Item 2.01. Completion of Acquisition or Disposition of Assets.

On February 25, 2010, Trustmark Mutual Holding Company (Trustmark) announced the successful completion of its tender offer (the Offer) to acquire all of the outstanding shares of common stock of Health Fitness Corporation, a Minnesota corporation (HealthFitness), par value \$0.01 per share (the Shares), at a price of \$8.78 per Share in cash, without interest and less any required withholding taxes. The Offer was conducted by (i) Trustco Minnesota, Inc., a Minnesota corporation (the Purchaser) and wholly owned subsidiary of Trustco Holdings, Inc., a Delaware corporation (Parent) and an indirect wholly owned subsidiary of Trustmark, an Illinois mutual insurance company, (ii) Parent and (iii) Trustmark pursuant to the Merger Agreement. The Purchaser acquired a total of 9,102,844 Shares pursuant to the Offer (representing approximately 89.1% of the outstanding Shares), resulting in a change in control of HealthFitness. As a result, Parent became entitled under the Merger Agreement to elect ten directors of HealthFitness, as described in more detail under Item 5.02 of this Current Report on Form 8-K below.

Effective as of 11:59 p.m. Central Standard Time on February 26, 2010, pursuant to the Agreement and Plan of Merger, dated as of January 20, 2010, among Parent, Purchaser and HealthFitness (the Merger Agreement), Parent effected the merger of Purchaser with and into HealthFitness (the Merger) as a short-form merger (i.e., without a vote or meeting of HealthFitness remaining shareholders) under Section 302A.621 of the Business Corporation Act of the State of Minnesota. As a result of the Merger, HealthFitness became a wholly owned subsidiary of Parent.

Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 26, 2010, HealthFitness notified the NYSE Amex of the effectiveness of the Merger pursuant to the Merger Agreement. In connection with the Merger, HealthFitness requested that the NYSE Amex file a notice of delisting on Form 25 with the Securities and Exchange Commission to delist and deregister its common stock, par value \$0.01 per share.

Item 3.02. Unregistered Sales of Equity Securities.

On February 26, 2010, HealthFitness issued and sold 876,186 shares of HealthFitness common stock, par value \$0.01 per share (the Top-Up Shares), to the Purchaser in exchange for a promissory note in the principal amount of \$7,692,913.08, reflecting a purchase price of \$8.78 per Top-Up Share. The Top-Up Shares were sold pursuant to an option granted to Purchaser under the Merger Agreement. The offer and sale of the Top-Up Shares were exempt from the registration requirements of the Securities Act of 1933, as amended (the Securities Act), pursuant to Section 4(2) of the Securities Act. There were no underwriting discounts or commissions in connection with the sale.

Item 3.03. Material Modification to Rights of Security Holders.

As a result of the Merger, each of the remaining outstanding Shares (other than Shares owned directly or indirectly by HealthFitness, Parent or Purchaser, or any of their respective subsidiaries, and Shares owned by shareholders of HealthFitness who perfect their dissenters' rights under Minnesota law) was cancelled and automatically converted into the right to receive \$8.78 per share, in cash, without interest and less any required withholding taxes, which is the same amount per Share paid in the Offer.

Item 5.01. Changes in Control of Registrant.

The information set forth above in Item 2.01 of this Current Report on Form 8-K is incorporated herein by reference.
