Item 1.01 Entry into a Material Definitive Agreement.

On April 19, 2011, MoneyGram Payment Systems Worldwide, Inc. (Worldwide), a Delaware corporation and a wholly-owned subsidiary of MoneyGram International, Inc., a Delaware corporation (the Company), the Company, the other guarantors party thereto and Deutsche Bank Trust Company Americas, as trustee and collateral agent (the Trustee), entered into a Third Supplemental Indenture (the Third Supplemental Indenture) to the Indenture, dated as of March 25, 2008, by and among Worldwide, the Company, the other guarantors party thereto and the Trustee (as amended and supplemented by the First Supplemental Indenture dated as of August 6, 2009 and the Second Supplemental Indenture dated as of June 29, 2010, the Indenture) governing Worldwide s 13.25% Senior Secured Second Lien Notes due 2018 (the Second Lien Notes).

The Third Supplemental Indenture amends the Indenture to permit the Company s previously announced recapitalization and the related payments pursuant to the Recapitalization Agreement, dated March 7, 2011, among the Company, certain affiliates and co-investors of Thomas H. Lee Partners, L.P. and affiliates of Goldman, Sachs & Co. (the Recapitalization). The Third Supplemental Indenture also amends the Indenture to (i) permit the entry into new senior secured bank facilities, (ii) permit Worldwide and its subsidiaries to incur indebtedness in the form of obligations owing in respect of cash and treasury management activities (Cash Management Obligations), (iii) allow the Company and its subsidiaries increased flexibility in transactions with and among the Company s foreign subsidiaries, including intercompany loans, asset transfers and investments, (iv) permit foreign subsidiaries to incur additional indebtedness, (v) permit the Company to incur additional indebtedness and (vi) provide increased flexibility with respect to permitted investments. In the Third Supplemental Indenture, the Trustee also agrees to enter into a new intercreditor agreement with the collateral agent under Worldwide s new senior secured bank facilities, which will be substantially similar to the existing intercreditor agreement between the Trustee and the collateral agent under Worldwide s existing senior secured credit facilities, but that will also permit Worldwide to incur additional first-lien indebtedness and permit the Cash Management Obligations to be secured *pari passu* with the senior secured bank facilities.

Most of the amendments to the Indenture contained in the Third Supplement Indenture became effective upon the execution of the Third Supplemental Indenture, but certain amendments including, without limitation, the amendments to permit the Recapitalization and the entry into the new senior secured bank facilities, will become effective contemporaneously upon the closing of the Recapitalization and the new senior secured bank facilities.

This summary does not purport to be complete and is qualified in its entirety by reference to the Third Supplemental Indenture, which is filed as Exhibit 4.1 hereto and incorporated herein by reference.
