ANNUAL MEETING OF SHAREHOLDERS
MAY 18, 2004

PROXY STATEMENT

INTRODUCTION

Your Proxy is solicited by the Board of Directors of Health Fitness Corporation ("the Company") for the Annual Meeting of Shareholders to be held on May 18, 2004, at the location and for the purposes set forth in the notice of meeting, and at any adjournment thereof.

The cost of soliciting proxies, including the preparation, assembly and mailing of the proxies and soliciting material, as well as the cost of forwarding such material to beneficial owners of the Company's Common Stock, will be borne by the Company. Directors, officers and regular employees of the Company may, without compensation other than their regular remuneration, solicit proxies personally or by telephone.

Any shareholder giving a proxy may revoke it at any time prior to its use at the meeting by giving written notice of such revocation to the Secretary of the Company. Proxies not revoked will be voted in accordance with the choice specified by shareholders by means of the ballot provided on the Proxy for that purpose. Proxies which are signed but which lack any such specification will, subject to the following, be voted in favor of the proposals set forth in the Notice of Meeting and in favor of the number and slate of directors proposed by the Board of Directors and listed herein. If a shareholder abstains from voting as to any matter, then the shares held by such shareholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. Abstentions, therefore, as to any proposal will have the same effect as votes against such proposal. If a broker returns a "non-vote" proxy, indicating a lack of voting instructions by the beneficial holder of the shares and a lack of discretionary authority on the part of the broker to vote on a particular matter, then the shares covered by

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

such non-vote proxy shall be deemed present at the meeting for purposes of determining a quorum but shall not be deemed to be represented at the meeting for purposes of calculating the vote required for approval of such matter.

The mailing address of the principal executive office of the Company is 3600 American Boulevard West, Suite 560, Bloomington, Minnesota 55431. The Company expects that this Proxy Statement, the related proxy and notice of meeting will first be mailed to shareholders on or about April 9, 2004.

OUTSTANDING SHARES AND VOTING RIGHTS

The Board of Directors of the Company has fixed March 31, 2004, as the record date for determining shareholders entitled to vote at the Annual Meeting. The Common Stock is the only outstanding class of capital stock of the Company entitled

CORPORATE GOVERNANCE

INDEPENDENCE

The Board has determined that a majority of its members are "independent" as defined by the Securities Exchange Act of 1933. The independent directors are James A. Bernards, John C. Penn, Mark W. Sheffert, Linda Hall Whitman and Rodney A. Young. Jerry Noyce is precluded from being considered independent since he currently serves as an executive officer of the Company. K. James Ehlen is precluded from being considered independent because of his services as a consultant to the Company. Cary Musech is precluded from being considered independent since he has a relationship as a principal of a significant lender to the Company.

CODE OF CONDUCT

The Board has approved an Ethics and Code of Conduct that applies to all employees, directors and officers, including the principal executive officer, principal financial officer, principal accounting officer and controller. The Ethics and Code of Conduct addresses such topics as protection and proper use of our assets, compliance with applicable laws and regulations, accuracy and preservation of records, accounting and financial reporting, conflicts of interest and insider trading. The Ethics and Code of Conduct is available on the Company's website at www.hfit.com. Health Fitness Corporation intends to include on its website any amendment to, or waiver from, a provision of its code of ethics that applies to the principal executive officer, principal financial officer, principal accounting officer and controller that relates to any element of the code of ethics definition enumerated in Item 406(b) of Regulation S-K under the Securities Act of 1933.

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

below and should prominently indicate on the outside of the envelope that it is intended for the Board of Directors or for non-management directors. If no director is specified, the communication will be forwarded to the entire Board. Shareholder communications to the Board should be sent to:

DIRECTOR ATTENDANCE AT ANNUAL MEETINGS

Directors' attendance at Annual Meetings can provide shareholders with an opportunity to communicate with directors about issues affecting the Company. The Company does not have a policy regarding director attendance, but all directors are encouraged to attend the Annual Meeting of Shareholders. An Annual Meeting of Shareholders was not held in 2003.

COMMITTEE AND BOARD MEETINGS

The Company's Board of Directors has four standing committees, the Audit Committee, the Compensation Committee, the Finance Committee and Nominating Committee. Members of such Committees meet formally and informally from time to time throughout the year on Committee matters.

Audit Committee

The Audit Committee is comprised of directors James A. Bernards (Chair), K. James Ehlen and Mark W. Sheffert. Messrs. Bernards and Sheffert are independent under both SEC and Nasdaq rules. Director K. James Ehlen will serve on the Audit Committee until the 2004 Annual Meeting, at which time he will step down if his consulting services relationship at that time continues to preclude him from being considered to be an independent director. The Audit Committee is responsible for the oversight relating to the Company's financial reporting process, its systems of internal accounting and financial controls, the internal audit process and the annual independent audit process of the Company's annual financial statements. The Committee is also responsible for appointment, compensation, retention and oversight of the work of any publicly registered accounting firm, including the Company's independent public accountants. Attached as Exhibit A is the Charter for the Audit Committee approved by the Board of Directors. The Audit Committee met ten times during fiscal 2003.

The Board has determined that James A. Bernards is the "audit committee financial expert" as defined by Item 401(h)(2) of Regulation S-K under the Securities Act of 1933. The designation of Mr. Bernards as the audit committee financial expert does not impose on Mr. Bernards any duties, obligations or liability that are greater than the duties, obligations and liability imposed on Mr. Bernards as a member of the Audit Committee and the Board of Directors in the absence of such designation or identification. Mr. Bernards has assumed the duties of the audit committee financial expert on an interim basis until a permanent replacement is found by the Board of Directors.

Compensation Committee

The Compensation Committee, which consists of Linda Hall Whitman (Chair), James A. Bernards and Rodney A. Young, each of whom is independent, is charged with oversight responsibility for management's performance and the adequacy and effectiveness of compensation and benefit plans. In addition, the

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

Compensation Committee makes recommendations to the Board of Directors regarding remuneration arrangements for senior management, and adoption of employee compensation and benefit plans. The Compensation Committee met three times during fiscal 2003.

8

Finance Committee

The Finance Committee, which consists of James A. Bernards, Mark W. Sheffert (Chair), and Cary Musech, was formed in January, 2002, and is charged with exploring opportunities for strategic acquisitions and the methods that might be available for financing such opportunities. The Finance Committee met eight times during fiscal 2003.

Nominating Committee

The Company's Nominating Committee was formed on March 10, 2004, consisting of the Chairman of the Board (John C. Penn), the Chairman of the Audit Committee (James A. Bernards), the Chairman of the Compensation Committee (Linda Hall Whitman), and the Chairman of the Finance Committee (Mark W. Sheffert), all of whom are independent directors. Prior to formation of the Nominating Committee, the directors have addressed the nominations process efficiently and successfully as a full board. The nominees for election to the Board at the annual meeting of shareholders to be held on May 18, 2004, were nominated by a vote of the Company's independent directors at a meeting of the full Board, and in the future, only independent directors will be permitted to vote on prospective Board nominees. The Board has not adopted a nominating committee charter, and the newly-formed Nominating Committee did not meet during 2003.

The Company has not yet adopted a nominating policy regarding director nominee proposals by shareholders and does not believe such a policy is needed because shareholders are free at any time to recommend a nominee to be considered by the Board by submitting a written proposal to the Chairman of the Board of Directors, at Health Fitness Corporation, 3600 American Boulevard West, Suite 560, Bloomington, Minnesota 55431. A consent signed by the proposed nominee agreeing to be considered as a director should accompany the written proposal. The proposal should include the name and address of the nominee, in addition to the qualifications and experience of said nominee.

The independent directors will consider the attributes of the candidates and the needs of the Board and will review all candidates in the same manner, regardless of the source of the recommendation. In evaluating director nominees, a candidate should have certain minimum qualifications, including being able to read and understand basic financial statements, be familiar with our business and industry, have high moral character and mature judgment, and be able to work collegially with others. In addition, factors such as the following shall be considered:

- appropriate size and diversity of the Board;
- needs of the Board with respect to particular talent and experience;
- knowledge, skills and experience of nominee;
- familiarity with domestic and international business affairs;
- legal and regulatory requirements;

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

- appreciation of the relationship of our business to the changing needs of society; and
- desire to balance the benefit of continuity with the periodic injection of the fresh perspective provided by a new member.

9

The directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal Board action by written consent of a majority of all directors, in accordance with the Company's Articles of Incorporation and Minnesota law, rather than hold formal meetings. During fiscal 2003, the Board of Directors held ten formal meetings. Each incumbent director attended 75% or more of the total number of meetings held during the period(s) for which he or she has been a director or served on committee(s) of the Board and of committee(s) of which he or she was a member.

DIRECTORS FEES

During fiscal 2001, the Board implemented a compensation plan for outside directors pursuant to which directors who are not employees of the Company receive a fee of \$1,000 for each Board meeting attended and are reimbursed for out-of-town travel expenses incurred to attend such Board meetings. Under the plan, each non-employee director also receives (i) a fully vested grant of 20,000 shares of Common Stock upon first election to the Board and (ii) a six-year option to purchase 12,000 shares of Common Stock upon first election to the Board and annually thereafter. Each such option is granted at the fair market value of the Company's Common Stock on the date of grant and is fully exercisable on the date of grant.

Effective January 2003, the Board compensation plan was amended to provide for compensation to Directors who participate on the Company's board committees. Committee Chairpersons will receive a cash payment of \$325 and Committee Members will receive a cash payment of \$250 for attending each regular and special committee meeting up to the following annual limit: Compensation Committee up to four meetings; Audit Committee up to eight meetings; Finance Committee up to eight meetings. Telephonic committee meetings, or a Director's telephonic attendance at a committee meeting, will be compensated at 75% of the full payment.

In May 2003, Directors Bernards, Ehlen, Penn, Sheffert, Whitman and Young each received a six-year option to purchase 12,000 shares at an exercise price of \$0.50 per share.

Effective December 2003, the Board compensation plan was amended to provide for the following changes:

1. The Chairperson and Directors will receive a monthly cash retainer of \$416.67 payable quarterly at a rate of \$1,125.
2. The Chairperson will receive a cash payment of \$1,300 and Directors will receive a cash payment of \$1,000 for attending each regular and special board meeting. Telephonic board meetings, or a Director's telephonic attendance at a board meeting, will be compensated at 75% of the full payment.

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee currently comprised of three of the Company's directors. The Board of Directors and the Audit Committee acknowledge that the Audit Committee's current member composition fails to satisfy the rule of the National Association of Securities Dealers, Inc. ("NASD") that governs audit committee composition, Rule 4350(d)(2), because one current audit committee member, K. James Ehlen, is a consultant to the Company. Dr. Ehlen therefore is not an "independent director" as that term is defined under NASD Rule 4200(a)(15) by reference to Rule 10-A-3((b)(1)(ii)(A) of the Securities Exchange Act of 1934, which rule will become effective as to the Company at the time of the 2004 Annual Shareholder Meeting. Dr. Ehlen's position on the Audit Committee therefore will end effective with the 2004 Annual Shareholder Meeting.

In accordance with its written charter adopted by the Board of Directors, as amended, (set forth in Exhibit A to this proxy statement), the Audit Committee assists the Board of Directors with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management;
- (2) discussed with the independent auditors the material required to be discussed by Statement on Auditing Standards No. 61; and
- (3) reviewed the written disclosures and the letter from the independent auditors required by the Independence Standards Board's Standard No. 1, and discussed with the independent auditors any relationships that may impact their objectivity and independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003, as filed with the Securities and Exchange Commission.

CERTAIN TRANSACTIONS

On December 1, 2003, the Company entered into a Professional Services Agreement with K. James Ehlen, M.D., representing Halleland Health Consulting. The scope of services to be provided by Dr. Ehlen primarily include serving as the Company's Medical Advisor, representing the Company as its lead clinical representative with clients, and supporting the Company's enhancement of its corporate health and wellness services strategy. Dr. Ehlen received a monthly retainer of \$10,000 and the Agreement expired after 120 days. The Company and Dr. Ehlen are evaluating the relationship to determine if the continuation of Dr. Ehlen's services is necessary. For fiscal year 2003, the Company paid Dr. Ehlen \$10,000 for his services.

On August 25, 2003, the Company entered into a \$3,000,000 Securities Purchase Agreement with Bayview Capital Partners LP ("Bayview") to provide the Company with acquisition financing and general working capital (the "Bayview Investment"). Cary Musech, a director of the Company, is the Chief Executive Officer of Bayview Capital Management LLC, which is the general partner of Bayview Capital Partners LP. The Bayview Investment was structured as a bridge note (the "Bridge Note").

On December 8, 2003, the \$3,000,000 Bridge Note was converted into a \$2,000,000 term note (the "Term Note"), \$1,000,000 in Series A Convertible Preferred Stock of the Company (the "Preferred Stock"), and a warrant to purchase common stock of the Company (the "Warrant"). The Term Note will bear interest at 12% per year, payable monthly, and will mature on December 8, 2009.

The Preferred Stock was issued to Bayview at a price of \$1.00 per share, resulting in 1,000,000 shares issued on December 8, 2003. The Preferred Stock has a stated dividend rate of 6% per year, computed on a simple interest basis, paid in kind in the form of additional shares of Preferred Stock using a price of \$1.00 per share ("PIK Dividends"). At the option of the holder, the Preferred Stock, including any PIK Dividends, may be converted, at any time and from time to time, into the Company's common stock at a price of \$0.50 per share. In addition, Bayview may require redemption of the Preferred Stock and PIK Dividends upon a change of control or default (including default under the Term Note).

The Warrant issued to Bayview represents the right to purchase 1,210,320 shares of common stock, which represents 8% of the Company's common stock outstanding on a fully diluted basis at December 8, 2003, excluding the common stock issuable to Bayview upon conversion of the Preferred Stock. The Warrant will be exercisable at any time for a period of ten years at an exercise price equal to \$0.50 per share, and the shares obtainable upon exercise of the Warrant may be put to the Company at fair market value (net of the exercise price) upon a change of control or default.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. The Compensation Committee of the Board of Directors is composed of outside directors Linda Hall Whitman, James A. Bernards and Rodney A. Young. None of such members of the Committee is or ever has been an employee or officer of the

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

Company and none of such persons are affiliated with any entity other than the Company with which an executive officer of the Company is affiliated. Mr. Noyce, the Company's President and CEO, served on the Compensation Committee during the period from January 19 to June 15, 2001; however, during this period the Compensation Committee limited its activities to review and recommendation of a compensation package for the Company's directors and did not undertake to review or make recommendations regarding CEO compensation.

OVERVIEW AND PHILOSOPHY. In accordance with the Compensation Committee Charter, the Compensation Committee (i) develops procedures and policies for compensating directors; (ii) reviews the Company's procedures, processes and policies used to compensate the Company's CEO and principal executives (Chief Financial Officer, National Vice Presidents of Account Services, Vice President of Human Resources, Vice President of Marketing, Vice President of Programs and Partnerships, Vice President of Consulting and Best Practices and National Vice President of Business Development); (iii) reviews the performance evaluation procedures for the CEO and principal executives; (iv) recommends compensation plans for the CEO to the Board and approves compensation plans for the principal executives. The Compensation Committee has developed executive compensation programs designed to attract and retain qualified executives and to motivate them to maximize shareholder investment by achieving Company goals. There are three basic components to the Company's executive compensation program: base pay, annual incentive bonus, and long-term, equity-based incentive compensation in the form of stock options. Each component is established in light of individual and Company performance, comparable compensation programs in the Minneapolis/Saint Paul metropolitan area, equity among employees and cost effectiveness.

BASE PAY. Base pay is designed to be competitive, although conservative, as compared to salary levels for equivalent positions at comparable companies in the Minneapolis/Saint Paul metropolitan area. The executive's actual salary within this competitive framework depends on the individual's performance, responsibilities, experience, leadership and potential future contribution. The base pay of the CEO and CFO are currently set by their employment agreements (See "Employment Agreements" below), with increases for the CEO determined by the Board upon recommendation of the Compensation Committee and increases for the CFO determined by the CEO and the Compensation Committee.

ANNUAL INCENTIVE BONUS. In addition to base pay, the CEO and other principal executives may be eligible to receive an annual cash bonus based on criteria determined by the Board of Directors for the CEO and for other principal executives by the CEO and Compensation Committee. Bonus eligibility may range from 10% to 45% of base pay.

LONG-TERM, EQUITY-BASED INCENTIVE COMPENSATION. The long-term, equity-based compensation program is tied directly to shareholder return. Under

the current program, long-term incentive compensation consists of stock options that generally do not fully vest until after four years. Stock options are awarded with an exercise price equal to the fair market value of the Company's common shares on the date of grant. Accordingly, the executive is rewarded only if the shareholders receive the benefit of appreciation in the price of the Common Stock.

Because long-term options vest over time, the Company periodically (generally once each year) grants new options to provide continuing incentives

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

for future performance. The size of the previous grants and the number of options held are considered by the Compensation Committee, but are not entirely determinative of future grants. Each executive's annual grants are based upon the individual's performance, responsibilities, experience, leadership and potential future contribution and any other factors deemed relevant by the Committee. Stock option grants for the CEO and CFO are made by the Board of Directors upon recommendation of the Compensation Committee. Stock option grants for other principal executives are made by the CEO and Compensation Committee, including grants from a stock option pool subject to the discretion of the CEO within certain parameters.

Stock options are designed to align the interests of the Company's executives with those of shareholders by encouraging executives to enhance the value of the Company and, hence, the price of the Common Stock and the shareholders' investment. In addition, through deferred vesting, this component of the compensation system is designed to create an incentive for the executive to remain with the Company.

BENEFITS. The Company also provides medical and insurance benefits to its executive officers, which are generally available to all Company employees. The Company has a 401(k) plan in which all qualified employees, including the executive officers, are eligible to participate. During 2003, the Company made aggregate matching contributions of approximately \$140,000 to plans qualified under IRC Section 401(k).

ANNUAL REVIEWS. Each year the Compensation Committee reviews its executive compensation policies and programs and determines what changes, if any, are appropriate for the following year. In addition, the Committee and Board of Directors reviews the individual performance of the CEO.

COMPENSATION IN 2003. Jerry Noyce was employed as the Company's Chief Executive Officer in November 2000 pursuant to a written Employment Agreement. See "Employment Agreements." During 2003, the Board of Directors approved the recommendation of the Compensation Committee to maintain Mr. Noyce's annual base salary at \$238,050, and to grant Mr. Noyce options to purchase 82,000 shares of the Company's common stock, vesting over 4 years, with an exercise price equal to fair market value as of the date of grant. The Company paid a cash bonus to Mr. Noyce of \$10,000 in fiscal year 2003 for the achievement of fiscal year 2002 bonus objectives. In April 2003, the Board of Directors, upon the recommendation of the Compensation Committee, approved a bonus program for Mr. Noyce for fiscal year 2003 pursuant to which Mr. Noyce has the opportunity to earn a bonus of up to 20% of his base pay upon achievement of certain revenue targets and a bonus of up to 25% of base pay based upon achievement of certain EBITDA targets. In December 2003, the Board of Directors approved the recommendation of the Compensation Committee to grant Mr. Noyce an option to purchase 20,000 shares of the Company's common stock, vesting immediately, with an exercise price equal to fair market value as of the date of grant. Such grant was made as compensation

for the completion of the acquisition of the Health & Fitness Services Business of Johnson & Johnson Health Care Systems Inc (the "J&J Fitness Business").

Wes Winnekins was employed as the Company's Chief Financial Officer in February 2001 pursuant to a written Employment Agreement. See "Employment Agreements." During 2003, Mr. Winnekins' annual base salary was increased by 3.5%, to \$131,860, and he was granted options to purchase 17,000 shares of the Company's common stock, vesting over 4 years, with an exercise price equal to fair market value as of the date of grant. The Company paid a cash bonus to Mr. Winnekins of \$5,000 for the achievement of fiscal year 2002 bonus objectives. In

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

July 2003, Mr. Winnekins was granted an option to purchase 10,000 shares of the Company's common stock for work performed in connection with the Company's acquisition of the J&J Fitness Business. In December 2003, the Company paid a cash bonus to Mr. Winnekins of \$10,000 as compensation for the completion of the acquisition of the J&J Fitness Business.

INCREASE IN SHARES OF CAPITAL STOCK OF THE CORPORATION (PROPOSAL #2)

At the Annual Meeting, shareholders will be asked to approve an amendment to the Company's Articles of Incorporation to increase the shares of capital stock that the corporation is authorized to issue from 30,000,000 to 60,000,000, of which 50,000,000 shares shall be designated as common shares with a par value of \$0.01 per share, and 10,000,000 shares shall be designated as preferred shares with a par value of \$0.01 per share. Of the total preferred shares, 1,500,000 shares shall be Series A Convertible Preferred Stock with a par value \$0.01 per share, with preferences, rights and privileges as set forth

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

in that certain Certificate of Designation, Preferences and Rights of Series A Convertible Preferred Stock filed with the Office of the Secretary of State of Minnesota on December 5, 2003, and of which 8,500,000 shares shall be undesignated. Currently, the Company is authorized to issue 30,000,000 shares of capital stock, of which 25,000,000 are designated as common shares with a par value of \$0.01 per share, and 5,000,000 shares are designated as preferred shares with a par value of \$0.01 per share.

The Board of Directors believes that the increase in the number of authorized shares will give the Company the ability to pursue future equity financings and additional acquisition opportunities. Accordingly, the Board of Directors has adopted and recommends for shareholder approval an amendment to the Articles of Incorporation of the Company which would increase the number of authorized shares.

VOTE REQUIRED; RECOMMENDATION

Adoption of the amendment to the Company's Articles of Incorporation to increase the Company's authorized shares requires the affirmative vote of the holders of the greater of (1) a majority of the voting power of the shares represented in person or by proxy at the Annual Meeting with authority to vote on such matter, or (2) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

20

INCREASE IN SHARES RESERVED FOR 1995 STOCK OPTION PLAN (PROPOSAL #3)

GENERAL

The Company has in effect a 1995 Stock Option Plan (the "Stock Option Plan"). The Board of Directors has recommended an increase in the number of shares of the Company's Common Stock reserved for issuance under the Stock Option Plan from 2,000,000 to 3,500,000 shares. A general description of the basic features of the Stock Option Plan is presented below, but such description is qualified in its entirety by reference to the full text of the Stock Option Plan, a copy of which may be obtained without charge upon written request to the Company's Chief Financial Officer.

DESCRIPTION OF THE 1995 STOCK OPTION PLAN

PURPOSE. The purpose of the Stock Option Plan is to advance the interests of the Company and its shareholders by enabling the Company to attract and retain persons of ability as employees, directors and consultants, by providing an incentive to such individuals through equity participation in the Company.

TERM. Options may be granted under the Stock Option Plan until February 25, 2005, or until such earlier date as the Stock Option Plan is discontinued or terminated by the Board. The Company anticipates that the term of the Plan will be extended before expiration and that options will continue to be granted under the Plan as extended, subject to approval of such extension at the 2005 Annual Shareholders' Meeting.

ADMINISTRATION. The Stock Option Plan is administered by the Board of Directors or by a Committee of the Board of Directors (the "Administrator"). The Stock Option Plan gives broad powers to the Administrator to administer and interpret the Plan, including the authority to select the individuals to be

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

granted options and to prescribe the particular form and conditions of each option granted.

ELIGIBILITY. All salaried employees of the Company or any subsidiary are eligible to receive incentive stock options pursuant to the Stock Option Plan. All salaried employees, non-employee directors and officers of, and consultants to, the Company or any subsidiary are eligible to receive nonqualified stock options. As of March 31, 2004, the Company had approximately 560 salaried employees (of which five are officers listed herein), six directors who are not employees, and one consultant.

OPTIONS. When an option is granted under the Stock Option Plan, the Administrator at its discretion specifies the option price, the type of option (either "incentive" or "nonqualified") to be granted, and the number of shares of Common Stock which may be purchased upon exercise of the option. The exercise price of an incentive stock option may not be less than 100% of the fair market value of the Company's Common Stock and the option price of a nonqualified option may not be less than 85% of the fair market value of the Company's Common Stock on the date of grant. The market value of the Company's Common Stock on March 31, 2004 was approximately \$23.5 million. The term during which the option

21

may be exercised and whether the option will be exercisable immediately, in stages or otherwise are set by the Administrator, but the term of an incentive stock option may not exceed ten years from the date of grant. Optionees may pay for shares upon exercise of options with cash, certified check or Common Stock of the Company valued at the stock's then fair market value. Each stock option granted under the Stock Option Plan is nontransferable during the lifetime of the optionee. Each outstanding option under the Stock Option Plan may terminate earlier than its stated expiration date in the event of the optionee's termination of employment, directorship or other relationship with the Company.

AMENDMENT. The Board of Directors may from time to time suspend or discontinue the Stock Option Plan or revise or amend it in any respect; provided, the Stock Option Plan may not, without the approval of the shareholders, be amended in any manner that will (a) materially increase the number of shares subject to the Stock Option Plan except as provided in the case of stock splits, consolidations, stock dividends or similar events; (b) materially modify the requirements for eligibility for participation in the Stock Option Plan; (c) materially increase the benefits accruing to optionees under the Stock Option Plan or (d) cause incentive stock options to fail to meet the requirements of the Internal Revenue Code.

FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN. Under present law, an optionee will not realize any taxable income on the date a nonqualified option is granted pursuant to the Stock Option Plan. Upon exercise of the option, however, the optionee must recognize, in the year of exercise, ordinary income equal to the difference between the option price and the fair market value of the Company's Common Stock on the date of exercise. Upon the sale of the shares, any resulting gain or loss will be treated as capital gain or loss. The Company will receive an income tax deduction in its fiscal year in which options are exercised, equal to the amount of ordinary income recognized by those optionees exercising options, and must withhold income and other employment-related taxes on such ordinary income.

Incentive stock options granted under the Stock Option Plan are intended to qualify for favorable tax treatment under Code Section 422. Under Section 422, an optionee recognizes no taxable income when the option is

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

granted. Further, the optionee generally will not recognize any taxable income when the option is exercised if he or she has at all times from the date of the option's grant until three months before the date of exercise been an employee of the Company. The Company ordinarily is not entitled to any income tax deductions upon the grant or exercise of an incentive stock option. Certain other favorable tax consequences may be available to the optionee if he or she does not dispose of the shares acquired upon the exercise of an incentive stock option for a period of two years from the granting of the option and one year from the receipt of the shares.

22

Current Executive Officer Group	975,000
Current Non-executive Officer Director Group	180,000
Current Non-executive Officer Employee Group	627,500
Total Stock Options Granted Under the Plan	1,782,500

- (1) This table reflects the total number of options granted under the Stock Option Plan as of March 31, 2004. Because future grants of stock options under the Stock Option Plan are subject to the discretion of the Committee, the future benefits that may be received by these individuals and groups under the Stock Option Plan cannot be determined at this time, except for the automatic grants of nonqualified options to outside directors as described above.

VOTE REQUIRED

Because of the employees' positive response to the 1995 Stock Option Plan, and to have an adequate reserve of shares to grant to new employees, including employees obtained as a result of possible future acquisitions, the Board of Directors recommends that the shareholders approve the 1,500,000 share increase in the number of shares reserved under the Plan. Approval of the increase requires the affirmative vote of the greater of (i) a majority of the voting power of the shares represented in person or by proxy at the meeting with authority to vote on such matter or (ii) a majority of the voting power of the minimum number of shares that would constitute a quorum for the transaction of business at the Annual Meeting.

APPROVAL OF SELECTION OF AUDITORS
(PROPOSAL #4)

Grant Thornton LLP acted as the Company's independent auditors for the fiscal years ended December 31, 2002 and December 31, 2003, and has been selected by the Audit Committee to act as the Company's auditors for fiscal 2004. Although it is not required to do so, the Board wishes to submit the selection of Grant Thornton LLP to the shareholders for ratification. In the event the shareholders do not approve such selection, the Audit Committee will reconsider its selection. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting of Shareholders. Such representative will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

AUDIT FEES

The following fees were paid to Grant Thornton LLP in fiscal years 2002 and 2003:

	FY 2002 -----	FY 2003 -----
Audit Fees	48,216	\$51,479
Audit-Related Fees	8,334	6,565
Tax Fees	35,026	38,849
All Other Fees	--	16,705

Edgar Filing: HEALTH FITNESS CORP /MN/ - Form DEF 14A

Audit fees are for professional services rendered and expenses incurred for the audit of the Company's annual financial statements and review of financial statements included in our Forms 10-K and 10-Q or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements.

Audit-related fees are primarily for services rendered and expenses incurred for the audit of the Company's 401K Employee Benefit Plan.

Tax fees include fees for services provided and expenses incurred in connection with the preparation of federal and state tax returns, tax advice and tax planning.

All other fees include fees for services provided and expenses incurred for non-audit related accounting services. The other fees paid in 2003 relate primarily to due diligence assistance provided by Grant Thornton LLP in connection with the Company's acquisition of the J&J Fitness Business.

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by the Company's independent auditors in order to assure that the provision of such services does not impair the auditor's independence. Unless a particular service has received general pre-approval by the Audit Committee, each service provided must be specifically pre-approved. Any proposed services exceeding pre-approved costs levels will require specific pre-approval by the Audit Committee. As such, the Audit Committee adopted a policy in February 2003 that states the Audit Committee is required to approve all audit and non-audit accounting-related services. The Audit Committee has pre-approved services to be requested from time to time by the Company's Chief Executive Officer and Chief Financial Officer only on accounting matters that do not exceed \$5,000 on any one occasion or \$25,000 per year; provided that the Company's Chief Financial Officer must report to the Audit Committee on the provision of such services at the Audit Committee meeting held immediately thereafter.

The Company's Audit Committee has considered whether provision of the above non-audit services is compatible with maintaining Grant Thornton LLP's independence and has determined that such services have not adversely affected Grant Thornton LLP's independence.

Officers, directors and greater than ten percent shareholders ("Insiders") are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based on a review of the copies of such reports furnished to the Company, during the fiscal year ended December 31, 2003, all Section 16(a) filing requirements applicable to Insiders were complied with, except James Bernards, Wes Winnekins, Jeanne Crawford, James Ehlen, Mark Sheffert, Linda Whitman, Rodney Young and Jerry Noyce were late filing one Form 4 each reporting one transaction, and Ralph Colao, Katherine Hamlin, Brian Gagne and Michael Seethaler were late filing a Form 3 and a Form 4 each reporting one transaction.
