## Edgar Filing: COMMUNITY BANK SYSTEM INC - Form 8-K

OFLSA, a federal stock savings and loan association, operates one banking office in Ogdensburg, New York. OFLSA was founded in 1888 as a federally chartered institution. At December 31, 2002, on a consolidated basis, PBI had approximately \$28.8 million in total assets, deposits of \$24.4 million, net loans of \$16.7 million and stockholders' equity of \$3.2 million. PBI's common stock is registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended (File No. 0-25217). Accordingly, PBI files reports, statements and other information with the Securities and Exchange Commission (the "Commission"), which contain additional information concerning PBI. These reports, statements and other information are available from the Commission.

Each share of PBI's common stock issued and outstanding at the time the Merger is consummated will be converted into the right to receive \$30.00 cash. Based on the number of shares of PBI's common stock and stock options issued and outstanding on May 6, 2003, the total merger consideration payable in the Merger is expected to be approximately \$4.2 million. In connection with the execution and delivery of the Merger Agreement, each director and executive officer of PBI has entered into an agreement which requires him to vote in favor of the approval of the Merger Agreement and the Merger all of the shares of PBI's common stock that he is entitled to vote.

Consummation of the Merger is subject to a number of conditions, including the receipt of requisite regulatory approvals and the approval of the shareholders of PBI. Subject to the satisfaction of all conditions, the parties are working to complete the Merger in the third quarter of 2003.

The foregoing descriptions of and references to all of the above-mentioned agreements are qualified in their entirety by reference to the complete texts of the agreements that are filed herewith and incorporated herein by reference.
