Item 1.01. Entry into a Material Definitive Agreement.

On April 9, 2007, HearUSA, Inc. (the Company) completed a transaction with the holders of the Company's 2003 Subordinated Convertible Notes. The participating holders converted \$5.4 million of the outstanding principal of the notes into 3.1 million shares of the Company's common stock at \$1.75 per share in accordance with the original agreement as contemplated by the Notes. The Company made cash payments to the participating holders of notes for the remaining principal balance of \$409,000, canceling such Notes. One of the 2003 investors did not participate in the transaction. The Company paid that investor \$375,000 of principal, leaving approximately \$42,000 in principal unpaid, which principal payment will be due in June 2007 at which time the Company expects to make such payment and retire that Note. As part of the transaction with the participating 2003 note holders, the Company reduced the exercise price of the outstanding warrants held by those investors and the investors agreed to exercise their warrants using cash (as opposed to using the cashless exercise feature of the original warrant). The participating investors exercised all of those warrants for an aggregate of approximately \$1.7 million and the Company issued 2.5 million warrant shares.

On April 10, 2007, the Company issued a press release concerning this transaction. A copy of that press release is being furnished with this Form 8-K as Exhibit 99.1.

Item 3.02. Unregistered Sales of Equity Securities.

The information provided above in Item 1.01 is incorporated in this Item 3.02 by this reference. The Company issued the common stock upon conversion of the convertible notes and exercise of the warrants in a private placement to an accredited investor in reliance on Section 4(2) of the Securities Act of 1933 and/or Regulation D promulgated by the Securities and Exchange Commission.

Item 9.01. Financial Statements and Exhibits

(d)
