ABOUT THE MEETING

WHO IS SOLICITING MY VOTE?

The Board of Directors of the Corporation (the "Board") is soliciting your vote at the Meeting.

WHAT WILL I BE VOTING ON?

During 2004, the Board will be subject to several modifications in response to corporate policy and strengthened corporate governance.

First, as a result of the Board's existing policy, which provides that no person shall be nominated for reelection as director if during the term to be served such person would attain 72 years of age, two directors will not be nominated for reelection at the Meeting. In addition, one director has requested an early retirement from the Board, and will retire one year before his term as director expires. This director would not have been nominated for reelection in 2005 under the Board policy regarding attainment of 72 years of age during the term to be served.

Second, following the Corporation's desire to strengthen its corporate governance, two directors who are also employees of the Corporation will resign from the Board effective the date of the Meeting.

As a result of the changes described above, the Board of Directors' three classes will not be as nearly equal in number as possible, as provided in the Corporation's Articles of Incorporation. Therefore, the Board is proposing the nomination of two directors for election for a one-year term. One of these nominees is a director who will be reclassified from a "Class 1" to a "Class 3" director. If the stockholders approve the proposals regarding the election of directors, the Board of Directors will be divided in three classes of equal

Edgar Filing: POPULAR INC - Form PRE 14A

number of directors.

The Corporation's stockholders will be voting on:

- Election of directors (see pages 7 and 8).
- Ratification of PricewaterhouseCoopers LLP as the Corporation's auditors for 2004 (see page 20).
- Amendment to Article Fifth of Restated Articles of Incorporation to increase the authorized number of shares of common and preferred stock (see page 21).
- Amendment to Article Eighth of Restated Articles of Incorporation to eliminate the requirement that the total number of directors shall always be an odd number (see page 23).
- Approval of the Corporation's 2004 Omnibus Incentive Plan (see page 24).

HOW MANY VOTES DO I HAVE?

You will have one vote for every share of the Corporation common stock (the "Common Stock") you owned on March 11, 2004 (the record date).

HOW MANY VOTES CAN ALL STOCKHOLDERS CAST?

One vote for each of Popular, Inc.'s 132,999,351 shares of Common Stock that were outstanding on the record date. The shares covered by any proxy that is properly executed and received by management before 9:00 a.m. on the day of the Meeting will be voted.

HOW MANY VOTES MUST BE PRESENT TO HOLD THE MEETING?

A majority of the votes that can be cast. Votes cast by proxy or in person at the Meeting will be counted by the persons appointed by the Corporation as members of the vote-counting committee for the Meeting. We urge you to vote by proxy even if you plan to attend the Meeting, so that we will know as soon as possible that enough votes will be present for us to hold the Meeting.

HOW DO I VOTE?

You can vote either in person at the Meeting or by proxy without attending the Meeting.

To vote by proxy, you must either

- Fill out the enclosed proxy card, date and sign it, and return it in the enclosed postage-paid envelope,
- Vote by telephone (instructions are on the Proxy Card, as authorized by the Puerto Rico Corporation Law and the Bylaws of the Corporation), or
- Vote by Internet (instructions are on the Proxy Card, as authorized by the Puerto Rico Corporation Law and the Bylaws of the Corporation).

If you want to vote in person at the Meeting, and you hold your Common Stock through a securities broker (that is, in street name), you must obtain a proxy from your broker and bring that proxy to the Meeting.

Edgar Filing: POPULAR INC - Form PRE 14A

In addition to solicitation by mail, management may participate in the solicitation of proxies by telephone, personal interviews or otherwise. The Board of Directors has engaged the firm of Georgeson & Company Inc. to aid in the solicitation of proxies. The cost of solicitation will be borne by the Corporation and is estimated at \$6,500.

3

To avoid delays in ballot taking and counting, and in order to assure that your proxy is voted in accordance with your wishes, compliance with the following instructions is respectfully requested: upon signing a proxy as attorney, executor, administrator, trustee, guardian, authorized officer of a corporation, or on behalf of a minor, please give full title. If shares are in the names of more than one recordholder, all recordholders should sign.

CAN I CHANGE MY VOTE?

Yes. Just send in a new proxy card with a later date, or cast a new vote by telephone or Internet, or send a written notice of revocation to the President or Secretary of Popular, Inc., P.O. Box 362708, San Juan, Puerto Rico 00936-2708, delivered before the proxy is exercised. If you attend the Meeting and want to vote in person, you can request that your previously submitted proxy not be used.

HOW WILL ABSTENTIONS AND BROKER NON-VOTES BE TREATED?

For purposes of determining a quorum, the members of the vote-counting committee will treat abstentions and brokers non-votes as shares that are present and entitled to vote. A broker non-vote results when a broker or nominee has expressly indicated in the proxy that it does not have discretionary authority to vote on a particular matter. As to the election of directors, the Proxy Card being provided by the Board enables stockholders to vote for the election of the nominees proposed by the Board, or to withhold authority to vote for one or more of the nominees being proposed. The election of directors, approval of the Corporation's 2004 Omnibus Incentive Plan and the ratification of independent auditors will be acted upon a majority of the votes cast. Therefore, abstentions and brokers non-votes will not have an effect on the election of directors of the Corporation, and the approval of the Corporation's 2004 Omnibus Incentive Plan or the ratification of independent auditors. As to the proposals to amend Article Fifth of the Restated Articles of Incorporation, the affirmative vote of the holders of a majority of the outstanding shares is required. As to the proposal to amend Article Eighth of the Restated Articles of Incorporation, a vote of two-thirds of the outstanding shares is required. Therefore, abstentions and broker non-votes will have the same effect as a vote against the proposals to amend the Restated Articles of Incorporation.

COULD OTHER MATTERS BE DECIDED AT THE MEETING?

The Board does not intend to present any business at the Meeting other than that described in the Notice of Meeting. The Board at this time knows of no other matters, which may come before the Meeting. However, if any new matter requiring the vote of the stockholders is properly presented before the Meeting, proxies may be voted with respect thereto in accordance with the best judgment of Proxyholders, under the discretionary power granted by stockholders to their proxies in connection with general matters.

WHAT HAPPENS IF THE MEETING IS POSTPONED OR ADJOURNED?

Your proxy will still be good and may be voted at the postponed or adjourned Meeting. You will still be able to change or revoke your proxy until it is

Edgar Filing: POPULAR INC - Form PRE 14A

voted.

WHAT SHOULD I RECEIVE?

By now you should have received the Corporation's Annual Report, including the financial statements for the year ended December 31, 2003, duly certified by PricewaterhouseCoopers LLP as independent public accountants. The Proxy Statement, the enclosed Annual Report, the Notice of Annual Meeting of Stockholders and the form of proxy are being sent to stockholders on or about March 17, 2004.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: POPULAR INC - Form PRE 14A

ownership of Common Stock of the Corporation. Officers and directors are required by SEC regulation to furnish the Corporation with copies of all Section 16(a) forms they file.

Based solely on a review of the copies of such reports furnished to the Corporation or written representations that no other reports were required, the Corporation believes that, with respect to 2003, all filing requirements applicable to its officers and directors were satisfied.

BOARD OF DIRECTORS AND COMMITTEES;

PROPOSAL 1: ELECTION OF DIRECTORS FOR A THREE-YEAR TERM

The Certificate of Incorporation and the Bylaws of the Corporation establish a classified Board of Directors pursuant to which the Board of Directors is divided into three classes as nearly equal in number as possible, with each class having at least three members and with the term of office of one class expiring each year. Each director serves for a term ending on the date of the third Meeting of stockholders following the Meeting at which such director was elected or until his successor has been elected and qualified.

At the Meeting, three (3) directors assigned to "Class 2" are to be elected to serve until the 2007 Annual Meeting of Stockholders or until their respective successors shall have been elected and qualified. Except as provided in the second proposal, the remaining eight directors of the Corporation will serve as directors, as follows: until the 2005 Annual Meeting of Stockholders of the Corporation, in the case of those three directors assigned to "Class 3", and until the 2006 Annual Meeting of Stockholders, in the case of those five directors assigned to "Class 1", or in each case until their successors are elected and qualified.

The policy of the Board of Directors, as set forth in a resolution adopted on January 8, 1991, provides that no person shall be nominated for election or reelection as director

7

of the Board if at the date of the Meeting or during the term to be served such person attains 72 years of age. Messrs. Hector R. Gonzalez and Julio E. Vizcarrondo Jr. would attain 72 years of age during the term to be served. In accordance with Board policy, Messrs. Gonzalez and Vizcarrondo will not be nominated for reelection as directors.

The persons named as proxies in the accompanying Form of Proxy have advised the Corporation that, unless otherwise instructed, they intend to vote at the Meeting the shares covered by the proxies FOR the election of the five nominees named below, and that if any one or more of such nominees should become unavailable for election they intend to vote such shares FOR the election of such substitute nominees as the Board may propose. The Corporation has no knowledge that any nominee will become unavailable for election.

Information relating to principal occupation, business experience and directorship during the past five (5) years (including positions held with the Corporation or Banco Popular de Puerto Rico (the "Bank")), age and the period during which each director has served is set forth below.

The Board met on a monthly basis during 2003. All directors attended 75% or more to the meetings of the Board and the committees of the Board on which such directors served.

Edgar Filing: POPULAR INC - Form PRE 14A

The Corporation's policy encourages directors to attend the Corporation's annual meeting of stockholders. All the Corporation's directors attended the last annual meeting of stockholders.

PROPOSAL 2: ELECTION OF DIRECTORS FOR A ONE-YEAR TERM

Effective April 30, 2004, two inside directors, Messrs. David H. Chafey Jr. and Jorge A. Junquera, have elected to resign from the Board. In addition, Mr. Antonio Luis Ferre, Vice Chairman of the Board, has elected to retire from the Board and will resign effective April 30, 2004, after 20 years of service. Mr. Ferre's term was due to expire in 2005, and he would not have been nominated for reelection due to the Corporation's director retirement policy regarding attainment of 72 years of age during the term to be served. As a result of the resignations described above, the Board's three classes will not be as nearly equal in number as possible, as provided in the Corporation's Articles of Incorporation.

In order to have a Board divided in three classes as nearly equal in number as possible, the Board of Directors proposes the election of two directors, Frederic V. Salerno and Maria Luisa Ferre, as directors assigned to "Class 3" for a one-year term. If Proposal 2 is approved, Mr. Salerno, who has been a director of the Corporation since April 2003, will be re-assigned from a "Class 1" director to a "Class 3" director, and each of the Board's classes will be composed of three directors. Ms. Ferre who has been director of the Bank since April 2000 will also become a director of the Corporation.

The Board has determined that Messrs. Manuel Morales, Jr., Juan J. Bermudez, Francisco M. Rexach, Jr., Frederic V. Salerno, Antonio Luis Ferre, Hector R. Gonzalez and Felix J. Serralles Jr. have no material relationship with the Corporation and are independent under the standards of the NASDAQ Stock Market, Inc. ("NASDAQ"). Maria Luisa Ferre is expected to satisfy NASDAQ's independence standards if elected as "Class 3" director.

The Corporation has a majority of independent directors. During 2003, the independent directors met in executive sessions three times. After conducting a self-assessment in December 2003, the Board agreed that the "independent directors" would meet in executive sessions after each Board meeting. The independent directors have met after every Board meeting held in 2004. Currently, there is no lead director and the independent directors designate, on a rotational basis, who will preside at each executive session.

CORPORATE GOVERNANCE AND NOMINATING COMMITTEE

The Corporate Governance and Nominating Committee consists of three or more members of the Board, each of whom the Board will determine has no material relationship with the Corporation and each of whom is otherwise "independent" under NASDAQ's rules. The Corporate Governance and Nominating Committee held four meetings during the fiscal year ended December 31, 2003 and two meetings in

Edgar Filing: POPULAR INC - Form PRE 14A

the first quarter of 2004. Mr. Jose B. Carrion Jr. resigned from the Committee in February 11, 2004 after it was determined that, in accordance with the NASDAQ rules, he did not qualify as an "independent director."

The purpose of the Corporate Governance and Nominating Committee is as follows:

- identify and recommend individuals to the Board for nomination as members of the Board and its committees;
- identify and recommend individuals to the Board for nomination as CEO and Chairman of the Corporation;
- promote the effective functioning of the Board and its committees; and
- develop and recommend to the Board a set of corporate governance principles applicable to the Corporation, and to review these principles at least once a year.

Under the Corporate Governance Guidelines, the Board should, based on the recommendations of the Corporate Governance and Nominating Committee, select new nominees for the position of independent director considering the following criteria:

- Personal qualities and characteristics, accomplishments and reputation in the business community;
- Current knowledge and contacts in the communities in which the Corporation does business and in the Corporation's industry or other industries relevant to the Corporation's business;
- Ability and willingness to commit adequate time to Board and committee matters;
- The fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Corporation; and
- Diversity of viewpoints, background, experience and other demographics.

The Corporate Governance and Nominating Committee will consider nominees recommended by shareholders. There are no differences in the manner in which the Corporate Governance and Nominating Committee evaluates nominees for director based on whether the nominee is recommended by a shareholder. The Corporate Governance and Nominating Committee did not receive any recommendation from shareholders for the Meeting.

Shareholders who wish to submit nominees for director for consideration by the Corporate Governance and Nominating Committee for election at the Corporation's 2005 annual meeting of shareholders may do so by submitting in writing such nominees' names and a brief description of the nominees' judgment, skills, diversity, and experiences with businesses and other organizations to the Secretary of the Board of Directors at Popular, Inc., 209 Munoz Rivera Avenue, Hato Rey, Puerto Rico, 00918, prior to November 1, 2004.

At its December 10, 2003 and February 11, 2004 meetings, the Corporate Governance and Nominating Committee approved the nominations of Jose R. Vizcarrondo and Maria Luisa Ferre for inclusion as Class 2 and Class 3 directors, respectively, in the Corporation's 2004 Proxy Card. Both nominees approved for inclusion in the Proxy Card were recommended by the Corporation's

Edgar Filing: POPULAR INC - Form PRE 14A

CEO.

On December 11, 2002, the Corporation adopted a Code of Business Conduct and Ethics (the "Code") with rules to be followed by the Corporation's employees, officers (including the Chief Executive Officer, Chief Financial Officer and Comptroller) and directors in order to achieve a conduct that reflects the Corporation's ethical principles. Certain portions of the Code deal with activities of directors, particularly with respect to transactions in the securities of the Corporation and potential conflicts of interest. Directors, executive officers and employees should be familiar with the Code and consult with the Corporation's General Counsel or the appropriate Human Resources Division in the event of any issues. During 2003, the Corporation's General Counsel did not receive any request from directors or executive officers for waivers under the provisions of the Code. The Code is included as an exhibit on the Corporation's Annual Report on Form 10-K and is available at the Corporation's website, www.popularinc.com.

The Corporate Governance and Nominating Committee Charter and the Corporate Governance Guidelines are included in this document as Annex B and C, respectively, and are also available on the Corporation's website, www.popularinc.com.

AUDIT COMMITTEE REPORT

AUDIT COMMITTEE

The Audit Committee shall consist of at least three members of the Board. The members of the Audit Committee shall each have been determined by the Board to be "independent" as required by NASDAQ's listing standards. Currently, the Audit Committee is comprised of four outside directors. The Audit Committee held nine meetings during the fiscal year ended December 31, 2003.

The Audit Committee's primary purpose is to assist the Board in its oversight of the accounting and financial reporting processes of the Corporation, as well as the oversight of the audits of the financial statements of the Corporation. The Committee operates pursuant to a Charter that was last amended and restated by the Board on January 16, 2004 and is included in this document as Annex D.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements of the Corporation for the fiscal year ended December 31, 2003 with management and PricewaterhouseCoopers LLP, the Corporation's independent accountants. The Audit Committee has also discussed with the independent accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, Communication with Audit Committees. Finally, the Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, as amended, Independence Discussion with Audit Committees, has considered whether the provision of non-audit services by the independent accountants to the Corporation is compatible with maintaining the accountants' independence, and has discussed with the independent accountants the accountants' independence from the Corporation and its management. These considerations and discussions, however, do not assure that the audit of the Corporation's financial statements has been carried out in

Edgar Filing: POPULAR INC - Form PRE 14A

accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent."

As set forth in the Charter, the management of the Corporation is responsible for the preparation, presentation and integrity of the Corporation's financial statements. Furthermore, management and the Internal Audit Division are responsible for maintaining appropriate accounting and financial reporting principles and policies, and internal controls and procedures that provide for compliance with accounting standards and applicable laws and regulations. PricewaterhouseCoopers LLP, the Corporation's independent public accountants, are responsible for auditing the Corporation's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles in the United States of America.

The members of the Audit Committee are not engaged professionally in the practice of auditing or accounting and are not employees of the Corporation. The Corporation's management is responsible for its accounting, financial management and internal controls. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures to set auditor independence standards.

Based on the Audit Committee's consideration of the audited financial statements and the discussions referred to above with management and the independent accountants, and subject to the limitations on the role and responsibilities of the Audit Committee set forth in the Charter and those discussed above, the Committee recommended to the Board that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the SEC.

PROPOSAL 3: RATIFICATION OF SELECTION OF AUDITORS

The Board intends to retain the services of PricewaterhouseCoopers LLP as the independent public accountants of the Corporation for the year 2004. PricewaterhouseCoopers LLP has served as independent public accountants of the Bank since 1971 and of the Corporation since May 1991, when it was appointed by the Board.

Neither the Corporation's Certificate of Incorporation nor its By-Laws requires that the shareholders ratify the selection of PricewaterhouseCoopers LLP as our independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the shareholders do not ratify the selection, the Board of Directors and the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP, but may retain such independent auditors. Even if the selection is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interest of the Corporation and its shareholders.

Representatives of PricewaterhouseCoopers LLP will attend the Meeting and will be available to respond to any appropriate questions that may arise; they will also have the opportunity to make a statement if they so desire.

The selection of PricewaterhouseCoopers LLP as the Corporation's auditors must be ratified by a majority of the votes cast at the Meeting.

The Board recommends that you vote FOR ratification of PricewaterhouseCoopers LLP as the Corporation's independent auditors for 2004.

DISCLOSURE OF AUDITORS' FEES

The following is a description of the fees billed to the Corporation by PricewaterhouseCoopers LLP for the years ended December 31, 2003 and 2002:

AUDIT-RELATED FEES

The aggregate fees billed by PricewaterhouseCoopers LLP to the Corporation for the years ended December 31, 2003 and 2002 for audit-related services were \$647,300 and \$317,661, respectively. Audit related fees generally include fees for assurance services such as audits of pension plans, compliance related to servicing of assets, assistance with securitizations and SAS 70 reports.

TAX FEES

Edgar Filing: POPULAR INC - Form PRE 14A

The aggregate fees billed by PricewaterhouseCoopers LLP to the Corporation for the years ended December 31, 2003 and 2002 for tax related services were \$358,166 and \$455,557, respectively. These fees are associated with tax return preparation and tax consulting services.

ALL OTHER FEES

The aggregate fees billed by PricewaterhouseCoopers LLP to the Corporation for the years ended December 31, 2003 and 2002 for services not included above were \$385,000 and \$81,500, respectively. All other fees include mainly operational reviews and consulting services.

The Audit Committee has established controls and procedures that require the pre-approval of all audit and permissible non-audit services provided by PricewaterhouseCoopers LLP or another firm. The Audit Committee may delegate to one or more of its members the authority to pre-approve any audit or permissible non-audit services. Under the pre-approval controls and procedures, audit services for the Corporation are negotiated annually. In the event that any additional audit services not included in the annual negotiation or permissible non-audit services are required by the Corporation, a proposed engagement letter should be obtained from the auditor and evaluated by the Audit Committee or the member(s) of the Audit Committee with authority to pre-approve auditor services. Any decisions to pre-approve such audit and non-audit services and fees shall be reported to the full Audit Committee at its next regular meeting. The Audit Committee has considered that the provision of the services covered by this paragraph is compatible with maintaining the independence of the independent public accountants of the Corporation. During 2003 all auditors fees were pre-approved by the Audit Committee or the Board.

RESTATED ARTICLES OF INCORPORATION

PROPOSAL 4. AMENDMENT TO THE ARTICLE FIFTH OF THE RESTATED ARTICLES OF INCORPORATION

The Board recommends the amendment of Article Fifth of the Corporation's Restated Articles of Incorporation in the manner shown in Annex E hereto. The proposed text of Article Fifth set forth in Annex E assumes shareholder approval of this proposal and the proposal to increase the authorized shares of Preferred Stock. The proposed Amendment to Article Fifth would change the number of authorized shares of the Corporation's Common Stock from one-hundred and eighty million (180,000,000) shares to four hundred and seventy million (470,000,000) shares. This change would be effective upon the date of filing the Amendment to the Restated Articles with the Department of State in the Commonwealth of Puerto Rico.

The Board believes that it is in the best interest of the Corporation and its shareholders that the Corporation have a sufficient number of authorized but unissued shares of Common Stock available for possible use in future acquisition and expansion opportunities that may arise, for general corporate needs such as future stock dividends or stock splits, and for other proper purposes within the limitations of the law, as determined by the Board. The Corporation has no current plans to use its authorized but unissued shares of Common Stock for any particular purpose. Such shares would be available for issuance without further action by the shareholders, except as otherwise limited by applicable law.

If additional shares of Common Stock are issued by the Corporation, it

Edgar Filing: POPULAR INC - Form PRE 14A

may potentially have an anti-takeover effect by making it more difficult to obtain shareholders' approval of various actions, such as a merger. Also, the issuance of additional shares of Common Stock may have a dilutive effect on earnings per share and equity, and may have a dilutive effect on the voting power of existing shareholders if the preferential rights provided in Article Sixth are not applicable. The terms of any Common Stock issuance will be determined by the Board, will depend upon the reason for the issuance and largely on market conditions and other factors existing at the time. The increase in authorized shares of Common Stock has not been proposed in connection with any anti-takeover related purpose and the Board and management have no knowledge of any current efforts by anyone to obtain control of the Corporation or to effect large accumulations of the Corporation's Common Stock.

The resolution attached to this proxy as Annex E will be submitted for adoption at the Meeting. The affirmative vote of a majority of the holders of shares of Common Stock of the Corporation is necessary to adopt the proposed amendment in accordance with the terms of Article Fifth of the Restated Articles of Incorporation. Proxies will be voted for the resolutions unless otherwise instructed by the stockholders. Abstentions and shares not voted by brokers and other entities holding shares on behalf of beneficial owners will have the same effect as votes cast against the proposed Amendment. The Board has declared the desirability of the adoption of this amendment and recommends a vote FOR the resolution.

RESTATED ARTICLES OF INCORPORATION

PROPOSAL 5. AMENDMENT TO THE ARTICLE FIFTH OF THE RESTATED ARTICLES OF INCORPORATION

The Board recommends the amendment of Article Fifth of the Corporation's Restated Articles of Incorporation in the manner shown in Annex E hereto. The proposed text of Article Fifth set forth in Annex E assumes shareholder approval of this proposal and the proposal to increase the authorized shares of Common Stock. The proposed Amendment to Article Fifth would increase the number of authorized shares of the Corporation's Preferred Stock, from ten million (10,000,000) shares to thirty million (30,000,000) shares. This change would be effective upon the date of filing the Amendment to the Restated Articles with the Department of State in the Commonwealth of Puerto Rico.

The Board believes that the proposed increase in the number of authorized shares of Preferred Stock is necessary to maintain a balanced capital structure for the Corporation and allow for possible use in future acquisition and expansion opportunities that may arise, for general corporate needs, and for other proper purposes within the limitations of the law, as determined by the Board. The Corporation has no current plans to use its authorized but unissued shares of Preferred Stock for any particular purpose. Such shares would be available for issuance without further action by the shareholders, except as otherwise limited by applicable law.

The availability of the shares of Preferred Stock for issuance, without the delay and expense of obtaining the approval of shareholders at a special meeting, will afford the Corporation greater flexibility and efficiency in acting upon proposed transactions. The Corporation has no plans to issue additional shares of Preferred Stock in the immediate future. The shares of Preferred Stock may be issued in one or more series from time to time for such corporate purposes and consideration as the Board may approve and no further

Edgar Filing: POPULAR INC - Form PRE 14A

of shareholders of the Corporation will be required except as may be required by applicable law or by any rule of a securities exchange or automated quotation system applicable to the Corporation. The Board will have broad discretion with respect to designating and establishing the terms of each series of Preferred Stock prior to its issuance. The Board may provide for each series:

- voting rights, if any,
- the number of shares constituting the series,
- the dividend rate of such series, the condition and dates in which such dividends shall bear to the dividends payable on any other class or classes or on any other series of any class or classes of capital stock of the Corporation, and whether such dividends shall be cumulative or non-cumulative,
- whether the shares of such series shall be subject to redemption by the Corporation, and, if made subject to redemption, the times, prices and other terms and conditions of such redemption,
- the rights of holders of the shares of such series upon the dissolution of, or upon the distribution of assets of, the Corporation, which rights may be different in case of a voluntary dissolution than in the case of involuntary dissolution,
- sinking fund provisions, if any, for the redemption or purchase of shares,
- the terms and conditions, if any, on which shares may be converted into or exchanged for shares of common stock or other capital stock or securities of the Corporation, and
- any other rights and preferences of the shares, to the full extent now or hereafter permitted by the laws of the Commonwealth of Puerto Rico.

All shares of Preferred Stock which may be redeemed or retired by sinking fund payment, repurchased by the Corporation or converted into common stock, shall have the status of authorized and unissued shares of Preferred Stock and may be reissued by the Board as shares of the same or any other series, unless otherwise provided with respect to any series in the resolution of the Board creating such series.

Ownership of shares of Preferred Stock will not entitle the holder thereof to any preemptive rights to subscribe for or purchase any additional securities issued by the Corporation.

Upon the issuance of any series of Preferred Stock, the holders of shares of such series will have certain preferences over the holders of outstanding shares of common stock, depending upon the specific terms of such series designated by the Board. For example, the provisions of a particular series of Preferred Stock could prohibit the declaration and payment of dividends on the common stock until full dividends on all outstanding shares of such series for all past periods and for the current dividend period shall have been declared and paid by the Corporation or the Corporation shall have set apart a sum sufficient for such payment. In addition, to the extent that Preferred Stock is made convertible into common stock, such conversion would result in dilution of the voting power and equity interest of holders of common stock.

In the event of any dissolution, liquidation or winding up of the Corporation, whether voluntary or involuntary, the holders of each series of the then outstanding Preferred Stock will be entitled to receive the amount fixed

Edgar Filing: POPULAR INC - Form PRE 14A

for such purpose by the Board together with all accumulated and unpaid dividends. Depending upon the consideration paid for any series of Preferred Stock and the liquidation preference of such series, the issuance thereof could result in a reduction in the assets available for distribution to the holders of common stock in the event of the liquidation of the Corporation.

The outstanding shares of any series of Preferred Stock, or any part thereof, which are by their terms redeemable, may be redeemed at any time at the option of the Corporation, subject to and in accordance with such terms and conditions as may be designated by the Board in creating such series. Subject to the terms and conditions established by the Board in creating the various series of Preferred Stock, the Corporation may redeem all or any part of the shares of any series of Preferred Stock without redeeming all or any part of the shares of any other series.

Preferred Stock could be issued to delay or defeat a change in control of the Corporation and, accordingly, under certain circumstances, could discourage transactions that might otherwise have a favorable effect on the price of the Common Stock. The Corporation does not currently expect to use the Preferred Stock for this purpose and the increase in authorized shares of Preferred Stock has not been proposed in connection with any anti-takeover related purpose.

The resolution attached to this proxy as Annex E will be submitted for adoption at the Annual Stockholders meeting. The affirmative vote of a majority of the holders of shares of Common Stock of the Corporation is necessary to adopt the proposed amendment in accordance with the terms of Article Fifth of the Restated Articles of Incorporation. Proxies will be voted for the resolutions unless otherwise instructed by the shareholders. Abstentions and shares not voted by brokers and other entities holding shares on behalf of beneficial owners will have the same effect as votes cast against the proposed Amendment. The Board of Directors has declared the desirability of the adoption of this amendment and recommends a vote FOR the resolution.

22

RESTATED ARTICLES OF INCORPORATION PROPOSAL 6. AMENDMENT TO THE ARTICLE EIGHTH OF THE RESTATED ARTICLES OF INCORPORATION

The Board recommends the amendment of Article Eighth of the Corporation's Restated Articles of Incorporation in the manner shown in Annex F. Section 1 of Article Eighth provides that the Board shall be composed of such number of directors as are established from time to time by the Board and approved by an absolute majority of directors; provided, however, that the total number of directors shall always be an odd number of not less than nine (9) nor more than twenty-five (25). The proposed Amendment to Article Eighth would eliminate the requirement that the total number of directors shall always be an odd number. This change would be effective upon the date of filing the Amendment to the Restated Articles with the Department of State in the Commonwealth of Puerto Rico.

The purpose of the odd number requirement for the total number of directors is to facilitate the determination of a majority of votes whenever a matter is reviewed and voted upon by the directors. The Board believes that this requirement is related to a procedural matter that should be properly addressed in the Corporation's By-Laws.

The resolution attached to this proxy as Annex F will be submitted for adoption at the Meeting. The affirmative vote of two-thirds of the holders of

Edgar Filing: POPULAR INC - Form PRE 14A

shares of Common Stock of the Corporation is necessary to adopt the proposed amendment. Abstentions and shares not voted by brokers and other entities holding shares on behalf of beneficial owners will have the same effect as votes cast against the proposed amendment. Abstentions and shares not voted by brokers and other entities holding shares on behalf of beneficial owners will have the same effect as votes cast against the proposed amendment. The Board has declared the desirability of the adoption of this amendment and recommends a vote FOR the resolution.

PROPOSAL 7: APPROVAL OF THE CORPORATION'S 2004 OMNIBUS INCENTIVE PLAN

On February 24, 2004, the Board of the Corporation formally adopted the new Popular, Inc. Omnibus Incentive Plan (the "Omnibus Plan"), subject to shareholder approval. The Omnibus Plan provides for equity-based compensation incentives through the grant of stock options, stock appreciation rights, restricted stock, restricted stock units and dividend equivalents, as well as cash and equity-based performance awards.

The Corporation currently has in effect the Popular, Inc. 2001 Stock Option Plan (the "2001 Plan"), which provides for the grant of stock options. In the event the Omnibus Plan is approved by the requisite vote of shareholders, no further awards will be made under the 2001 Plan, although outstanding awards under the 2001 Plan will continue in accordance with their terms.

OVERVIEW

The purpose of the Omnibus Plan is to provide flexibility to the Corporation and its affiliates to attract, retain and motivate their officers, executives and other key employees through the grant of awards and to adjust the Corporation's compensation practices to the best compensation practice and corporate governance trends as they develop from time to time. The Plan is further intended to help retain and align the interests of the nonemployee members of the Board of the Corporation and its affiliates with the Corporation's shareholders. Awards under the Omnibus Plan (each, an "Award") are intended to be based upon the recipient's individual performance, level of responsibility and potential to make significant contributions to the Corporation. Generally, the Omnibus Plan will terminate as of (a) the date when no more shares of Common Stock are available for issuance under the Omnibus Plan, or, if earlier, (b) the date the Omnibus Plan is terminated by the Board.

ADMINISTRATION

The Compensation Committee of the Board, or such other committee as the Board may designate (the "Committee"), shall administer the Omnibus Plan. The Committee shall consist of two or more members, each of whom shall be a "nonemployee director" within the meaning of Rule 16b-3 under the Exchange Act, an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and an "independent director" under the NASDAQ's rules.

The Committee has full authority to interpret and administer the Omnibus Plan in order to carry out its provisions and purposes. The Committee has the authority to determine those persons eligible to receive Awards and to establish the terms and conditions of any Awards. The Committee may delegate, subject to such terms or conditions or guidelines as it shall determine, to any employee or group of employees any portion of its authority and powers with respect to Awards to officers of the Corporation or any subsidiary who are not subject to the reporting requirements under Section 16(a) of the Exchange Act

Edgar Filing: POPULAR INC - Form PRE 14A

("Executive Officers"). Only the Committee or the Board of Directors may exercise authority in respect of Awards granted to Executive Officers.

The Committee may condition the grant of any Award on entering into a written agreement containing covenants not to compete, not to solicit the Corporation's employees and customers and not to disclose confidential information.

ELIGIBILITY

Awards may be made to any individual who is an employee (including each officer) of the Corporation or any affiliate and to any nonemployee director of the Corporation or an affiliate.

TYPES OF AWARDS

The Omnibus Plan provides for grants of incentive stock options ("ISOs") qualifying for special tax treatment under Code Section 422, qualified stock options ("QSOs") qualifying for special tax treatment under Section 1046 of the Puerto Rico Internal Revenue Code of 1994, as amended (the "Puerto Rico Code"), nonstatutory stock options ("Nonstatutory Options," and together with ISOs and QSOs, "Options"), stock appreciation rights ("SARs"), restricted stock units ("Restricted Units"), restricted stock ("Restricted Stock"), dividend equivalents ("Dividend Equivalents"), long-term performance units ("Long-Term Performance Units"), performance shares ("Performance Shares") and annual incentive awards ("Annual Incentive Awards"), whether granted singly, in combination or in tandem, pursuant to which Common Stock or cash may be delivered to the Award recipient.

SHARES SUBJECT TO THE PLAN; OTHER LIMITATIONS OF AWARDS

The maximum number of shares of Common Stock issuable under the Omnibus Plan shall be 5,000,000. To the extent that any shares of Common Stock subject to an Award are not issued because the Award expires without having been exercised, is cancelled, terminated, forfeited or is settled without issuance of Common Stock (including, but not limited to, shares tendered to exercise outstanding Options, shares tendered or withheld for taxes on Awards or shares issued in connection with a Restricted Stock or Restricted Unit Award that are subsequently forfeited), such shares will be available again for grants of Awards under the Omnibus Plan. The

24

shares to be delivered under the Omnibus Plan may consist, in whole or in part, of Common Stock purchased by the Company for the purpose of such Awards, treasury Common Stock or authorized but unissued Common Stock not reserved for any other purpose.

The Omnibus Plan has limits that apply to individual and aggregate awards, designed in part to comply with the requirements of Code Section 162(m) governing the deductibility of compensation paid to executive officers of a publicly-traded company. In order to satisfy these requirements, shareholders must approve any "performance-based plan," that sets maximum limits on the amount of any award granted to a particular executive. For all participants who are "covered employees" within the meaning of Code Section 162(m) and are eligible to receive Annual Incentive Awards under this Plan (the "Covered Employees"), the maximum amount of such Annual Incentive Awards that may be paid or made available to any such individuals in any year may not exceed one-half of one percent (0.5%) of Adjusted Net Income ("Covered Employees Annual Incentive Award Pool"). For purposes of the Omnibus Plan, "Adjusted Net Income" means the

Edgar Filing: POPULAR INC - Form PRE 14A

Corporation's net income applicable to common stockholders as it appears on the income statement of the Corporation prepared in accordance with generally accepted accounting principles, excluding the effects of (i) extraordinary, unusual and/or non-recurring items of gain or loss, including but not limited to, restructuring or restructuring-related charges, (ii) gains or losses on the disposition of a business, (iii) changes in tax or accounting regulations or laws, (iv) the effect of a merger or acquisition, all of which are identified in the Corporation's audited financial statements or the Corporation's annual report to stockholders, or (v) those other items determined by the Committee.

OPTIONS

Options entitle the recipient to purchase shares of Common Stock at the exercise price specified by the Committee in the recipient's Option agreement. The Omnibus Plan permits the grant of both ISOs, QSOs and Nonstatutory Options. The Committee will generally determine the terms and conditions of all Options granted; provided, however, that, generally, Options must be granted with an exercise price at least equal to the fair market value of a share of Common Stock on the date of grant, Options shall not be exercisable for more than 10 years after the date of grant (except in the event of death) and no Option that is intended to be an ISO or a QSO may be granted after the tenth anniversary of the date the Omnibus Plan was approved by the Board. Options will become exercisable as determined by the Committee at the time of grant, and the Committee may establish performance-based criteria for the exercisability of any Option. For purposes of the Omnibus Plan, "fair market value" generally means, on any given date, the price of the last trade in the Common Stock on such date on the Nasdaq National Market (or if not listed on the Nasdaq National Market, on such other recognized quotation system on which trading prices of the Common Stock are then quoted). If there are no trades on the relevant date, the "fair market value" for that date means the closing price on the immediately preceding date on which Common Stock transactions were reported.

The Committee does not have the power or authority to reduce the exercise price of any outstanding option or to grant any new Options in substitution for or upon the cancellation of Options previously granted.

STOCK APPRECIATION RIGHTS (SARs)

A SAR is a contractual right granted to the participant to receive, either in cash or Common Stock, an amount equal to the appreciation of one share of Common Stock from the date of grant. SARs may be granted as freestanding Awards, or in tandem with other types of grants. Unless the Committee otherwise determines, the terms and conditions applicable to (i) SARs granted in tandem with Options will be substantially identical to the terms and conditions applicable to the tandem Options, and (ii) freestanding SARs will be substantially identical to the terms and conditions that would have been applicable were the grant of the SARs a grant of Options. SARs that are granted in tandem with an Option may only be exercised upon surrender of the right to exercise such Option for an equivalent number of shares. The Committee may cap any SAR payable in cash.

RESTRICTED STOCK, RESTRICTED UNITS AND DIVIDEND EQUIVALENTS

The Omnibus Plan provides for the grant of Restricted Stock, Restricted Units and Dividend Equivalents, which are converted to shares of Common Stock upon the lapse of restrictions. The Committee may, in its discretion, pay the value of Restricted Units and Dividend Equivalents in Common Stock, cash or a combination of both.

A share of Restricted Stock is a share of Common Stock that is subject to certain transfer restrictions and forfeiture provisions for a period of time as specified by the Committee in the recipient's Award agreement. A Restricted

Edgar Filing: POPULAR INC - Form PRE 14A

Unit is an unfunded, unsecured right (which is subject to forfeiture and transfer restrictions) to receive a share of Common Stock at the end of a period of time specified by the Committee in the recipient's Award agreement. A Dividend Equivalent represents an unfunded and unsecured promise to pay an amount equal to all or any portion of the regular cash dividends that would be paid on a specified number of shares of Common Stock if such shares were owned by the Award recipient. Dividend Equivalents may be granted in connection with a grant of Restricted Units, Options and/or SARs.

The restrictions on Restricted Stock and Restricted Units will lapse on such date as is determined by the Committee at the date of grant.

25

Generally, a participant will, subject to any restrictions and conditions specified by the Committee, have all the rights of a shareholder with respect to shares of Restricted Stock, including but not limited to, the right to vote and the right to receive dividends. A participant will not have the rights of a shareholder with respect to Restricted Units or Dividend Equivalents.

ANNUAL INCENTIVE AWARDS

At the direction of the Committee, Awards with a performance cycle of one year or less may be made to participants and, unless determined otherwise by the Committee, shall be paid in cash based on achievement of specified performance goals.

LONG-TERM PERFORMANCE UNIT AWARDS

At the discretion of the Committee, Long-Term Performance Unit Awards, payable in cash, may be made to participants. Performance cycles are generally multiple years, where performance may be measured by objective criteria other than the appreciation or depreciation of Common Stock value.

PERFORMANCE SHARES

The Committee also has the discretion to grant "Performance Share Awards," which are Awards of units denominated in Common Stock. The number of such units is determined over the performance period based on the satisfaction of performance goals relating to the Common Stock price. Performance Share Awards are payable in Common Stock.

TREATMENT OF AWARDS ON TERMINATION OF EMPLOYMENT OR SERVICE AS A NONEMPLOYEE DIRECTOR

Under the Omnibus Plan, generally, unless the Committee determines otherwise as of the date of a grant of any Award or thereafter, Awards are treated as follows upon a participant's termination of employment or service as a nonemployee director.

Resignation. If a participant voluntarily terminates employment from the Company or any subsidiary:

- Options/SARs (including associated Dividend Equivalents): All outstanding Options, SARs and associated Dividend Equivalents granted but not yet exercised by the participant are forfeited as of the date of such resignation, and are not thereafter exercisable or payable, unless otherwise determined by the Committee;

Edgar Filing: POPULAR INC - Form PRE 14A

- Restricted Stock/Restricted Units (including associated Dividend Equivalents): All Restricted Stock, Restricted Units and associated Dividend Equivalents credited to such participant are forfeited, unless otherwise determined by the Committee;
- Annual Incentive Awards: If such termination occurs before authorization of the payment of an Annual Incentive Award, the participant forfeits all rights to such amounts, unless otherwise determined by the Committee; and
- Long-Term Performance Unit Awards/Performance Share Awards: All Long-Term Performance Unit Awards and Performance Share Awards credited to such participant are forfeited, unless otherwise determined by the Committee.

Termination for Cause. If a participant's employment is terminated for "cause":

- Options/SARs (including associated Dividend Equivalents): Outstanding Options, SARs and associated Dividend Equivalents are forfeited at the time of such termination, and the Committee may require that the participant disgorge any profit, gain or benefit from any Award exercised up to 12 months prior to the participant's termination;
- Restricted Stock/Restricted Units (including associated Dividend Equivalents): All such Awards are forfeited at the time of such termination, and the Committee may require that the participant disgorge any profit, gain or benefit from any such Award where the restrictions had lapsed up to 12 months prior to the participant's termination;
- Annual Incentive Awards: All rights to an Annual Incentive Award are forfeited; and
- Long-Term Performance Unit Awards/Performance Share Awards: Any outstanding Long-Term Performance Units or Performance Share Awards are forfeited, and the Committee may require that the participant disgorge any profit, gain or benefit from any Award paid to such participant up to 12 months prior to the participant's termination.

For purposes of the Omnibus Plan, "cause" includes dishonesty, fraud or misrepresentation; inability to obtain or retain appropriate licenses; violation of any rule or regulation of any regulatory or self-regulatory agency or of any policy of the Corporation or any affiliate; commission of a crime; breach of a written covenant or agreement not to misuse property or information; or any act or omission detrimental to the conduct of the Corporation's or any affiliate's business in any way.

26

Approved Retirement. If a participant's employment terminates by reason of "Approved Retirement":

- Options/SARs (including associated Dividend Equivalents): All outstanding Options, SARs and associated Dividend Equivalents shall become immediately exercisable in full and may be exercised by the participant at any time prior to the

Edgar Filing: POPULAR INC - Form PRE 14A

expiration of the term of the Options or within five years (or such shorter period as determined by the Committee at the time of grant) following the participant's Approved Retirement, whichever period is shorter;

- Restricted Stock/Restricted Units (including associated Dividend Equivalents): Any restrictions will lapse as to outstanding Restricted Stock and Restricted Units and associated Dividend Equivalents would be paid;
- Annual Incentive Awards: Such participant will receive a prorated Annual Incentive Award based on actual achievement of the performance goals for such performance cycle; and
- Long-Term Performance Unit Awards/Performance Share Awards: Such participant will receive a prorated Award payment of such participant's Long-Term Performance Unit Awards and Performance Share Awards based on actual achievement of the performance goals for such performance cycle.

For purposes of the Omnibus Plan, "Approved Retirement" generally means termination of a participant's employment, other than for "cause": (i) on or after the normal retirement date or any early retirement date established under any defined benefit pension plan maintained by the Corporation or an affiliate and in which the participant participates, or (ii) on or after attaining age 55 and completing such period of service as the Committee shall determine from time to time, when the participant does not participate in any such defined benefit pension plan maintained by the Corporation or an affiliate.

Termination of Service as a Nonemployee Director. If a participant who is a nonemployee director terminates his or her service as a director of the Company or any subsidiary for reasons other than for "cause":

- Options/SARs (including associated Dividend Equivalents): All outstanding Options, SARs and associated Dividend Equivalents shall become immediately exercisable in full and may be exercised by the participant at any time prior to the expiration of the term of the Options; and
- Restricted Stock/Restricted Units (including associated Dividend Equivalents): Any restrictions will lapse as to outstanding Restricted Stock and Restricted Units and associated Dividend Equivalents would be paid.

Death or Disability. The Omnibus Plan also has default provisions for the treatment of Awards following termination of a participant's employment due to death or disability.

Termination for Other Reasons. If a participant's employment terminates for any reason other than resignation, termination for cause, approved retirement, death or disability, outstanding Awards are treated in the same manner as in the case of a resignation except that Options/SARs and associated Dividend Equivalents that are exercisable on the date of such termination may be exercised at any time prior to the expiration date of the term of the Options or the 90th day following termination of employment, whichever period is shorter; and, in the case of Long-Term Performance Unit Awards/Performance Share Awards, a prorated payment of the participant's Long-Term Performance Unit Award and Performance Share Award will be made as if the target performance goals for the performance cycle had been achieved.

NON-TRANSFERABILITY OF AWARDS

Edgar Filing: POPULAR INC - Form PRE 14A

Generally, no Awards granted under the Omnibus Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

ADJUSTMENT IN CAPITALIZATION

If an "adjustment event" occurs, the Committee, in its discretion, shall adjust appropriately (a) the aggregate number of shares of Common Stock available for Awards, (b) the aggregate limitations on the number of shares that may be awarded as a particular type of Award or that may be awarded to any particular participant in any particular period, and (c) the aggregate number of shares subject to outstanding Awards and the respective exercise prices or base prices applicable to outstanding Awards. To the extent deemed equitable and appropriate by the Committee, and subject to any required action by the Corporation's shareholders, with respect to any "adjustment event" that is a merger, consolidation, reorganization, liquidation, dissolution or similar transaction, any Award granted under the Omnibus Plan shall be deemed to pertain to the securities and other property, including cash, which a holder of the number of shares of Common Stock covered by the Award would have been entitled to receive in connection with such an "adjustment event." For purposes of the Omnibus Plan, "adjustment event" means any stock dividend, stock split or share combination of, or extraordinary cash dividend on, the Common Stock or recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, dissolution, liquidation, exchange of shares,

27

warrants or rights offering to purchase Common Stock at a price substantially below fair market value, or other similar event affecting the Common Stock. Any shares of stock or cash or other property received with respect to any Restricted Stock Award or Restricted Unit Award as a result of any adjustment event or any distribution of property shall (except in the case of a change of control or as otherwise provided by the Committee) be subject to the same terms, conditions and restrictions as are applicable to such shares of Restricted Stock or Restricted Units.

CHANGE OF CONTROL

Upon the occurrence of a change of control of the Corporation, each outstanding Option and SAR shall become fully exercisable and all restrictions on outstanding Restricted Stock and Restricted Units shall lapse. In addition, any Long-Term Performance Unit Awards and Performance Share Awards outstanding will be paid in full at target. Such payments shall be made within 30 days of the change of control, and the participants may opt to receive such payments in cash. The Committee may, in its discretion, provide for cancellation of each Option, SAR, Restricted Stock and Restricted Stock Unit in exchange for a cash payment per share based upon the change of control price. This change of control price is the highest share price offered in conjunction with any transaction resulting in a change of control (or, if there is no such price, the highest trading price during the 30 days preceding the change of control event). Notwithstanding the forgoing, no acceleration of vesting or exercisability, cancellation, cash payment or other settlement shall occur with respect to any Option, SAR, Restricted Stock, Restricted Unit, Long-Term Performance Unit Award or Performance Share Award if the Committee reasonably determines in good faith prior to the change of control that such Awards will be honored or assumed or equitable replacement awards will be made by a successor employer immediately following the change of control and that such Awards will vest and payments will be made if a participant is involuntarily terminated without cause.

For purposes of the Omnibus Plan, "change of control" shall be deemed

Edgar Filing: POPULAR INC - Form PRE 14A

to have occurred if: (i) any "person" (within the meaning of Section 3(a)(9) of the Exchange Act) other than by the Corporation, its subsidiaries or any employee benefit plan of the Corporation or its subsidiaries acquires direct or indirect ownership of 50% or more of the combined voting power of the then outstanding securities of the Corporation as a result of a tender or exchange offer, open market purchases, privately negotiated purchases or otherwise; or (ii) the shareholders of the Corporation approve (A) any consolidation or merger of the Corporation in which the Corporation is not the surviving corporation (other than a merger of the Corporation in which the holders of Common Stock immediately prior to the merger have the same or substantially the same proportionate ownership of the surviving corporation immediately after the merger), or (B) any sale, lease, exchange or other transfer (in one transaction or a series of related transactions) of all, or substantially all, of the assets of the Corporation to an entity which is not a wholly-owned subsidiary of the Corporation.

AMENDMENT

The Board may, at any time amend, modify, suspend or terminate the Omnibus Plan, in whole or in part, without notice to or the consent of any participant or employee; provided, however, that any amendment which would (i) increase the number of shares available for issuance under the Omnibus Plan, (ii) lower the minimum exercise price at which an Option (or the base price at which a SAR may be granted), (iii) change the individual Award limits or (iv) require shareholder approval under NASDAQ rules, shall be subject to the approval of the Corporation's shareholders. No amendment, modification or termination of the Omnibus Plan may in any manner adversely affect any Award theretofore granted under the Omnibus Plan, without the consent of the participant. However, for purposes of this provision, any payments made in accordance with the change of control provision described above, other accelerations of payments under the Plan, or any decision by the Committee to limit participation or other features of the Plan prospectively will not be deemed, an "adverse amendment" of the Omnibus Plan.

NO LIMITATION ON COMPENSATION; SCOPE OF LIABILITIES

Nothing in the Omnibus Plan limits the right of the Corporation to establish other plans if and to the extent permitted by applicable law. The liability of the Corporation, its subsidiaries and affiliates under the Omnibus Plan is limited to the obligations expressly set forth in the Plan.

TAX IMPLICATIONS FOR CERTAIN AWARDS

The following is a brief description of the Puerto Rico and U.S. federal income tax consequences generally arising with respect to the grant of Options and SARs under the Omnibus Plan.

Puerto Rico Code. A recipient of a QSO does not recognize income at the time of the grant of an option. In addition, no income is recognized at the time a QSO is exercised. On a subsequent sale or exchange of the shares acquired pursuant to the exercise of a QSO, the optionee may have taxable long-term or short-term capital gain or loss, depending on whether the shares were held for more than six months, measured by the difference between the amount realized on the disposition of such shares on his or her tax basis in such shares. Tax basis will, in general, be the amount paid for the shares. The Corporation will not be entitled to a business expense deduction in respect of the grant of the option, the exercise thereof or the disposition of the shares.

With respect to a Nonstatutory Option, a recipient of a

Edgar Filing: POPULAR INC - Form PRE 14A

Nonstatutory Option does not recognize income at the time of grant of the Nonstatutory Option. The difference between the fair market value of the shares of stock on the date of exercise and the stock option exercise price generally will be treated as compensation income upon exercise, and the Corporation will be entitled to a deduction in the amount of income so recognized by the optionee. Upon a subsequent disposition of the shares, the difference between the amount received by the optionee and the fair market value of the shares of stock on the option exercise date will be treated as long or short-term capital gain or loss, depending on whether the shares were held for more than six months.

SARs will not result in taxable income to the recipient or a tax deduction for the Corporation at the time of grant. The exercise of SARs will generally result in compensation in the amount of the cash payment taxable as ordinary income to the employee. The Corporation may generally claim a tax deduction in the amount of any cash paid.

Federal Tax Consequences. The Corporation and most of its operating subsidiaries are organized under the laws of the Commonwealth of Puerto Rico and, at the present time, most of them are not directly engaged in any trade or business in the United States (the "Non-U.S. Taxpayers"). Accordingly, the Non-U.S. Taxpayers are subject generally to a flat 30% federal income tax on their fixed or determinable, annual or periodic income, if any, from sources within the United States. The Non-U.S. Taxpayers would only be entitled to claim deductions in computing their U.S. income tax liability to the extent such deductions were directly related to any income effectively connected with the conduct of a trade or business in the United States. Because the Non-U.S. Taxpayers are not engaged in the conduct of a trade or business in the United States, the limitations imposed by Section 162(m) of the Code for compensation to certain highly paid executives should not limit the tax deductions available to the Non-U.S. Taxpayers under the Omnibus Plan.

The Corporation's subsidiaries organized under the laws of the United States or a state of the United States and some of the Corporation's subsidiaries organized under the laws of the Commonwealth of Puerto Rico that are engaged in trade or business in the United States (the "U.S. Taxpayers") generally will be entitled to a tax deduction equal to the amount recognized as ordinary income by the recipient in connection with the exercise of a Nonstatutory Option or SAR. The U.S. Taxpayers generally are not entitled to a tax deduction with respect to any amount that represents a capital gain to a recipient or that represents compensation in excess of \$1 million paid to "covered employees" that is not "qualified performance based compensation" under Section 162(m) of the Code. Accordingly, the U.S. Taxpayers will not be entitled to any tax deduction with respect to an ISO if the recipient holds the shares for the ISO holding periods prior to dispositions of the shares and may not be entitled to any deduction with respect to certain Options or SARs that may be exercised by or granted to "covered employees."

For purposes of the discussion below, some of the QSOs granted under the Omnibus Plan may also be treated as ISOs for purposes of Sections 421 and 422 of the Code.

Residents of Puerto Rico, Recipients of Options or SARs who are residents of Puerto Rico during the entire taxable year and perform services for the Corporation or its subsidiaries in Puerto Rico, will not have any gross income for federal income tax purposes either in respect of (1) the grant or the exercise of Options or (2) the grant of, or the receipt of cash payments upon exercise of, SARs.

Non-Residents of Puerto Rico and Residents of Puerto Rico who Perform

Edgar Filing: POPULAR INC - Form PRE 14A

Services Outside Puerto Rico. In general, an optionee who is a non-resident of Puerto Rico or a resident of Puerto Rico who performs services outside Puerto Rico, will not recognize taxable income upon grant or exercise of an ISO and the Corporation and its subsidiaries will not be entitled to any business expense deduction with respect to the grant or exercise of an ISO. However, upon the exercise of an ISO, the excess of the fair market value on the date of exercise of the shares received over the exercise price of the shares will be treated as an adjustment to alternative minimum taxable income. In order for the exercise of an ISO to qualify for the foregoing tax treatment, the optionee generally must be an employee of the Corporation or its subsidiaries (within the meaning of Section 422 of the Code) from the date the ISO is granted through the date three months before the date of exercise.

If the optionee has held the shares acquired upon exercise of an ISO for at least two years after the date of grant and for at least one year after the date of exercise, upon disposition of the shares by the optionee, the difference, if any, between the sales price of the shares and the exercise price of the Option will be treated as long-term capital gain or loss. If the optionee does not satisfy these holding period requirements, the optionee will recognize ordinary income at the time of the disposition of the shares, generally in an amount equal to excess of the fair market value of the shares at the time the Option was exercised over the exercise price of the Option. The balance of the gain realized, if any, will be long-term or short-term capital gain, depending upon whether or not the shares were sold more than one year after the Option was exercised. If the optionee sells the shares prior to the satisfaction of the holding period requirements but at a price below the fair market value of the shares at the time the Option was exercised, the amount of ordinary income will be limited to the amount realized on the sale over the exercise price of the Option. Subject to (1) any limitations imposed by Section 162(m) of the Code for federal income tax purposes, (2) the

29

employee including such compensation in income and (3) certain reporting requirements, the Corporation and its subsidiaries will be allowed a business expense deduction to the extent the optionee recognized ordinary income. Upon any subsequent sale of the shares, the optionee will have taxable gain or loss, measured by the difference between the amount realized on the disposition and the tax basis of the shares (generally, the amount paid for the shares plus the amount treated as ordinary income at the time the Option was exercised).

In general, an optionee who is a non-resident of Puerto Rico or a resident of Puerto Rico who performs services outside of Puerto Rico, to whom a Nonstatutory Option is granted will recognize no income at the time of the grant of the Option. Upon exercise of a Nonstatutory Option, an optionee will recognize ordinary income in an amount equal to the excess of the fair market value of the shares on the date of exercise over the exercise price of the Option (or, if the optionee is subject to restrictions imposed by Section 16(b) of the Securities Exchange Act of 1934, upon the lapse of those restrictions, unless the optionee makes a special election within 30 days after exercise to have income determined without regard to the restrictions). Subject to (1) any limitations imposed Section 162(m) of the Code for federal income tax purposes, (2) the employee including such compensation in income and (3) certain reporting requirements, the Corporation will be entitled to a tax deduction in the same amount. Upon a subsequent sale of the shares, the optionee will have taxable gain or loss, measured by the difference between the amount realized on the disposition and the tax basis of the shares (generally, the amount paid for the shares plus the amount treated as ordinary income at the time the Option was exercised).

Upon exercise of a SAR, an optionee who is a non-resident of Puerto

Rico or a resident of Puerto Rico who performs services outside Puerto Rico will recognize ordinary income in an amount equal to the cash received on the exercise date. If it complies with applicable withholding requirements, the Corporation and its subsidiaries will be entitled to a business expense deduction in the same amount and at the same time as the optionee recognizes ordinary income.

Under the Omnibus Plan, upon the occurrence of certain "change in control" transactions involving the Corporation, all options then outstanding under the Omnibus Plan become immediately exercisable. Under certain circumstances, compensation payments attributable to such Options may be treated as "parachute payments" under the Code, in which case a portion of such payments may be nondeductible to the Corporation for federal income tax purposes and the recipient may be subject to a 20% excise tax under the Code.

OTHER INFORMATION

On February 24, 2004, the closing price of the Common Stock was \$44.90.

The full text of the Omnibus Plan is included as Annex G to this Proxy Statement.

The Board recommends that shareholders vote FOR the approval of the Omnibus Plan.

EXECUTIVE COMPENSATION PROGRAM

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

OVERVIEW

The Compensation Committee shall consist of at least three members of the Board, each of whom the Board has determined has no material relationship with the Corporation and each of whom is otherwise "independent" under the NASDAQ's rule. The Compensation Committee endeavors to keep abreast of competitive compensation practices with regard to salaries, incentive compensation and supplemental programs in order to assist the Corporation in attracting and retaining the most qualified executive officers whose contributions and experience help the Corporation sustain growth, thereby enhancing shareholders' value. They also oversee the general human resources and compensation practices of the Corporation.

The Compensation Committee evaluates and recommends to the Board the Corporation's compensation policy for the Chairman of the Board, President and CEO and the Executive Officers. They consider, among other factors, competitive pay practices for developing a stronger relationship between executive compensation and the Bank's long-term performance. The executive compensation program for principal officers of the Corporation's subsidiaries is set according to the industry and geographical area in which each operates and is approved by the Board of each respective subsidiary.

30

CHAIRMAN OF THE BOARD, PRESIDENT AND CEO

COMPENSATION FOR THE CEO

On an annual basis, Mr. Carrion submits to the Compensation Committee a plan setting forth both quantitative and qualitative goals for the fiscal year,

Edgar Filing: POPULAR INC - Form PRE 14A

and objectives for the medium and long-term. In evaluating and setting compensation, the Compensation Committee considers the Corporation's performance with respect to the goals set forth in the plan. Therefore, the Compensation Committee evaluates Mr. Carrion's performance by taking into consideration the growth of the organization, implementation of a diversification strategy, achievement of financial goals, improvements to the product and service delivery system and development of human resources. The weight and significance accorded to these factors is subjective in nature.

For the past four years Mr. Richard L. Carrion's compensation package has been below the levels at comparable banking organizations for their chief executive officers. This reflects his decision to permanently defer increases in salaries, including corresponding short and long-term incentives, during the three (3) year period that the Corporation was under the Written Agreement with the Federal Reserve Bank of New York and the one (1) year period under the Deferred Prosecution Agreement with the Department of Justice, the Federal Reserve Bank of New York and the Treasury Department's Financial Crime Enforcement Network. The Written Agreement was terminated on January 16, 2003 and the Deferred Prosecution Agreement was dismissed on January 16, 2004. The Corporation has met all the standards and parameters set forth in them. Accordingly, as proposed by the Compensation Committee and accepted by Mr. Carrion, Mr. Carrion's compensation has been revised effective February 2004.

Effective February 2004, Mr. Carrion's salary was raised to \$800,000. He will participate in a short term incentive plan with a target of 200% of salary, half in cash and half in equity of the Corporation, if all objectives are met. In addition, he will participate in a long-term incentive plan also paid in equity of the Corporation. This long-term plan provides for a target of 100% of salary to be deferred until retirement. These incentive plans will link the CEO's pay very closely to the Corporation's performance and with the stockholder's long-term interests. Mr. Carrion already holds an important ownership in the Corporation, as indicated in the Beneficial Ownership Section of this Proxy Statement. The Board believes that after these changes Mr. Carrion's compensation more clearly approximates peer executives.

The Board has made it a requirement, for security reasons, that Mr. Carrion uses the corporate aircraft even when traveling on personal business. For 2003, Mr. Carrion reimbursed the Corporation the amount of \$54,341.31 for his personal use of the corporate aircraft. The amount reimbursed to the Corporation was valued on the basis of incremental cost to the Corporation using the IRS formula (Reg. 1.61-21(g)) that is based on the Standard Industry Fare Level (SIFL) flight mileage rates, a terminal charge and the weight of the aircraft.

The CEO's responsibilities require frequent travel to New York. For this purpose the Corporation has had an apartment since 1987 that the CEO uses primarily for business related trips. The cost of the apartment to the Corporation represents approximately \$36,000 per year. Except for special security arrangements, Mr. Carrion's other benefits are comparable to the regular benefits available to all of the Corporation's Senior Executive Officers.

COMPENSATION OF EXECUTIVE OFFICERS

The group of Executive Officers is composed of two Senior Executive Vice Presidents and eight Executive Vice Presidents of the Corporation (the "Executive Officers") all of whom participate in an Annual and Long-Term Incentive Plan. The President and CEO recommends the salary increases and the bonuses to be awarded to the Executive Officers pursuant to the incentive plans.

The Executive Officers participate in an annual incentive program based on financial results of the Corporation, individual business results, service

Edgar Filing: POPULAR INC - Form PRE 14A

quality and individual performance. The Plan is designed to encourage the achievement of short-term financial goals and to increase shareholder value. The first incentive component is a cash bonus. The second component is a deferred long-term incentive awarded in stock options of the Corporation.

STOCK OPTION PLAN

The 2001 Option Plan is intended to provide the Corporation and its subsidiaries with an effective means to attract and retain highly qualified personnel as well as to provide additional incentive to employees and directors who provide services to the Corporation and its subsidiaries.

Any employee or director of the Corporation or of any of its subsidiaries is eligible to participate in the 2001 Option Plan. The selection of individuals eligible to participate is within the discretion of the Board of Directors, or the Compensation Committee.

The 2001 Option Plan provides for the grant of stock options that are intended to qualify as "qualified stock options" ("QSOs") under Section 1046 of the Puerto Rico Internal Revenue Code of 1994, as amended (the "Puerto Rico Code"), as "incentive stock options" ("ISOs") under Section 422 of the Internal Revenue Code of 1986, as amended (the "Code") or "non-statutory stock options" ("NSOs"). At the time of the original grant of NSOs, the Board of Directors or the Committee, may also authorize the grant of reload options, which shall be NSOs for such number of shares of common stock as were used by the Participant to pay the purchase price upon the exercise of previously granted

33

options, and the withholding taxes applicable to NSOs exercises, but are still subject to other terms set forth in the 2001 Option Plan.

The shares of common stock for which options may be granted may consist of either authorized but unissued shares of common stock or shares of common stock which have been issued and which shall have been heretofore or hereafter reacquired by the Corporation.

STOCK OPTION GRANT TABLE

The following table shows options grants to the covered executive based on 2003 performance. All 2003 stock option grants were made under the 2001 Option Plan. The value of the stock options depends upon a long-term increase in the market price of the Common Stock. A benefit is perceived only if the stock price does increase. Options vest in cumulative installments of 20% per year over a five-year period and remain exercisable until the 10th anniversary of the grant.

Option values on the grant dates were determined by using the Black-Scholes Option Valuation Model. The model assumes that future dividends increase at a rate equal to the historical compound average growth rate during the past six years, the stock price volatility, and the exercise of all options on the final day of their 10 year terms.

PROFIT SHARING PLAN OF THE BANK

All officers and regular monthly salaried employees of the Bank are active participants in the Bank's Profit Sharing Plan, as of the first day of the calendar month following the completion of three months of service.

Under this plan, the Board of Directors determines the Bank's annual contribution based on the profits of the Bank for the year. The amount allocated

Edgar Filing: POPULAR INC - Form PRE 14A

to each officer or employee is based on his or her earned salary for the year. The total amount contributed for the year 2003 was \$19,924,599. Of the total awarded 40% is deferred under the Profit Sharing Plan, 10% under the Savings & Stock Plan and the remainder 50% is paid in cash.

BENEFIT RESTORATION PLAN OF THE BANK

The Internal Revenue Service (IRS) set a limit of \$200,000 as the amount of compensation that may be considered in calculating future retirement payments from tax qualified retirement plans. This limit applies to the Bank's Retirement Plan and Profit Sharing.

The Board of Directors has adopted three "Benefit Restoration Plans" for those employees whose annual compensation is higher than the established limit. These plans will provide those benefits that cannot be accrued under the Bank's Retirement and Profit Sharing Plan, which are qualified plans under the Employee Retirement Income Security Act ("ERISA"). Benefits under the Benefit Restoration Plans shall be equal to the account balance that would be provided under the Profit Sharing Plan and to the benefits that would have been accrued under the Retirement Plan.

Therefore, the Benefit Restoration Plans do not offer credit for years of service not actually worked, preferential benefit formulas or accelerated vesting of pension benefits. The restoration benefits of employees who are residents of Puerto Rico are funded through two irrevocable trusts, while the restoration benefits of all other employees are unfunded.

RETIREMENT PLAN OF THE BANK

The Bank has a non-contributory, defined benefit Retirement Plan covering substantially all regular monthly employees. Monthly salaried employees are eligible to participate in the Plan following the completion of one year of service and attaining 21 years of age. Pension costs are funded in accordance with minimum funding standards under ERISA.

The basis for the Retirement Plan formula is total compensation, which includes Christmas bonus, incentives, overtime, differentials, profit sharing cash bonuses and any other compensation received by the employees. Benefits are paid on the basis of a straight life annuity plus supplemental death benefits and are not reduced for Social Security or other payments received by the participants.

35

Normal retirement age at the Bank is a combination of years of age and completed years of service totaling 75. Early retirement is at 55 years of age with 10 years of service. Employees with 30 years of service or more are provided with a retirement benefit of 40% of total compensation. Benefits are reduced only if the employees retire before age 55. Benefits are subject to the U.S. Internal Revenue Code limits on compensation and benefits.

The following table sets forth the estimated annual benefits that would become payable under the Retirement Plan and the Benefit Restoration Plan based upon certain assumptions as to total compensation levels and years of service.

The amounts shown in this table are not necessarily representative of amounts that may actually become payable under the plans. The amounts represent the benefits upon retirement on December 31, 2003, of a participant at age 65.

BANCO POPULAR DE PUERTO RICO SAVINGS AND STOCK PLAN

The Bank has adopted a Savings & Stock Plan covering employees of the Bank in Puerto Rico. All regular salaried employees of the Bank are eligible to participate in the Savings & Stock Plan following the completion of three months of service.

The Bank may contribute a discretionary amount based on the profits of the Bank for the year, which is allocated to each officer or employee based on his or her basic salary for the year, as determined by the Board. The Savings & Stock Plan allows employees to voluntarily elect to defer a predetermined percentage not to exceed 10% of their pre-tax total compensation. The Savings & Stock Plan also allows employees to voluntarily elect to contribute a predetermined percentage not to exceed 10% of their after-tax total cash compensation. Both contribution levels are subject to maximum contribution limits as determined by applicable laws. Employees will be fully vested after five years of service.

Edgar Filing: POPULAR INC - Form PRE 14A

The Bank will match 50% of the pre-tax amount contributed by the participant and invested in the Corporation's Common Stock, up to a maximum participant contribution determined by the Board each year. For the year 2003, the maximum participant's contribution subject to employer match was 2% of participant's annual base salary.

RETIREMENT PLAN OF BANCO POPULAR NORTH AMERICA

Banco Popular North America has a non-contributory, defined benefit Retirement Plan covering substantially all regular monthly employees. Monthly salaried employees are eligible to participate in the plan following the completion of one year of service and attaining 21 years of age. Pension costs are funded in accordance with minimum funding standards under ERISA.

The basis for the Retirement Plan formula are years of service and average final compensation. Benefits are paid on the basis of a single life annuity and are not reduced (offset) for Social Security or other payments received by the participants.

Normal retirement occurs when the participant reaches age 65 and has five years of credited service. Participants can enjoy actuarially adjusted early retirement benefits at age 55 with 10 years of service. This plan is qualified under section 401(a) of the Internal Revenue Code.

STOCK PLAN OF BANCO POPULAR NORTH AMERICA

Banco Popular North America has adopted a defined contribution plan ("401(k) Plan") covering all employees. All regular monthly salaried employees are eligible to participate in the 401(k) Plan following the completion of 30 days of service.

The 401(k) Plan also allows employees to voluntarily elect to defer a predetermined percentage not to exceed 10% of their pre-tax base compensation up to a maximum amount as determined by the applicable tax laws. Banco Popular North America will match 50% (100% if the participant elect to invest his (her) contribution in the Corporation's Common Stock) of the amount contributed by a participant up to a maximum of six percent (6%) of the participant's annual base salary.

COMPENSATION COMMITTEE CHARTER

PURPOSE OF COMMITTEE

The purpose of the Compensation Committee (the "Committee") of the Board of Directors (the "Board") of Popular, Inc. (the "Corporation") is to discharge the Board's responsibilities (subject to review by the full Board) relating to compensation of the Corporation's Chief Executive Officer and all other Executive Officers and to produce an annual report on executive compensation for inclusion in the Corporation's proxy statement, in accordance with the rules and regulations of the Securities and Exchange Commission (the "SEC").

The Committee may invite such members of management to its meetings as it may deem desirable or appropriate, consistent with the maintenance of the confidentiality of compensation discussions. To review and approve corporate goals and objectives relevant to the compensation of the CEO, evaluate the performance of the CEO in light of those goals and objectives, and set the CEO's compensation level based on this evaluation. In determining the long-term incentive component of CEO compensation, the Committee will consider, among other factors, the Corporation's performance relative to other major companies in the banking and financial services industries, as measured by standards such as net income and its growth over prior periods and shareholder return, the level of compensation paid to CEOs at comparable companies, the level of the CEO's individual contribution to the performance of the Corporation, the incentive awards given to the CEO in past years and the CEO's compensation as a percentage of the Corporation's net income.
3. To review and approve compensation programs applicable to the executive officers of the Corporation.
4. To make recommendations to the Board with respect to the Corporation's incentive compensation plans and equity-based plans, including the 2001 Stock Option Plan and the Profit Sharing, Annual Incentive, Long-Term Incentive and Benefit Restoration Plans, oversee the activities of the individuals and committees responsible for administering these plans, and discharge any responsibilities imposed on the Committee by any of these plans.

1. An annual Report of the Compensation Committee on Executive Compensation for inclusion in the Corporation's annual proxy statement in accordance with applicable SEC rules and regulations.
2. An annual performance evaluation of the Committee, which evaluation must compare the performance of the Committee with the requirements of this charter. The performance evaluation should also recommend to the Board any improvements to this charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee may be conducted in any manner that the Committee deems appropriate. The report to the Board may take the form of an oral report by the chair of the Committee or any other member of the Committee designated by the Committee to make this report.
3. A summary of the actions taken at each Committee meeting, which will be presented to the Board at the next Board meeting.

RESOURCES AND AUTHORITY OF THE COMMITTEE

The Committee will have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. In nominating candidates, the Committee will take into consideration such factors, as it

deems appropriate. These factors may include judgment, skill, diversity, experience with businesses and other organizations that the Committee deems relevant, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The Committee may consider candidates proposed by management, but is not required to do so.

The Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee of the Committee.

The Committee will produce and provide to the Board an annual performance evaluation of the Committee, which evaluation will compare the performance of the Committee with the requirements of this charter. The performance evaluation should also recommend to the Board any improvements to the Committee's charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee may be conducted in any manner that the Committee deems appropriate. The report to the Board may take the form of an oral report by the chair of the Committee or any other member of the Committee designated by the Committee to make this report.

The Committee will also produce a summary of the actions taken at each Committee meeting and will present the summary to the Board at the next Board meeting.

RESOURCES AND AUTHORITY OF THE COMMITTEE

The Committee will have the resources and authority appropriate to discharge its duties and responsibilities, including the authority to select, retain, terminate, and approve the fees and other retention terms of special counsel or other experts or consultants, as it deems appropriate, without seeking approval of the Board or management. With respect to consultants or search firms used to identify director candidates, this authority will be vested solely in the Committee.

CORPORATE GOVERNANCE GUIDELINES

I. INTRODUCTION

The Board of Directors of Popular, Inc. ("Popular"), acting on the

Edgar Filing: POPULAR INC - Form PRE 14A

recommendation of its Corporate Governance and Nominating Committee, has developed and adopted this set of corporate governance principles (the "Guidelines") to promote the functioning of the Board and its committees, to protect and enhance stockholder value and to set forth a common set of expectations as to how the Board, its various committees, individual directors and management should perform their functions. These Guidelines are designed with Popular's current business operations, ownership, capital structure and economic conditions in mind and will continue to evolve with changing circumstances.

II. ROLES OF BOARD AND MANAGEMENT

The roles of the Board and management are related, but distinct. Management proposes Popular's strategy to the Board for approval. Management also implements Popular's strategy in the day-to-day operation of its business, reporting regularly to the Board on significant events, issues and risks that may materially affect Popular's business or financial performance.

The Board's function is oversight. The Board oversees, directly or through committees, the performance of Popular's business and management. The Board reviews and approves Popular's business strategy and oversees management's implementation of that strategy.

III. BOARD COMPOSITION

The composition of the Board should balance the following goals:

- The size of the Board should facilitate substantive discussions of the whole Board in which each director can participate meaningfully;
- The composition of the Board should encompass a broad range of skills, expertise, industry knowledge, diversity of opinion and contacts relevant to Popular's business;
- A majority of the Board will consist of directors who the Board has determined have no material relationship with Popular and who are otherwise "independent" under the rules of The NASDAQ Stock Market, Inc.

IV. SELECTION OF CHAIRMAN OF THE BOARD AND CHIEF EXECUTIVE OFFICER

The Board should be free to select its Chairman and Popular's Chief Executive Officer in the manner it considers in the best interests of Popular at any given point in time. Therefore, the Board does not have a policy on whether the roles of Chairman and CEO should be separate or combined and, if they are to be separate, whether the Chairman should be selected from the non-executive directors or be an employee.

V. SELECTION OF DIRECTORS

- A. Nominations. The Board is responsible for selecting the nominees for election to Popular's Board of Directors by the stockholders. Popular's Corporate Governance and Nominating Committee is responsible for recommending to the Board a slate of directors or one or more nominees to fill vacancies occurring between annual meetings of stockholders.
- B. Criteria. The Board should, based on the recommendations of the Corporate Governance and Nominating Committee, select new

Edgar Filing: POPULAR INC - Form PRE 14A

nominees for the position of independent director considering the following criteria:

- Personal qualities and characteristics, accomplishments and reputation in the business community;
 - Current knowledge and contacts in the communities in which Popular does business and in Popular's industry or other industries relevant to Popular's business;
 - Ability and willingness to commit adequate time to Board and committee matters;
 - The fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of Popular; and
 - Diversity of viewpoints, background, experience and other demographics.
- C. Invitation. The invitation to join the Board should be extended by the Board via the Chairman of the Board and CEO of Popular, together with an independent director, when deemed appropriate.
- D. Orientation and Continuing Education. Management, working with the Board, will provide an orientation process for new directors, including background material on Popular, its business plan and its risk profile, and meetings with

43

senior management. Periodically, management will prepare additional educational sessions for all directors on matters relevant to Popular, its business plan and risk profile in accordance with applicable rules of The NASDAQ Stock Market, Inc.

VI. ELECTION TERM

The Board does not believe it should establish term limits.

VII. RETIREMENT OF DIRECTORS

A director who would attain age 72 at the time of the election or during the term to be served may not stand for re-election.

VIII. BOARD MEETINGS

The Board currently plans at least eight meetings, with further meetings to occur (or action to be taken by unanimous written consent) at the discretion of the Board. The meetings may consist of committee meetings and the Board meeting.

The agenda for each Board meeting will be distributed by the Office of the Corporate Secretary. Any director is free to offer agenda items for consideration by the Board. Management will seek to provide to all directors an agenda and appropriate materials approximately one week in advance of meetings,

Edgar Filing: POPULAR INC - Form PRE 14A

although the Board recognizes that this timing will not always be consistent with the timing of transactions and the operations of the business and that in certain cases it may not be practicable.

Materials presented to the Board or its committees should be as concise as possible, while still providing the desired information needed for the directors to make an informed judgment. As a general rule, presentations on specific subjects should be sent to the Board members in advance so that Board meeting time may be conserved and discussion time focused on questions that the Board has about the material. As the need arises, presentations may be made orally at meetings.

IX. EXECUTIVE SESSIONS

To ensure free and open discussion and communication among the independent directors, the independent directors will meet regularly in executive sessions, with no members of management present. These executive sessions should be held with sufficient regularity that no negative inference attaches to the calling of an executive session. The independent directors will designate the independent director who will preside at each executive sessions, and those designations should be rotated. There should be no lead director.

X. THE COMMITTEES OF THE BOARD

Popular will have at least the following committees: Audit Committee, Risk Management Committee, Compensation Committee and the Corporate Governance and Nominating Committee. Each of the Audit, Compensation and Corporate Governance and Nominating Committees must have a written charter in accordance with the rules of The NASDAQ Stock Market, Inc.

All directors, whether members of a committee or not, are invited to make suggestions to a committee chair for additions to the agenda of the chair's committee or to request that an item from a committee agenda be considered by the Board. The chair of each committee will give a periodic report of the committee's activities to the Board.

Each of the Corporate Governance and Nominating Committee, the Audit Committee and the Compensation Committee will be composed of at least three directors who the Board has determined have no material relationship with Popular and who are otherwise "independent" under the rules of The NASDAQ Stock Market, Inc., applicable law and SEC rules. The required qualifications for the members of each committee are specified in the committee's charter. A director may serve on more than one committee for which the director qualifies.

XI. BOARD RESPONSIBILITIES

- A. Strategy. The Board reviews and approves management's proposed strategy for Popular and monitors implementation of Popular's strategic plans on an ongoing basis.
- B. Operating Plans and Budgets. The Board oversees Popular's annual operating plans, reviews the annual budgets presented by management and monitors the implementation of the annual plans.
- C. Self-evaluation. The Board evaluates its own performance annually, as described below under "Evaluating Board Performance," based on the report and recommendations of its Corporate Governance and Nominating Committee.

Edgar Filing: POPULAR INC - Form PRE 14A

In connection with this evaluation, the Board should actively seek means of improving its performance. Each committee should also evaluate its performance annually.

- D. Management Succession. At least annually, the Board will review and concur in a management succession plan, developed by the CEO, to ensure that future selections are appropriately considered. The principal components of this plan, which the CEO will report at least annually to the Board, are (1) a proposed plan for emergency CEO succession, (2) a proposed plan for CEO succession in the ordinary course of business and (3) the CEO's plan for management succession for the other policy-making officers of Popular. The succession plan should include an assessment of the experience, performance, skills and planned career paths for possible candidates within the senior management team.
- E. Evaluating and Approving Salary for the CEO. The Board, acting through the Compensation Committee, evaluates the performance of the CEO and Popular against Popular's strategic and financial goals, and approves the compensation level of the CEO.
- F. Evaluating and Approving the Compensation of Management. The Board, acting through the Compensation Committee, evaluates and approves the proposals of the CEO for overall compensation policies applicable to executive officers.
- G. Board Compensation. The Board will conduct a review at least once every three years of the components and amount of Board compensation in relation to other similarly situated companies. As part of a director's total compensation and to create a direct linkage with corporate performance, the Board believes that a meaningful portion of a director's compensation should be provided and held in stock options or other equity-based compensation. Board compensation should be consistent with market practices but should not be set at a level that would call into question the Board's objectivity.
- H. Reviewing and Approving Significant Transactions. Board approval of a particular transaction may be appropriate because of several factors, including:
- Legal or regulatory requirements;
 - The materiality of the transaction to Popular's financial performance, risk profile or businesses;
 - The terms of the transaction;
 - Other factors, such as entry into a new business or a variation from Popular's strategic plan.

Whenever Board approval is not required, the CEO will review and approve those transactions or, where appropriate, delegate the review and approval of those transactions that implement Popular's strategic plan in the day-to-day operation of its business, reporting regularly to the Board or its committees on significant events, issues and risks that may materially affect Popular's financial performance or risk profile.

Edgar Filing: POPULAR INC - Form PRE 14A

XII. EXPECTATIONS OF DIRECTORS

The business and affairs of Popular are managed by or under the direction of the Board in accordance with all applicable laws. In performing their duties, the primary responsibility of the directors is to exercise their business judgment in the best interests of all stockholders of Popular. The Board has developed a number of specific expectations of directors to promote the discharge of this responsibility and the efficient conduct of the Board's business.

- A. Commitment and Attendance. The SEC requires disclosure of the failure of any director to attend 75% of the meetings of the Board and the committees on which the director serves. All directors should make every effort to attend meetings of the Board and meetings of committees of which they are members. Members may occasionally attend by telephone or videoconference to mitigate unavoidable scheduling conflicts.
- B. Participation in Meetings. Each director should be sufficiently familiar with the business of Popular, including its financial statements, capital structure, risks and the competition it faces, to facilitate active and effective participation in the deliberations of the Board and of each committee on which the director serves. Upon request, management will make appropriate personnel available to answer any questions a director may have about any aspect of Popular's business. Directors should also review the materials provided by management and advisors in advance of the meetings of the Board and its committees and should arrive prepared to discuss the issues presented. Directors are entitled to rely on the work of management and professional advisors as discussed below under "Reliance on Management and Outside Advice".
- C. Loyalty and Ethics. In their roles as directors, all directors owe their primary duty of loyalty to Popular and its stockholders. This duty of loyalty mandates that the best interests of Popular take precedence over any interests possessed by a director. To prevent inadvertent conflicts of interest or even the appearance of a conflict of interest, directors should disclose all other business relationships with Popular and should excuse themselves from

45

discussions and decisions affecting those relationships.

Popular intends to conduct its business in accordance with the highest legal and ethical standards and has adopted a Code of Business Conduct and Ethics (the "Code"). Certain portions of the Code deal with activities of directors, particularly with respect to transactions in the securities of Popular and potential conflicts of interest. Directors should be familiar with the Code and should consult with Popular's General Counsel in the event of any issues.

- D. Changes in Responsibility. Directors whose employment or other outside responsibilities change substantially from those held when they were elected to the Board should inform the Board, providing an opportunity to consider the desirability of their continued service on the Board.

Edgar Filing: POPULAR INC - Form PRE 14A

- E. Other Directorships. Popular values the experience directors bring from other boards on which they serve, but recognizes that those boards may also present demands on a director's time and availability and may present conflicts or legal issues. Directors who also serve as CEO's or in equivalent positions should not serve on more than two boards of public companies in addition to Popular, Inc.'s board, and other directors should not serve on more than four other boards of public companies in addition to the Popular Inc.'s Board. Current positions in excess of these limits may be maintained unless the Board determines that doing so would impair the director's service on the Popular Inc.'s board.
- F. Contact with Management. All directors are invited to contact the CEO at any time to discuss any aspect of Popular's business. Directors also have complete access to other members of management. The Board expects that there will be frequent opportunities for directors to meet with the CEO and other members of management in Board and committee meetings and in other formal or informal settings.
- Further, the Board encourages management to, from time to time, bring managers into Board meetings who: (a) can provide additional insight into the items being discussed because of personal involvement and substantial knowledge in those areas, and/or (b) are managers with future potential that the senior management believes should be given exposure to the Board.
- G. Contact with Other Constituencies. It is important that Popular speak to constituencies other than management and the Board with a single voice, and that management serve as the primary spokesperson. If a situation arises in which it seems necessary for an individual director to make or participate in communications to one of these constituencies, the director should consult with the CEO.
- H. Confidentiality. The proceedings and deliberations of the Board and its committees are strictly confidential. Each director has a fiduciary obligation to maintain the confidentiality of all information received in connection with his or her service as a director.
- I. Contact About Strategic Transactions. It is important for Popular to have the opportunity to evaluate and communicate in an orderly way with respect to any potential strategic transaction. Therefore, any director who is approached by a third party about such a transaction should refrain from discussing it and refer the contact promptly to the CEO.

XIII. EVALUATING BOARD PERFORMANCE

The Board, acting through the Corporate Governance and Nominating Committee, should conduct a self-evaluation at least annually to determine whether it is functioning effectively. The Corporate Governance and Nominating Committee should periodically consider the mix of skills and experience that directors bring to the Board to assess whether the Board has the necessary tools to perform its oversight function effectively.

Each committee of the Board should conduct a self-evaluation at least annually and report the results to the Board, acting through the Corporate Governance and Nominating Committee. Each committee's evaluation must compare the performance of the committee with the requirements of its written charter,

if any.

XIV. RELIANCE ON MANAGEMENT AND OUTSIDE ADVICE

In performing its functions, the Board is entitled to rely on the advice, reports and opinions of management, counsel, accountants, auditors and other expert advisors. The Board has the authority to retain and approve the fees and retention terms of its outside advisors.

46

RESOLVED, that Article Eighth of the Restated Articles of Incorporation of the Corporation be, and hereby is, amended in its entirety to read as follows:

EIGHT: (1) The Board shall be composed of such number of directors as are established from time to time by the Board of Directors and approved by an absolute majority of directors; provided, however, that the total number of directors shall always be not less than nine (9) nor more than twenty-five (25). The Board of Directors shall be divided into three classes as nearly equal in number as possible, with each class having at least three members and with the term of office of one class expiring each year. Each director shall serve for a term ending on the date of the third annual meeting of stockholders following the annual meeting at which such director was elected; provided, however, that each initial director in Class 1 shall hold office until the annual meeting of stockholders in 1991; each initial director in Class 2 shall hold office until the annual meeting of stockholders in 1992; and each initial director in Class 3

Edgar Filing: POPULAR INC - Form PRE 14A

Except as provided in this Article Eighth, a director shall be elected by the affirmative vote of a majority of the shares of the class of stock represented at the annual meeting of stockholders for which the director stands for election and entitled to elect such director.

(2) Any vacancies in the Board of Directors, by reason of an increase in the number of directors or otherwise, shall be filled solely by the Board of Directors, by majority vote of the directors then in office, though less than a quorum, but any such director so elected shall hold office only until the next succeeding annual meeting of stockholders. At such annual meeting, such director shall be elected and qualified in the class in which such director is assigned to hold office for the term or remainder of the term of such class. Directors shall continue in office until others are chosen and qualified in their stead. When the number of directors is changed, any newly created directorships or any decrease in directorships shall be so assigned among the classes by a majority of the directors then in office, though less than a quorum, so as to make all classes as nearly equal in number as possible. To the extent of any inequality within the limits of foregoing, the class of directorships shall be the class or classes then having the last date or the later dates for the expiration of its or their terms. No decrease in the number of directors shall shorten the term of any incumbent director.

(3) Any director may be removed from office as a director but only for cause by the affirmative vote of the holders of two-third (2/3) of the combined voting power of the then outstanding shares of stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

The Board of Directors may, by resolution passed by a majority of the whole board, designate one or more committees, each committee to consist of two or more of the directors of the Corporation, which to the extent provided in the resolution or in the by-laws of the Corporation, shall have and may exercise the powers of the Boards of Directors (other than the power to remove or elect officers) in the management of the business and affairs of the Corporation, and may authorize the seal of the Corporation to be affixed to all papers which may require it. Such committee or committees shall have such name or names as may be stated in the by-laws of the Corporation or as may be determined from time to time by resolution adopted by the Board of Directors.

The Board of Directors may from time to time, in the manner provided for in the by-laws of the Corporation, hold its regular or extraordinary meetings outside of Puerto Rico.

RESOLVED FURTHER, that the proper officers of the Corporation be, and hereby are, authorized and directed to take all actions, execute all instruments, and make all payments that are necessary or desirable, at their discretion, to make effective the foregoing amendment to the Restated Articles of Incorporation of the Corporation, including without limitation, filing a certificate of such amendment with the Secretary of State of the Commonwealth of Puerto Rico.

4.3 Newly Eligible Participants. The Committee shall be entitled to make such rules, determinations and adjustments, as it deems appropriate with respect to any Participant who becomes eligible to receive a performance-based Award after the commencement of a Performance Cycle.

4.4 Restrictive Covenants and Other Conditions. Without limiting the generality of the foregoing, the Committee may condition the grant of any Award under the Plan upon the Participant to whom such Award would be granted agreeing in writing to certain conditions in addition to the provisions regarding exercisability of the Award (such as restrictions on the ability to

Edgar Filing: POPULAR INC - Form PRE 14A

transfer the underlying shares of Common Stock) or covenants in favor of the Corporation and/or one or more Affiliates (including, without limitation, covenants not to compete, not to solicit employees and customers and not to disclose confidential information) that may have effect during or following the termination of the Participant's employment with the Corporation and its Affiliates and before or after the Award has been exercised, including, without limitation, the requirement that the Participant disgorge any profit, gain or other benefit received in respect of the exercise of the Award prior to any breach of any such covenant by the Participant.

4.5 Performance Based Compensation Interpretations; Limitations on Discretion. Notwithstanding anything

60

contained in the Plan to the contrary, to the extent the Committee has required upon grant that any Annual Incentive Award, Long-Term Performance Unit Award, Performance Share, Restricted Unit or Restricted Stock must qualify as "other performance based compensation" within the meaning of Section 162(m)(4)(C) of the U.S. Code, the Committee shall (a) specify and approve the specific terms of any Performance Goals with respect to such Awards in writing no later than ninety (90) days from the commencement of the Performance Cycle to which the Performance Goal or Goals relate, and (b) not be entitled to exercise any subsequent discretion otherwise authorized under the Plan (such as the right to authorize payout at a level above that dictated by the achievement of the relevant Performance Goals) with respect to such Award if the ability to exercise discretion (as opposed to the exercise of such discretion) would cause such Award to fail to qualify as other performance based compensation.

4.6 Indemnification. No member of the Committee, nor any officer or employee of the Corporation acting on behalf of the Committee, shall be personally liable for any action, determination or interpretation taken or made in good faith with respect to the Plan and all members of the Committee and each and any officer or employee of the Corporation acting on their behalf, to the extent permitted by law, shall be entitled to full indemnification, reimbursement and protection by the Corporation in respect of any such action, determination or interpretation. In the performance of its functions under the Plan, the Committee and any officer or employee of the Corporation acting on their behalf, shall be entitled to rely upon information and advice furnished to them by the Corporation's officers, accountants, counsel and any other party they deem necessary, and no member of the Committee, nor any officer or employee of the Corporation acting on behalf of the Committee, shall be liable for any action taken or not taken in reliance upon any such advice.

ARTICLE V

COMMON STOCK SUBJECT TO PLAN; OTHER LIMITATIONS

5.1 Plan Limits. (a) Shares Available for Awards: Subject to the provisions of Section 5.4, the number of shares of Common Stock issuable under the Plan for Awards shall be 5,000,000.

(b) The shares to be delivered under the Plan may consist, in whole or in part, of Common Stock purchased by the Corporation for such purpose, treasury Common Stock or authorized but unissued Common Stock, not reserved for any other purpose.

5.2 Individual Performance-Based Limitations: Subject to the provisions of Section 5.4, to the extent that any Annual Incentive, Long-Term Performance Unit, Restricted Stock, Restricted Unit and Performance Share Awards to a Participant are intended to satisfy the requirements of U.S. Code section

Edgar Filing: POPULAR INC - Form PRE 14A

162(m) (4) (C) as "other performance based compensation," the maximum aggregate amount of such Award(s) paid or otherwise made available to such Participant shall not exceed one-half of one percent (0.5%) of Adjusted Net Income for the most recently reported year ending December 31st prior to the year such Award or Awards is or are paid or otherwise made available.

5.3 Canceled, Terminated, or Forfeited Awards. Should an Award under this Plan for any reason expire without having been exercised, be canceled, repurchased by the Corporation, terminated or forfeited or otherwise settled without the issuance of any Common Stock (including, but not limited to, shares tendered to exercise outstanding Options, shares tendered or withheld for taxes on Awards or shares issued in connection with a Restricted Stock Award that is subsequently forfeited), any such shares of Common Stock subject to such Award shall again be available for grants of Awards under the Plan.

5.4 Adjustment in Capitalization. In the event of any Adjustment Event, (a) the aggregate number of shares of Common Stock available for Awards under Section 5.1, (b) the aggregate limitations on the number of shares that may be awarded as a particular type of Award or that may be awarded to any particular Participant in any particular period under Section 5.2 and (c) the aggregate number of shares subject to outstanding Awards and the respective exercise prices or base prices applicable to outstanding Awards shall be appropriately adjusted by the Committee, in its discretion, with respect to such Adjustment Event, and the Committee's determination shall be conclusive. To the extent deemed equitable and appropriate by the Committee and subject to any required action by shareholders of the Corporation, in any Adjustment Event that is a merger, consolidation, reorganization, liquidation, dissolution or similar transaction, any Award granted under the Plan shall be deemed to pertain to the securities and other property, including cash, to which a holder of the number of shares of Common Stock covered by the Award would have been entitled to receive in connection with such Adjustment Event.

61

Any shares of stock (whether Common Stock, shares of stock into which shares of Common Stock are converted or for which shares of Common Stock are exchanged or shares of stock distributed with respect to Common Stock) or cash or other property received with respect to any award of Restricted Stock or Restricted Units granted under the Plan as a result of any Adjustment Event or any distribution of property shall, except as provided in Article X or as otherwise provided by the Committee, be subject to the same terms and conditions, including restrictions on transfer, as are applicable to such shares of Restricted Stock or Restricted Units and any stock certificate(s) representing or evidencing any shares of stock so received shall be legended in such manner as the Corporation deems appropriate.

ARTICLE VI STOCK OPTIONS

6.1 Grant of Options. Subject to the provisions of Section 5.1, Options may be granted to Participants at such time or times as shall be determined by the Committee. Options granted under the Plan may be of three types: (i) ISOs, (ii) QSOs and (iii) Nonstatutory Stock Options. Except as otherwise provided herein, the Committee shall have complete discretion in determining the Number of Options, if any, to be granted to a Participant, except that ISOs and QSOs may only be granted to Eligible Individuals who satisfy the requirements for eligibility set forth under U.S. Code section 424 and P.R. Code section 1046, respectively. The date of grant of an Option under the Plan will be the date on which the Option is awarded by the Committee or, if so determined by the Committee, the date on which occurs any event (including,

Edgar Filing: POPULAR INC - Form PRE 14A

but not limited to, the completion of an individual or corporate Performance Goal) the occurrence of which is an express condition precedent to the grant of the Option. Subject to Section 5.4, the Committee shall determine the number of Options, if any, to be granted to the Participant. Each Option grant shall be evidenced by an Option agreement (in electronic or written form) that shall specify the type of Option granted, the exercise price, the duration of the Option, the number of shares of Common Stock to which the Option pertains, and such other terms and conditions as the Committee shall determine which are not inconsistent with the provisions of the Plan. Options may be granted in tandem with SARs (as described in more detail in Article VII), and/or with associated Dividend Equivalents (as described in more detail in Article VIII).

6.2 Exercise Price; No Repricing or Substitution of Options. Nonstatutory Stock Options and QSOs and ISOs granted pursuant to the Plan shall have an exercise price no less than the Fair Market Value of a share of Common Stock on the date the Option is granted. Except as a result of any Adjustment Event, the Committee shall not have the power or authority to reduce, whether through amendment or otherwise, the exercise price of any outstanding Option nor to grant any new Options or other Awards in substitution for or upon the cancellation of Options previously granted which shall have the effect of reducing the exercise price of any outstanding Option.

6.3 Exercise of Options. Each Option granted pursuant to the Plan shall become exercisable as determined by the committee at the time of grant; provided that the Committee may establish performance-based criteria for exercisability of any Option. Subject to the provisions of this Article VI, once any portion of any Option has become exercisable it shall remain exercisable for its remaining term. Once exercisable, an Option may be exercised from time to time, in whole or in part, up to the total number of shares of Common Stock with respect to which it is then exercisable. The Committee shall determine the term of each Option granted, but, except as expressly provided below, in no event shall any such Option be exercisable for more than 10 years after the date on which it is granted.

6.4 Payment. The Committee shall establish procedures governing the exercise of Options. No shares shall be delivered pursuant to any exercise of an Option unless arrangements satisfactory to the Committee have been made to assure full payment of the exercise price therefore. Without limiting the generality of the foregoing, payment of the exercise price may be made: (a) in cash or its equivalent; (b) by exchanging shares of Common Stock (which are not the subject of any pledge or other security interest) owned by the person exercising the Option (through actual tender or by attestation); (c) with the approval of the Board or the Committee, by authorizing the Corporation, Popular Securities, Inc. or a broker-dealer

approved by the Corporation, to sell, on behalf of the Participant, the appropriate number of shares of Common Stock otherwise issuable to the Participant upon exercise of an Option; (d) with the approval of the Board or the Committee and at the election of the Participant, by withholding from those shares of Common Stock that would otherwise be obtained upon exercise of the Option a number of shares having a Fair Market Value equal to the exercise price; (e) by any combination of the foregoing; or (f) by other means that the Board or the Committee deems appropriate; provided that the combined value of all cash and cash equivalents paid and the Fair Market Value of any such shares of Common Stock so tendered to the Corporation, valued as of the date of such tender, is at least equal to such exercise price. The Corporation may not make a loan to a Participant to facilitate such Participant's exercise of any of his or her Options or payment of taxes.

Edgar Filing: POPULAR INC - Form PRE 14A

6.5 ISOs and QSOs. Notwithstanding anything in the Plan to the contrary, no Option that is intended to be an ISO or a QSO may be granted after the tenth anniversary of the Effective Date of the Plan. Except as may otherwise be provided for under the provisions of Article X of the Plan, no term of this Plan relating to ISOs or QSOs shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the ISO, QSO or the Plan under Section 422 of the U.S. Code, or P.R. Code section 1046, respectively, or without the consent of any Participant affected thereby, to disqualify any ISO or QSO under such section 422 or section 1046.

6.6 Termination of Employment or Service as a Nonemployee Director. Unless otherwise determined by the Committee at or following the time of grant, the following provisions of the Plan shall apply in the event of the Participant's termination of employment or service as a Nonemployee Director:

(a) Due to Death. In the event a Participant's employment terminates by reason of death, any Options granted to such Participant shall become immediately exercisable in full and may be exercised by the Participant's estate or as may otherwise be provided for in accordance with the requirements of Section 12.2, at any time prior to the earlier to occur of the (i) expiration of the term of the Options or (ii) such date as the Committee shall determine at the time of grant; provided, however, that Nonstatutory Stock Options shall be deemed to be amended to provide that they are exercisable for not less than one (1) year after a Participant's death even if such period exceeds the expiration of the term of the original grant of such Nonstatutory Stock Options.

(b) Due to Disability. In the event a Participant's employment is terminated by his or her employer by reason of Disability, any Options granted to such Participant shall become immediately exercisable in full and may be exercised by the Participant (or, in the event of the Participant's death after termination of employment when the Option is exercisable pursuant to its terms, by the Participant's designated beneficiary, and if none is named, by the person determined in accordance with the requirements of Section 12.2), at any time prior to the expiration date of the term of the Options or within such period as the Committee shall determine at the time of grant following the Participant's termination of employment, whichever period is shorter.

(c) Due to Approved Retirement. In the event a Participant's employment terminates by reason of Approved Retirement, any Options granted to such Participant which are then outstanding shall become immediately exercisable in full and may be exercised by the Participant (or, in the event of the Participant's death after termination of employment when the Option is exercisable pursuant to its terms, by the Participant's estate or as otherwise may be provided for in accordance with Section 12.2), at any time prior to the expiration date of the term of the Options or within five (5) years (or such shorter period as the Committee shall determine at the time of grant) following the Participant's Approved Retirement, whichever period is shorter.

(d) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any Options granted to such Participant that are then not yet exercised shall be forfeited at the time of such termination and shall not be exercisable thereafter and the Committee may, consistent with Section 4.5 of the Plan, require that such Participant disgorge any profit,

Edgar Filing: POPULAR INC - Form PRE 14A

gain or other benefit received in respect of the exercise of any such Award for a period of up to twelve (12) months prior to the Participant's termination of employment for Cause. For purposes of this Section 6.6, in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 6.6(d) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

63

(e) Due to Resignation. Unless otherwise determined by the Committee, in the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Options granted to such Participant that are then not yet exercised shall be forfeited at the time of such termination and shall not be exercisable thereafter.

(f) Due to Any Other Reason. In the event the employment of the Participant shall terminate for any reason other than one described in Section 6.6 (a) through (e), any Options granted to such Participant which are exercisable at the date of the Participant's termination of employment may be exercised by the Participant (or, in the event of the Participant's death after termination of employment when the Option is exercisable pursuant to its terms, by the Participant's estate or as may otherwise be provided for in accordance with the requirements of Section 12.2) at any time prior to the expiration of the term of the Options or the ninetieth (90th) day following the Participant's termination of employment, whichever period is shorter, and any Options that are not exercisable at the time of termination of employment shall be forfeited at the time of such termination and not be exercisable thereafter.

(g) Termination of Service as a Nonemployee Director. If a Nonemployee Director shall terminate his service as a director for reasons other than removal for cause, any Options granted to such Participant shall become immediately exercisable in full and may be exercised by the Participant (or the Participant's estate, as the case may be) at any time before the expiration of the term of the Option.

ARTICLE VII STOCK APPRECIATION RIGHTS (SARs)

7.1 Grant of SARs. SARs may be granted to any Participants, all Participants or any class of Participants at such time or times as shall be determined by the Committee. SARs may be granted in tandem with an Option, on a freestanding basis, not related to any other Award, and/or with associated Dividend Equivalents. A grant of a SAR shall be evidenced in writing, whether as part of the agreement governing the terms of the Option, if any, to which such SARs relate or pursuant to a separate written agreement with respect to freestanding SARs, in each case containing such provisions not inconsistent with the Plan as the Committee shall approve.

7.2 Terms and Conditions of SARs. Notwithstanding the provisions of Section 7.1, unless the Committee shall otherwise determine the terms and conditions (including, without limitation, the exercise period of the SAR, the vesting schedule applicable thereto and the impact of any termination of service on the Participant's rights with respect to the SAR) applicable with respect to (i) SARs granted in tandem with an Option shall be substantially identical (to the extent possible taking into account the differences related to the character

Edgar Filing: POPULAR INC - Form PRE 14A

of the SAR) to the terms and conditions applicable to the tandem Options and (ii) freestanding SARs shall be substantially identical (to the extent possible taking into account the differences related to the character of the SAR) to the terms and conditions that would have been applicable under Section 6 were the grant of the SARs a grant of an Option (including, but not limited to, the application of Section 6.6).

7.3 Exercise of Tandem SARs. SARs that are granted in tandem with an Option may only be exercised upon the surrender of the right to exercise such Option for an equivalent number of shares and may be exercised only with respect to the shares of Stock for which the related Award is then exercisable.

7.4 Payment of SAR Amount. Upon exercise of a SAR, the holder shall be entitled to receive payment, in cash, in shares of Common Stock or in a combination thereof, as determined by the Committee, of an amount determined by multiplying:

(a) the excess, if any, of the Fair Market Value of a share of Stock at the date of exercise over the Fair Market Value of a share of Common Stock on the date of grant, by

64

(b) the number of shares of Common Stock with respect to which the SARs are then being exercised; provided, however, that at the time of grant with respect to any SAR payable in cash, the Committee may establish, in its sole discretion, a maximum amount per share which will be payable upon the exercise of such SAR.

ARTICLE VIII

RESTRICTED STOCK, RESTRICTED UNITS AND DIVIDEND EQUIVALENTS

8.1 Grant of Restricted Stock and Restricted Units. The Committee, in its sole discretion, may make Awards to Participants of Restricted Stock or Restricted Units. Any Award made hereunder of Restricted Stock or Restricted Units shall be subject to the terms and conditions of the Plan and to any other terms and conditions not inconsistent with the Plan (including, but not limited to, requiring the Participant to pay the Corporation an amount equal to the par value per share for each share of Restricted Stock awarded) as shall be prescribed by the Committee in its sole discretion, either at the time of grant or thereafter. As determined by the Committee, with respect to an Award of Restricted Stock, the Corporation shall either (i) transfer or issue to each Participant to whom an award of Restricted Stock has been made the number of shares of Restricted Stock specified by the Committee or (ii) hold such shares of Restricted Stock for the benefit of the Participant for the Restricted Period. In the case of an Award of Restricted Units, no shares of Common Stock shall be issued at the time an Award is made, and the Company shall not be required to set aside a fund for the payment of such Award. Dividends or Dividends Equivalents (if connected with the grant of Restricted Units) may be subject to the same terms and conditions as the underlying Award of Restricted Stock or Restricted Units.

8.2 Grant, Terms and Conditions of Dividend Equivalents. The Committee, in its sole discretion, may make Awards to Participants of Dividend Equivalents in connection with the grant of Restricted Units, Options, SARs and/or Performance Shares. Unless the Committee shall otherwise determine, the terms and conditions (including, without limitation, the vesting schedule applicable thereto and the impact of any termination of service on the Participant's rights with respect to the Dividend Equivalent) shall be substantially identical (to the extent possible taking into account the differences related to the character of the Dividend Equivalent) to the terms

Edgar Filing: POPULAR INC - Form PRE 14A

and conditions applicable to the associated Award.

8.3 Restrictions On Transferability. Shares of Restricted Stock may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered by the Participant during the Restricted Period, except as hereinafter provided. Notwithstanding the foregoing, the Committee may permit (on such terms and conditions as it shall establish) shares of Restricted Stock and Restricted Units to be transferred during the Restricted Periods pursuant to Section 12.1, provided that any shares of Restricted Stock or Restricted Units so transferred shall remain subject to the provisions of this Article VIII.

8.4 Rights as a Shareholder. Except for the restrictions set forth herein and unless otherwise determined by the Committee, the Participant shall have all the rights of a shareholder with respect to such shares of Restricted Stock, including but not limited to, the right to vote and the right to receive dividends. A Participant shall not have any right, in respect of Restricted Units or Dividend Equivalents awarded pursuant to the Plan, to vote on any matter submitted to the Corporation's stockholders until such time as the shares of Common Stock attributable to such Restricted Units (and, if applicable, Dividend Equivalents) have been issued.

8.5 Restricted Period. The Restricted Period shall commence upon the date of grant by the Committee and shall lapse with respect to the shares of Restricted Stock or Restricted Units on such date as determined by the Committee at the date an Award of Restricted Stock or Restricted Units (including any Dividend Equivalents issued) is made to the Participant by the Committee, unless sooner terminated as otherwise provided herein.

8.6 Legending or Equivalent. To the extent that certificates are issued to a Participant in respect of shares of Restricted Stock awarded under the Plan (or in the event that such Restricted Stock are held electronically), such shares shall be registered in the name of the Participant and shall have such legends (or account restrictions) reflecting the restrictions of such Awards in such manner as the Committee may deem appropriate.

8.7 Termination of Employment or Service as a Nonemployee Director. Unless the Committee shall otherwise

65

determine at or subsequent to the date of grant:

(a) Due to Death. In the event a Participant's employment terminates by reason of death, the Restricted Period will lapse as to the entire portion of the shares of Restricted Stock and/or Restricted Units (including any associated Dividend Equivalents) transferred or issued to such Participant under the Plan.

(b) Due to Disability. In the event a Participant's employment terminates by reason of Disability, the Restricted Period will lapse as to the entire portion of the shares of Restricted Stock and/or Restricted Units (including any associated Dividend Equivalents) transferred or issued to such Participant under the Plan.

(c) Due to Approved Retirement. In the event a Participant's employment terminates by reason of Approved Retirement, the Restricted Period will lapse as to the entire portion of the shares of Restricted Stock and/or Restricted Units transferred or issued to such Participant under the Plan (including any associated Dividend Equivalents).

Edgar Filing: POPULAR INC - Form PRE 14A

(d) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any Restricted Stock or Restricted Units (including any associated Dividend Equivalents) granted to such Participant shall be forfeited at the time of such termination, and the Committee may, consistent with Section 4.5 of the Plan, require that such Participant disgorge any profit, gain or other benefit received in respect of the lapse of restrictions on any prior grant of Restricted Stock or Restricted Units (including any Dividend Equivalents) for a period of up to twelve (12) months prior to the Participant's termination of employment for Cause. For purposes of this Section 8.7, in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 8.7(d) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

(e) Due to Resignation. Unless otherwise determined by the Committee, in the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Restricted Stock granted to such Participant and all Restricted Units (including any associated Dividend Equivalents) credited to such Participant shall be forfeited upon the Participant's termination of employment.

(f) Due to Any Other Reason. In the event a Participant's employment is terminated by the Corporation or any Affiliate for any other reason during the applicable vesting period, the Participant (or the Participant's estate or beneficiaries, if the participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of shares of Restricted Stock or Restricted Units granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the applicable vesting period during which the Participant was an active employee and the denominator of which is the number of months in the applicable vesting period (with a partial month worked shall be counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Restricted Stock or Restricted Units shall be considered vested and payment of such pro-rated Awards is to be made to the Participant (or beneficiaries or estate, if the Participant subsequently dies) as soon as practicable after the Participant's termination of employment.

(g) Termination of Service as a Nonemployee Director. In the event a Participant's service as a Nonemployee Director shall terminate for reasons other than removal for cause, the Restriction Period will lapse as to the entire portion of the shares of Restricted Stock and/or Restricted Units (including any associated Dividend Equivalents) transferred or issued to such Participant under the Plan.

8.8 Issuance of New Certificate or Equivalent: Settlement of Restricted Units and Dividend Equivalents. Upon the lapse of the Restriction Period with respect to any shares of Restricted Stock, such shares shall no longer be subject to the restrictions imposed under Section 8.3 and the Corporation shall issue or have issued new share certificates (or remove any such restrictions that may have been established electronically) without the legend or equivalent described in Section 8.6 in exchange for those previously issued. Upon the lapse of the Restriction Period with respect to any Restricted Units, the Corporation shall deliver to the Participant, or the Participant's beneficiary or estate, as provided in Section 12.2, one share

of Common Stock for each Restricted Unit as to which restrictions have lapsed and any Dividend Equivalents credited with respect to any Restricted Units, and any interest thereon. The Committee may, in its sole discretion, elect to pay cash or part cash and part Common Stock in lieu of delivering only Common Stock and/or Dividend Equivalents. If a cash payment is made in lieu of delivering Common Stock for the Restricted Units, the amount of such cash payment for each share of Common Stock to which a Participant is entitled shall be equal to the Fair Market Value of the Common Stock on the date on which the Restricted Period lapsed with respect to the related Restricted Unit.

ARTICLE IX
ANNUAL INCENTIVE AWARDS,
LONG-TERM PERFORMANCE UNIT AWARDS
AND PERFORMANCE SHARE AWARDS

9.1 Annual Incentive Awards.

(a) General Description. At the direction of the Committee, Annual Incentive Awards may be made to Participants and, unless determined otherwise by the Committee at or after the date of grant, shall be paid in cash.

(b) Requirements for Covered Employees. For any Covered Employees and to the extent the Committee intends to comply with the requirements for performance-based Awards described generally under U.S. Code section 162(m), the Committee must certify, prior to payment of any such amounts, that any applicable Performance Goals and/or other requirements have been satisfied, and that such amounts are consistent with the limits provided under Section 5.2(b).

(c) Payment of Annual Incentive Awards. Unless the Committee determines otherwise either at grant or thereafter, in the event a Participant terminates employment before the end of an annual Performance Cycle due to death, Disability, or Approved Retirement, such Participant, or his or her estate, shall be eligible to receive a prorated Annual Incentive Award based on (a) in the case of death or Disability, full achievement of the Participant's Performance Goals for such Performance Cycle, and (b) in the case of Approved Retirement, the actual achievement of the Performance Goals for such Performance Cycle, in each case prorated for the portion of the Performance Cycle completed before the Participant's termination of employment. If a Participant terminates employment before payment of an Annual Incentive Award is authorized by the Committee for any reason other than death, Disability or Approved Retirement, the Participant shall forfeit all rights to such Annual Incentive Award unless otherwise determined by the Committee.

9.2 Long-Term Performance Unit Awards.

(a) General Description. At the discretion of the Committee, grants of Long-Term Performance Unit Awards may be made to Participants.

(b) Requirements for Covered Employees. For any Covered Employees and to the extent the Committee intends to comply with the requirements for performance-based Awards described generally under U.S. Code section 162(m), the Committee must certify, prior to payment of any such amounts, that any applicable Performance Goals and/or other requirements have been satisfied, and that such amounts paid are

Edgar Filing: POPULAR INC - Form PRE 14A

consistent with the limits provided under Section 5.2(b).

(c) Payment of Long-Term Performance Unit Awards. Long-Term Performance Unit Awards shall be payable in cash, Common Stock, or a combination of cash and Common Stock at the discretion of the Committee. Unless the Committee shall otherwise determine at or subsequent to the date of grant:

(i) Due to Death. In the event a Participant's employment terminates by reason of death during the applicable Performance Cycle, the Participant's estate or beneficiaries will receive a lump sum payment as soon as practicable of such Long-Term Performance Unit Award, calculated as if the target value or equivalent value for each Unit had, in fact, been achieved.

67

(ii) Due to Disability. In the event a Participant's employment terminates by reason of Disability during the applicable Performance Cycle, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) will receive a lump sum payment as soon as practicable of such Long-Term Performance Unit Award, calculated as if the target value or equivalent value for each Unit had, in fact, been achieved.

(iii) Due to Approved Retirement. In the event a Participant's employment terminates by reason of Approved Retirement during the applicable Performance Cycle, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of Long-Term Performance Units granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the Performance Cycle during which the Participant was an active employee and the denominator of which is the number of months in the Performance Cycle (with a partial month worked shall be counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Long-Term Performance Units shall be considered vested and payment made to the Participant in a lump sum as soon as practicable after the completion of the respective Performance Cycle and the final valuation of such Units is determined.

(iv) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any outstanding Long-Term Performance Unit Awards shall be cancelled and the Committee may, consistent with Section 4.5 of the Plan, require that such Participant disgorge any profit, gain or other benefit received in respect of the payment of any prior Long-Term Performance Unit Awards received within a period of twelve (12) months prior to the Participant's termination of employment for Cause. For purposes of this Section 9.2(c)(iv), in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 9.2(c)(iv) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

Edgar Filing: POPULAR INC - Form PRE 14A

(v) Due to Resignation. Unless otherwise determined by the Committee, in the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Long-Term Performance Units credited to such Participant shall be forfeited upon the Participant's termination of employment.

(vi) Due to Any Other Reason. In the event a Participant's employment is terminated by the Corporation or any Affiliate for any other reason during the applicable Performance Cycle, the Participant (or the Participant's estate Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of Long-Term Performance Units granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the Performance Cycle during which the Participant was an active employee and the denominator of which is the number of months in the Performance Cycle (with a partial month worked shall be counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Long-Term Performance Units shall be considered vested and payment made to the Participant of a lump sum payment as soon as practicable of such pro-rated Long-Term Performance Unit Award, calculated as if the target value or equivalent value for each Unit had, in fact, been achieved.

9.3 Performance Shares.

(a) General Description. At the discretion of the Committee, grants of Performance Share Awards may be made to Participants.

(b) Requirements for Covered Employees. For any Covered Employees and to the extent the Committee intends to comply with the requirements for performance-based Awards described generally under U.S. Code section 162(m), the Committee must certify, prior to payment of any such amounts, that any applicable Performance Goals and/or other requirements have been satisfied, and that such amounts paid are consistent with the limits provided under Section 5.2(b).

68

(c) Payment of Performance Share Awards. Performance Share Awards shall be payable in Common Stock. Unless the Committee shall otherwise determine at or subsequent to the date of grant:

(i) Due to Death. In the event a Participant's employment terminates by reason of death during the applicable Performance Cycle, the Participant's estate or beneficiaries will receive a lump sum payment as soon as practicable of such Performance Share Award, calculated as if the target number of Performance Shares had, in fact, been earned.

(ii) Due to Disability. In the event a Participant's employment terminates by reason of Disability during the applicable Performance Cycle, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) will receive a lump sum payment as soon as practicable of such Performance Share Award, calculated as if the target number of Performance Shares had, in fact, been earned.

(iii) Due to Approved Retirement. In the event a Participant's employment terminates by reason of Approved Retirement during the applicable Performance Cycle, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of Performance Shares granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the Performance Cycle during which the Participant was an active employee and the denominator of which is the number of months in the Performance Cycle (with a partial month worked shall be counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Performance Shares shall be considered vested and payment made to the Participant in a lump sum as soon as practicable after the completion of the respective Performance Cycle and the final number of Performance Shares has been determined.

(iv) Due to Cause. In the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, any outstanding Performance Share Awards shall be cancelled and the Committee may, consistent with Section 4.5 of the Plan, require that such Participant disgorge any profit, gain or other benefit received in respect of the payment of any prior Performance Share Awards received within a period of twelve (12) months prior to the Participant's termination of employment for Cause. For purposes of this Section 9.3(c) (iv), in the event a Participant's employment is terminated by the Corporation or any Affiliate for Cause, the provisions of this Section 9.3(c) (iv) will apply notwithstanding any assertion (by the Participant or otherwise) of a termination of employment for any other reason enumerated under this Section.

(v) Due to Resignation. Unless otherwise determined by the Committee, in the event a Participant's employment ends as a result of such Participant's resignation from the Corporation or any Affiliate, any Performance Share Awards credited to such Participant shall be forfeited upon the Participant's termination of employment.

(vi) Due to Any Other Reason. In the event a Participant's employment is terminated by the Corporation or an Affiliate for any other reason during the applicable Performance Cycle, the Participant (or the Participant's estate or beneficiaries, if the Participant subsequently dies) shall receive a payment calculated in the following manner: (i) the number of Performance Shares granted will be reduced by multiplying the grant by a fraction, the numerator of which is the number of full months in the Performance Cycle during which the Participant was an active employee and the denominator of which is the number of months in the Performance Cycle (with a partial month worked shall be counted as a full month if the Participant is an active employee for 15 days or more in that month); and (ii) the resulting reduced number of Performance Shares shall be considered vested and payment made to the Participant of a lump sum payment as soon as practicable of such pro-rated Performance Share Award, calculated as if the target number of Performance Shares had, in fact, been earned.

ARTICLE X
CHANGE OF CONTROL

10.1 Accelerated Vesting and Payment of Awards. Subject to the provisions of Section 10.3, in the event of a Change of Control each Option and SAR then outstanding shall be fully exercisable regardless of the exercise schedule otherwise applicable to such Option and/or SAR, and the Restricted Period shall lapse as to each share of Restricted Stock and each Restricted Unit then outstanding. In connection with such a Change of Control, the Committee may, in its discretion, provide that each Option, SAR, Restricted Stock and/or Restricted Unit shall, upon the occurrence of such Change of Control, be cancelled in exchange for a payment per share/unit (the "Settlement Payment") in an amount based on the Change of Control Price. Such Settlement Payment shall be in the form of cash.

10.2 Long Term Performance Unit Awards and Performance Share Awards. Subject to the provisions of Section 10.3, in the event of a Change of Control, (a) any outstanding Long Term Performance Unit Awards or Performance Share Awards relating to Performance Cycles ending prior to the Change of Control which have been earned but not paid shall become immediately payable, (b) all then-in-progress Performance Cycles for Long Term Performance Unit Awards or Performance Share Awards that are outstanding shall end, and all Participants shall be deemed to have earned an award equal to the Participant's target award opportunity for the Performance Cycle in question, and (c) the Corporation shall pay all such Long Term Performance Unit Awards and Performance Share Awards as a Settlement Payment within thirty (30) days of such Change of Control, based on the Change of Control Price. Such Settlement Payment shall be in cash.

10.3 Alternative Awards. Notwithstanding Section 10.1 or 10.2, no cancellation, acceleration of exercisability, vesting, cash settlement or other payment shall occur with respect to any Option, SAR, Restricted Stock, Restricted Unit, Long-Term Performance Unit and/or Performance Share if the Committee reasonably determines in good faith prior to the occurrence of a Change of Control that such Option, SAR, Restricted Stock, Restricted Unit, Long-Term Performance Unit and/or Performance Share shall be honored or assumed, or new rights substituted therefore (such honored, assumed or substituted award hereinafter called an "Alternative Award"), by a Participant's employer (or the parent or an affiliate of such employer) immediately following the Change of Control; provided that any such Alternative Award must:

(a) be based on stock that is traded on an established securities market;

(b) provide such Participant with rights and entitlements substantially equivalent to or better than the rights, terms and conditions applicable under such Option, SAR, Restricted Stock, Restricted Unit, Long-Term Performance Unit and/or Performance Share, including, but not limited to, an identical or better exercise or vesting schedules;

(c) have substantially equivalent value to such Option, SAR, Restricted Stock, Restricted Unit, Long-Term Performance Unit and/or Performance Share (determined at the time of the Change in Control); and

(d) have terms and conditions which provide that in the

event that the Participant's employment is involuntarily terminated for any reason other than for Cause, all of such Participant's Options, SARs, Restricted Stock, Long-Term Performance Units and/or Performance Shares shall be deemed immediately and fully exercisable and/or all restrictions shall lapse, and shall be settled for a payment per each share of stock subject to the Alternative Award in cash, in immediately transferable, publicly traded securities, or in a combination thereof, in an amount equal to (i) the Fair Market Value of such stock on the date of the Participant's termination (with respect to any Restricted Stock and/or Restricted Units, (ii) the excess of the Fair Market Value of such stock on the date of the Participant's termination over the corresponding exercise or base price per share, if any (with respect to any Option and/or SARs), or (iii) the Participant's target award opportunity for the Performance Cycle in question (with respect to any Long-Term Performance Units or Performance Shares).

ARTICLE XI AMENDMENT, MODIFICATION, AND TERMINATION OF PLAN

11.1 General. The Board may, at any time and from time to time amend, modify, suspend, or terminate this Plan, in whole or in part, without notice to or the consent of any participant or employee; provided, however, that any amendment which would (i) increase the number of shares available for issuance under the Plan, (ii) lower the minimum exercise price at which an Option (or the base price at which a SAR) may be granted or (iii) change the individual Award limits or (iv) require shareholder approval under NASDAQ rules or the rules of any other exchange where the Common Stock may then be traded, shall be subject to the approval of the Corporation's shareholders. No amendment, modification or termination of the Plan shall in any manner adversely affect any Award theretofore granted under the Plan, without the consent of the Participant, provided, however, that

(a) any change pursuant to, and in accordance with the requirements of, Article X;

(b) any acceleration of payments of amounts accrued under the Plan by action of the Committee or by operation of the Plan's terms; or (c) any decision by the Committee to limit participation (or other features of the Plan) prospectively under the Plan shall not be deemed to violate this provision.

ARTICLE XII MISCELLANEOUS PROVISIONS

12.1 Transferability of Awards. No Awards granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. No transfer of an Award by will or by the laws of descent and distribution shall be effective to bind the Corporation unless the Corporation shall have been furnished with written notice thereof and a copy of the will and/or such other evidence as the Board of Directors or the Committee may determine necessary to establish the validity of the transfer.

12.2 Treatment of Any Outstanding Rights or Features Upon Participant's Death. Any Awards, rights or features remaining unexercised or unpaid at the Participant's death shall be paid to, or exercised by, the Participant's estate except where otherwise provided by law, or when done in accordance with other methods (including a beneficiary designation process) put in place by the Committee or a duly appointed designee from time to time. Except

Edgar Filing: POPULAR INC - Form PRE 14A

as otherwise provided herein, nothing in this Plan is intended or may be construed to give any person other than Participants any options, rights or remedies under this Plan.

12.3 Deferral of Payment. The Committee may, in the Award agreement or otherwise, permit a Participant to elect, upon such terms and conditions as the Committee may establish, to defer receipt of shares of Common Stock that would otherwise be issued upon exercise or vesting of an Award. Notwithstanding anything else contained herein to the contrary, deferrals shall not be permitted hereunder in a way that will result in the Corporation or any Affiliate being required to recognize a financial accounting charge due to such deferral that is substantially greater than the charge, if any, that was associated with the underlying Award.

12.4 Awards In Substitution for Awards Granted By Other Companies. Awards may be granted under the Plan from time to time as replacements for awards (including, but not limited to, options, common stock, restricted stock, performance shares or performance units) held by employees of other companies who become Employees of the Corporation or of any Affiliate as a result of a merger or consolidation of the employing Corporation with the Corporation, or such Affiliate, or the acquisition by the Corporation or an Affiliate of all or a portion of the assets of the employing Corporation. Shares issued in connection with such substitute Awards shall not reduce the number of shares of Common Stock issuable under Section 5.1 of the Plan.

12.5 No Guarantee of Employment or Participation. The existence of the Plan shall not be deemed to constitute a contract of employment between the Corporation or any affiliate and any Eligible Individual or Participant, nor shall it constitute a right to remain in the employ of the Corporation or any affiliate. The terms or existence of this Plan, as in effect at any time or from time to time, or any Award granted under the Plan, shall not interfere with or limit in any way the right of the Corporation or any Affiliate to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Corporation or any Affiliate of the Corporation. Each employee of the Corporation or

71

any Affiliate remains at will. Except to the extent expressly selected by the Committee to be a Participant, no person (whether or not an Eligible Individual or a Participant) shall at any time have a right to be selected for (or additional) participation in the Plan, despite having previously participated in an incentive or bonus plan of the Corporation or an Affiliate.

12.6 Tax Withholding. The Corporation or an Affiliate shall have the right and power to deduct from all payments or distributions hereunder, or require a Participant to remit to the Corporation promptly upon notification of the amount due, an amount (which may include shares of Common Stock) to satisfy any Puerto Rico, federal, state, local or foreign taxes or other obligations required by law to be withheld with respect thereto with respect to any Award. The Corporation may defer payments of cash or issuance or delivery of Common Stock until such withholding requirements are satisfied. The Committee may, in its discretion, permit a Participant to elect, subject to such conditions as the Committee shall impose, (a) to have shares of Common Stock otherwise issuable under the Plan withheld by the Corporation or (b) to deliver to the Corporation previously acquired shares of Common Stock (through actual tender or attestation), in either case for the greatest number of whole shares having a Fair Market Value on the date immediately preceding the date of exercise not in excess of the amount required to satisfy the withholding tax obligations.

Edgar Filing: POPULAR INC - Form PRE 14A

12.7 Tax Offset Payments. The Committee shall have the authority at the time of any award under this Plan or anytime thereafter to make Tax Offset Payments to assist Participants in paying income taxes incurred as a result of their participation in this Plan. The Tax Offset Payments shall be determined by multiplying a percentage established by the Committee by all or a portion (as the Board or the Committee shall determine) of the taxable income recognized by a Participant upon (i) the exercise of a Nonstatutory Stock Option, or (ii) the disposition of shares received upon exercise of a QSO or an ISO. The percentage shall be established, from time to time, by the Committee at that rate which the Committee, in its sole discretion, determines to be appropriate and in the best interests of the Corporation to assist Participants in paying income taxes incurred as a result of the events described in the preceding sentence. Tax Offset Payments shall be subject to the restrictions on transferability applicable to Options set forth in Section 12.1.

12.8 No Limitation on Compensation; Scope of Liabilities. Nothing in the Plan shall be construed to limit the right of the Corporation to establish other plans if and to the extent permitted by applicable law. The liability of the Corporation, or any Affiliate under this Plan is limited to the obligations expressly set forth in the Plan, and no term or provision of this Plan may be construed to impose any further or additional duties, obligations, or costs on the Corporation or any affiliate thereof or the Committee not expressly set forth in the Plan.

12.9 Requirements of Law. The granting of Awards and the issuance of shares of Common Stock shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

12.10 Term of Plan. The Plan shall be effective upon the Effective Date. The Plan shall terminate on the earlier of (a) the termination of the Plan pursuant to Article XI, or (b) when no more shares are available for issuance of Awards under the Plan.

12.11 Governing Law. The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the Commonwealth of Puerto Rico without regard to principles of conflict of laws.

12.12 Securities Law Compliance. Instruments evidencing Awards may contain such other provisions, not inconsistent with the Plan, as the Committee deems advisable, including a requirement that the Participant represent to the Corporation in writing, when an Award is granted or when he receives shares with respect to such Award (or at such other time as the Committee deems appropriate) that he is accepting such Award, or receiving or acquiring such shares (unless they are then covered by a Securities Act of 1933 registration statement), for his own account for investment only and with no present intention to transfer, sell or otherwise dispose of such shares except such disposition by a legal representative as shall be required by will or the laws of any jurisdiction in winding up the estate of the Participant. Such shares shall be transferable, or may be sold or otherwise disposed of only if the proposed transfer, sale or other disposition shall be permissible pursuant to the Plan and if, in the opinion of counsel satisfactory to the Corporation, such transfer, sale or other disposition at such time will be in compliance with applicable securities laws.

12.13 No Impact On Benefits. Except as may otherwise be specifically provided for under any employee benefit plan, policy or program provision to the contrary, Awards shall not be treated as compensation for purposes of calculating an Eligible Individual's right under any such plan, policy or

Edgar Filing: POPULAR INC - Form PRE 14A

program.

12.14 No Constraint on Corporate Action. Except as provided in Article XI, nothing contained in this Plan shall be construed to prevent the Corporation, or any affiliate, from taking any corporate action (including, but not limited to, the Corporation's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets) which is deemed by it to be appropriate, or in its best interest, whether or not such action would have an adverse effect on this Plan, or any Awards made under this Plan. No employee, beneficiary, or other person, shall have any claim against the Corporation or any of its Affiliates, as a result of any such action.

12.15 Captions. The headings and captions appearing herein are inserted only as a matter of convenience. They do not define, limit, construe, or describe the scope or intent of the provisions of the Plan.
