PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 25, 2006

PROXIES AND SOLICITATIONS

This Proxy Statement is furnished to shareholders in connection with the solicitation of proxies by the Board of Directors (the "Board") of Sun Communities, Inc. ("Sun" or the "Company") to be used at the Annual Meeting of Shareholders (the "Annual Meeting") and at any adjournments. If received in time for the Annual Meeting, the shares represented by a valid proxy will be voted in accordance with the specifications, if any, contained in such executed proxy. If no instructions are given, proxies will be voted: (a) FOR election of the two nominees for the Board; and (b) at the discretion of Gary A. Shiffman and Clunet R. Lewis, the Board's designated representatives for the Annual Meeting, with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof. A proxy executed in the enclosed form may be revoked by the person signing it at any time before it is exercised. Proxies may be revoked by filing with the Secretary of the Company, any time prior to the time set for commencement of the Annual Meeting, a written notice of revocation bearing a later date than the proxy, or by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

In addition to the use of mails, proxies may be solicited by personal interview, telephone and telegram, by directors, officers and employees of the Company. Arrangements may also be made with brokerage houses or other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of shares of the Company's common stock (the "Common Stock") held of record by such persons, and the Company may reimburse such persons for reasonable out-of-pocket expenses incurred in forwarding material. The Company anticipates that fees and expenses for the foregoing parties will not exceed \$1,000. The costs of all proxy solicitation will be borne by the Company.

The executive offices of the Company are located at 27777 Franklin Road, Suite 200, Southfield, Michigan 48034. The approximate date of mailing of this Proxy Statement and the enclosed Proxy materials to the Company's shareholders is April 21, 2006.

TIME AND PLACE OF MEETING

The Annual Meeting will be held at the Embassy Suites, 28100 Franklin Road, Southfield, MI 48034, on Thursday, May 25, 2006, at 11:00 a.m., local time.

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

VOTING RIGHTS AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Only shareholders of record at the close of business on April 12, 2006 are entitled to notice of and to vote at the Annual Meeting or at any adjournments. As of that date, the Company had 18,069,335 shares of Common Stock issued, outstanding and entitled to vote held by 553 holders of record. Each outstanding share entitles the record holder to one vote. Shares cannot be voted at the Annual Meeting unless the holder is present in person or represented by proxy. Each share of Common Stock outstanding on the Record Date entitles the holder thereof to one vote upon each matter to be voted upon at the Annual Meeting.

If your shares are held in "street name," your brokerage firm, under certain circumstances, may vote your shares for you if you do not return your proxy. Brokerage firms have authority under the rules of the New York Stock Exchange to vote customers' unvoted shares on some routine matters. If you do not give a proxy to your brokerage firm to vote your shares, your brokerage firm may either vote your shares on routine matters or leave your shares unvoted. The election of directors (Sole Proposal) is considered a routine matter. We encourage you to provide voting instructions to your brokerage firm by returning your completed proxy. This ensures your shares will be voted at the meeting according to your instructions. You should receive directions from your brokerage firm about how to submit your proxy to them at the time you receive this proxy statement.

The presence, in person or by proxy, of outstanding shares of Common Stock representing a majority of the total votes entitled to be cast is necessary to constitute a quorum for the transaction of

business at the Annual Meeting. Shares that reflect abstentions or broker non-votes will be counted for purposes of determining whether a quorum is present for the transaction of business at the Annual Meeting.

With respect to the Sole Proposal, the directors will be elected by a plurality of all votes cast at the Annual Meeting. Accordingly, abstentions will have no effect on the results of the vote.

If there is not a quorum at the Annual Meeting, the shareholders entitled to vote at the Annual Meeting, whether present in person or represented by proxy, shall only have the power to adjourn the Annual Meeting until such time as there is a quorum. The Annual Meeting may be reconvened without notice to the shareholders, other than an announcement at the prior adjournment of the Annual Meeting, within 120 days after the Record Date, and a quorum must be present at such reconvened Annual Meeting.

If a proxy in the form enclosed is duly executed, dated and returned, and it has not been revoked in accordance with the instructions set forth therein, the shares of Common Stock represented thereby will be voted by Gary A. Shiffman and Clunet R. Lewis, the Board's proxy agents for the Annual Meeting, in accordance with the specifications made thereon by the shareholder. If no such specifications are made, such proxy will be voted (i) for the election of the two nominees for director to the Board; and (ii) at the discretion of Messrs. Shiffman and Lewis with respect to such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof.

Information concerning principal holders of our Common Stock is discussed under "Security Ownership of Certain Beneficial Owners and Management."

Such proposals should be addressed to the Company's Secretary. See "Board of Directors and Corporate Governance - Consideration of Director Nominees."

The Company's Bylaws also contain certain provisions which affect shareholder proposals. Weiss have terms expiring at the annual meeting of shareholders to be held in 2007 and Ronald L. Piasecki and Gary A. Shiffman have terms expiring at the annual meeting of shareholders to be held in 2008. At each annual meeting of the shareholders of the Company, the successors to the class of directors whose terms expire at such meeting will be elected to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

The Board met five (5) times during 2005 and took various actions pursuant to resolutions adopted by unanimous written consent. All directors attended at least 75% of the meetings of the Board and each committee on which they served.

Several important functions of the Board may be performed by committees that are comprised of members of the Board. The Company's Bylaws authorize the formation of these committees and grant the Board the authority to prescribe the functions of each committee and the standards for membership of each committee. In addition, the Board appoints the members of each committee. The Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee, and an Executive Committee. You may find copies of the charters of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee under the "Investor Relations-Officers and Directors" section of our website at www.suncommunities.com. You may also find a copy of our corporate governance guidelines and our code of business ethics under the "Investor Relations-Officers and Directors" section of our website at www.suncommunities.com. All of the committee charters, our corporate governance guidelines and our code of business ethics are available in print to any shareholder who requests them.

The Audit Committee operates pursuant to a charter that was approved by the Board in January 2004. A copy of the Audit Committee Charter is available on the Company's website at www.suncommunities.com. The Audit Committee, among other functions, (1) has the sole authority to appoint, retain, terminate and determine the compensation of the Company's independent accountants, (2) reviews with the Company's independent accountants the scope and results of the audit engagement, (3) approves professional services provided by the Company's independent accountants, and (4) reviews the independence of the Company's independent accountants. The current members of the Audit Committee are Messrs. Paul D. Lapides, Clunet R. Lewis and Ronald L. Piasecki, all of whom are "independent" as that term is defined in the rules of the SEC and applicable rules of the New York Stock Exchange ("NYSE"). The Audit Committee held four (4) formal meetings and several informal meetings during the fiscal year ended December 31, 2005. The Board has determined that Mr. Lapides is an "audit committee financial expert," as defined by SEC rules. See "Report of the Audit Committee."

The Compensation Committee operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Compensation Committee Charter is available on the Company's website at www.suncommunities.com. The Compensation Committee, among other functions, (1) reviews and approves corporate goals and objectives relevant to the compensation of the Chief Executive Officer and such other executive officers as may be designated by the Chief Executive Officer, evaluates the performance of such officers in light of such goals and objectives, and determines and approves the compensation of such officers based on these evaluations, (2) approves the compensation of the Company's other executive officers, (3) recommends to the Board for approval the compensation of the non-employee directors and (4) oversees the Company's incentive-compensation plans and equity-based plans. During the fiscal year ended

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

The Nominating and Corporate Governance Committee (the "NCG Committee") operates pursuant to a charter that was approved by the Board in March 2004. A copy of the Nominating and Corporate Governance Committee Charter is available on the Company's website at www.suncommunities.com. The Nominating and Corporate Governance Committee, among other functions, is responsible for (1) identifying individuals qualified to become Board members, consistent with criteria approved by the Board, (2) recommending that the Board select the committee-recommended nominees for election at each annual meeting of stockholders, (3) developing and recommending to the Board a set of corporate governance guidelines applicable to the Company, and (4) periodically reviewing such guidelines and recommending any changes, and overseeing the evaluation of the Board. The current members of the Nominating and Corporate Governance Committee are Clunet R. Lewis, Paul D. Lapidés and Ted J. Simon, all of whom are independent under the NYSE rules. The Nominating and Governance Committee held two (2) formal meetings during the fiscal year ended December 31, 2005.

The Executive Committee was established to generally manage the day-to-day business and affairs of the Company between regular Board meetings. In no event may the Executive Committee, without the prior approval of the Board acting as a whole: (i) recommend to the shareholders an amendment to the Company's Charter; (ii) amend the Company's Bylaws; (iii) adopt an agreement of merger or consolidation; (iv) recommend to the shareholders the sale, lease or exchange of all or substantially all of the Company's property and assets; (v) recommend to the shareholders a dissolution of the Company or a revocation of a dissolution; (vi) fill vacancies on the Board; (vii) fix compensation of the directors for serving on the Board or on a committee of the Board; (viii) declare dividends or authorize the issuance of the Company's stock; (ix) approve or take any action with respect to any related party transaction involving the Company; or (x) take any other action which is forbidden by the Company's Bylaws. All actions taken by the Executive Committee must be promptly reported to the Board as a whole and are subject to ratification, revision and alteration by the Board, except that no rights of third persons created in reliance on authorized acts of the Executive Committee can be affected by any such revision or alteration. The current members of the Executive Committee are Messrs. Gary A. Shiffman and Ted J. Simon. The Executive Committee did not hold any formal meetings during the fiscal year ended December 31, 2005 but took various actions pursuant to resolutions adopted by unanimous written consent.

INDEPENDENCE OF NON-EMPLOYEE DIRECTORS

The NYSE rules require that a majority of the Board consist of members who are independent. There are different measures of director independence--independence under New York Stock Exchange rules, under Section 16 of the Securities Exchange Act of 1934 and under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board has reviewed information about each of the Company's non-employee directors and determined that Paul D. Lapidès, Clunet R. Lewis, Ronald L. Piasecki and Ted J. Simon are independent directors. The independent directors meet on a regular basis in executive sessions without management participation. The executive sessions occur after each regularly scheduled meeting of the entire Board and at such other times as the independent directors deem

-4-

appropriate. Mr. Lapidès, Chairman of the Audit Committee, presides at the regularly scheduled executive sessions of the non-employee directors.

CONSIDERATION OF DIRECTOR NOMINEES

Board Membership Criteria.

The Board of Directors has established criteria for Board membership. These criteria include the following specific, minimum qualifications that the NCG Committee believes must be met by an NCG Committee-recommended nominee for a position on the Board:

- The candidate must have experience at a strategic or policymaking level in a business, government, non-profit or academic organization of high standing;
- The candidate must be highly accomplished in his or her field, with superior credentials and recognition;
- The candidate must be well regarded in the community and must have a long-term reputation for high ethical and moral standards;
- The candidate must have sufficient time and availability to devote to the Company's affairs, particularly in light of the number of boards on which the nominee may serve; and
- The candidate's principal business or occupation must not be such as to place the candidate in competition with the Company or conflict with the discharge of a director's responsibilities to the Company or its stockholders.

In addition to the minimum qualifications for each nominee set forth above, the NCG Committee will recommend director candidates to the full Board for

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

nomination, or present director candidates to the full Board for consideration, to help ensure that:

- A majority of the Board of Directors shall be "independent" as defined by the NYSE rules;
- Each of its Audit, Compensation and NCG Committees shall be comprised entirely of independent directors; and
- At least one member of the Audit Committee shall have such experience, education and qualifications necessary to qualify as an "audit committee financial expert" as defined by the rules of the SEC.

Consideration of Shareholder Nominated Directors

The NCG Committee's current policy is to review and consider any director candidates who have been recommended by shareholders in compliance with the procedures established from time to time by the NCG Committee. All shareholder recommendations for director candidates must be submitted in writing to our Secretary at Sun Communities, Inc., 27777 Franklin Road, Suite 200, Southfield, MI 48034, who will forward all recommendations to the NCG Committee. We did not receive any shareholder recommendations for director candidates for election at the 2006 annual meeting. All shareholder recommendations for director candidates for election at the 2007 annual meeting of shareholders must be submitted to our Secretary on or before December 21, 2006 and must include the following information:

- The shareholder's name, address, number of shares owned, length of period held and proof of ownership;
- The name, age, business and residential address, educational background, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate;
- A description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for Board membership as approved by the Board from time to time;
- A description of all arrangements or understandings between the shareholder and the proposed director candidate;
- The consent of the proposed director candidate (1) to be named in the proxy statement relating to the Company's annual meeting of stockholders and (2) to serve as a director if elected at such annual meeting; and
- Any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

-5-

Identifying and Evaluating Nominees.

The NCG Committee may solicit recommendations for director nominees from any or all of the following sources: non-management directors, executive officers, third-party search firms or any other source it deems appropriate. The

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

NCG Committee will review and evaluate the qualifications of any proposed director candidate that it is considering or has been recommended to it by a shareholder in compliance with the NCG Committee's procedures for that purpose, and conduct inquiries it deems appropriate into the background of these proposed director candidates. When nominating a sitting director for re-election, the NCG Committee will consider the director's performance on the Board and the director's qualifications in respect to the criteria set forth above. Other than circumstances in which we are legally required by contract or otherwise to provide third parties with the ability to nominate directors, the NCG Committee will evaluate all proposed director candidates based on the same criteria and in substantially the same manner, with no regard to the source of the initial recommendation of the proposed director candidate.

ELECTION OF DIRECTORS (SOLE PROPOSAL)

The first matter to be considered at the Annual Meeting will be the election of two directors. Following the recommendation of the NCG Committee, the Board of Directors has nominated Ted J. Simon and Paul D. Lapidès to serve as directors. Each director shall be elected by a plurality of the votes cast at the Annual Meeting. Therefore, if a quorum is present, abstentions will have no effect on the election of directors. Proxies will be tabulated by the Company's transfer agent. The Inspector of Elections appointed at the Annual Meeting will then combine the proxy votes with the votes cast at the Annual Meeting. Each director elected at the Annual Meeting will serve for a term commencing on the date of the Annual Meeting and continuing until the Annual Meeting of Shareholders to be held in 2009 or until his successor is duly elected and qualified. In the absence of directions to the contrary, proxies will be voted in favor of the election of the two nominees listed below.

If either of the nominees named below are unavailable to serve for any reason, then a valid proxy may be voted for the election of such other persons as the person or persons voting the proxy may deem advisable in accordance with their best judgment. Management has no present knowledge that either of the persons named will be unavailable to serve. In any event, the enclosed proxy can be voted for only the two nominees named in this Proxy Statement or their substitutes.

THE BOARD RECOMMENDS A VOTE "FOR" EACH OF THE NOMINEES NAMED BELOW. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" THE NOMINEES UNLESS INSTRUCTIONS TO WITHHOLD OR TO THE CONTRARY ARE GIVEN.

The following list identifies each incumbent director and nominee for election to the Board at the Annual Meeting and describes each person's principal occupation for the past five years. Each of the directors has served continuously from the date of his election to the present time.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Philosophy of Executive Compensation

The executive compensation program is administered by the Compensation Committee of the Board, which is currently comprised of Ted J. Simon, Clunet R. Lewis and Ronald L. Piasecki. None of the members of the Compensation Committee are employees of the Company and each of them is an independent director for purposes of the requirements of the NYSE rules.

The executive compensation program supports the Company's commitment to providing superior shareholder value. This program is designed to:

- attract, retain and reward executives who have the motivation, experience and skills necessary to lead the Company effectively and encourage them to make career commitments to the Company;
- create a link between the performance of our stock and executive compensation;
- base executive compensation levels on the overall financial and operational performance of the Company and the individual contribution of the executive officer to the success of the Company; and
- position executive compensation levels to be competitive with other similarly situated public companies including the real estate industry in general and manufactured housing REITs in particular.

Compensation Committee Procedures and Findings

The Compensation Committee attempts to structure a compensation program for the Company that will reward its top executives with bonuses and stock and option awards upon attainment of specified goals and objectives while striving to maintain salaries at reasonably competitive levels. The Compensation Committee reviews the compensation (including salaries, bonuses and stock options) of the Company's Chairman and CEO as well as the Company's other executive officers, administers the Company's incentive and equity based compensation plans and performs such other duties as may be delegated to it by the Board. The Compensation Committee held three (3) formal meetings during the fiscal year ended December 31, 2005 and took action pursuant to resolutions adopted by unanimous written consent.

In order to implement the Company's executive compensation philosophy, the Compensation Committee exercises its independent discretion in reviewing and approving the executive compensation program as a whole, as well as specific compensation levels for each executive officer. Final aggregate compensation determinations for each fiscal year are generally made after the end of the fiscal year, after financial statements for such year become available. At that time, the Compensation Committee determines bonuses, if any, for the past year's performance, sets base salaries for the following fiscal year and makes awards of equity-based compensation, if any. The Chief Executive Officer makes recommendations to the Compensation Committee with respect to the compensation of all executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable REITs, as well as various compensation studies and surveys, to ensure that compensation packages are in line with our peer

Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for the Company's executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the performance of the Company and to create a link between the performance of the Company's stock and executive compensation.

The Compensation Committee reviewed all components of the compensation of the Company's executive officers, including salary, bonus, equity and long-term incentive compensation, accumulated realized and unrealized stock option and restricted stock gains, the dollar value to the executive and cost to the Company of all perquisites and other personal benefits and the projected payout obligations under potential severance and change-in-control scenarios. Based on this review, the Compensation Committee finds that the Company's executive officers' total compensation (and, in the case of the severance and change-in-control scenarios, the potential payouts) in the aggregate to be reasonable and not excessive.

-12-

Components of Executive Compensation

The key components of executive officer compensation are salary, bonuses, restricted stock awards and stock option awards. Salary is generally based on factors such as an individual officer's level of responsibility, prior years' compensation, comparison to compensation of other officers in the Company, and compensation provided at competitive companies and companies of similar size. Cash bonuses, restricted stock awards and stock option awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include growth in funds from operations, or FFO, as measured against targets established at the beginning of each year and against the relative performance of the Company in comparison to its peer group of companies, strength of the balance sheet and creation of shareholder value. Restricted stock awards and stock option awards are intended to provide long-term incentive compensation to executive officers that is aligned directly with the achievement of enhanced value for shareholders.

CEO Compensation

During the fiscal year ended December 31, 2005, Gary A. Shiffman served in the capacity of Chief Executive Officer of the Company. In 2005, the Company entered into an employment agreement with Gary A. Shiffman pursuant to which Mr. Shiffman serves as President and Chief Executive Office of the Company. Mr. Shiffman's employment agreement is for an initial term ending December 31, 2011 and is automatically renewable for successive one year terms thereafter unless either party timely terminates the agreement. Pursuant to this employment agreement, Mr. Shiffman is paid an annual base salary of \$545,000, which will be increased by an annual cost of living adjustment beginning with calendar year 2006. In addition to his base salary and in accordance with the terms of his employment agreement, Mr. Shiffman is entitled to annual incentive compensation of up to 75% of his then current base salary if he satisfies certain individual and company performance criteria established from time to time by the Board and Mr. Shiffman is entitled to annual incentive compensation of up to 25% of his then current base salary in the sole discretion of the Compensation Committee. Based upon market studies of pay levels for chief executive officers of publicly traded REITs (conducted by the National Association of Real Estate Investment Trusts), the Compensation Committee believes that Mr. Shiffman's total compensation in 2005 was competitive with the appropriate level for his

position.

Internal Pay Equity

The Compensation Committee believes that the relative differences between CEO compensation and the compensation of the Company's other executive officers is consistent with such differences found in its peer group and the real estate industry in general.

Salary Reduction

Effective January 1, 2005, the executive officers agreed to a 5% reduction in their stated base salaries for calendar year 2005 and calendar year 2006. In addition, the executive officers waived their right to receive an incentive bonus during calendar year 2005.

Respectfully submitted,
Members of the Compensation Committee:
Ted J. Simon
Clunet R. Lewis
Ronald L. Piasecki

In addition, Shiffman Origen LLC (100 percent of which is owned by the Milton M. Shiffman Spouse's Marital Trust, Gary A. -18-

2005. The Company pays Origen Servicing, Inc. an annual servicing fee of 100 to 150 basis points of the outstanding principal balance of the loans pursuant to a Loan Servicing Agreement, which totaled approximately \$300,000 during 2005.

- Loan Origination, Sale and Purchase Agreement. Origen has agreed to fund loans that meet the Company's underwriting guidelines and then transfer those loans to the Company pursuant to a Loan Origination, Sale and Purchase Agreement. During 2005 the Company purchased \$7.2 million of these loans.
- Purchase of Repossessed Manufactured Homes. The Company purchases certain repossessed manufactured houses owned by Origen and located in the Company's manufactured housing communities. The Company purchased approximately \$2.2 million of repossessed homes from Origen during 2005. This program allows the Company to retain houses for resale and rent in its communities and allows Origen to enhance recoveries on its repossessed homes.

LEASE OF PRINCIPAL EXECUTIVE OFFICES

The Company leases its executive offices in Southfield, Michigan from an entity in which Mr. Shiffman and certain of his affiliates beneficially own approximately a 21 percent interest. The lease is for a term of five years, which commenced on May 1, 2003. Rent paid was approximately \$51,600 per month from May 2004 to April 2005 and \$52,900 per month from May 2005 through December of 2005. Edgar Filing: SUN COMMUNITIES INC - Form DEF 14A

bringing the monthly rental payments at May 1, 2006 and May 2007 to approximately \$54,200 and \$55,500, respectively.

LOANS TO CHIEF EXECUTIVE OFFICER

In 1995, the Company issued Gary A. Shiffman, its Chief Executive Officer and President, 400,000 shares of common stock for \$8,650,000 (the "Purchase Price"). The Purchase Price is evidenced by three (3) separate 10-year promissory notes that bear interest at a rate equal to six months' LIBOR plus 175 basis points, with a maximum interest rate of 9% per annum and a minimum interest rate of 6% per annum (the "Promissory Notes"). Two of the Promissory Notes (with an initial aggregate principal amount of approximately \$7.6 million) are secured by approximately 270,000 shares of common stock of the Company held by Mr. Shiffman (the "Secured Shares") and/or 128,000 common partnership units in Sun Communities Operating Limited Partnership (the "Secured Units") and the last Promissory Note (with an initial principal amount of approximately \$1.0 million) is unsecured but fully recourse to Mr. Shiffman. Mr. Shiffman's personal liability on the secured Promissory Notes is limited to all accrued interest on such notes plus fifty percent (50%) of the deficiency, if any, after application of the proceeds from the sale of the Secured Shares and/or the Secured Units to the then outstanding principal balance of the Promissory Notes. The Promissory Notes provide for quarterly interest only payments and provide that all cash distributions and dividends paid to Mr. Shiffman on the Secured Shares and the Secured Units (the "Distributions") will first be applied toward the accrued and unpaid interest under the Promissory Notes and sixty percent (60%) of the remainder of the Distributions, if any, will be applied toward the outstanding principal balance of the Promissory Notes.

In April 1997, the Company loaned Mr. Shiffman an additional \$2,600,391 on terms substantially identical to the terms of the other loan to Mr. Shiffman, as described above, and such loan is secured by 80,000 shares of common stock of the Company held by Mr. Shiffman (the promissory notes evidencing this loan, together with the Promissory Notes, are hereinafter referred to as the "Shiffman Notes"). On July 15, 2002, the due date of the Shiffman Notes was extended such that one-third of the principal balance becomes due on December 31, 2008, an additional one-third of the principal balance becomes due on December 31, 2009 and the balance of the Shiffman Notes becomes due on December 31, 2010.

The largest aggregate indebtedness outstanding under the Shiffman Notes since January 1, 2005 was approximately \$9,797,721.80. As of March 31, 2006, the amount outstanding under the Shiffman Notes was approximately \$9,335,298.80.

REPORT OF THE AUDIT COMMITTEE

The Board maintains an Audit Committee comprised of three of the Company's directors. The directors who serve on the Audit Committee are all "independent" for purposes of the New York Stock Exchange listing standards. The Audit Committee held four (4) formal meetings and several informal meetings during the 2005 fiscal year.

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- reviewed and discussed the audited financial statements with management and Grant Thornton, LLP, the Company's independent auditors, for the fiscal year ended December 31, 2005;
- discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards); and
- reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1 (Independence Discussions with Audit Committees), and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2005, as filed with the Securities and Exchange Commission.

The Audit Committee has a policy concerning the pre-approval of audit and non-audit services to be provided by the Company's independent auditors. The policy requires that all services provided by the independent auditor to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Audit Committee. In some cases, pre-approval is provided by the full Audit Committee for up to a year, and relates to a particular category or group of services and is subject to a particular budget. In other cases, specific pre-approval is required. The Audit Committee approved all audit and non-audit related services provided to the Company by Grant Thornton LLP during the 2005 fiscal year.

The Audit Committee has considered and determined that the level of fees of Grant Thornton LLP for provision of services other than the audit services is compatible with maintaining the auditor's independence.

Respectfully Submitted,
Members of the Audit Committee:
Paul D. Lapides
Clunet R. Lewis
Ronald L. Piasecki
