### **THE GE INTEREST PLUS NOTES**

#### **Interest**

The Notes will have no stated maturity and will earn interest at floating rates, to be determined by the GE Interest Plus Committee. The rate of interest on the Notes will always be greater than the most recent seven-day average yield (non-compounded) for taxable money market funds in the United States as published in Money Fund Report(TM)\*, a service of iMoneyNet, Inc. (formerly IBC Financial Data, Inc.). The Notes are not a money market fund, in which investors purchase an equity interest in a diversified fund consisting of investments in short term debt securities of many companies. Rates vary by an investor's principal amount of Notes or other factors as determined by the GE Interest Plus Committee. Interest on the Notes will accrue daily. The rate of interest paid for any period on the Notes is not an indication or representation of future rates. Accrued interest will be credited and automatically reinvested in additional Notes monthly and will begin to accrue interest on the first day following the date of such reinvestment. If in any week the Money Fund Report(TM) is not available or publication of such seven-day average yield is suspended, the seven-day average yield at such time shall be an approximately equivalent rate determined by the GE Interest Plus Committee.

\* Money Fund Report is a registered trademark of iMoneyNet, Inc. and is published weekly. Money Fund Report states that the yield information obtained from the money market funds is screened by the publisher, but no guarantee of the accuracy of the information contained therein is made by iMoneyNet, Inc.

#### **Fees**

There are no maintenance fees or charges for check redemptions, no sales loads, and no charges for investing or for ongoing management. There are fees for checks returned for insufficient funds, wire redemptions, stop payment requests, checks written for less than the \$250 minimum requirement, and other unusual services, which will be directly debited from the aggregate principal amount of your Notes.

**Investor Statements**

You will receive regular statements (via mail or electronically) showing a summary of all of your transactions in the Notes, interest earned, the principal amount of Notes held by you at the open and close of the period, and other important information. Redemption checks on which payment has been made will not be returned to you, but the check number, date of payment and the amount of each check will be indicated on your statement. However, if you have established on-line access, you may view redemption check images on-line at the GE Interest Plus website.

**Initial Investment Incentives**

We may from time to time offer marketing incentives to certain investors making an initial investment in the Notes, depending on the amount of the initial investment and/or enrollment in an automatic investment option or certain payroll deduction programs. These incentives have in the past, and may in the future, include offers to issue to initial investors an additional principal amount of Notes. Whether these or other incentives will be available at any time will be determined by the GE Interest Plus Committee in its sole discretion and will be disclosed in pricing supplements filed with the SEC in accordance with Rule 424(b) under the Securities Act of 1933.

**Agent Bank and Servicing Agent**

We have engaged Union Federal Bank of Indianapolis to process funds receipts and disbursements and related services. We refer to Union Federal Bank of Indianapolis as the Agent Bank in this prospectus supplement. We have also engaged Open Solutions, Inc. to perform recordkeeping, investor servicing and other services in connection with the Notes. We refer to Open Solutions, Inc. as the Servicing Agent in this prospectus supplement. For these services, we pay the Agent Bank and the Servicing Agent an administrative fee.

**How to Invest**

To invest in the Notes, complete an application and enclose a check for your initial investment (or, if applicable, a GE payroll deduction card). Cash, money orders, traveler s checks, starter checks, cashier s checks, credit card checks, foreign checks and third party checks are not acceptable. Currently, the minimum initial investment is \$500, or \$250 if you enroll in the Auto Invest service. If the principal amount of your Notes falls below these minimum investment levels, we reserve the right to redeem your Notes and return the proceeds to you, or deduct a monthly maintenance fee from the principal amount of your Notes.

After your initial investment in the Notes, you may invest in additional Notes at any time, without charge, by any of the following methods:

*BY QUICK INVEST.* If you indicated on your application that you wish to participate in the Quick Invest service, you may instruct the Servicing Agent by telephone at any time during regular business hours to withdraw any amount of funds (minimum \$25) from your pre-designated

bank account and invest the funds in additional Notes through an electronic automated clearinghouse (ACH) transfer. To set up Quick Invest, you must have provided us with a voided blank check to verify your checking account. Your investment will be made and interest will begin to accrue on the same day your money is transferred. Investments made by ACH cannot be redeemed until the later of (1) three business days after the electronic transfer is first completed or (2) when the electronic transfer clears.

*BY AUTO INVEST* (automatic monthly investment from a bank account). You may withdraw a fixed amount from your checking account on a monthly basis through an ACH transfer (minimum \$25) and use the funds to invest in additional Notes. To set up Auto Invest, you must provide us with a voided blank check to verify your checking account. Your investment will be made and interest will begin to accrue on the same day your money is transferred. Investments made by ACH cannot be redeemed until the later of (1) three business days after the electronic transfer is completed or (2) when the electronic transfer clears.

*BY CHECK MAILED TO AGENT BANK*. Mail your investment to: GE Interest Plus, P.O. Box 6293, Indianapolis, Indiana 46206-6293. Your investment will be made and interest will begin to accrue on the first business day that the Agent Bank's processing unit receives your check provided that the check is received prior to 3:00 p.m. Eastern Time. Investments made by check cannot be redeemed until the later of (1) twelve business days after the check is first invested in the Notes or (2) when the check clears.

*BY WIRE TRANSFER*. Wire funds to GE Interest Plus, Union Federal Bank, Indianapolis, IN, ABA No. 274070442. Include your name and account number in the wire instruction. Your investment will be made and you will begin earning interest on the same business day the wire is received provided that the funds have been received by 2:30 p.m. Eastern Time. Investments made by wire transfer can be redeemed one business day after the date of credit.

*BY DIRECT INVESTMENT OF YOUR PAYROLL, PENSION OR SOCIAL SECURITY CHECK*. You may instruct your employer or the Social Security Administration, as appropriate, to invest your entire payroll, pension or social security check directly in the Notes. Your investment will begin to accrue interest on the day it is transferred for investment in the Notes. Investments made in this manner can be redeemed one business day after the date of credit.

*BY PAYROLL DEDUCTION*. General Electric Company, its subsidiaries, and certain other companies allow employees to have a fixed amount deducted from each paycheck (minimum \$25) and invested in the Notes. (GE employees who invest in the Notes and elect payroll deduction do not need to make any initial investment). Your investment will begin to accrue interest on the business day it is transferred for investment in the Notes. Investments made by payroll deduction can be redeemed one business day after the date of credit.

All investments must be made in U.S. dollars drawn on a U.S. bank. You may change or terminate your investments by payroll deduction or other automatic investment at any time.

For purposes of investments in the Notes, a business day is a day on which both the Agent Bank and the Federal Reserve Bank of Chicago are fully open for business.

**How To Redeem**

You may redeem any part of your Notes at any time as described below. Interest on redeemed investments will accrue to, but not including, the date of redemption. You may redeem all of your Notes only by use of the written redemption option described below. Checks will be mailed to you automatically shortly after you make an initial investment in the Notes.

*QUICK REDEMPTION.* If you indicated on your application, or by subsequent written request, that you wish to participate in the Quick Redemption service, you may instruct the Servicing Agent, through the automated telephone line or through our Account Access website, to redeem your GE Interest Plus notes (minimum of \$25, maximum of \$50,000) and have the proceeds transferred to your pre-designated bank checking account through an electronic automated clearinghouse (ACH) transfer. To use this option you must have provided us with a voided blank check to verify your checking account. After you enter your Quick Redemption transaction into our automated phone system or Account Access website, you will be provided with the date that the redemption proceeds will be transferred. Interest will accrue on your Notes to, but not including, the business day on which the redemption proceeds are transferred.

*REDEMPTION BY CHECK.* You may make redemption checks payable to anyone in the amount of \$250 or more. If the amount of the redemption check is less than \$250, the check will be honored, but a fee of \$10 will be debited from the principal amount of your Notes by the Agent Bank. If the amount of the redemption check is greater than the principal amount of your Notes, the check will not be honored and we will deduct from the principal amount of your Notes a returned check fee, in an amount periodically determined by the GE Interest Plus Committee (currently \$20). Generally, your redemption will be made on the day the Agent Bank's processing unit receives your redemption check for payment. Even if your Notes are held jointly with someone else, only one signature will be required on a redemption check unless you have otherwise specified. The check redemption feature does not create a deposit or a banking relationship with the Agent Bank, GE Capital or General Electric Company.

*WRITTEN REDEMPTION.* You may redeem any part of or all of your Notes by written request, including the signatures of all registered owners (including joint owners) of the Notes. A check, payable to the registered owners, for the requested amount (or in an amount equal to the principal amount of your Notes if you are redeeming all of your Notes) will be mailed to the registered noteholder's address.

*WIRE REDEMPTION.* You can redeem any part of your Notes, subject to a \$2,500 minimum, by wire transfer if you have pre-authorized the wire redemption option. Wire redemption proceeds can only be wired to the U.S. bank account you have designated on your application. To change this designation, a written request signed by all registered owners of the Notes, with all signatures

guaranteed by a financial institution that is a member of the Securities Transfer Agents Medallion Program 2000 ( STAMP 2000 ), for example, a brokerage firm, commercial bank or other financial institution, must be submitted to the Agent Bank. Funds will be wired on the same business day as the receipt of your wire redemption request, provided that your request is received by the Agent Bank by 12:00 noon Eastern Time. Wire redemption requests received after 12:00 noon Eastern Time on any business day will be processed on the next business day. If your designated bank is not a member of the Federal Reserve system, there may be a delay in wiring funds. Each wire transfer will incur a processing charge of \$15 from the Agent Bank, and may also incur an additional charge from your bank or financial institution. The Agent Bank's records of the wire instructions are binding.

**Optional Redemption by GE Capital**

We may redeem, at any time at our option, all or any part of the Notes. Any partial redemption of Notes will be effected by lot, or pro rata, or by any other method that is deemed fair and appropriate by the trustee for the Notes, except that we may redeem all of the Notes not meeting guidelines established from time to time by the GE Interest Plus Committee. We will give at least 30 days prior written notice to you if we decide to redeem your Notes. The Notes (or portion thereof) being so redeemed, plus accrued and unpaid interest thereon to, but not including, the date of redemption, will be paid by check to the registered holder of the Notes, less any tax withholding, if applicable. Interest on the redeemed amount shall cease to accrue on and after the effective date of redemption.

**PLAN OF DISTRIBUTION**

The Notes are offered in the United States only, on a continuing basis through GE Capital Markets, Inc., a wholly owned subsidiary of GE Capital, acting as agent. No commissions will be paid to such agent for any sales of the Notes. We will pay the agent's expenses incurred in connection with the offering of the Notes.
