Item 1.01. Entry Into a Material Definitive Agreement.

New Deferred Compensation Agreement

On July 26, 2006, the Board of Directors of Build-A-Bear Workshop, Inc. (the "Company"), approved the creation of a new non-qualified deferred compensation plan (the "Plan") which will permit the deferral of salary and bonus amounts by certain highly compensated associates (earning more than \$100,000 on an annual basis). The deferral of such amounts will be funded through a rabbi trust arrangement whereby such amounts may be invested in mutual funds (money market, fixed income and various equity funds) under an administration agreement with a third-party trustee. It is anticipated that such investment choices will mirror those fund selection alternatives available to all current participants of the Company's 401(k) plan. Certain executive officers, including those named in the Summary Compensation Table of the Company's 2006 Proxy Statement, will be eligible to defer a portion of their salary and/or bonus payments into the Plan for investment in accordance with the terms of the trust. At the discretion of its Board of Directors, the Company may provide for a Company match on a certain percentage of an individual's eligible deferral amount. The Company's match (if any) shall be determined by the Board of Directors at the end of the fiscal year. The assets of the trust will be subject to the claims of the Company's general creditors in the event of bankruptcy.

Amendment to 2004 Stock Incentive Plan

Edgar Filing: BUILD A BEAR WORKSHOP INC - Form 8-K

Also on July 26, 2006, the Board of Directors of the Company approved an amendment and restatement to the 2004 Stock Incentive Plan (the Incentive Plan Amendment). The purpose of the Incentive Plan Amendment is to clarify that grants of awards to employees of a non-United States subsidiary of the Company shall be subject to the terms of the Plan, as amended by the terms of any sub-plan adopted to cover employees who are resident in a particular country or geographic area. In addition, the Incentive Plan Amendment modified the determination date for awards to mean, for employees receiving an Award in connection with an initial hire or a promotion within the Company, the first date of hire or promotion. For all other grants, the determination date will mean the trading date on which the Committee (or its delegate) approves the grant.

The foregoing description of the Incentive Plan Amendment is only a summary of certain terms and conditions of such document and is qualified in its entirety by reference to the Incentive Plan Amendment, which has been filed as Exhibit 10.1 and which is incorporated by reference herein.

Item 8.01. Other Events.

On July 26, 2006, the Board of Directors of the Company amended the Charter for the Compensation Committee of the Board of Directors. The Charter, as amended, provides the Compensation Committee with a more express delegation of authority on certain compensation matters (including, without limitation, compensation of executive officers and administration of the Company's employee benefit plans), as opposed to making recommendations to the full Board with respect to such issues. The Charter, as amended, is set forth on the Company's Investor Relations website at: <http://ir.buildabear.com> in the Corporate Governance section.
