**Item 1.01 Entry into a Material Definitive Agreement.**

As previously disclosed, in March 2005, HealthMarkets, Inc. (the Company) received notification that the Market Analysis Working Group of the NAIC had chosen the states of Washington and Alaska to lead a multi-state market conduct examination of the Company's principal insurance subsidiaries The MEGA Life and Health Insurance Company, Mid-West National Life Insurance Company of Tennessee and The Chesapeake Life Insurance Company (the Insurance Subsidiaries) for the examination period January 1, 2000 through December 31, 2005. Thirty-six (36) states elected to participate in the examination. The examiners issued a final examination report on December 20, 2007.

On May 29, 2008, the Insurance Subsidiaries entered into a regulatory settlement agreement (RSA) with the Director of the Alaska Division of Insurance and the Insurance Commissioner of Washington State (the Lead Regulators) that provides for the settlement of the examination on the following terms:

(1) A monetary penalty in the amount of \$20 million, payable within ten business days of the effective date of the RSA;

(2) A monetary penalty of up to an additional \$10 million if the Insurance Subsidiaries are found not to comply with the requirements of the RSA when re-examined. Compliance will be monitored by the Lead Regulators, the Insurance Subsidiaries' domestic regulators (The Insurance Commissioner of the State of Oklahoma and the Commissioner of Insurance of the State of Texas) (the Domestic Regulators) and the California Department of Insurance (collectively, the Monitoring Regulators). The Monitoring Regulators will determine the amount, if any, of the penalty for failure to comply with the requirements of the RSA through a follow-up examination scheduled to occur during 2010;

(3) An Outreach Program to be administered by the Insurance Subsidiaries with certain existing insureds, which will be implemented within six months of the effective date of the RSA. The Insurance Subsidiaries will send a notice to all existing insureds whose medical coverage was issued by the Insurance Subsidiaries prior to August 1, 2005 which will include contact information for insureds to obtain information about their coverage and the address of a website responsive to coverage questions; and

(4) Ongoing monitoring of the Insurance Subsidiaries' compliance with the RSA by the Monitoring Regulators, through periodic reports from the Insurance Subsidiaries. The Insurance Subsidiaries will be required to continue their implementation of a corrective action plan, the standards of which must be met by December 31, 2009. The Insurance Subsidiaries will bear the reasonable costs of monitoring by the Monitoring Regulators and their designees. In the event that the Monitoring Regulators find that the Insurance Subsidiaries have intentionally breached the terms of the RSA, resulting penalties and fines as a result of such finding will not be limited to the monetary penalties of the RSA.

The RSA will become effective thirty days after twenty-seven states agree to sign the agreement. The Lead Regulators have executed the RSA.
