PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

VeriFone Holdings, Inc. (VeriFone) is unable to file its Quarterly Report on Form 10-Q for the quarter ended January 31, 2008 in a timely manner without unreasonable effort and expense in light of the circumstances described below.

On December 3, 2007, VeriFone announced that following a review by and on the recommendation of management, it had concluded that its unaudited interim consolidated financial statements for the three months ended January 31, 2007, the three and six months ended April 30, 2007, and the three and nine months ended July 31, 2007, should no longer be relied upon, principally due to errors in accounting related to the valuation of in-transit inventory and allocation of manufacturing and distribution overhead to inventory, each of which affects VeriFone's reported costs of net revenues. The restatements are anticipated to correct errors that overstated previously reported inventories in material amounts as of January 31, 2007, April 30, 2007, and July 31, 2007, and understated cost of net revenues in material amounts for the three month periods ended January 31, 2007, April 30, 2007, and July 31, 2007. Accordingly, investors are cautioned not to rely on VeriFone's historical financial statements and earnings press releases and similar communications for the periods ended January 31, 2007, April 30, 2007, and July 31, 2007. These restatements are also anticipated to correct other errors that may be detected in the course of VeriFone's review. VeriFone concluded that a restatement of its interim unaudited financial statements is required as a result of an internal review of in-transit inventory balances conducted in preparation for VeriFone's fiscal 2007 audit.

Edgar Filing: VeriFone Holdings, Inc. - Form NT 10-Q

On December 31, 2007, VeriFone filed a Form 12b-25 notification of late filing, indicating that it would not be able to file its Annual Report on Form 10-K for the fiscal year ended October 31, 2007 in a timely manner. VeriFone's management and the Audit Committee of its Board of Directors have determined to delay the filing of VeriFone's Quarterly Report for the fiscal quarter ended January 31, 2008 pending completion of the assessment of the errors and the restatements described above as well as the completion of its Annual Report on Form 10-K for the fiscal year ended October 31, 2007. Upon completion of its assessment of these errors, VeriFone intends to file amended Quarterly Reports on Form 10-Q for the periods described above that will restate the previously issued financial statements included therein and to complete and file its Annual Report on Form 10-K for the fiscal year ended October 31, 2007. VeriFone thereafter expects to complete and file its Quarterly Report on Form 10-Q for the fiscal quarter ended January 31, 2008.

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If answer is no, identify report(s).

Yes No

Annual Report on Form 10-K for the fiscal year ended October 31, 2007.

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The disclosure set forth in Part III is incorporated by reference herein. Prior to the completion of the restatement process described above, including completion of the restatement process relating to the fiscal quarter ended January 31, 2007, VeriFone is unable to provide estimates regarding any anticipated change in results of operations from the fiscal quarter ended January 31, 2007.

Although VeriFone's management is still evaluating the implications of the restatements described above on its internal control over financial reporting, when VeriFone files its Annual Report on Form 10-K for the fiscal year ended October 31, 2007 and its Quarterly Report on Form 10-Q for the fiscal quarter ended January 31, 2008 and amends the previously filed quarterly reports to effect the restatements, management expects VeriFone to report one or more material weaknesses in VeriFone's internal control over financial reporting.
