INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Committee of the
ACS Desktop Solutions, Inc. 401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of ACS Desktop Solutions, Inc. 401(k) Profit Sharing Plan ("Plan") as of December 31, 1999 and 1998, and the related statement of changes in net assets available for benefits for the year ended December 31, 1999. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the financial statements based on our audit. The financial statements of ACS Desktop Solutions, Inc. 401(k) Profit Sharing Plan as of December 31, 1998 were audited by other auditors whose report dated August 31, 1999, expressed a qualified opinion as permitted by section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Except as discussed in the following paragraph, we conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Connecticut General Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 1999 that the information provided to the plan administrator by the trustee is complete and accurate.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 6, the financial statements referred to above

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form 11-K

present fairly, in all material respects, the net assets available for benefits of the plan as of December 31, 1999 and the changes in net assets available for benefits for the year then ended in conformity with generally accepted accounting principles.

INDEPENDENT AUDITORS' REPORT (CONTINUED)

Our audit of the Plan's financial statements was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule on page 11 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, except for the effects on the Schedule of Assets Held For Investment Purposes of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information as described in the second preceding paragraph, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

ALLOCATION

Each participant's account is credited with the participant's contribution and allocated to each participant's account upon receipt. Investment income or loss is allocated daily based on the ratio of each participant's account balance at the end of each day.

Company profit sharing contributions are allocated among the participants on the last day of the Plan year and in the same proportion that the entitled participant's compensation for such Plan year bears to the total compensation of all entitled participants.

VESTING

Less than 2	0%
2	50%
3 or more	100%

Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form 11-K

PARTICIPANT NOTES RECEIVABLE

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer to (from) the investment fund and from (to) the Participant Notes fund. Loan terms range from 1-5 years or within a reasonable time if the purpose of the loan is to acquire a primary residence. The balance in the participant's account secures the loans. The interest rates are determined by the trustee using the local prevailing rate. An interest rate of 9.5% was charged during 1999. Principal and interest is paid ratably through regular payroll deductions. Participant notes receivable are valued at cost which approximates fair values.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1. PLAN DESCRIPTION (CONTINUED)

FORFEITURES

Forfeitures are first used to reinstate previously forfeited account balances of rehired former participants and any remaining forfeitures serve to reduce the employer contributions. At December 31, 1999, the Plan maintained a balance of \$2,472 in forfeited non-vested accounts.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

CIGNA Retirement and Investment Services holds the Plan's investments. The fair value per unit/share is stated at quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

PAYMENT OF BENEFITS

Benefit payments are recorded when paid.

NOTE 3. INCOME TAX STATUS

The Internal Revenue Service has determined by letter dated September 28, 1995, that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has since been amended, however, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 4. TERMINATED EMPLOYEE INFORMATION
