Item 8.01

Other Events.

On September 15, 2006, Genta Incorporated, a Delaware corporation (the Company), issued a press release announcing that results of the Company's Phase 3 trial of Genasense® (oblimersen sodium) Injection in patients with advanced melanoma were published on-line this week in the *Journal of Clinical Oncology*, ahead of its print publication date of October 10, 2006. The paper is accompanied by an editorial that discusses the trial's results in the context of current options for melanoma treatment. The extended follow-up data from this publication form the basis of a Marketing Authorization Application (MAA) that is currently pending review by the European Medicines Agency (EMA).

A copy of the press release is filed as Exhibit 99.1 to this report and incorporated herein by reference.
