PROXY STATEMENT

FOR ANNUAL MEETING OF SHAREHOLDERS

May 2, 2006

SOLICITATION OF PROXIES

This Proxy Statement is being furnished to the shareholders of SkyWest, Inc., a Utah corporation (the Company), in connection with the solicitation by the Board of Directors of the Company of proxies from holders of outstanding shares of the Company's common stock, no par value (the Common Stock), for use at the Annual Meeting of Shareholders of the Company to be held at the SkyWest Corporate Offices, 444 South River Road, St. George, Utah 84790, on Tuesday, May 2, 2006, at 11:00 a.m., and at any adjournment or postponement of that meeting (the Annual Meeting). This Proxy Statement, the Notice of Annual Meeting of Shareholders and the accompanying form of proxy are first being mailed to shareholders of the Company on or about March 24, 2006.

The Company will bear all costs and expenses relating to the solicitation of proxies, including the costs of preparing, printing and mailing to shareholders this Proxy Statement and accompanying materials. In addition to the solicitation of proxies by use of the mails, the directors, officers and employees of the Company, without receiving additional compensation, may solicit proxies personally or by telephone or telegram. The Company has also engaged The Altman Group, professional proxy solicitors, who will be paid fees and expenses of approximately \$5,000, to assist in solicitation of proxies primarily by mail, but also by telephone. Arrangements will be made with brokerage firms and other custodians, nominees and fiduciaries for the forwarding of solicitation materials to the beneficial owners of the shares of Common Stock held by such persons, and the Company will reimburse such brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection therewith.

VOTING

The Board of Directors has fixed the close of business on March 17, 2006 as the record date (the Record Date) for determination of shareholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 59,524,965 shares of Common Stock. The holders of record of the shares of Common Stock on the Record Date entitled to be voted at the Annual Meeting are entitled to cast one vote per share on each matter submitted to a vote at the Annual Meeting.

Proxies

Shares of Common Stock that are entitled to be voted at the Annual Meeting and that are represented by properly executed proxies will be voted in accordance with the instructions indicated on those proxies. If no instructions are indicated, those shares will be voted FOR the election of each of the eight director nominees; FOR the ratification of the appointment of Ernst & Young LLP as independent public accountants for the year ending December 31, 2006; FOR the approval of the SkyWest, Inc. 2006 Employee Stock Purchase Plan; FOR the approval of the SkyWest, Inc. 2006 Long-Term Incentive Plan; and, in the discretion of the proxy holders, as to any other matters that may properly come before the Annual Meeting. A shareholder who has executed and returned a proxy may revoke it at any time prior to its exercise at the Annual Meeting by executing and returning a proxy bearing a later date; by filing with the Secretary of the Company, at the address set forth above, a written notice of revocation bearing a later date than the proxy being revoked; or by voting the Common Stock covered thereby in person at the Annual Meeting.

Vote Required

The presence of a majority of the issued and outstanding shares of Common Stock entitled to vote, represented in person or by proxy, is required for a quorum at the Annual Meeting. Holders of shares of Common Stock are entitled to one vote at the Annual Meeting for each share of Common Stock held of record on the Record Date. In the election of directors, shareholders will not be allowed to cumulate their votes. The eight nominees receiving the highest number of votes will be elected. Under Utah law, the affirmative vote of a majority of the votes properly cast is required to ratify the appointment of Ernst & Young LLP, to approve the SkyWest, Inc. 2006 Employee Stock Purchase Plan, and to approve the SkyWest, Inc. 2006 Long-Term Incentive Plan. Accordingly, abstentions and broker non-votes will not affect the outcome of any of the foregoing proposals. Any other matter presented for approval by the shareholders at the Annual Meeting will generally be approved if the votes cast in favor of a matter exceed the votes cast in opposition. With respect to any such matter, abstentions and broker non-votes are not likely to affect the outcome of a vote on such matter.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Directors elected at the Annual Meeting will serve until the next annual meeting of shareholders and until their successors are duly elected and qualified. Shareholders do not have cumulative voting rights in the election of directors (each shareholder is entitled to cast one vote for each share held for each director). Unless authority is withheld, it is the intention of the persons named in the enclosed form of proxy to vote FOR the election as directors of the persons identified below as nominees for director. Each of the nominees is currently serving as a director, except Henry J. Eyring who has been nominated to fill one of the two existing vacancies on the Company's Board of Directors. If for any reason the candidacy of any one or more of the nominees is withdrawn, the proxies will be voted

FOR such other person or persons, if any, as may be designated by the Board of Directors. The Board has no reason to believe that any nominee herein named will be unable or unwilling to serve.

The Bylaws of the Company provide for a total of nine directors. As a result of the resignation of Hyrum W. Smith as a director in January 2006, the Board of Directors currently consists of only eight directors. Furthermore, the Company's Corporate Governance Guidelines provide for mandatory retirement for directors upon attaining the age of 70. Sidney J. Atkin, who has served as a director of the Company, has reached the age of 70 and will not stand for re-election as a director. The Board of Directors, upon the recommendation of its Nominating and Corporate Governance Committee, has nominated Henry J. Eyring to fill the existing vacancy on the Board of Directors. Information regarding Mr. Eyring's background and qualifications is set forth below. The Nominating and Governance Committee of the Board of Directors is currently conducting a search to identify a qualified candidate to fill the vacancy which is expected to result from Mr. Atkin's departure; however, the search has not been completed and no nominee has been designated. Accordingly, only eight directors will be elected at the Annual Meeting.

Notwithstanding the existing and anticipated vacancies on the Board of Directors, proxies cannot be voted for more than eight individuals, which number represents the number of directors to be elected at the Annual Meeting.

Compensation Committee Interlocks and Insider Participation

The following individuals were members of the Compensation Committee of the Board of Directors during 2005: J. Ralph Atkin, who served as Chairman; Steven F. Udvar-Hazy; Hyrum W. Smith; and Sidney J. Atkin. J. Ralph Atkin was the founder of the Company and served as President and Chief Executive Officer of the Company from 1972 to 1975. From 1984 to 1988, J. Ralph Atkin also served as Senior Vice President of the Company.

Hyrum W. Smith, who resigned from the Board of Directors on January 25, 2006, owns approximately 40% of the outstanding shares of Soltis Investment Advisors, Inc., a registered investment advisor that provided financial services to the Company during 2005. This relationship is discussed more fully below under Certain Relationships and Related Transactions.

Certain Relationships and Related Transactions

Jerry C. Atkin, the Company's Chief Executive Officer and Chairman of the Board, serves as a director of Zions Bancorporation. The Company maintains a line of credit and certain bank accounts with Zions First National Bank (Zions), an affiliate of Zions Bancorporation. The aggregate balance in the Company's accounts maintained with Zions as of December 31, 2005 was approximately \$30,693,000. Zions is an equity participant in leveraged leases on two Bombardier regional jets operated by the Company, and Zions provides investment administrative services to the Company, for which the Company paid to Zions approximately \$176,000 during the year ended December 31, 2005.

Hyrum W. Smith, who served as a director of the Company until his resignation in January 2006, is a shareholder in Soltis Investment Advisors, Inc. (Soltis). Soltis provided cash management advisory services for a portion of the Company's cash programs, to the SkyWest, Inc. Employees' Retirement Plan (the Retirement Plan) and the Company's deferred executive compensation plan. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors to file initial reports of ownership and reports of changes in ownership with the SEC. Executive officers and directors are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. In the course of reviewing its records with respect to the year ended December 31, 2005, the Company identified a number of Section 16(a) reports which were required to be filed by the Company's executive officers and directors with the SEC but did not appear in the SEC's database. In some instances, the Company received a copy of the subject Form 4 and believed the report had been filed by the reporting person with the SEC; however, the SEC records do not reflect the filing. In other instances the delayed reporting resulted from failures to report grants of options under the Company's equity incentive plans. Following the Company's review of the missing reports, the Company's executive officers and directors filed the following reports, which were not timely filed: Jerry C. Atkin filed 12 Forms 4, reporting 34 transactions over a period of approximately eight years; Sidney J. Atkin filed seven Forms 4, reporting 24 transactions over a period of approximately eight years; J. Ralph Atkin filed three Forms 4, reporting 14 transactions over a period of approximately eight years; W. Steve Albrecht filed one Form 4, reporting two transactions over a period of approximately two years; Mervin K. Cox filed five Forms 4, reporting 24 transactions over a period of approximately eight years; Ian M. Cumming filed two Forms 4, reporting 11 transactions over a period of approximately eight years; Robert G. REPORT OF THE AUDIT AND FINANCE COMMITTEE

The following is the report of the Audit and Finance Committee with respect to the Company's consolidated financial statements for the year ended December 31, 2005.

The Audit and Finance Committee assists the Board of Directors in fulfilling its oversight responsibilities by reviewing (i) the financial reports and other financial information provided by the Company to governmental or regulatory bodies, the public or other users, (ii) the Company's systems of internal accounting and financial controls and (iii) the annual independent audit of the Company's financial statements. The committee is composed of four outside directors, each of whom is an independent director for purposes of the Marketplace Rules of the Nasdaq National Market. All members of the committee are financially literate and the chairman of the committee has accounting or related financial management expertise.

The Audit and Finance Committee has reviewed and discussed the audited financial statements of the Company with management. The Audit and Finance Committee has discussed with the independent auditors the matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU § 380). The Audit and Finance Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) and has discussed with the independent accountant the independent accountant's independence. Based on that review and those discussions, the Audit and Finance Committee has recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

REPORT OF THE COMPENSATION COMMITTEE

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended (the Securities Act), or the Exchange Act that incorporate by reference, in whole or in part, subsequent filings, including, without limitation, this Proxy Statement, the following report of the Compensation Committee and the performance graph set forth on page 15 hereof shall not be deemed to be incorporated by reference into any such filings.

The rules of the SEC addressing disclosure of executive compensation in proxy statements require the Compensation Committee to include in this Proxy Statement a report from the Compensation Committee addressing, with respect to the most recently completed fiscal period, (a) the Company's policies regarding executive compensation generally, (b) the factors and criteria considered in setting the compensation of the Company's Chief Executive Officer, Jerry C. Atkin, and (c) any relationship between such compensation and the Company's performance.

The Company's executive compensation program is administered by the Compensation Committee, which is responsible for establishing the policies governing the Company's compensation program and the amount of compensation for each of the Company's executive officers. The Compensation Committee has oversight responsibility for all executive compensation and executive benefit programs of the Company.

Compensation Committee Report on Executive Compensation

The Compensation Committee regularly reviews and approves decisions with respect to compensation of the Company's officers and other employees. The Board of Directors has appointed four independent directors to serve on the Compensation Committee and empowered the Compensation Committee to

Recommend CEO compensation to the board;

Approve all other executive officer compensation;

Approve company-wide and executive officer incentive/bonus plans and profit sharing/retirement contributions;

Review Company compensation packages as a whole; and

Administer the Company's various equity compensation and other incentive plans.

Executive Compensation Policies

The Company's executive compensation policies, as endorsed by the Compensation Committee, have been designed to provide a balanced compensation program that will assist the Company in its efforts to attract, motivate and retain talented executives who the Compensation Committee and senior management believe are important to the Company's long-term financial success. The Company seeks to accomplish this goal by providing a compensation program that, in the judgment of the Compensation Committee and senior management,

is competitive with compensation programs offered by the Company's primary competitors and by other comparable companies;

integrates certain compensation elements with the Company's financial performance by linking an incentive plan to the Company's net income as well as other corporate and operational goals; and

links certain compensation elements with an opportunity to own Common Stock so that Company executives will have a personal interest in the increase in share value and, as a result, have common interests with the Company's shareholders.

The Compensation Committee believes that each of these factors is important to the long-term financial success of the Company. In designing and implementing the individual components of the Company's executive compensation program, the Company seeks a balance among these factors that will vary depending on the level of policy-making and operational responsibility of the executive. The Compensation Committee

and senior management annually review the structure of the Company's executive compensation program to ensure that these goals are being accomplished.

During 2005, the Company retained the services of Frederic W. Cook & Co., Inc., a compensation consulting firm, to review the Company's equity compensation practices with respect to the Company's management personnel, including a comparison of the Company's equity compensation practices with those of its peer companies.

Executive Compensation Program

The components of the Company's current executive compensation program include salary, annual cash incentive bonus awards and long-term incentive plans in the form of stock option plans and deferred compensation plans.

Salaries and Cash Incentive Bonus Awards

The Compensation Committee establishes the salaries and bonus awards for all executive officers, except the CEO, whose salary and annual bonus award it recommends for approval by the full Board. The salary and bonus award levels are established and adjusted annually based on factors such as competitive trends, annual inflation rates, overall financial performance of the Company and individual performance of the executive officers. The base salary for the executive officers is generally fixed below industry average levels with the opportunity to receive annual bonuses that would, if achieved, make total compensation comparable. The Company's annual bonus awards to its executive officers, which are reflected in the Summary Compensation Table, are based on the financial performance of the Company together with subjective and objective performance criteria.

At the beginning of each fiscal year, the Compensation Committee establishes cash bonus award guidelines based on the Company's earnings. Commencing in 1999, the Company adopted an incentive plan for all officers, including executive officers, pursuant to which bonuses may be paid to the executive officers of the Company and its subsidiaries, as well as other management personnel; subject, however, to the discretionary authority of the Board of Directors and the Compensation Committee to vary the amounts or percentages paid based on extraordinary performance, achievement of (or failure to achieve) objectives and other similar factors. For the year ended December 31, 2005, bonuses were paid to the Company's officers based on the incentive plan as adopted. A separate incentive bonus plan, paid quarterly, was in effect for all other employees employed at least two years.

Retirement and Savings Plans

The Company maintains the SkyWest, Inc. Employees Retirement Plan (the SkyWest 401(k) Plan), which is a defined contribution plan, for the benefit of employees of the Company and SkyWest, Airlines who have completed at least 90 days of service with the Company or SkyWest Airlines. The SkyWest 401(k) Plan provides for pre-tax participant contributions and matching contributions by the Company, subject to the requirements of Section 401(k) of the Internal Revenue Code (the Code). The Company may also make discretionary contributions for participants without regard to participant contributions. The Company contributed \$10,485,251 in matching contributions to the SkyWest 401(k) Plan during the year ended December 31, 2005. The Company did not make any discretionary contributions to the SkyWest 401(k) Plan during the year ended December 31, 2005. The Company's officers are not eligible to participate in matching contributions made by the Company under the SkyWest 401(k) Plan.

ASA maintains the Atlantic Southeast Airlines, Inc. Investment Savings Plan (the ASA 401(k) Plan), which is a defined contribution plan, for the benefit of employees of ASA who have completed at least 90 days of service with ASA. The ASA 401(k) Plan provides for pre-tax participant contributions and discretionary matching contributions by ASA, subject to the requirements of Section 401(k) of the Code. Since ASA makes company matching contributions on an annual basis, no contributions were made for the period from the date of the Company's acquisition of ASA (September 7, 2005) through December 31, 2005.

The SkyWest 401(k) Plan and the ASA 401(k) Plan (collectively, the 401(k) Plans) are both qualified under Sections 401(a) and (k) of the Code. Under both Plans, separate accounts are maintained for all contributions and directed by participants among various types of investment funds. All contributions to a participant's account under the 401(k) Plans are non-forfeitable. The 401(k) Plans permits certain withdrawals and loans during service. Distributions from the 401(k) Plans are made upon termination either in a lump sum or in annual installments over a period of up to ten years, with certain exceptions.

Deferred Compensation Plans

2002 Deferred Compensation Plan

Effective December 1, 2002, the Board of Directors adopted the SkyWest, Inc. 2002 Deferred Compensation Plan (the 2002 Deferred Compensation Plan). The principal purpose of the 2002 Deferred Compensation Plan is to provide deferred compensation to executive employees of the Company, including the Company's Chief Executive Officer, who are designated by the Compensation Committee. Under the 2002 Deferred Compensation Plan, each participating executive is permitted to irrevocably elect to defer the receipt of all or a portion of his or her compensation related to the applicable plan year, subject to reductions required to satisfy tax withholding requirements. In addition, the Company may make discretionary contributions to the participating executives' accounts. For the year ending December 31, 2005, the Company presently intends to contribute to the 2002 Deferred Compensation Plan 15% of the compensation to be paid to participating executives during the year. Participants in the 2002 Deferred Compensation Plan are not eligible for matching contributions under the Retirement Plan. Accounts maintained under the 2002 Deferred Compensation Plan represent obligations of the Company to pay to each participating executive his or her applicable account balances upon the termination of his or her participation in the 2002 Deferred Compensation Plan, the termination of the 2002 Deferred Compensation Plan or the occurrence of other specified events such as the participating executive's death or a change in control of the Company.

Executive Deferred Compensation Plan

Before the adoption of the 2002 Deferred Compensation Plan, the Company maintained the Executive Deferred Compensation Plan (the Deferred Compensation Plan). Under the terms of the Deferred Compensation Plan, the Company contributed to the Deferred Compensation Plan 12 percent of the compensation paid to the officers of the Company during the prior calendar year. Under the Deferred Compensation Plan, the Company maintained split dollar life insurance policies on the lives of participants. The officers were the owners of the policy, and the Company was responsible for payment of premiums. The premiums were recoverable by the Company and would be paid to each participant as deferred compensation following termination of employment. The earnings under the policies and death proceeds of policies would be paid to participants or to a designated beneficiary. Participants in the Deferred Compensation Plan were not eligible for matching contributions under the Company's Retirement Plan. Effective December 1, 2002, in connection with the 2002 Deferred Compensation Plan described above, the Company suspended further funding of the Deferred Compensation Plan. As of December 31, 2003 all participants except Bradford R. Rich have terminated participation in this plan, and the related funds have been rolled into the 2002 Deferred Compensation Plan.

Long-Term Incentive Plans

The Company's Amended and Combined Incentive and Non-statutory Stock Option Plan was adopted by the Board of Directors in April 1991 (the 1991 Plan) and approved by the shareholders of the Company in August 1991. The 1991 Plan provided for the grant of options to purchase shares of Common Stock, which were either incentive stock options (Incentive Stock Options), as that term is defined in the Code, or non-statutory stock options (Non-statutory Options).

In 2000, the Company's shareholders approved the adoption of the SkyWest, Inc. Executive Stock Incentive Plan (the Executive Plan), which provides for issuance of shares of Common Stock to officers, directors and other management employees of the Company. The Executive Plan became effective January 1,

2001. The Executive Plan replaced the 1991 Plan; however, all outstanding options under the 1991 Plan as of January 1, 2001 remained outstanding, but no further grants have been or will be made under the 1991 Plan. Initially, the Executive Plan provided for the issuance of options to purchase up to 4,000,000 shares of Common Stock. The Company has adopted an amendment that reduces the total number of shares issuable under the Executive Plan to 3,700,000. As of March 17, 2006, there were 3,523 shares available for issuance under the Executive Plan.

The Compensation Committee has complete authority to determine the persons to whom and the time or times at which grants of options under the Executive Plan will be made, whether those options will be Incentive Stock Options or Non-statutory Options, the exercise price, term, restrictions on exercise and transferability and vesting schedules, all of which are set forth in a Stock Option Agreement. In no event, however, may the exercise price of an Incentive Stock Option be less than the fair market value of a share of Common Stock on the date of grant or exercisable after the expiration of ten years from the date of grant, and no option may be exercisable before six months have lapsed from the date of grant (except in the case of death or disability). In considering the grant of options to executive officers, the Compensation Committee takes into consideration such factors as the projected value of the Common Stock in the future based on the Company achieving its performance goals, the executive officers' current salary and the overall performance of the Company. The Compensation Committee attempts to award options in an amount that will provide executive officers with options that will have a value in the future equal to a targeted percentage of the officers' base salaries if the Company's performance goals are met during the vesting period.

Chief Executive Officer Compensation

Using the process and criteria discussed above, effective January 1, 2005, the Compensation Committee recommended and the Board of Directors set Jerry C. Atkin's annual base salary at \$334,000 and established guidelines for the payment of an annual bonus award based on the Company's net income and also subject to achieving other non-financial objectives. After the end of the year ended December 31, 2005, the Compensation Committee awarded Mr. Atkin a \$263,500 bonus based on the Company's performance during the year. Mr. Atkin's bonus is formula-driven and based on the net income of the Company. The Compensation Committee has the discretion to adjust Mr. Atkin's formula-driven bonus up or down but did not do so for the year ended December 31, 2005. The Compensation Committee also awarded to Mr. Atkin options to purchase up to 188,000 shares of Common Stock based on the criteria described above. The grant of such options was approved by a sub-committee of the Compensation Committee consisting solely of directors who are independent for purposes of the listing standards of The Nasdaq Stock Market.

PROPOSAL NO. 2 RATIFICATION OF SELECTION OF AUDITOR

The Audit and Finance Committee has selected the firm of Ernst & Young LLP (Ernst & Young), independent certified public accountants, to audit the consolidated financial statements of the Company for the fiscal year ending December 31, 2006, subject to ratification by the Company's shareholders. The Board of Directors anticipates that one or more representatives of Ernst & Young will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The Board of Directors recommends that shareholders vote FOR ratification of the appointment of Ernst & Young as the Company's independent public accountants.

Audit Fees

The aggregate fees billed by Ernst & Young for professional services rendered for the audit of the Company's consolidated financial statements for the year ended December 31, 2005 and for the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q for such year were \$898,093. For the year ended December 31, 2004, such fees billed by Ernst & Young were \$347,000.

Audit-Related Fees

During the year ended December 31, 2005, Ernst & Young billed the Company approximately \$18,200 for audit-related fees in connection with the audit of the SkyWest, Inc. Employees' Retirement Plan. For the year ended December 31, 2004, such fees billed by Ernst & Young were \$49,000.

Tax Fees

During the year ended December 31, 2005, Ernst & Young billed the Company approximately \$53,618 for professional services related to tax compliance, advice and planning. For the year ended December 31, 2004, such fees billed by Ernst & Young were \$38,500.

All Other Fees

During the years ended December 31, 2004 and 2005, Ernst & Young did not provide any services to the Company other than those identified above.

All of the fees above were approved by the Audit and Finance Committee. The Audit and Finance Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence and has concluded that it is.

Pre-Approval Policies and Procedures

The Company pre-approves a schedule of audit and non-audit services expected to be performed by Ernst & Young in a given fiscal year. In addition, the Audit and Finance Committee delegates authority to its Chairman to pre-approve certain additional audit and non-audit services rendered by Ernst & Young (other than services that have been generally pre-approved by the Audit and Finance Committee) during the period between meetings of the Audit and Finance Committee. The Chairman must report any such pre-approval decisions to the Audit and Finance Committee at its next scheduled meeting. During the year ended December 31, 2005, 100% of the aggregate amounts set forth above under the captions Audit-Related Fees, Tax Fees, and All Other Fees were pre-approved by the Chairman of the Audit and Finance Committee and subsequently reported to the Audit and Finance Committee in accordance with the procedures set forth above.

**PROPOSAL NO. 3 APPROVAL OF
THE SKYWEST, INC. 2006 EMPLOYEE STOCK PURCHASE PLAN**

General

On January 25, 2006, the Board of Directors adopted the SkyWest, Inc. 2006 Employee Stock Purchase Plan (the Stock Purchase Plan), subject to approval by the Shareholders at the Annual Meeting. In the event that the shareholders of the Company do not approve the Stock Purchase Plan on or before June 30, 2006, the Stock Purchase Plan will terminate on that date and no shares of Common Stock will be issued.

The following description summarizes the principle features of the Stock Purchase Plan, but is qualified in its entirety by reference to the full text of the Stock Purchase Plan as set forth on Appendix A to this Proxy Statement.

Description of the Plan

Purpose. The purpose of the Stock Purchase Plan is to provide a method whereby employees of the Company, SkyWest Airlines, and any other subsidiary subsequently designated by the Company will have an opportunity to acquire a proprietary interest in the Company through the purchase of shares of Common Stock. The Board of Directors believes that the Stock Purchase Plan is important because it provides incentives to present and future employees by allowing them to share in the Company's growth. The Stock Purchase Plan is intended to qualify as an employee stock purchase plan under Section 423 of the Code.

Administration. The Stock Purchase Plan will be administered by the Board of Directors or any committee thereof. The Board of Directors has the authority to interpret and construe all provisions of the Stock Purchase Plan and to make all decisions and determinations relating to the operation of the Stock Purchase Plan.

Duration. Subject to shareholder approval at the Annual Meeting, the Stock Purchase Plan will be deemed to be effective on January 1, 2006 and will remain in effect until terminated by the Board of Directors in accordance with its terms.

Shares Subject to Plan. A maximum of 2,500,000 shares of Common Stock are available for issuance under the Stock Purchase Plan. In the event the outstanding shares of Common Stock are increased, decreased, changed into, or exchanged for a different number or kind of shares or securities through reorganization, merger, recapitalization, reclassification, stock split, reverse stock split or similar transaction, the maximum number of shares available for issuance under the Stock Purchase Plan will be proportionately adjusted.

Eligibility. Participation in the Stock Purchase Plan is limited to employees of the Company, SkyWest Airlines, ASA and any other subsidiary subsequently designated by the Company who have completed ninety (90) days of continuous employment with the Company since their most recent employment commencement date. No employee will be granted an option (i) if such employee would own or have the right to purchase 5% or more of the total combined voting power of the Company or (ii) which permits him or her to purchase in excess of \$25,000 of Common Stock per calendar year.

Offerings Under the Plan. The Stock Purchase Plan provides for two, six-month offering periods, commencing on January 1 and January 1, in each of the years during the term of the Stock Purchase Plan, provided, however, that the initial offering period commenced on January 16, 2006 and will end on June 30, 2006, subject to shareholder approval at the 2006 Annual Meeting.

Granting of Options. On the applicable offering commencement date, a participating employee will be granted an option to purchase the number of shares of Common Stock determined by dividing the participant's balance in the plan account on the last day of the offering period by the purchase price per share of the Common Stock; provided that a participating employee may not purchase more than 1,250 shares of Common Stock in any offering.

Participation in an Offering. An individual who is an eligible employee at the beginning of an offering may elect to participate in such offering by submitting an enrollment form to the Company authorizing the Company to make deductions from his or her pay on each payday during the time the employee is a participant at any rate designated by the employee, from a minimum of 2% to a maximum of 15% of the employee's base pay. All such payroll deduction contributions will be held in a non-interest bearing account. An employee's option to purchase common stock will be deemed to have been exercised automatically on the offering termination date applicable to such offering, unless the employee gives written notice to the Company to withdraw such payroll deductions. The option will be deemed to have been exercised for the purchase of the number of full shares of common stock which the amount in the account will purchase (but not in excess of the maximum number of shares for which an option has been granted to the employee), and any excess in the account will be returned to the employee.

Exercise Price of Options. The price per share to be paid by participants under the Stock Purchase Plan will be the lesser of (a) 85% of the fair market value of the Common Stock on the applicable offering commencement date or (b) 85% of the fair market value of the Common Stock on the applicable offering termination date. The fair market value of the common stock shall be the closing sales price as reported on The Nasdaq National Market on the applicable date or the nearest prior business day on which shares of the common stock traded.

Withdrawal; Termination of Employment. Upon withdrawal by a participating employee prior to an offering termination date or the termination of a participant's employment for any reason during an offering, including retirement and death, the option granted to such employee shall immediately terminate in its entirety, and the payroll deductions or other contributions credited to the participant's account shall be returned to the participant, or, in the case of death, his or her designated beneficiary, and shall not be used to purchase shares of Common Stock under the Stock Purchase Plan.

Amendment and Termination. The Board of Directors may, at any time and for any reason, amend or terminate the Stock Purchase Plan; provided, however, that to the extent necessary to comply with the rules of The Nasdaq National Market or any other securities exchange or market system on which Shares are listed or quoted, or under Section 423 of the Code (or any successor rule or provision or any applicable law or regulation), the Company must obtain shareholder approval in such a manner and to such a degree as so required. Subject to certain exceptions, no termination, modification, or amendment of the Stock Purchase Plan may, without the consent of an employee then having an option under the Stock Purchase Plan to purchase common stock, adversely affect the rights of such employee under such option.

General Provisions. No participant or his or her legal representatives, legatees or distributees will be deemed to be the holder of any shares of common stock subject to an offering until the option has been exercised and the purchase price for the shares has been paid. No payroll deductions credited to a participant's stock purchase account nor any rights with regard to the exercise of an option to purchase shares of common stock under the Stock Purchase Plan may be assigned, transferred, pledged or otherwise disposed of in any way by a participant other than by will or the laws of descent and distribution. Options under the Stock Purchase Plan will be exercisable during a participant's lifetime only by the participant.

Certain Federal Income Tax Consequences

The following is a brief summary of certain of United States federal income tax consequences relating to the Stock Purchase Plan. This summary is not intended to be complete and does not describe state, local, foreign, or other tax consequences. The tax information summarized is not tax advice.

Grant of Options. The Stock Purchase Plan is intended to qualify as an employee stock purchase plan within the meaning of Section 423 of the Code. As such, a recipient of options under the Stock Purchase Plan incurs no income tax liability, and the Company obtains no deduction, from the grant of the options. The payroll deductions and other contributions by a participant to his or her account, however, are made on an after-tax basis. Participants will not be entitled to deduct or exclude from income or employment taxes any part of their payroll deductions.

Exercise of Options. An employee will not be subject to federal income tax upon the exercise of an option granted under the Stock Purchase Plan, nor will the Company be entitled to a tax deduction by reason of such exercise. The employee will have a cost basis in the shares of Common Stock acquired upon such exercise equal to the option exercise price.

Disposition of Shares Acquired Under the Plan. In order to defer taxation on the difference between the fair market value and exercise price of shares acquired upon exercise of an option, the employee must hold the shares during a holding period which runs through the later of one year after the option exercise date or two years after the date the option was granted. The only exceptions are for dispositions of shares upon death, as part of a tax-free exchange of shares in a corporate reorganization, into joint tenancy with right of survivorship with one other person, or the mere pledge or hypothecation of shares.

If an employee disposes of stock acquired under the Stock Purchase Plan before expiration of the holding period in a manner not described above, such as by gift or ordinary sale of such shares, the employee must recognize as ordinary compensation income in the year of disposition the difference between the exercise price and the stock's fair market value as of the date of exercise. This amount must be recognized as income even if it exceeds the fair market value of the shares as of the date of disposition or the amount of the sales proceeds received. In such an event, the Company will be entitled to a corresponding compensation expense deduction.

Disposition of shares after expiration of the required holding period (including disposition upon death) will result in the recognition of gain or loss in the amount of the difference between the amount realized on the sale of the shares and the exercise price for such shares. Any loss on such a sale will be a long-term capital loss. Any gain on such a sale will be taxed as ordinary compensation income up to the amount of the difference between exercise price and the stock's fair market value as of the date of exercise, with any additional gain taxed as a long-term capital gain.

Value of Benefits

The Company is unable to determine the amount of benefits that may be received by participants under the Stock Purchase Plan if adopted, as participation is discretionary with each employee.

Certain Interests of Directors

In considering the recommendation of the Board of Directors with respect to the Stock Purchase Plan, shareholders should be aware that the members of the Board of Directors have certain interests, which may present them with conflicts of interest in connection with such proposal. As discussed above, all employees of the Company and SkyWest Airlines, including directors who are employees, are eligible to purchase Common Stock under the Stock Purchase Plan. The Board of Directors recognizes that adoption of the Stock Purchase Plan may benefit certain of the Company's directors and their successors, but believes that approval of the Stock Purchase Plan will advance the Company's interests and the interests of its shareholders by encouraging employees to make significant contributions to the Company's long-term success.

1995 Employee Stock Purchase Plan

During the quarter ended December 31, 2005, the Company discovered that in January and July 2005 it issued shares of common stock to Company employees under the SkyWest, Inc. 1995 Employee Stock Purchase Plan (the 1995 Plan) that exceeded the number of shares authorized for issuance under the 1995 Plan. In an effort to address the over issuance, the Company amended the Executive Plan and the SkyWest, Inc. 2001 Allshare Stock Option Plan (the Allshare Plan) to reduce the number of shares issuable pursuant to those plans by a number that exceeded the number of shares issued in excess of the number of shares authorized pursuant to the 1995 Plan. On February 8, 2006, after reviewing the issues associated with the over issuance, the staff of The Nasdaq Stock Market notified the Company that the over issuance violated the shareholder approval rule set forth in Nasdaq Marketplace Rule 4350(i)(1)(A). The Nasdaq staff letter also notified the Company that the reduction in the number of shares issuable pursuant to the Executive Plan and the Allshare Plan, both of which had been previously approved by the Company's shareholders, had the effect of restoring the Company's compliance with Marketplace Rule 4350(i)(1)(A). The Nasdaq staff letter

indicates that, as of the date of the letter, the matter is closed. In order to further address the over issuance under the 1995 Plan, the Board of Directors adopted the Stock Purchase Plan.

The Board of Directors believes the Stock Purchase Plan is in the best interests of the Company, and therefore unanimously recommends that the shareholders vote FOR approval of the Stock Purchase Plan.

**PROPOSAL NO. 4 APPROVAL OF
THE SKYWEST, INC. 2006 LONG-TERM INCENTIVE PLAN**

General

In 2000, the Company's shareholders approved the adoption of two stock option plans: the Executive Stock Incentive Plan (the Executive Plan) and the 2001 Allshare Stock Option Plan (the Allshare Plan). Both plans became effective January 1, 2001. These plans replaced the Company's Combined Incentive and Non-Statutory Stock Option Plans (the Prior Plans); however, all outstanding options under Prior Plans remain outstanding. No further grants will be made under the Prior Plans. As of December 31, 2005, there were approximately 940,000 options outstanding under the Prior Plans. Each of the Executive Plan and the Allshare Plan initially provided for the issuance of options to purchase up to 4,000,000 shares of Common Stock. As of December 31, 2005, 3,696,477 and 2,508,961 options had been issued under the Executive Plan and Allshare Plan, respectively. The Board of Directors has adopted amendments that reduce the total number of shares issuable under the Executive Plan and Allshare Plan to 3,700,000 and 2,510,000, respectively. As of March 17, 2006, 3,523 shares and 1,039 shares remained available for issuance under the Executive Plan and Allshare Plan, respectively.

As of January 25, 2006, the Board of Directors approved the SkyWest, Inc. 2006 Long-Term Incentive Plan (the Incentive Plan), subject to approval by the Company shareholders at the Annual Meeting. The Incentive Plan is intended to replace the Executive Plan and Allshare Plan; however, all outstanding options under the Executive Plan and Allshare Plan will remain outstanding.

The following description summarizes the principle features of the Incentive Plan, but is qualified in its entirety by reference to the full text of the Incentive Plan as set forth on Appendix B to this Proxy Statement.

Description of the Plan

Purpose. The purpose of the Incentive Plan is to assist the Company and its subsidiaries in attracting and retaining selected individuals to serve as directors, employees, consultants and advisors. The Board of Directors believes that such individuals will contribute to the Company's success in achieving its long-term objectives, which will inure to the benefit of all shareholders of the Company, through the incentives inherent in the awards granted under the Incentive Plan.

Eligibility. All directors, employees, consultants and advisors of the Company and its subsidiaries are eligible to receive awards under the Incentive Plan.

Administration. The Incentive Plan will be administered by the Compensation Committee of the Board of Directors. The Compensation Committee has the authority to interpret and construe all provisions of the Incentive Plan and to make all decisions and determinations relating to the operation of the Incentive Plan, including the authority and discretion to: (i) select the individuals to receive stock option grants or other awards; (ii) determine the time or times when stock option grants or other awards will be granted and will vest; and (iii) establish the terms and conditions upon which awards may be exercised.

Duration. The Incentive Plan will be effective on the date it is approved by the shareholders of the Company and continue until the tenth anniversary of such approval date. If shareholder approval is not obtained, the Incentive Plan will be null and void.

Shares Subject to Plan. Upon shareholder approval, a maximum of 6,000,000 shares of Common Stock will be available for issuance under the Incentive Plan. Any shares subject to options or stock appreciation

rights will be counted against the shares available for issuance as one (1) share for every share subject thereto. Any shares subject to awards other than options or stock appreciation rights will be counted against the shares available for issuance as two and one-half (2.5) shares for every one (1) share subject thereto. If an award under the Incentive Plan is forfeited or is settled in cash, the subject shares shall again be available for grant under the Incentive Plan (such forfeited or settled shares, *Recycled Shares*). To the extent that a share that was subject to an award that counted as one (1) share against the Incentive Plan reserve becomes a *Recycled Share*, the Incentive Plan will be credited with one (1) share. To the extent that a share that was subject to an award that counted as two and one-half (2.5) shares against the Incentive Plan reserve becomes a *Recycled Share*, the Incentive Plan will be credited with two and one-half (2.5) shares. The following types of shares of Common Stock may not become again available for grant under the Incentive Plan: (i) shares subject to an option or stock appreciation right that expire at the conclusion of the applicable term without being exercised; (ii) shares tendered by the participant or withheld by the Company in payment of the purchase price of an option or in satisfaction of any tax withholding obligation; (iii) shares repurchased by the Company with option proceeds; or (iv) shares subject to a stock appreciation right that are not issued in connection with the stock settlement of the stock appreciation right on exercise thereof.

In the event the outstanding shares of Common Stock are increased, decreased, changed into, or exchanged for a different number or kind of shares or securities through reorganization, merger, recapitalization, reclassification, stock split, reverse stock split or similar transaction (a *Recapitalization*), the maximum number of shares available for issuance under the Incentive Plan will be proportionately adjusted.

Awards Under the Incentive Plan

The Incentive Plan provides for the following types of awards (*Awards*): (i) stock options; (ii) stock appreciation rights; (iii) restricted stock; (iv) restricted stock units; and (v) performance awards.

Stock Options. The Compensation Committee may from time to time award options to any participant subject to the limitations described above. Stock options give the holder the right to purchase shares of the Common Stock within a specified time at a specified price. Two types of stock options may be granted under the Incentive Plan: incentive stock options, or *ISOs*, which are subject to special tax treatment as described below, and nonstatutory options, or *NSOs*. Eligibility for *ISOs* is limited to employees of the Company and its subsidiaries. The exercise price of an option cannot be less than the fair market value of a share of Common Stock at the time of grant. The expiration dates of options cannot be more than seven years after the date of the original grant. Other than pursuant to a *Recapitalization*, the Compensation Committee may not without the approval of the Company's shareholders (i) lower the exercise price of an option after it is granted, (ii) cancel an option when the exercise price exceeds the fair market value of the underlying shares in exchange for another Award, or (iii) take any other action with respect to an option that may be treated as a repricing under the rules and regulations of The Nasdaq Stock Market. Prior to the issuance of shares upon the exercise of an option, no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the underlying shares.

Stock Appreciation Rights. The Compensation Committee may grant stock appreciation rights under the Incentive Plan. A stock appreciation right entitles the holder upon exercise to receive an amount in cash, shares of Common Stock, other property, or a combination thereof (as determined by the Compensation Committee), computed by reference to appreciation in the value of the Common Stock. The exercise price of a stock appreciation right cannot be less than the fair market value of a share of Common Stock at the time of grant. The expiration dates of stock appreciation rights cannot be more than seven years after the date of the original grant. Other than pursuant to a *Recapitalization*, the Compensation Committee may not without the approval of the Company's shareholders (i) lower the exercise price of a stock appreciation right after it is granted, (ii) cancel a stock appreciation right when the exercise price exceeds the fair market value of the underlying shares in exchange for another Award, or (iii) take any other action with respect to a stock appreciation right that may be treated as a repricing under the rules and regulations of The Nasdaq Stock Market. Prior to the issuance of shares upon the exercise of a stock appreciation right, no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the underlying shares.

Restricted Stock. The Compensation Committee may grant restricted shares of Common Stock to such persons, in such amounts, and subject to such terms and conditions (including the attainment of performance criteria) as our Compensation Committee shall determine in its discretion. Awards of restricted shares of the Common Stock may be made in exchange for services or other lawful consideration. Generally, awards of restricted shares of Common Stock are subject to the requirement that the shares be forfeited to the Company unless specified conditions are met. Except for certain limited situations, grants of restricted shares of Common Stock will have a vesting period of not less than three years. Subject to these restrictions, conditions and forfeiture provisions, any recipient of an award of restricted stock will have all the rights of a shareholder of the Company, including the right to vote the shares.

Restricted Stock Units. The Compensation Committee may grant units having a value equal to an identical number of shares of Common Stock to such persons, in such amounts, and subject to such terms and conditions (including the attainment of performance criteria) as our Compensation Committee shall determine in its discretion. If the requirements specified by our Compensation Committee are met, the grantee of such units will receive shares of Common Stock, cash, other property, or any combination thereof, equal to the fair market value of the corresponding number of shares of Common Stock.

Performance Awards. The Compensation Committee may also make awards of performance shares or performance units subject to the satisfaction of specified performance criteria. Performance awards may be paid in shares of Common Stock, cash, other property, or any combination thereof. The performance criteria governing performance awards may be based upon one or any combination of the following: net sales; revenue; revenue growth; operating income; pre- or after-tax income (before or after allocation of corporate overhead and bonus); net earnings; earnings per share; net income; division, group or corporate financial goals; return on equity; total shareholder return; return on assets or net assets; attainment of strategic and operational initiatives; appreciation in and/or maintenance of the price of the Common Stock or any other publicly-traded securities of the Company; market share; gross profits; earnings (including earnings before taxes, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization); economic value-added models; comparisons with various stock market indices; reductions in costs; cash flow (before or after dividends) cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital; cash flow return on investment; improvement in or attainment of expense levels or working capital levels; cash margins; cost per available seat mile; revenue per available seat mile; revenue per revenue seat mile; operating margin adjusted for total interest expense; percentage of flights completed on time; percentage of scheduled flights completed; lost passenger baggage; aircraft utilization; or revenue per employee.

Limitations on Grants

Subject to adjustment for a Recapitalization, no Incentive Plan participant may be granted (i) options or stock appreciation rights during any rolling 36-month period with respect to more than 1,000,000 shares of Common Stock or (ii) restricted stock, restricted stock units, or performance awards that are denominated in shares of Common Stock in any rolling 36-month period with respect to more than 500,000 shares of Common Stock (the **Limitations**). Additionally, the maximum dollar value payable to any participant in any rolling 12-month period with respect to performance awards is \$5,000,000. If an Award is cancelled, the cancelled Award shall continue to be counted toward the applicable Limitations.

General Provisions

Unless authorized by the Compensation Committee in the agreement evidencing an Award granted under the Incentive plan, Awards may not be transferred other than by will or the laws of descent and distribution, and may be exercised during the participant's lifetime only by the participant or the participant's guardian or legal representative. The Board of Directors may, from time to time, alter, amend, suspend or terminate the Incentive Plan. No grants may be made under the plan following the date of termination, although grants made prior to that date may remain outstanding following the termination of the Incentive Plan until their scheduled expiration date.

Certain Federal Income Tax Consequences

Tax Consequences to Participants

The following is a brief summary of certain of United States federal income tax consequences relating to awards under the Incentive Plan. This summary is not intended to be complete and does not describe state, local, foreign, or other tax consequences. The tax information summarized is not tax advice.

Nonqualified Stock Options (NSOs). In general, (i) no income will be recognized by an optionee at the time an NSO is granted; (ii) at the time of exercise of an NSO, ordinary income will be recognized by the optionee in an amount equal to the difference between the option price paid for the shares of Common Stock and the fair market value of the shares, if unrestricted, on the date of exercise; and (iii) at the time of sale of shares of Common Stock acquired pursuant to the exercise of an NSO, appreciation (or depreciation) in value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

Incentive Stock Options (ISOs). No income will be recognized by an optionee upon the grant of an ISO. In general, no income will be recognized upon the exercise of an ISO. However, the difference between the option price paid and the fair market value of the shares at exercise may constitute a preference item for the alternative minimum tax. If shares of Common Stock are issued to the optionee pursuant to the exercise of an ISO, and if no disqualifying disposition of such shares is made by such optionee within two years after the date of the grant or within one year after the transfer of such shares to the optionee, then upon sale of such shares, any amount realized in excess of the option price will be taxed to the optionee as a long-term capital gain and any loss sustained will be a long-term capital loss.

If shares of Common Stock acquired upon the timely exercise of an ISO are disposed of prior to the expiration of either holding period described above, the optionee generally will recognize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at the time of exercise (or, if less, the amount realized on the disposition of such shares if a sale or exchange) over the option price paid for such shares. Any further gain (or loss) realized by the participant generally will be taxed as short-term or long-term capital gain (or loss) depending on the holding period.

Stock Appreciation Rights. No income will be recognized by a participant in connection with the grant of a stock appreciation right. When the stock appreciation right is exercised, the participant normally will be required to include as taxable ordinary income in the year of exercise an amount equal to the amount of cash received and the fair market value of any unrestricted shares of Common Stock or other property received on the exercise.

Restricted Stock. The recipient of restricted shares of Common Stock generally will not be subject to tax until the shares are no longer subject to forfeiture or restrictions on transfer for purposes of Section 83 of the Code (the Restrictions). At such time the recipient will be subject to tax at ordinary income rates on the fair market value of the restricted shares (reduced by any amount paid by the participant for such restricted shares). However, a recipient who so elects under Section 83(b) of the Code within 30 days of the date of transfer of the shares will have taxable ordinary income on the date of transfer of the shares equal to the excess of the fair market value of such shares (determined without regard to the Restrictions) over the purchase price, if any, of such restricted shares. Any appreciation (or depreciation) realized upon a later disposition of such shares will be treated as long-term or short-term capital gain (or loss) depending upon how long the shares have been held. If a Section 83(b) election has not been made, any dividends received with respect to restricted shares that are subject to the restrictions generally will be treated as compensation that is taxable as ordinary income to the participant.

Restricted Stock Units. Generally, no income will be recognized upon the award of restricted stock units. The recipient of a restricted stock unit award generally will be subject to tax at ordinary income rates on any cash received and the fair market value of any unrestricted shares of Common Stock or other property on the date that such amounts are transferred to the participant under the award (reduced by any amount paid by the participant for such restricted stock units).

Performance Awards. No income generally will be recognized upon the grant of a performance award. Upon payment in respect of a performance award, the recipient generally will be required to include as taxable ordinary income in the year of receipt an amount equal to the amount of cash received and the fair market value of any nonrestricted shares of Common Stock or other property received.

Tax Consequences to the Company

To the extent that a participant recognizes ordinary income in the circumstances described above, the Company or the subsidiary for which the participant performs services will be entitled to a corresponding deduction provided that, among other things, (i) the income meets the test of reasonableness, (ii) is an ordinary and necessary business expense, (iii) is not an excess parachute payment within the meaning of Section 280G of the Code, and (iv) is not disallowed by the \$1 million limitation on certain executive compensation under Section 162(m) of the Code.

Value of Benefits

The Company is unable to determine the amount of benefits that may be received by participants under the Incentive Plan if adopted, as grants of awards are discretionary with the Compensation Committee.

Certain Interests of Directors

In considering the recommendation of the Board of Directors with respect to the Incentive Plan, shareholders should be aware that the members of the Board of Directors have certain interests, which may present them with conflicts of interest in connection with such proposal. As discussed above, directors are eligible to receive awards under the Incentive Plan. The Board of Directors recognizes that adoption of the Incentive Plan may benefit the Company's directors and their successors, but believes that approval of the Incentive Plan will advance the Company's interests and the interests of its shareholders by encouraging directors, employees, consultants and advisors to make significant contributions to the Company's long-term success.

The Board of Directors believes the Incentive Plan is in the best interests of the Company, and therefore unanimously recommends that the shareholders vote FOR approval of the Incentive Plan.

Other Business

The Board of Directors does not know of any matter to be presented at the Annual Meeting that is not listed in the Notice of Annual Meeting and discussed above. If other matters should come before the Annual Meeting, however, the proxy holders will vote in accordance with their best judgment.

business on February 21, 2007. Notices of intention to present proposals at the 2007 Annual Meeting should be addressed to Corporate Secretary, SkyWest, Inc., 444 South River Road, St. George, Utah 84790.

The Company delivers one proxy statement to each address where multiple holders of its Common Stock reside, unless it has received instructions from a shareholder to the contrary. The Company will promptly deliver another proxy statement to any holder of its Common Stock living at a shared address where it has delivered only one proxy statement. Stockholders wishing to receive another copy of the proxy statement may call Eric Christensen, Corporate Secretary of the Company, at (435) 634-3000, or may deliver such request in writing to Corporate Secretary, SkyWest, Inc., 444 South River Road, St. George, Utah 84790.

Participant may designate a flat dollar amount of Compensation (not in excess of 15% of the Participant's Compensation for the payroll period) to be withheld from the Participant's Compensation each payroll date. All payroll deductions made by a Participant shall be credited to his or her account under the Plan. (b) A Participant may discontinue his or her participation in the Plan as provided in Section 10, or prospectively change his Contribution rate for future Offerings on such forms as are provided by the Plan Administrator. Any change in rate shall be effective as of the beginning of the next Offering Period following the date of filing of the new enrollment agreement, if the agreement is filed at least ten (10) business days prior to such date.

(c) Notwithstanding the foregoing, to the extent necessary to comply with Section 423(b)(8) of the Code and Sections 3(b) and 3(c) herein, a Participant's payroll deductions may be decreased during any Offering Period scheduled to end during the current calendar year to 0%. In the event of such reduction, payroll deductions shall re-commence at the rate provided in the Participant's enrollment agreement at the beginning of the first Offering Period that is scheduled to end in the following calendar year, unless terminated by the Participant as provided in Section 10.

7. Grant of Option.

(a) Subject to the limitations set forth below, on the Offering Date of each Offering Period, each Eligible Employee participating in such Offering Period shall be granted an option to purchase on the applicable Purchase Date a number of Shares determined by dividing such Employee's Contributions accumulated prior to such Purchase Date and retained in the Participant's account as of the Purchase Date by the applicable Purchase Price. Notwithstanding the foregoing, the maximum number of Shares an Employee may purchase during each Offering Period shall be 1,250 Shares (with such limit subject to any adjustment pursuant to Section 19 below), and provided further that such purchase shall be subject to the limitations set forth in Sections 3(b), 3(c) and 13. Any Contributions that would otherwise be applied to purchase Shares in excess of the foregoing limits shall be repaid to the Participant at the close of the Offering Period, without interest.

(b) The fair market value of the Company's Shares on a given date (the **Fair Market Value**) shall be determined by the Committee in its discretion based on the closing sales price of the Shares for such date (or, in the event that the Shares are not traded on that date, on the immediately preceding trading date), as reported by the National Association of Securities Dealers Automated Quotation National Market (**Nasdaq**) or, if such price is not reported, the mean of the bid and asked prices per Share of the Common Stock as reported by Nasdaq. In the event the Shares are listed on another stock exchange, the Fair Market Value per Share shall be the closing sales price on such exchange on such date (or, in the event that the Shares are not traded on such date, on the immediately preceding trading date), as reported in The Wall Street Journal.

8. Exercise of Option. Unless a Participant withdraws from the Plan as provided in Section 10, his or her option for the purchase of Shares will be exercised automatically on the Purchase Date at the close of an Offering Period, and the maximum number of Shares subject to the option will be purchased at the applicable Purchase Price with the accumulated Contributions in his or her account. Any payroll deductions or other amounts accumulated in a Participant's account that are not sufficient to purchase a Share shall be retained in the Participant's account for the subsequent Offering Period, subject to earlier withdrawal by the Participant as provided in Section 10 below. Any other amounts left over in a Participant's account after the Purchase Date shall be returned to the Participant without interest. Subject to Sections 22 and 23 below, the Shares purchased upon exercise of an option hereunder shall be deemed to be transferred to the Participant on the Purchase Date. During his or her lifetime, a Participant's option to purchase Shares hereunder is exercisable only by the Participant.

9. *Delivery.* Subject to Sections 22 and 23 below, as promptly as practicable after the Purchase Date of each Offering Period, the number of Shares purchased by each Participant upon exercise of his or her option shall be deposited into an account established in the Participant's name with the Designated Broker.

10. *Voluntary Withdrawal; Termination of Employment.*

(a) A Participant may withdraw all but not less than all the Contributions credited to the Participant's account under the Plan during an Offering Period at any time prior to the Purchase Date for that Offering Period by giving written notice to the Plan Administrator or the Designated Broker, as directed by the Plan Administrator. All of the Participant's Contributions credited to the Participant's account will be paid to the Participant promptly after receipt of the Participant's notice of withdrawal, his prior enrollment agreement and election to participate will no longer apply to future Offerings, his option for the current Offering Period will be automatically terminated, and no further Contributions for the purchase of Shares will be made during the Offering Period.

(b) Upon termination of the Participant's Continuous Status as an Employee prior to the Purchase Date of an Offering Period for any reason, including retirement, disability or death, the Contributions credited to his account will be returned to him or, in the case of his death, to the person or persons entitled thereto under Section 15, his prior enrollment agreement and election to participate will no longer apply to future Offerings, and his option will be automatically terminate.

(c) A Participant's withdrawal from an Offering Period will not have any effect upon his eligibility to again affirmatively elect to participate in a succeeding Offering or in any similar plan that may hereafter be adopted by the Company or any Designated Subsidiary.

11. *Interest.* No interest or other earning credit shall accrue on the Contributions of a Participant in the Plan.

12. *Reserved.*

13. *Stock.*

(a) Subject to adjustment as provided in Section 19(a), the maximum number of Shares which shall be made available for sale under the Plan shall be 2,500,000 Shares. In the event such limit is adjusted on account of a stock split or similar transaction under Section 19(a) below, all Shares issued under the Plan prior to the adjustment shall be counted against that limit on a post-split adjusted basis. If on a given Purchase Date, the number of Shares with respect to which options are to be exercised exceeds the number of Shares that are available for sale under the Plan on such Purchase Date, the Company shall make a pro rata allocation of the Shares available for purchase on such Purchase Date in as uniform a manner as shall be practicable and as it shall determine in its sole discretion to be equitable among all Participants exercising options to purchase Shares on such Purchase Date. The Company may make pro rata allocation of the Shares available for any applicable Offering Period pursuant to the preceding sentence, notwithstanding any authorization of additional Shares for issuance under the Plan by the Company's stockholders subsequent to such Offering Period.

(b) A Participant shall have no interest or voting right in Shares covered by his or her option until such option has been exercised and the Shares are issued.

(c) Shares to be delivered to a Participant under the Plan will be registered in the name of the Participant or in the name of the Participant and the Participant's spouse.

14. *Administration.* The Plan Administrator shall supervise and administer the Plan and shall have full power to adopt, amend and rescind any rules deemed desirable and appropriate for the administration of the Plan and not inconsistent with the Plan, to construe and interpret the Plan, and to make all other determinations necessary or advisable for the administration of the Plan. All decisions regarding and interpretations of the Plan by the Plan Administrator shall be binding and conclusive on Participants.

15. Designation of Beneficiary.

(a) A Participant may designate a beneficiary who is to receive any Shares and cash, if any, from the Participant's account under the Plan in the event of such Participant's death subsequent to the end of an Offering Period but prior to delivery to the Participant of such Shares and cash. In addition, a Participant may designate a beneficiary who is to receive any cash from the Participant's account under the Plan in the event of such Participant's death prior to the Purchase Date of an Offering Period. Beneficiary designations under this Section 15(a) shall be made as directed by the Human Resources Department of the Company or Designated Subsidiary that employs the Participant.

(b) A Participant may change the Participant's designation of a beneficiary at any time by written notice to the Human Resource Department of the Company or the Designated Subsidiary that employs him. In the event of the death of a Participant and in the absence of a beneficiary validly designated under the Plan who is living at the time of such Participant's death, the Company shall deliver such Shares and/or cash to the executor or administrator of the estate of the Participant, or if no such executor or administrator has been appointed (to the knowledge of the Company), the Company, in its discretion, may deliver such Shares and/or cash to the spouse or to any one or more dependents or relatives of the Participant, or if no spouse, dependent or relative is known to the Company, then to such other person as the Company may designate.

16. Transferability. No Participant assign, transfer, pledge or otherwise dispose of in any way (other than by will, the laws of descent and distribution, or as provided in Section 15) any Contributions credited to a Participant's account nor any rights with regard to the exercise of an option or to receive Shares under the Plan. Any such attempt at assignment, transfer, pledge or other disposition shall be null, void and without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 10.

17. Use of Funds. All Contributions received or held by the Company under the Plan may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such Contributions.

18. Reports. Individual accounts will be maintained for each Participant in the Plan. The Company or Designated Broker will provide statements of account to Participants at least annually, which statements will set forth the amount of Contributions by the Participant, the applicable per Share Purchase Price, the number of Shares purchased by the Participant and the remaining cash balance in the Participant's account, if any.

19. Adjustments Upon Changes in Capitalization; Corporate Transactions.

(a) Adjustment. The number of Shares covered by each option under the Plan that has not yet been exercised and the number of Shares that have been authorized for issuance under the Plan (collectively, the Reserves), as well as the maximum number of Shares that a Participant may purchase in an Offering Period, the number of Shares set forth in Section 13(a) above, and the price per Share covered by each option under the Plan that has not yet been exercised, shall be proportionately adjusted for any increase or decrease in the number of issued Shares resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of Shares, or any other increase or decrease in the number of Shares effected without receipt of consideration by the Company; provided however that conversion of any convertible securities of the Company shall not be deemed to have been effected without receipt of consideration. Such adjustments may be retroactive and shall be made by the Committee, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of Shares subject to an option.

(b) Corporate Transactions. In the event of a Corporate Transaction, each option outstanding under the Plan shall be assumed or an equivalent option shall be substituted by the successor corporation or a parent or Subsidiary of such successor corporation. In the event that the successor corporation refuses to assume or substitute for outstanding options, the Offering Period then in progress shall be

shortened and a new Purchase Date shall be set (the **New Purchase Date**), as of which date the Offering Period then in progress will terminate. The New Purchase Date shall be on or before the date of consummation of the transaction and the Company shall notify each Participant in writing, at least ten (10) days prior to the New Purchase Date, that the Purchase Date for the Participant's option has been changed to the New Purchase Date and that the option will be exercised automatically on the New Purchase Date, unless prior to such date the Participant withdraws from the Offering Period as provided in Section 10. For purposes of this Section 19, an option granted under the Plan shall be deemed to be assumed, without limitation, if, at the time of issuance of the stock or other consideration upon a Corporate Transaction, each holder of an option under the Plan would be entitled to receive upon exercise of the option the same number and kind of shares of stock or the same amount of property, cash or securities as such holder would have been entitled to receive upon the occurrence of the transaction if the holder had been, immediately prior to the transaction, the holder of the number of Shares covered by the option at such time (after giving effect to any adjustments in the number of Shares covered by the option as provided for in this Section 19); provided however that if the consideration received in the transaction is not solely common stock of the successor corporation or its parent (as defined in Section 424(e) of the Code), the Board may, with the consent of the successor corporation, provide for the consideration to be received upon exercise of the option to be solely common stock of the successor corporation or its parent equal in Fair Market Value to the per Share consideration received by holders of Shares in the transaction.

The Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per Share covered by each outstanding option, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of Shares, and in the event of the Company's being consolidated with or merged into any other corporation.

20. **Amendment or Termination.**

(a) The Board may at any time and for any reason terminate or amend the Plan. Except as provided in Section 19, no such termination of the Plan may affect options previously granted, provided that the Plan or an Offering Period may be terminated by the Board on a Purchase Date or by the Board's setting a new Purchase Date with respect to an Offering Period then in progress if the Board determines that termination of the Plan and/or the Offering Period is in the best interests of the Company and the stockholders or if continuation of the Plan and/or the Offering Period would cause the Company to violate Code Section 423, applicable law or any requirement of an exchange on which the Shares are traded. Except as provided in Section 19 and in this Section 20, no amendment to the Plan shall make any change in any option previously granted that adversely affects the rights of any Participant. In addition, to the extent necessary to comply with the requirements of any stock exchange on which the Shares are listed or under Section 423 of the Code (or any successor rule or provision or any applicable law or regulation), the Company shall obtain stockholder approval in such a manner and to such a degree as so required.

(b) Without stockholder consent and without regard to whether any Participant rights may be considered to have been adversely affected, each of the Committee and the Board shall be entitled to change the Offering Periods, limit the frequency and/or number of changes in the amount withheld during an Offering Period, permit payroll withholding in excess of the amount designated by a Participant in order to adjust for delays or mistakes in the processing of properly completed withholding elections, establish reasonable waiting and adjustment periods and/or accounting and crediting procedures to ensure that amounts applied toward the purchase of Shares for each Participant properly correspond with amounts withheld from the Participant's Compensation, and establish such other limitations or procedures as the Committee or Board determines in its sole discretion to be advisable that are consistent with the Plan.

21. **Notices.** All notices or other communications by a Participant to the Company or a Designated Subsidiary under or in connection with the Plan shall be deemed to have been duly given when received in the

form specified by the Company or Designated Subsidiary at the location, or by the person, designated by the Company or Designated Subsidiary for the receipt thereof.

22. Conditions Upon Issuance of Shares. Shares shall not be issued with respect to an option under this Plan unless the exercise of such option and the issuance and delivery of such Shares under this Plan shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, applicable state securities laws and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance. As a condition to the exercise of an option, the Company may require the person exercising such option to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

23. Term of Plan; Effective Date. Any provision herein to the contrary notwithstanding, the Plan shall become effective January 1, 2006, subject to approval by the Company's stockholders not later than June 30, 2006. No Shares shall be issued under the Plan unless the Plan is approved by the shareholders by June 30, 2006. If the shareholders of the Company do not approve the Plan as required under Code Section 423 by June 30, 2006, the Plan shall automatically expire and terminate on that date and no Shares shall be issued under the Plan. If approved by the shareholders on or before June 30, 2006, the Plan shall continue in effect until terminated under Section 20 above.

24. Miscellaneous Provisions.

(a) The Plan and Offerings hereunder do not constitute an employment contract. Nothing in the Plan or any Offering will in any way alter the at will nature of an Employee's employment or be deemed to create in any way whatsoever any obligation on the part of any Employee to continue in the employ of the Company or any Subsidiary, or on the part of the Company or a Subsidiary to continue the employment of an Employee.

(b) The provisions of the Plan shall be governed by the laws of the State of Utah without resort to that state's conflicts of laws rules.

Any Shares that are subject to Awards other than Options or Stock Appreciation Rights shall be counted against this limit as two and one-half (2.5) Shares for every one (1) Share granted.

(b) If any Shares subject to an Award or to an award under the Prior Plans are forfeited (other than as a result of expiration of the Award's term if the Award is an Option or Stock Appreciation Right), or any Award or award under the Prior Plans is settled for cash, the Shares shall, to the extent of such forfeiture or cash settlement, again be available for Awards under the Plan, subject to Section 3.1(d) below. Subject to Section 4.2(c) below, the other provisions of the Plan and such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board, the Committee shall have full power and authority to: (i) select the Employees and Directors to whom Awards may from time to time be granted hereunder; (ii) determine the type or types of Awards, not inconsistent with the provisions of the Plan, to be granted to each Participant hereunder; (iii) determine the number of Shares to be covered by each Award granted hereunder; (iv) determine the terms and conditions, not inconsistent with the provisions of the Plan, of any Award granted hereunder; (v) determine whether, to what extent and under what circumstances Awards may be settled in cash, Shares or other property; (vi) determine whether, to what extent, and under what circumstances cash, Shares, other property and other amounts payable with respect to an Award made under the Plan shall be deferred either automatically or at the election of the Participant; (vii) determine whether, to what extent and under what circumstances any Award shall be canceled or suspended; (viii) interpret and administer the Plan and any instrument or agreement entered into under or in connection

with the Plan, including any Award Agreement; (ix) correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent that the Committee shall deem desirable to carry it into effect; (x) establish such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Plan; (xi) determine whether any Award, other than an Option or Stock Appreciation Right, will have Dividend Equivalents; and (xii) make any other determination and take any other action that the Committee deems necessary or desirable for administration of the Plan.

(b) Decisions of the Committee shall be final, conclusive and binding on all persons or entities, including the Company, any Participant, and any Subsidiary. A Participant or other holder of an Award may contest a decision or action of the Committee with respect to such person or Award only on the grounds that such decision is arbitrary and capricious or unlawful, and any review of such decision or action shall be limited to determining whether the Committee's decision or action was arbitrary and capricious or unlawful. A majority of the members of the Committee may determine its actions and fix the time and place of its meetings.

(c) Notwithstanding Section 4.2(a) above, to the extent required to qualify Awards to officers as qualified performance-based compensation under Section 162(m) of the Code or comply with applicable securities law or the rules and regulations of the NASDAQ Stock Market (or such other principal securities market on which the Shares are traded), the Subcommittee rather than the full Compensation Committee shall have power and authority to grant Awards to officers and Directors of the Company, subject to such orders or resolutions not inconsistent with the provisions of the Plan as may from time to time be adopted by the Board. The Subcommittee's authority hereunder with respect to Awards to officers and Directors of the Company shall include all of the powers set forth in Section 4.2(a)(i) through (xii) above.

5. OPTIONS

5.1. *Grant of Options.* Options may be granted hereunder to Participants either alone or in addition to other Awards granted under the Plan. Any Option shall be subject to the terms and conditions of this Article and to such additional terms and conditions, not inconsistent with the provisions of the Plan, as the Committee shall deem desirable.

5.2. *Award Agreements.* All Options granted pursuant to this Article shall be evidenced by a written Award Agreement in such form and containing such terms and conditions as the Committee shall determine which are not inconsistent with the provisions of the Plan. The terms of Options need not be the same with respect to each Participant. Granting an Option pursuant to the Plan shall impose no obligation on the recipient to exercise such Option. Any individual who is granted an Option pursuant to this Article may hold more than one Option granted pursuant to the Plan at the same time.

5.3. *Option Price.* Other than in connection with Substitute Awards, the option price per each Share purchasable under any Option granted pursuant to this Article shall not be less than 100% of the Fair Market Value of such Share on the date of grant of such Option. Other than pursuant to Section 12.2, the Committee shall not without the approval of the Company's stockholders (a) lower the option price per Share of an Option after it is granted, (b) cancel an Option when the option price per Share exceeds the Fair Market Value of the underlying Shares in exchange for another Award (other than in connection with Substitute Awards), and (c) take any other action with respect to an Option that may be treated as a repricing under the

rules and regulations of the NASDAQ Stock Market (or such other principal securities market on which the Shares are traded).

5.4. *Option Term.* The term of each Option shall be fixed by the Committee in its sole discretion; provided that no Option shall be exercisable after the expiration of seven (7) years from the date the Option is granted, except in the event of death or disability.

5.5. *Exercise of Options.* Vested Options granted under the Plan shall be exercised by the Participant or by a Permitted Assignee thereof (or by the Participant's executors, administrators, guardian or legal representative, as may be provided in an Award Agreement) as to all or part of the Shares covered thereby, by the giving of written notice of exercise to the Company or its designated agent, specifying the number of Shares to be purchased, accompanied by payment of the full purchase price for the Shares being purchased. Unless otherwise provided in an Award Agreement, full payment of such purchase price shall be made at the time of exercise and shall be made (a) in cash or cash equivalents (including certified check or bank check or wire transfer of immediately available funds), (b) by tendering previously acquired Shares (either actually or by attestation, valued at their then Fair Market Value), (c) with the consent of the Committee, by delivery of other consideration (including, where permitted by law and the Committee, other Awards) having a Fair Market Value on the exercise date equal to the total purchase price, (d) with the consent of the Committee, by withholding Shares otherwise issuable in connection with the exercise of the Option, (e) through any other method specified in an Award Agreement, or (f) any combination of any of the foregoing. The notice of exercise, accompanied by such payment, shall be delivered to the Company at its principal business office or such other office as the Committee may from time to time direct, and shall be in such form, containing such further provisions consistent with the provisions of the Plan, as the Committee may from time to time prescribe. In no event may any Option granted hereunder be exercised for a fraction of a Share. No adjustment shall be made for cash dividends or other rights for which the record date is prior to the date of such issuance.

5.6. *Form of Settlement.* In its sole discretion, the Committee may provide, at the time of grant, that the Shares to be issued upon an Option's exercise shall be in the form of Restricted Stock or other similar securities, or may reserve the right so to provide after the time of grant.

5.7. *Incentive Stock Options.* The Committee may grant Options intended to qualify as incentive stock options as defined in Section 422 of the Code, to any employee of the Company or any Subsidiary, subject to the requirements of Section 422 of the Code. Solely for the purposes of determining whether Shares are available for the grant of incentive stock options under the Plan, the maximum aggregate number of Shares with respect to which incentive stock options may be issued under the Plan shall be 6,000,000 Shares.

6. STOCK APPRECIATION RIGHTS

6.1. *Grant and Exercise.* The Committee may provide Stock Appreciation Rights (a) in conjunction with all or part of any Option granted under the Plan or at any subsequent time during the term of such Option (Tandem Stock Appreciation Right), (b) in conjunction with all or part of any Award (other than an Option) granted under the Plan or at any subsequent time during the term of such Award, or (c) without regard to any Option or other Award (a

Freestanding Stock Appreciation Right), in each case upon such terms and conditions as the Committee may establish in its sole discretion.

6.2. *Terms and Conditions.* Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

- (a) Upon the exercise of a Stock Appreciation Right, the holder shall have the right to receive the excess of (i) the Fair Market Value of one Share on the date of exercise over (ii) the designated base value per Share (the Base Amount) with respect to the right on the date of grant, or in the case of a Tandem Stock Appreciation Right granted on the date of grant of the related Option, as specified by the Committee in its sole discretion, which Base Amount per Share, except in the case of Substitute Awards

or in connection with an adjustment provided in Section 12.2, shall not be less than the Fair Market Value of one Share on such date of grant of the right or the related Option, as the case may be.

(b) Upon the exercise of a Stock Appreciation Right, the Committee shall determine in its sole discretion whether payment shall be made in cash, in whole Shares or other property, or any combination thereof.

(c) Any Tandem Stock Appreciation Right may be granted at the same time as the related Option is granted or at any time thereafter before exercise or expiration of such Option.

(d) Any Tandem Stock Appreciation Right related to an Option may be exercised only when the related Option would be exercisable and the Fair Market Value of the Shares subject to the related Option exceeds the option price at which Shares can be acquired pursuant to the Option. In addition, (i) if a Tandem Stock Appreciation Right exists with respect to less than the full number of Shares covered by a related Option, then an exercise or termination of such Option shall not reduce the number of Shares to which the Tandem Stock Appreciation Right applies until the number of Shares then exercisable under such Option equals the number of Shares to which the Tandem Stock Appreciation Right applies, and (ii) no Tandem Stock Appreciation Right granted under the Plan to a person then subject to Section 16 of the Exchange Act shall be exercised during the first six (6) months of its term for cash, except as provided in Article 11.

(e) Any Option related to a Tandem Stock Appreciation Right shall no longer be exercisable to the extent the Tandem Stock Appreciation Right has been exercised.

(f) The provisions of Stock Appreciation Rights need not be the same with respect to each recipient.

(g) The Committee may impose such other conditions or restrictions on the terms of exercise and the exercise price of any Stock Appreciation Right, as it shall deem appropriate. Notwithstanding the foregoing provisions of this Section 6.2(g), but subject to Section 12.2, a Freestanding Stock Appreciation Right shall have the same terms and conditions as Options, including (i) a Base Amount per Share not less than Fair Market Value of a Share on the date of grant to an employee of the Company or a Subsidiary, and (ii) a term not greater than seven (7) years. In addition to the foregoing, but subject to Section 12.2, the Committee shall not without approval of the Company's stock holders (a) reduce the Base Amount per Share under any Stock Appreciation Right after it is granted, (b) cancel a Stock Appreciation Right when the Base Amount per Share exceeds the Fair Market Value of the underlying Shares in exchange for another Award (other than in connection with Substitute Awards), and (c) take any other action with respect to a Stock Appreciation Right that may be treated as a repricing under the rules and regulations of the NASDAQ Stock Market (or such other principal securities market on which the Shares are traded).

(h) The Committee may impose such terms and conditions on Stock Appreciation Rights granted in conjunction with any Award (other than an Option) as the Committee shall determine in its sole discretion.

7. RESTRICTED STOCK AWARDS

7.1. *Grants.* Awards of Restricted Stock may be issued hereunder to Participants either alone or in addition to other Awards granted under the Plan (a Restricted Stock Award), and such Restricted Stock Awards shall also be available as a form of payment of Performance Awards and other earned cash-based incentive compensation. A Restricted Stock Award shall be subject to vesting restrictions imposed by the Committee covering a period of time specified by the Committee (the Vesting Period). The Committee has absolute discretion to determine whether any consideration (other than services) is to be received by the Company or any Subsidiary as a condition precedent to the issuance of Restricted Stock.

7.2. *Award Agreements.* The terms of any Restricted Stock Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not

inconsistent with the Plan. The terms of Restricted Stock Awards need not be the same with respect to each Participant

7.3. *Rights of Holders of Restricted Stock.* Beginning on the date of grant of the Restricted Stock Award and subject to execution of the Award Agreement, the Participant shall become a shareholder of the Company with respect to all Shares subject to the Award Agreement and shall have all of the rights of a shareholder, including the right to vote such Shares and the right to receive distributions made with respect to such Shares; provided, however, that except as otherwise provided in an Award Agreement any Shares or any other property (other than cash) distributed as a dividend or otherwise with respect to any Restricted Stock as to which the restrictions have not yet lapsed shall be subject to the same restrictions as such Restricted Stock.

7.4. *Minimum Vesting Period.* Except for certain limited situations (including the death, disability or retirement of the Participant, or a Change in Control as defined in Article 11), or special circumstances determined by the Committee, such as the achievement of performance objectives, Restricted Stock Awards subject solely to the continued employment of employees of the Company or a Subsidiary shall have a Vesting Period of not less than three (3) years from date of grant (but permitting pro rata vesting over such time); provided that such minimum Vesting Period shall not be applicable to (i) grants to new hires to replace forfeited awards from a prior employer, or (ii) grants of Restricted Stock in payment of Performance Awards and other earned cash-based incentive compensation. Subject to the foregoing minimum Vesting Period requirements, the Committee may, in its sole discretion and subject to the limitations imposed under Section 162(m) of the Code and the regulations thereunder in the case of a Restricted Stock Award intended to comply with the performance-based exception under Code Section 162(m), waive the forfeiture period and any other conditions set forth in any Award Agreement subject to such terms and conditions as the Committee shall deem appropriate. The minimum Vesting Period requirements of this Section shall not apply to Restricted Stock Awards granted to Directors or to any consultants or advisors who provide services to the Company or any Subsidiary.

8. OTHER STOCK UNIT AWARDS

8.1. *Grants.* Other Awards of units having a value equal to an identical number of Shares (Other Stock Unit Awards) may be granted hereunder to Participants, in addition to other Awards granted under the Plan. Other Stock Unit Awards shall also be available as a form of payment of other Awards granted under the Plan and other earned cash-based incentive compensation.

8.2. *Award Agreements.* The terms of Other Stock Unit Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan. The terms of such Awards need not be the same with respect to each Participant.

8.3. *Vesting.* Except for certain limited situations (including the death, disability or retirement of the Participant, or a Change in Control as defined in Article 11), or special circumstances determined by the Committee, such as the achievement of performance objectives, Other Stock Unit Awards subject solely to the continued employment of employees of the Company or any Subsidiary shall be subject to a vesting period determined by the Committee of not less than three (3) years from date of grant (but permitting pro rata vesting over such time); provided, that such minimum vesting period shall not be applicable to (i) grants to new hires to replace forfeited awards from a prior employer, or (ii) grants of Other Stock Unit Awards in payment of Performance Awards and other earned cash-based incentive compensation. Subject to the foregoing minimum vesting period requirements, the Committee may, in its sole discretion and subject to the limitations imposed under Section 162(m) of the Code and the regulations thereunder in the case of a Other Stock Unit Award intended to comply with the performance-based exception under Code Section 162(m), waive the forfeiture period and any other conditions set forth in any Award Agreement subject to such terms and conditions as the Committee shall deem appropriate. The minimum vesting period requirements of this Section shall not apply to Other Stock Unit Awards granted to Directors or to any consultants or advisors who provide services to the Company or any Subsidiary.

8.4. *Payment.* Except as provided in Article 10 or as maybe provided in an Award Agreement, Other Stock Unit Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole

discretion of the Committee at the time of payment. Other Stock Unit Awards may be paid in a lump sum or in installments or, in accordance with procedures established by the Committee, on a deferred basis subject to the requirements of Section 409A of the Code.

9. PERFORMANCE AWARDS

9.1. *Grants.* Performance Awards in the form of Performance Shares or Performance Units, as determined by the Committee in its sole discretion, may be granted hereunder to Participants, for no consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Plan. The performance goals to be achieved for each Performance Period shall be conclusively determined by the Committee and may be based upon the criteria set forth in Section 10.2.

9.2. *Award Agreements.* The terms of any Performance Award granted under the Plan shall be set forth in a written Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Plan, including whether such Awards shall have Dividend Equivalents. The terms of Performance Awards need not be the same with respect to each Participant.

9.3. *Terms and Conditions.* The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. The amount of the Award to be distributed shall be conclusively determined by the Committee.

9.4. *Payment.* Except as provided in Article 11 or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee at the time of payment. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis subject to the requirements of Section 409A of the Code.

10. CODE SECTION 162(m) PROVISIONS

10.1. *Covered Employees.* Notwithstanding any other provision of the Plan, if the Committee determines at the time a Restricted Stock Award, a Performance Award or an Other Stock Unit Award is granted to a Participant who is, or is likely to be, as of the end of the tax year in which the Company would claim a tax deduction in connection with such Award, a Covered Employee, then the Committee may provide that this Article 10 is applicable to such Award.

10.2. *Performance Criteria.* If the Committee determines that a Restricted Stock Award, a Performance Award or an Other Stock Unit Award is subject to this Article 10, the lapsing of restrictions thereon and the distribution of cash, Shares or other property pursuant thereto, as applicable, shall be subject to the achievement of one or more objective performance goals established by the Committee, which shall be based on the attainment of specified levels of one or any combination of the following: net sales; revenue; revenue growth; operating income; pre- or after-tax income (before or after allocation of corporate overhead and bonus); net earnings; earnings per share; net income; division, group or corporate financial goals; return on equity; total shareholder return; return on assets or net assets; attainment of strategic and operational initiatives; appreciation in and/or maintenance of the price of the Shares or any other publicly-traded securities of the Company; market share; gross profits; earnings (including earnings before taxes, earnings before interest and taxes or earnings before interest, taxes, depreciation and amortization); economic value-added models; comparisons with various stock market indices; reductions in costs; cash flow (before or after dividends) cash flow per share (before or after dividends); return on capital (including return on total capital or return on invested capital; cash flow return on investment; improvement in or attainment of expense levels or working capital levels; cash margins; cost per available seat mile; revenue per available seat mile; revenue per revenue seat mile; operating margin adjusted for total interest expense; percentage of flights completed on time; percentage of scheduled flights completed; lost passenger baggage; aircraft utilization; and revenue per employee. Such performance goals also may be based solely by reference to the Company's performance or

the performance of a Subsidiary, division, business segment or business unit of the Company, or based upon the relative performance of other companies or upon comparisons of any of the indicators of performance relative to other companies. The Committee may also exclude charges related to an event or occurrence which the Committee determines should appropriately be excluded, including (a) reorganizations, restructurings and discontinued operations, (b) other extraordinary non-recurring items, (c) an event either not directly related to the operations of the Company or not within the reasonable control of the Company's management, or (d) the cumulative effects of tax or accounting changes in accordance with generally accepted accounting principles. Such performance goals shall be set by the Committee within the time period prescribed by, and shall otherwise comply with the requirements of, Section 162(m) of the Code, and the regulations thereunder.

10.3. *Adjustments.* Notwithstanding any provision of the Plan (other than Article 11), with respect to any Restricted Stock, Performance Award or Other Stock Unit Award that is subject to this Section 10, the Committee may adjust downwards, but not upwards, the amount payable pursuant to such Award, and the Committee may not waive the achievement of the applicable performance goals, except in the case of the death or disability of the Participant or as otherwise determined by the Committee in special circumstances.

10.4. *Restrictions.* The Committee shall have the power to impose such other restrictions on Awards subject to this Article as it may deem necessary or appropriate to ensure that such Awards satisfy all requirements for performance-based compensation within the meaning of Section 162(m) of the Code.

10.5. *Limitations on Grants to Individual Participants.* Subject to adjustment as provided in Section 12.2, no Participant may be granted (i) Options or Stock Appreciation Rights during any rolling 36-month period with respect to more than 1,000,000 Shares or (ii) Restricted Stock, Performance Awards and/or Other Stock Unit Awards that are denominated in Shares in any rolling 36-month period with respect to more than 500,000 Shares (the *Limitations*). In addition to the foregoing, the maximum dollar value payable to any Participant in any rolling 12-month period with respect to Performance Awards is \$5,000,000. If an Award is cancelled, the cancelled Award shall continue to be counted toward the applicable Limitations.

11. CHANGE IN CONTROL PROVISIONS

11.1. *Impact on Certain Awards.* Award Agreements may provide that in the event of a Change in Control of the Company (as defined in Section 11.3): (i) Options and Stock Appreciation Rights outstanding as of the date of the Change in Control shall be cancelled and terminated without payment therefore if the Fair Market Value of one Share as of the date of the Change in Control is less than the per Share Option exercise price or the Base Amount per Share of the Stock Appreciation Right and (ii) all Performance Awards shall be considered to be earned and payable (either in full or pro rata based on the portion of Performance Period completed as of the date of the Change in Control), and any deferral or other restriction shall lapse and such Performance Awards shall be immediately settled or distributed.

11.2. *Assumption or Substitution of Certain Awards.* (a) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company in which the successor company assumes or substitutes for an Option, Stock Appreciation Right, Restricted Stock Award or Other Stock Unit Award, if a Participant's employment with such successor company (or a subsidiary thereof) terminates within the time period following such Change in Control set forth in the Award Agreement and under the circumstances specified in the Award Agreement: (i) Options and Stock Appreciation Rights outstanding as of the date of such termination of employment will immediately vest, become fully exercisable, and may thereafter be exercised for a period of time set forth in the Award Agreement, (ii) restrictions and deferral limitations on Restricted Stock shall lapse and the Restricted Stock shall become free of all restrictions and limitations and become fully vested, and (iii) the restrictions and deferral limitations and other conditions applicable to any Other Stock Unit Awards or any other Awards shall lapse, and such Other Stock Unit Awards or such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant. For the purposes of this Section 11.1, an Option, Stock Appreciation Right, Restricted Stock Award or Other Stock Unit Award shall be considered assumed or substituted for if following the Change in Control the Award confers the right to purchase or receive, for each Share subject to the Option, Stock Appreciation Right, Restricted Stock Award or Other Stock Unit Award immediately prior

to the Change in Control, the consideration (whether stock, cash or other securities or property) received in the transaction constituting a Change in Control by holders of Shares for each Share held on the effective date of such transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding shares); provided, however, that if such consideration received in the transaction constituting a Change in Control is not solely common stock of the successor company, the Committee may, with the consent of the successor company, provide that the consideration to be received upon the exercise or vesting of an Option, Stock Appreciation Right, Restricted Stock Award or Other Stock Unit Award, for each Share subject thereto, will be solely common stock of the successor company substantially equal in fair market value to the per share consideration received by holders of Shares in the transaction constituting a Change in Control. The determination of such substantial equality of value of consideration shall be made by the Committee in its sole discretion and its determination shall be conclusive and binding.

(b) Unless otherwise provided in an Award Agreement, in the event of a Change in Control of the Company in which the successor company does not assume or substitute for an Option, Stock Appreciation Right, Restricted Stock Award or Other Stock Unit Award: (i) Options and Stock Appreciation Rights outstanding as of the date of the Change in Control shall immediately vest and become fully exercisable, (ii) restrictions and deferral limitations on Restricted Stock shall lapse and the Restricted Stock shall become free of all restrictions and limitations and become fully vested, and (iii) the restrictions and deferral limitations and other conditions applicable to any Other Stock Unit Awards or any other Awards shall lapse, and such Other Stock Unit Awards or such other Awards shall become free of all restrictions, limitations or conditions and become fully vested and transferable to the full extent of the original grant.

(c) Notwithstanding any other provision of the Plan, the Committee, in its discretion, may determine that, upon the occurrence of a Change in Control of the Company, each Option and Stock Appreciation Right outstanding shall terminate within a specified number of days after notice to the Participant, and/or that each Participant shall receive, with respect to each Share subject to such Option or Stock Appreciation Right, an amount equal to the excess of the Fair Market Value of such Share immediately prior to the occurrence of such Change in Control over the exercise price per share of such Option and/or Stock Appreciation Right; such amount to be payable in cash, in one or more kinds of stock or property (including the stock or property, if any, payable in the transaction) or in a combination thereof, as the Committee, in its discretion, shall determine.

11.3. *Change in Control.* For purposes of the Plan, unless otherwise provided in an Award Agreement, Change in Control means the occurrence of any one of the following events:

(a) During any twenty-four (24) month period, individuals who, as of the beginning of such period, constitute the Board (the Incumbent Directors) cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the beginning of such period whose election or nomination for election was approved by a vote of at least a majority of the Incumbent Directors then on the Board (either by a specific vote or by approval of the proxy statement of the Company in which such person is named as a nominee for director, without written objection to such nomination) shall be an Incumbent Director; provided, however, that no individual initially elected or nominated as a director of the Company as a result of an actual or threatened election contest with respect to directors or as a result of any other actual or threatened solicitation of proxies by or on behalf of any person other than the Board shall be deemed to be an Incumbent Director;

(b) any person (as such term is defined in the Exchange Act and as used in Sections 13(d)(3) and 14(d)(2) of the Exchange Act) is or becomes a beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities of the Company representing 50% or more of the combined voting power of the Company's then outstanding securities eligible to vote for the election of the Board (the Company Voting Securities); provided, however, that the event described in this paragraph (b) shall not be deemed to be a Change in Control by virtue of any of the following acquisitions: (i) by the Company or any subsidiary, (ii) by any employee benefit plan (or related trust) sponsored or maintained by the Company or any subsidiary, (iii) by any underwriter temporarily holding securities pursuant to an offering of such

securities, (iv) pursuant to a Non-Qualifying Transaction, as defined in paragraph (c) below, or (v) by any person of Voting Securities from the Company, if a majority of the Incumbent Board approves in advance the acquisition of beneficial ownership of 50% or more of Company Voting Securities by such person;

(c) the consummation of a merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company or any of its subsidiaries that requires the approval of the Company's stockholders, whether for such transaction or the issuance of securities in the transaction (a Business Combination), unless immediately following such Business Combination: (i) more than 60% of the total voting power of (A) the corporation resulting from such Business Combination (the Surviving Corporation), or (B) if applicable, the ultimate parent corporation that directly or indirectly has beneficial ownership of 100% of the voting securities eligible to elect directors of the Surviving Corporation (the Parent Corporation), is represented by Company Voting Securities that were outstanding immediately prior to such Business Combination (or, if applicable, is represented by shares into which such Company Voting Securities were converted pursuant to such Business Combination), and such voting power among the holders thereof is in substantially the same proportion as the voting power of such Company Voting Securities among the holders thereof immediately prior to the Business Combination; (ii) no person (other than any employee benefit plan (or related trust) sponsored or maintained by the Surviving Corporation or the Parent Corporation), is or becomes the beneficial owner, directly or indirectly, of 50% or more of the total voting power of the outstanding voting securities eligible to elect directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation); and (iii) at least a majority of the members of the board of directors of the Parent Corporation (or, if there is no Parent Corporation, the Surviving Corporation) following the consummation of the Business Combination were Incumbent Directors at the time of the Board's approval of the execution of the initial agreement providing for such Business Combination (any Business Combination which satisfies all of the criteria specified in (i), (ii) and (iii) above shall be deemed to be a Non-Qualifying Transaction);

(d) the stockholders of the Company approve a plan of complete liquidation or dissolution of the Company or the consummation of a sale of all or substantially all of the Company's assets; or

(e) the occurrence of any other event that the Board determines by a duly approved resolution constitutes a Change in Control.

Notwithstanding the foregoing, a Change in Control shall not be deemed to occur solely because any person acquires beneficial ownership of more than 50% of the Company Voting Securities as a result of the acquisition of Company Voting Securities by the Company which reduces the number of Company Voting Securities outstanding; provided, that if after such acquisition by the Company such person becomes the beneficial owner of additional Company Voting Securities that increases the percentage of outstanding Company Voting Securities beneficially owned by such person, a Change in Control of the Company shall then occur.

12. GENERALLY APPLICABLE PROVISIONS

12.1. *Amendment and Termination of the Plan.* The Board may, from time to time, alter, amend, suspend or terminate the Plan as it shall deem advisable, subject to any requirement for stockholder approval imposed by applicable law, including the rules and regulations of the NASDAQ Stock Market (or such other principal securities market on which the Shares are traded) provided that the Board may not amend the Plan in any manner that would result in noncompliance with Rule 16b-3 of the Exchange Act; and further provided that the Board may not, without the approval of the Company's stockholders, amend the Plan to (a) increase the number of Shares that may be the subject of Awards under the Plan (except for adjustments pursuant to Section 12.2), (b) expand the types of awards available under the Plan, (c) materially expand the class of persons eligible to participate in the Plan, (d) amend any provision of Section 5.3, (e) increase the maximum permissible term of any Option specified by Section 5.4 or the maximum permissible term of a Freestanding Stock Appreciation Right specified by Section 5.5(g), (f) amend any provision of Section 10.5, or (g) take any action with respect to an Option or Stock Appreciation Right that may be treated as a repricing under the rules and regulations of the NASDAQ Stock Market (or such other principal securities market on which the

Shares are traded), including reducing the exercise price or Base Amount (as applicable) or exchanging an option or Stock Appreciation Right for cash or another Award. In addition, no amendments to, or termination of, the Plan shall in any way impair the rights of a Participant under any Award previously granted without such Participant's consent.

12.2. *Adjustments.* In the event of any merger, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Shares or the value thereof, such adjustments and other substitutions shall be made to the Plan and to Awards as the Committee, in its sole discretion, deems equitable or appropriate taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Plan, the Limitations, the maximum number of Shares that may be issued under incentive stock options and, in the aggregate or to any one Participant, in the number, class, kind and option or exercise price of securities subject to outstanding Awards granted under the Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company) as the Committee may determine to be appropriate in its sole discretion; provided, however, that the number of Shares subject to any Award shall always be a whole number.

12.3. *Transferability of Awards.* Except as provided below, and except as otherwise authorized by the Committee in an Award Agreement, no Award and no Shares subject to Awards described in Article 8 that have not been issued or as to which any applicable restriction, performance or deferral period has not lapsed, may be sold, assigned, transferred, pledged or otherwise encumbered, other than by will or the laws of descent and distribution, and such Award may be exercised during the life of the Participant only by the Participant or the Participant's guardian or legal representative. Notwithstanding the foregoing if provided for in an Award Agreement, a Participant may assign or transfer an Award with the consent of the Committee (each transferee thereof, a Permitted Assignee) (a) to the Participant's spouse, children, or grandchildren (including any adopted step children and grandchildren); (b) to a trust or partnership for the benefit of one or more person referred to in clause (a); or (c) for charitable donations; provided that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Plan. The Company shall cooperate with any Permitted Assignee and the Company's transfer agent in effectuating any transfer permitted under this Section. Any transfer of an Award or Shares in violation of this Section 12.3 shall be null and void.

12.4. *Termination of Employment.* The Committee shall determine and set forth in each Award Agreement whether any Awards granted in such Award Agreement will continue to be exercisable, and the terms of such exercise, on and after the date that a Participant ceases to be employed by or to provide services to the Company or any Subsidiary (including as a Director), whether by reason of death, disability, voluntary or involuntary termination of employment or services, or otherwise. The date of termination of a Participant's employment or services will be determined by the Committee, which determination will be final.

12.5. *Deferral; Dividend Equivalents.* The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred. Subject to the provisions of the Plan and any Award Agreement, the recipient of an Award (including any deferred Award) other than an Option or Stock Appreciation Right may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, cash, stock or other property dividends, or cash payments in amounts equivalent to cash, stock or other property dividends on Shares (Dividend Equivalents) with respect to the number of Shares covered by the Award, as determined by the Committee, in its sole discretion. The Committee may provide that such amounts and Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested and may provide that such amounts and Dividend Equivalents are subject to the same vesting or performance conditions as the underlying Award.

13. MISCELLANEOUS

13.1. *Tax Withholding.* The Company shall have the right to make all payments or distributions pursuant to the Plan to a Participant (or a Permitted Assignee thereof) (any such person, a Payee) net of any applicable federal, state and local taxes required to be paid or withheld as a result of (a) the grant of any Award, (b) the exercise of an Option or Stock Appreciation Right, (c) the delivery of Shares or cash, (d) the lapse of any restrictions in connection with any Award or (e) any other event occurring pursuant to the Plan. The Company or any Subsidiary shall have the right to withhold from wages or other amounts otherwise payable to such Payee such withholding taxes as may be required by law, or to otherwise require the Payee to pay such withholding taxes. If the Payee shall fail to make such tax payments as are required, the Company or its Subsidiaries shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Payee or to take such other action as may be necessary to satisfy such withholding obligations. The Committee shall be authorized to establish procedures for election by Participants to satisfy such obligation for the payment of such taxes by tendering previously acquired Shares (either actually or by attestation, valued at their then Fair Market Value) that have been owned for a period of at least six months (or such other period to avoid accounting charges against the Company's earnings), or by directing the Company to retain Shares (up to the Participant's minimum required tax withholding rate or such other rate that will not trigger a negative accounting impact) otherwise deliverable in connection with the Award.

13.2. *Right of Discharge Reserved; Claims to Awards.* Nothing in the Plan nor the grant of an Award hereunder shall confer upon any Employee or Director the right to continue in the employment or service of the Company or any Subsidiary or affect any right that the Company or any Subsidiary may have to terminate the employment or service of (or to demote or to exclude from future Awards under the Plan) any such Employee or Director at any time for any reason at will. Except as specifically provided by the Committee, the Company shall not be liable for the loss of existing or potential profit from an Award granted in the event of termination of an employment or other relationship. No Employee or Participant shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Employees or Participants under the Plan.

13.3. *Prospective Recipient.* The prospective recipient of any Award under the Plan shall not, with respect to such Award, be deemed to have become a Participant, or to have any rights with respect to such Award, until and unless such recipient shall have executed an agreement or other instrument evidencing the Award and delivered a copy thereof to the Company, and otherwise complied with the then applicable terms and conditions of the Plan and Award Agreement.

13.4. *Substitute Awards.* Notwithstanding any other provision of the Plan, the terms of Substitute Awards may vary from the terms set forth in the Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

13.5. *Cancellation of Award.* Notwithstanding anything to the contrary contained herein, all outstanding Awards granted to any Participant shall be canceled if the Participant, without the consent of the Company, while employed by the Company or any Subsidiary or after termination of such employment or service, establishes a relationship with a competitor of the Company or any Subsidiary or engages in activity that is in conflict with or adverse to the interest of the Company or any Subsidiary, as determined by the Committee in its sole discretion. The Committee may provide in an Award Agreement that if within the time period specified in the Agreement the Participant establishes a relationship with a competitor or engages in an activity referred to in the preceding sentence, the Participant will forfeit any gain realized on the vesting or exercise of the Award and must repay such gain to the Company.

13.6. *Stop Transfer Orders.* All certificates for Shares delivered under the Plan pursuant to any Award shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Shares are then listed, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. Any provision herein to the contrary notwithstanding, the Company shall have no obligation

to issue any Shares pursuant to an Award if the Committee determines in good faith that such issuance would violate applicable federal, state or foreign securities laws.

13.7. *Nature of Payments.* All Awards made pursuant to the Plan are in consideration of services performed or to be performed for the Company or any Subsidiary, division or business unit of the Company. Any income or gain realized pursuant to Awards under the Plan and any Stock Appreciation Rights constitute a special incentive payment to the Participant and shall not be taken into account, to the extent permissible under applicable law, as compensation for purposes of any of the employee benefit plans of the Company or any Subsidiary except as may be determined by the Committee or by the Board or board of directors of the applicable Subsidiary.

13.8. *Other Plans.* Nothing contained in the Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

13.9. *Severability.* If any provision of the Plan shall be held unlawful or otherwise invalid or unenforceable in whole or in part by a court of competent jurisdiction, such provision shall (a) be deemed limited to the extent that such court of competent jurisdiction deems it lawful, valid and/or enforceable and as so limited shall remain in full force and effect, and (b) not affect any other provision of the Plan or part thereof, each of which shall remain in full force and effect. If the making of any payment or the provision of any other benefit required under the Plan shall be held unlawful or otherwise invalid or unenforceable by a court of competent jurisdiction, such unlawfulness, invalidity or unenforceability shall not prevent any other payment or benefit from being made or provided under the Plan, and if the making of any payment in full or the provision of any other benefit required under the Plan in full would be unlawful or otherwise invalid or unenforceable, then such unlawfulness, invalidity or unenforceability shall not prevent such payment or benefit from being made or provided in part, to the extent that it would not be unlawful, invalid or unenforceable, and the maximum payment or benefit that would not be unlawful, invalid or unenforceable shall be made or provided under the Plan.

13.10. *Construction.* As used in the Plan, the words *include* and *including*, and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words *without limitation*.

13.11. *Unfunded Status of the Plan.* The Plan is intended to constitute an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver the Shares or payments in lieu of or with respect to Awards hereunder; provided, however, that the existence of such trusts or other arrangements is consistent with the unfunded status of the Plan.

13.12. *Governing Law.* The Plan and all determinations made and actions taken thereunder, to the extent not otherwise governed by the Code or the laws of the United States, shall be governed by the laws of the State of Utah, without reference to principles of conflict of laws, and construed accordingly.

13.13. *Effective Date of Plan; Termination of Plan.* The Plan shall be effective on the date of the approval of the Plan by the holders of a majority the shares voted at a duly constituted meeting of the stockholders of the Company. The Plan shall be null and void and of no effect if the foregoing condition is not fulfilled and no Award shall be granted until the stockholders of the Company approve the Plan. Awards may be granted under the Plan at any time and from time to time following stockholder approval of the Plan until the tenth anniversary of the effective date of the Plan, on which date the Plan will expire except as to Awards then outstanding under the Plan. Such outstanding Awards shall remain in effect until they have been exercised or terminated, or have expired.

13.14. *Foreign Employees.* Awards may be granted to Participants who are foreign nationals or employed outside the United States, or both, on such terms and conditions different from those applicable to Awards to Employees employed in the United States as may, in the judgment of the Committee, be necessary

or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Employees on assignments outside their home country.

13.15. *Compliance with Section 409A of the Code.* This Plan is intended to comply and shall be administered in a manner that is intended to comply with Section 409A of the Code and shall be construed and interpreted in accordance with such intent. To the extent that an Award or the payment, settlement or deferral thereof is subject to Section 409A of the Code, the Award shall be granted, paid, settled or deferred in a manner that will comply with Section 409A of the Code, including regulations or other guidance issued with respect thereto, except as otherwise determined by the Committee. Any provision of this Plan that would cause the grant of an Award or the payment, settlement or deferral thereof to fail to satisfy Section 409A of the Code shall be amended to comply with Section 409A of the Code on a timely basis, which may be made on a retroactive basis, in accordance with regulations and other guidance issued under Section 409A of the Code.
