review and discussions with management of the Company's 2002 audited financial statements and discussions with the independent auditors, recommended to the Board of Directors that the Company's audited financial statements for the year ended June 30, 2002 be included in the Company's Annual Report on Form 10-K.

Independence and Other Matters. Each member of the Audit Committee is "independent," as defined, in the case of the Company, under The Nasdaq Stock Market Rules. The Audit Committee members do not have any relationship to the Company that may interfere with the exercise of their independence from management and the Company. None of the Audit Committee members are current officers or employees of the Company or its affiliates.

COMPENSATION COMMITTEE MATTERS

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Report of the Compensation Committee and Performance Graph shall not be incorporated by reference into any such filings.

Report of the Personnel/Compensation Committee. Under rules established by the SEC, the Company is required to provide certain data and information in regard to the compensation and benefits provided to the Company's Chief Executive Officer and other executive officers of the Company and the Savings Bank. The disclosure requirements for the Chief Executive Officer and other executive officers include the use of tables and a report explaining the rationale and considerations that led to the fundamental executive compensation decisions affecting those individuals. Insofar as no separate compensation is currently payable by the Company, the Personnel/ Compensation Committee of the Savings Bank (the "Committee"), at the direction of the Board of Directors of the Company, has prepared the following report for inclusion in this proxy statement.

General. The Personnel/Compensation Committee of the Board of Directors is responsible for establishing and implementing all compensation policies of the Savings Bank and its subsidiaries. The Committee is also responsible for evaluating the performance of the Chief Executive Officer of the Savings Bank and approving an appropriate compensation level. The Chief Executive Officer evaluates the performance of the Executive Vice President and certain Senior Vice Presidents of the Savings Bank and recommends to the Committee individual compensation levels for approval by the Committee.

Compensation Policies. The Committee believes that a compensation plan for executive officers should take into account management skills, long-term performance results and shareholder returns. The principal underlying compensation policies are: (1) to attract and retain key executives who are highly qualified and are vital to the long-term success of the Savings Bank and its subsidiaries; (2) to provide levels of compensation competitive with those offered throughout the banking industry; (3) to motivate executives to enhance long-term shareholder value by helping them build their own ownership in the Company; and (4) to integrate the compensation program with the Savings Bank's long-term strategic planning and management process.

Base Salary. The Savings Bank's current compensation plan involves a combination of salary and bonuses to reward short-term performance, and has included, and, in the future, may include grants of stock options to encourage

12

<PAGE>

long-term performance. The salary levels of executive officers are designed to be competitive within the banking and financial services industries. Individual annual performance is reviewed to determine appropriate salary adjustments.

Annual Incentive Plan. The Annual Incentive Plan is based on annual performance of the Company compared to budget and individual performance assessments. The Plan is designed to provide for baseline bonuses up to 30% of salary for the Chief Executive Officer, up to 20% of salary for Senior Officers, up to 12% of salary for certain managers, and up to 8% of salary for certain department managers. Actual bonuses may exceed the baseline if the Company performs better than the budget and/or the individual employee performs better than the baseline performance requirement.

Long Term Incentive Compensation. The Stock Option Plan is designed to attract and retain qualified personnel and nonemployee directors, to provide such officers, key employees and nonemployee directors with a proprietary interest in the Company as an incentive to contribute to the success of the Company and the Savings Bank and to reward officers and key employees for outstanding performance. Stock options have been granted to key employees of the Company and its subsidiaries, including the Savings Bank. The Stock Option Plan is administered and

Edgar Filing: PROVIDENT FINANCIAL HOLDINGS INC - Form DEF 14A

interpreted by a committee of the Board of Directors. Under the Stock Option Plan, such committee determines which officers and key employees will be granted options, the number of shares subject to each option, and the exercisability of such options. The per share exercise price of an option will equal at least 100% of the fair market value of a share of Common Stock on the date the option is granted.

Compensation of the Chief Executive Officer. During the fiscal year ended June 30, 2002, the base salary of Craig G. Blunden, President and Chief Executive Officer of the Savings Bank, was \$276,596 along with an incentive bonus of \$81,967. The Committee believes Mr. Blunden's current compensation is appropriate based on competitive salary surveys and the performance of the Savings Bank.

The Committee also recommends to the Board of Directors the amount of fees paid for service on the Board. The Committee did not recommend a change in Board fees during the fiscal year ended June 30, 2002.

Compensation Committee Interlocks and Insider Participation. No executive officer of the Company has served as a member of the compensation committee of another entity, one of whose executive officers served on the Compensation Committee. COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms it has received and written representations provided to the Company by the above referenced persons, the Company believes that, during the fiscal year ended June 30, 2002, all filing requirements applicable to its reporting

officers, directors and greater than 10% shareholders were properly and timely complied with.

TRANSACTIONS WITH MANAGEMENT

As required by federal regulations, all loans or extensions of credit to executive officers and directors are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons (except for loans made pursuant to programs generally available to all employees) and do not involve more than the normal risk of repayment or present other unfavorable features. In addition, loans made by the Savings Bank to a director or executive officer in an amount that, when aggregated with the amount of all other loans by the Savings Bank to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the Savings Bank's capital and surplus (up to a maximum of \$500,000) are subject to approval in advance by a majority of the disinterested members of the Board of Directors.

A representative of Deloitte & Touche LLP will be present at the Annual Meeting to respond to shareholders' questions and will have the opportunity to make a statement if he so desires.

Audit Fees

The aggregate fees billed to the Company for professional services rendered for the audit of the Company's financial statements for fiscal 2002 and the reviews of the financial statements included in the Company Forms 10-Q for that year, including travel expenses, were \$131,366.

Financial Information Systems Design and Implementation Fees

No independent public accountant performed financial information system design or implementation work for the Company during the fiscal year ended June 30, 2002.

All Other Fees

Other than audit fees, the aggregate fees billed to the Company by Deloitte & Touche LLP for fiscal 2002, none of which were financial information systems design and implementation fees, were \$28,850 for tax return preparation.
