PROXY STATEMENT

GENERAL INFORMATION

PROXY SOLICITATION

This proxy statement is furnished to the holders of common stock of Transpro, Inc. in connection with the solicitation by our Board of Directors of proxies for use at the annual meeting of stockholders to be held on Thursday, May 2, 2002, or at any adjournments of the annual meeting. The purposes of the meeting and the matters to be acted upon are described in the accompanying Notice of Annual Meeting of Stockholders. The Board of Directors is not currently aware of any other matters that will come before the meeting.

Proxies for use at the meeting are being solicited by our Board of Directors. Proxies will be mailed to stockholders on or about April 1, 2002 and will be solicited chiefly by mail. We will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to the beneficial owners of the shares and will reimburse them for their expenses in so doing. Should it appear desirable to do so in order to ensure adequate representation of shares at the meeting, our officers, agents

Edgar Filing: TRANSPRO INC - Form DEF 14A

and employees may communicate with stockholders, banks, brokerage houses and others by telephone, e-mail, facsimile, or in person to request that proxies be furnished. We will pay all expenses incurred in connection with this solicitation.

REVOCABILITY AND VOTING OF PROXY

A form of proxy for use at the annual meeting and a return envelope for the proxy are enclosed. Stockholders may revoke the authority granted by their execution of proxies at any time before their effective exercise by filing with our Secretary a written notice of revocation or a duly executed proxy bearing a later date, or by voting in person at the meeting. Shares of common stock represented by executed and unrevoked proxies will be voted in accordance with the choice or instructions specified. If no specifications are given, the proxies intend to vote the shares represented to approve Proposals No. 1 and 2 as described in the accompanying Notice of Annual Meeting of Stockholders and in accordance with their best judgment on any other matters which may properly come before the meeting.

RECORD DATE AND VOTING RIGHTS

Only stockholders of record at the close of business on March 6, 2002 are entitled to notice of and to vote at the annual meeting or any adjournments of the annual meeting. On March 6, 2002 there were 6,981,889 shares of common stock outstanding; each share is entitled to one vote on each of the matters to be presented at the annual meeting. The holders of a majority of the outstanding shares of common stock, present in person or by proxy, will constitute a quorum at the annual meeting. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. "Broker non-votes" are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under Delaware law, the effect of broker non-votes on a particular matter depends on whether the matter is one as to which the broker or nominee has discretionary voting authority under the applicable rule of the New York Stock Exchange. The effect of broker non-votes on the specific items to be brought before the annual meeting is discussed under each item.

PROPOSAL NO. 1 -- ELECTION OF DIRECTORS

Seven directors, constituting the entire Board, are to be elected at the annual meeting. Unless otherwise specified, the enclosed proxy will be voted in favor of the persons named below to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified. Each person named below is now a director of Transpro. In the event any of these nominees will be unable to serve as a director, the shares represented by the proxy will be voted for the person, if any, who is designated by the Board of Directors to replace the nominee. All nominees have consented to be named and have indicated their intent to serve if elected. The Board of Directors has no reason to believe that any of the nominees will be unable to serve or that any vacancy on the Board of Directors will occur.

The nominees, their ages, the year in which each first became a director of Transpro and their principal occupations or employment during the past five years are:

INFORMATION REGARDING THE BOARD OF DIRECTORS

The business and affairs of Transpro are managed under the direction of our Board of Directors, whose members are elected annually by the stockholders. During 1995, the Board of Directors designated a Management Compensation and Nominating Committee and an Audit Committee. Messrs. Lederer and Banducci and Ms. Oster are the members of the Management Compensation and Nominating Committee; and Messrs. Smith, Abraham and Colburn are the members of the Audit Committee. During 1999, the Board of Directors designated a Management Committee. Messrs. Banducci, Johnson and Lederer are the members of the Management Committee. Charles E. Johnson, our current President and Chief Executive Officer, joined the Management Committee in March 2001.

The Management Compensation and Nominating Committee (the "Compensation Committee") recommends to the Board salaries and incentive compensation awards for our officers; reviews and approves guidelines for the administration of incentive compensation programs for other management employees; makes recommendations to the Board with respect to major compensation programs; administers our 1995 Stock Plan and our 1995 Nonemployee Directors Stock Option Plan (the "Directors Plan"), grants stock options and restricted shares of common stock under the 1995 Stock Plan; and issues the Report on Executive Compensation required to be included in our proxy statement by the rules of the Securities and Exchange Commission. This committee also selects and recommends to the Board nominees for election as directors and considers the performance of incumbent directors in determining whether to recommend them for nomination for re-election. The Compensation Committee has recommended each of the seven returning incumbent directors for re-election at the annual meeting. The Compensation Committee will consider nominees recommended by stockholders for election at the 2003 Annual Meeting of Stockholders that are submitted prior to the end of 2002 to our Secretary at Transpro's offices, 100 Gando Drive, New Haven, Connecticut 06513. Any recommendation must be in writing and must include a detailed description of the business experience and other qualifications of the recommended nominee as well as the signed consent of the nominee to serve if nominated and elected.

The Audit Committee recommends to the Board of Directors the appointment of our independent auditors and reviews the degree of their independence; approves the scope of the audit engagement, including the cost of the audit; reviews any non-audit services rendered by the auditors and the fees for

these services; reviews with the auditors and management our policies and procedures with respect to internal accounting and financial controls and, upon completion of an audit, the results of the audit engagement; and reviews internal accounting and auditing procedures with our financial staff and the extent to which recommendations made by the independent auditors have been implemented. All members of the Audit Committee are independent as defined in the listing standards of the New York Stock Exchange. The Board of Directors has adopted an Audit Committee Charter that meets the requirements of the Securities and Exchange Commission and the New York Stock Exchange.

The Management Committee serves as an advisory resource for Transpro management with regard to industry-specific strategic issues and the condition of the marketplace in which we operate. The Management Committee was established to assist management in its oversight of our operations through the experience and knowledge of its members, rather than to take specific action with regard to any particular area of corporate governance.

During 2001, the Board of Directors held five meetings and acted once by unanimous written consent, the Compensation Committee held six meetings and acted once by unanimous written consent, the Audit Committee held eight meetings and the Management Committee held two meetings. During 2001, each director attended at least 75% of the meetings of the Board of Directors held and of all committees of the Board of Directors on which he or she served while he or she was director or a member of a committee of the Board of Directors.

COMPENSATION OF DIRECTORS

The Chairman of the Board of Directors is paid an annual retainer of \$35,000 per year for his services as Chairman and \$1,000 for each meeting of the Board of Directors attended. The Chairman does not receive any additional compensation for committee participation. All other nonemployee directors are paid \$12,000 per year for their services as a director and \$1,000 for each meeting of the Board of Directors attended. Each nonemployee member of the Audit, Compensation or Management Committee is paid \$2,000 per year for his or her services as a member, and each committee member is paid \$500 for each meeting of a committee attended. Directors are not paid fees for their participation in meetings by telephone conference or for actions by unanimous written consent. Each director and committee member is reimbursed for travel and related expenses incurred in attending meetings.

Under our 1995 Nonemployee Directors Stock Option Plan, the Chairman and each nonemployee director are automatically entitled to a grant of options to purchase 3,200 and 1,500 shares of common stock, respectively, on an annual basis, on the first Friday following our annual meeting of stockholders. Pursuant to the Directors Plan, Messrs. Abraham, Colburn, Lederer, Ms. Oster and Mr. Smith were each granted options to purchase 1,500 shares of common stock on May 4, 2001 at an exercise price of \$2.70 per share. Mr. Banducci received options to purchase 3,200 shares of common stock on such date at the same exercise price. Each option expires 10 years from date of grant and is exercisable 50 percent after two years from date of grant, 75 percent after three years from date of grant and 100 percent after four years from date of grant.

We maintain a matching gift program for the benefit of our directors. Pursuant to the matching gift program, in 2001, we matched gifts to charitable organizations made by the directors in amounts up to \$2,500 for each director.

During the final three months of 2000 and prior to the hiring of Charles E.

Edgar Filing: TRANSPRO INC - Form DEF 14A

Johnson as President and Chief Executive Officer in March 2001, Mr. Banducci took on many of the day-to-day management responsibilities typically associated with the position of President and Chief Executive Officer. In consideration for these additional services, in June 2001 the Board approved the payment \$96,562.50 in cash in twelve monthly installments beginning July 1, 2001 and the issuance of 30,175 shares of common stock to Mr. Banducci.

We are party to an employment agreement with Charles E. Johnson, our President and Chief Executive Officer, and a director. For a description of the terms of this agreement and certain stock option grants made to Mr. Johnson in 2001 pursuant to the agreement, see "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements."

VOTE REQUIRED

The seven nominees receiving the affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, shall be elected as directors. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be counted in determining if a quorum is present. However, instructions on the accompanying proxy card to withhold authority to vote for one or more nominees will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an instruction to withhold authority by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the nominee because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve the nominee.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 1 -- ELECTION OF DIRECTORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

EXECUTIVE COMPENSATION

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Management Compensation and Nominating Committee is comprised of three independent non-employee directors. As members of the Compensation Committee, it is our responsibility to administer Transpro's executive compensation programs, monitor corporate performance and its relationship to compensation of executive officers, and make appropriate recommendations concerning matters of executive compensation.

Compensation Policies

We have formulated a compensation philosophy that is designed to enable us to attract, retain and reward capable employees who can contribute to the success of Transpro, principally by (i) setting base salaries at the median of the marketplace, (ii) creating a significant annual incentive opportunity with target award levels somewhat above median marketplace practices and (iii) creating a highly leveraged (i.e., approximately between the marketplace 50th and 75th percentiles) long term incentive opportunity for senior management. We believe that implementation of a system of compensation that emphasizes performance-based compensation provides a strong alignment to stockholders'

Edgar Filing: TRANSPRO INC - Form DEF 14A

interests. Five key principles serve as the guiding framework for compensation decisions for all employees of Transpro:

- o To attract and retain the most highly qualified management and employee team.
- o To pay competitively compared to similar automotive companies.
- o To encourage superior employee performance by aligning rewards with stockholder interests, especially through the use of tangible performance targets.
- o To motivate senior executives to achieve Transpro's annual and long-term business goals by providing higher than average leveraged equity-based incentive opportunities.
- o To strive for fairness in administration by emphasizing performance related contributions as the basis for pay decisions.

To implement these policies, we have designed the framework for a four-part executive compensation program consisting of base salary, annual incentive plan, long-term incentive opportunities for senior management, and other employment benefits.

Base Salary. We will seek to maintain levels of compensation that are competitive with similar automotive companies. Base salary represents the fixed component of the executive compensation program. Transpro's philosophy regarding base salaries is conservative, and will seek to maintain salaries for the aggregate officer group at approximately the competitive industry average. Periodic increases in

5

base salary will relate to individual contributions evaluated against established objectives, length of service, and the industry's annual competitive pay practice movement. We believe that base salary for 2001 for our Chief Executive Officer and for the other executive officers was generally at the competitive industry average.

Annual Incentive Plan. We have designed an annual incentive plan pursuant to which key Transpro employees will be eligible to receive performance bonuses in a range based upon a percentage of their annual base salary. Payment of the performance bonuses is based upon performance measures set by the Compensation Committee that incorporate overall corporate, divisional and personal targets. In general, with regard to senior executives, a greater degree of emphasis is placed on the long-term incentives described below.

Long Term Incentives. We believe that the pay program should provide senior executives with an opportunity to increase their ownership and potentially gain financially from Transpro stock price increases. By this approach, the best interests of stockholders and senior executives will be closely aligned. Therefore, senior executives are eligible to receive restricted stock and are also eligible to receive stock options, giving them the right to purchase shares of common stock at a specified price in the future. We believe that the use of restricted stock and stock options as the basis for long-term incentive compensation meets our defined compensation strategy and business needs by achieving increased value for stockholders and retaining key employees.

Other Benefits. Our philosophy is to provide competitive health- and welfare-oriented benefits to executives and employees, but to maintain a

Edgar Filing: TRANSPRO INC - Form DEF 14A

conservative posture relative to executive benefits. Consistent with industry practices, we provide a company automobile or automobile allowance to executive officers.

Compliance with Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to a public corporation for compensation over \$1 million paid to a corporation's chief executive officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the cap if certain requirements are met. We intend to structure the compensation of our executive officers in a manner that should ensure that Transpro does not lose any tax deductions because of the \$1 million compensation limit in the foreseeable future.

The salaries for our highest paid executives will be set, in part based on independent studies, at levels approximating the average for companies of comparable size in similar industries and are not expected to approach \$1 million in the foreseeable future. We are a proponent of using more performance and equity-based compensation, which can often be designed to ensure that tax deductibility is not compromised.

Our 1995 Stock Plan incorporates maximum limitations on individual annual stock option and restricted stock grants so as to meet the requirements of Section 162(m). The 1995 Stock Plan also identifies performance measures to be used if we decide to use performance-based vesting restricted stock in the future to meet the requirements of Section 162(m).

2001 Compensation for the Chief Executive Officer

In 2001, Charles E. Johnson was entitled to receive base salary payments at a rate of \$360,000 per year, pursuant to the terms of his employment agreement with the Company. As Mr. Johnson did not join Transpro until March 2001 and took a voluntary 20% pay cut beginning in October 2001, his actual base salary received in 2001 was \$280,275. See "Executive Compensation -- Employment, Termination of Employment and Change of Control Arrangements." Mr. Johnson earned an annual performance bonus of \$81,000 pursuant to the Annual Incentive Plan for 2001, based upon the achievement of certain goals set by the Compensation Committee. In March 2001, Mr. Johnson was granted an option to purchase 60,000 shares of common stock at an exercise price of \$2.90 per share, which was the market price for the common stock on the date of grant. In June 2001, Mr. Johnson was granted an option to purchase 40,000 shares of common stock at an exercise price of \$3.20 per share, which was the market price for the common stock on the date of grant. These option grants were made in accordance with the Committee's compensation practices.

6

Summary

The Compensation Committee believes that we have implemented a comprehensive compensation program for Transpro executives that is appropriate and competitive with the total compensation programs provided by other similar automotive companies with which we compete. We believe our compensation philosophy ties compensation to stockholder returns and thereby links compensation to the achievement of annual and longer-term operational results of Transpro on behalf of our stockholders. We look forward to providing the stockholders with an update in our next annual report to you.

RETIREMENT PLANS

Each of our named executive officers other than Mr. Della Ventura are covered by a non-contributory defined benefit cash balance plan. We credit an amount, quarterly, to a notional account for each participant under the plan equal to the sum of (i) each participant's total compensation for the quarter (excluding bonus) multiplied by a percentage factor plus (ii) each participant's total compensation for the quarter (excluding bonus) in excess of a fraction of the Social Security wage base multiplied by a percentage factor. The percentage factors are determined under the following table:

YEARS OF SERVICE	CREDIT ACCOUNT WITH % OF PAY	PLUS % OF PAY ABOVE 1/12 OF SOCIAL SECURITY TAXABLE WAGE BASE
Less than 10 years	2.25%	2%
10 to 20 years	3.00%	2%
20 or more years	4.00%	2%

Each year until each participant's normal retirement date (age 65), the notional account balances will be credited quarterly with interest equal to the average of the one-year Treasury bill rate on the first day of October, November and December of the previous calendar year multiplied by his or her account balance at the beginning of the quarter. Upon retirement, the notional account balance will be paid in the form of a lump sum payment or converted to an annuity to provide monthly benefit payments. Upon normal retirement at age 65, Messrs. Johnson, Wisot, Albert, Jackson, Flynn and McHale's estimated annual pension benefits under the cash balance plan are \$0, \$0, \$0, \$15,957, \$0 and \$0, respectively.

Mr. McHale took a lump-sum distribution of \$53,490 from the cash balance plan in 2001 in connection with his departure from Transpro. Mr. Della Ventura, who was covered by defined benefit plan covering employees of our G&O division, took a lump sum distribution from that plan in 2001 in the amount of \$110,158 in connection with his departure from Transpro.

EMPLOYMENT, TERMINATION OF EMPLOYMENT AND CHANGE OF CONTROL ARRANGEMENTS

Charles E. Johnson

Effective March 12, 2001, we entered into an employment agreement with Charles E. Johnson, our President and Chief Executive Officer. The agreement has a two-year term with automatic one-year extensions upon each anniversary date of the agreement unless either party gives at least 90 days' notice to the contrary. The employment agreement can be terminated by Transpro for "serious cause" (as defined in the employment agreement) or in the event Mr. Johnson becomes disabled, and Mr. Johnson can terminate the agreement for "good reason" (as defined in the agreement). The employment agreement provides annual pension benefits, supplemental to the annual benefits paid under our retirement plans, in an amount determined in accordance with the applicable Transpro retirement plan, without giving effect to limits imposed by the Internal Revenue Code and regulations of the IRS on the amount of benefits payable or compensation that

Edgar Filing: TRANSPRO INC - Form DEF 14A

may be used in determining benefits that may be paid to an individual under a Federal income tax qualified plan. The employment agreement provides for an annual salary of \$360,000 and a bonus of up to 150% of base salary determined based upon performance targets set annually by the Board. Mr. Johnson took a voluntary 20% pay cut beginning in October 2001 through the remainder of 2001. In addition, under the agreement, in March 2001 Mr. Johnson received options to purchase 60,000 shares of common stock under our 1995 Stock Plan exercisable one third after one year from date of grant, two-thirds after two years from date of grant and 100 percent after three years from date of grant. In June 2001, Mr. Johnson received options to purchase an additional 40,000 shares that are exercisable 50% after March 12, 2002 and 100% after March 12, 2003. We also agreed to pay Mr. Johnson's reasonable relocation expenses.

Mr. Johnson's employment agreement contains additional provisions which provide that, in the event we terminate Mr. Johnson's employment other than for "serious cause" or his disability, death or retirement, or if Mr. Johnson terminates his employment for "good reason," we would pay him an amount equal to his salary for one year and would provide his life, disability, accident, medical and hospitalization insurance benefits during a period of one year after termination. In addition, we would pay Mr. Johnson accrued vacation pay and all other amounts to which he is entitled under the agreement prior to termination.

Severance Agreements

Messrs. Wisot, Albert, Jackson and Flynn entered into severance agreements with the Company. Pursuant to their respective severance agreements, if the officer lost his current position (except for termination for "cause" as defined in each severance agreement), or if during the term thereof should there be a material change in ownership, or the sale of a portion of the business, which results in his not having a position similar to his current position including similar pay and benefits then his base salary will continue to be paid until he either secures other full-time employment, or for one year, whichever occurs first.

Severance Payments

We entered into a Separation and Release Agreement with Henry P. McHale, our former President and Chief Executive Officer, pursuant to which Mr. McHale resigned from Transpro effective December 31, 2000. As part of this agreement Transpro and Mr. McHale generally released one another from all claims and we agreed to pay Mr. McHale in twelve equal monthly installments an aggregate amount of \$386,250 and also agreed to provide Mr. McHale with insurance benefits equivalent to those which he was receiving while employed with Transpro and the use of a company automobile for one year. We also agreed to pay Mr. McHale his legal fees and expenses in connection with the preparation of the Separation and Release Agreement together with \$15,800, representing accrued vacation pay and additional consideration for his release.

We entered into a Settlement and Release Agreement with John F. Della Ventura, our former G&O Division President, pursuant to which Mr. Della Ventura resigned from Transpro effective July 13, 2001. As part of this agreement Transpro and Mr. Della Ventura generally released one another from all claims and we agreed to make bi-weekly payments to Mr. Della Ventura of \$6,560 for the lesser of one year or

the date that he secures other full-time employment. We also agreed to provide Mr. Della Ventura with insurance benefits and use of a company automobile and certain other perquisites until the earlier of one year or the date that he

Edgar Filing: TRANSPRO INC - Form DEF 14A

secures other full-time employment. We paid Mr. Della Ventura severance of \$78,720 in 2001.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee currently consists of three non-employee directors -- Messrs. Lederer, Banducci and Ms. Oster. Pursuant to the Directors Plan, Mr. Lederer and Ms. Oster were each granted options to purchase 1,500 shares of common stock on May 4, 2001 at an exercise price of \$2.70 per share. Mr. Banducci received options to purchase 3,200 shares of common stock on such date at the same exercise price. Each of the foregoing options expires 10 years from date of grant and is exercisable 50 percent after two years from date of grant, 75 percent after three years from date of grant and 100 percent after four years from date of grant. See "Compensation of Directors," above.

During the final three months of 2000 and prior to the hiring of Charles E. Johnson as President and Chief Executive Officer in March 2001, Mr. Banducci took on many of the day-to-day management responsibilities typically associated with the position of President and Chief Executive Officer. In consideration for these services, in June 2001 the Board approved the payment \$96,562.50 in cash in twelve monthly installments beginning July 1, 2001 and the issuance of 30,175 shares of common stock to Mr. Banducci.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors, and persons who beneficially own more than ten percent of our common stock, to file initial reports of ownership and reports of changes in ownership with the SEC and The New York Stock Exchange. Executive officers, directors and greater than ten percent beneficial owners are required by the SEC to furnish us with copies of all Section 16(a) forms they file.

Based upon a review of the copies of these forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2001 all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were complied with.

PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

Our Board of Directors has selected PricewaterhouseCoopers LLP as our independent auditors for the year ending December 31, 2002, and has directed that management submit the selection of independent auditors for ratification by stockholders at the annual meeting. PricewaterhouseCoopers LLP and its predecessor Coopers & Lybrand L.L.P. has audited our financial statements since we were spun-off from Allen Telecom Inc. (formerly The Allen Group Inc.) in 1995. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting and will have an opportunity to make a statement if he or she desires and will be available to respond to appropriate questions.

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent auditors is not required by our Bylaws or otherwise. However, the Board is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Board will reconsider whether or not to retain that firm. Even if the selection were ratified, the Board in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Board determines that such a change would be in the best interests of Transpro and its stockholders.

VOTE REQUIRED

The affirmative vote of holders of a majority of the shares of common stock issued, outstanding and entitled to vote, present or represented at the meeting, a quorum being present, is required for the adoption of this proposal. Broker non-votes with respect to this matter will be treated as neither a vote "for" or a vote "against" the matter, although they will be counted in determining if a quorum is present. However, abstentions will be considered in determining the number of votes required to attain a majority of the shares present or represented at the meeting and entitled to vote. Accordingly, an abstention from voting by a stockholder present in person or by proxy at the meeting has the same legal effect as a vote "against" the matter because it represents a share present or represented at the meeting and entitled to vote, thereby increasing the number of affirmative votes required to approve this proposal.

THE BOARD OF DIRECTORS DEEMS "PROPOSAL NO. 2 -- RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS" TO BE IN THE BEST INTERESTS OF TRANSPRO AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE "FOR" APPROVAL OF THIS PROPOSAL.

AUDITOR MATTERS

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews Transpro's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process. TransPro's independent auditors are responsible for expressing an opinion on the conformity of our audited financial statements to accounting principles generally accepted in the United States of America.

In this context, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements for the fiscal year ended December 31, 2001. The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors the written disclosures required by Independence Standards Board No. 1 (Independence Discussions with Audit Committees) and discussed with them their independence from Transpro and its management. The Audit Committee has also considered whether the independent auditors provision of information technology services and other non-audit services to Transpro is compatible with the auditor's independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board has approved, that the audited financial statements for the fiscal year ended December 31, 2001 be included for filing in Transpro's annual report on SEC Form 10-K for the year ended December 31, 2001.
