## PART I FINANCIAL INFORMATION

### Forward-Looking Statements

*Wachovia Corporation (formerly named First Union Corporation, Wachovia) may from time to time make written or oral forward-looking statements, including statements contained in Wachovia's filings with the Securities and Exchange Commission (including this Quarterly Report on Form 10-Q and the Exhibits hereto and thereto), in its reports to stockholders and in other Wachovia communications. These statements relate to future, not past, events. These forward-looking statements include, among others, statements with respect to Wachovia's beliefs, plans, objectives, goals, guidelines, expectations, financial condition, results of operations, future performance and business of Wachovia, including without limitation, (i) statements relating to the benefits of the proposed merger between Golden West Financial Corporation (Golden West) and Wachovia (the Golden West Merger), including future financial and operating results, cost savings, enhanced revenues and the accretion/dilution of reported earnings that may be realized from the Golden West Merger, (ii) statements relating to the benefits of the merger among Wachovia, Westcorp and WFS Financial Inc completed on March 1, 2006 (the Westcorp Merger), including future financial and operating results, cost savings, enhanced revenues and the accretion/dilution of reported earnings that may be realized from the Westcorp Merger, (iii) statements regarding Wachovia's goals and expectations with respect to earnings, earnings per share, revenue, expenses and the growth rate in such items, as well as other measures of economic performance, including statements relating to estimates of credit quality trends, and (iv) statements preceded by, followed by or that include the words may, could, should, would, believe, anticipate, estimate, expect, intend, plan, projects, outlook or similar expressions. These statements are based upon the current beliefs and expectations of Wachovia's management and are subject to significant risks and uncertainties. Actual results may differ from those set forth in the forward-looking statements. These forward-looking statements involve certain risks and uncertainties that are subject to change based on various factors (many of which are beyond Wachovia's control).*

*The following factors, among others, could cause Wachovia's financial performance to differ materially from that expressed in any forward-looking statements: (1) the risk that the businesses of Wachovia and Golden West in connection with the Golden West Merger or the businesses of Wachovia, Westcorp and WFS Financial Inc in connection with the Westcorp Merger will not be integrated successfully or such integrations may be more difficult, time-consuming or costly than expected; (2) expected revenue synergies and cost savings from the Golden West Merger or the Westcorp Merger may not be fully realized or realized within the expected time frame; (3) revenues following the Golden West Merger or the Westcorp Merger may be lower than expected; (4) deposit attrition, operating costs, customer loss and business disruption following the Golden West Merger or the Westcorp Merger, including, without limitation, difficulties in maintaining relationships with employees, may be greater than expected; (5) the strength of the United States economy in general and the strength of the local economies in which Wachovia conducts operations may be different than expected, resulting in, among other things, a deterioration in credit quality or a reduced demand for credit, including the resultant effect on Wachovia's loan portfolio and allowance for loan losses; (6) the effects of, and changes in, trade, monetary and fiscal policies and laws, including interest rate policies of the Board of Governors of the Federal Reserve System; (7) inflation, interest rate, market and monetary fluctuations; (8) adverse conditions in the stock market, the public debt market and other capital markets (including changes in interest rate conditions) and the impact of such conditions on Wachovia's capital markets and capital management activities, including, without limitation, Wachovia's mergers and acquisition advisory business, equity and debt underwriting activities, private equity investment activities, derivative securities activities, investment and wealth management advisory businesses, and brokerage activities; (9) the timely development of competitive new products and services by Wachovia and the acceptance of these products and services by new and existing customers; (10) the willingness of customers to accept third party products marketed by Wachovia; (11) the willingness of customers to substitute competitors' products and services for Wachovia's products and services and vice versa; (12) the impact of changes in financial services laws and regulations (including laws concerning taxes, banking, securities and insurance); (13) technological changes; (14) changes in consumer spending and saving habits; (15) the effect of corporate restructurings, acquisitions and/or dispositions we may undertake from time to time, and the actual restructuring and other expenses related thereto, and the failure to achieve the expected revenue growth and/or*

*expense savings from such corporate restructurings, acquisitions and/or dispositions; (16) the growth and profitability of Wachovia's non-interest or fee income being less than expected; (17) unanticipated regulatory or judicial proceedings or rulings; (18) the impact of changes in accounting principles; (19) adverse changes in financial performance and/or condition of Wachovia's borrowers which could impact repayment of such borrowers outstanding loans; (20) the impact on Wachovia's businesses, as well as on the risks set forth above, of various domestic or international military or terrorist activities or conflicts; and (21) Wachovia's success at managing the risks involved in the foregoing.*

*Wachovia cautions that the foregoing list of important factors is not exclusive. Wachovia does not undertake to update any forward-looking statement, whether written or oral, that may be made from time to time by or on behalf of Wachovia.*

*Evaluation of Disclosure Controls and Procedures.* As of June 30, 2006, the end of the period covered by this Quarterly Report on Form 10-Q, Wachovia's management, including Wachovia's Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures (as defined in Rule 13a-15(e) under the Securities Exchange Act of 1934). *Changes in Internal Control Over Financial Reporting.* No change in our internal control over financial reporting (as defined in Rule 13a-15(f) under the Securities Exchange Act of 1934) occurred during the fiscal quarter ended June 30, 2006, that has materially affected, or is reasonably likely to materially affect, Wachovia's internal control over financial reporting.

## Part II. OTHER INFORMATION

### Item 1. Legal Proceedings.

Wachovia and certain of our subsidiaries are involved in a number of judicial, regulatory and arbitration proceedings concerning matters arising from the conduct of our business activities. These proceedings include actions brought against Wachovia and/or its subsidiaries with respect to transactions in which Wachovia and/or our subsidiaries acted as banker, lender, underwriter, financial advisor or broker or in activities related thereto. In addition, Wachovia and its subsidiaries may be requested to provide information or otherwise cooperate with governmental authorities in the conduct of investigations of other persons or industry groups. It is Wachovia's policy to cooperate in all regulatory inquiries and investigations.

Although there can be no assurance as to the ultimate outcome, Wachovia and/or our subsidiaries have generally denied, or believe we have a meritorious defense and will deny, liability in all significant litigation pending against us, including the matters described below, and we intend to defend vigorously each such case. Reserves are established for legal claims when payments associated with the claims become probable and the costs can be reasonably estimated. The actual costs of resolving legal claims may be substantially higher or lower than the amounts reserved for those claims.

The following supplements certain matters previously reported in Wachovia's Annual Report on Form 10-K for the year ended December 31, 2005 and Wachovia's Quarterly Report on Form 10-Q for the period ended March 31, 2006.

*Research Matters.* As previously reported, various regulators have been investigating Wachovia Capital Markets, LLC, Wachovia's institutional broker-dealer subsidiary ( WCM ), related to the existence of alleged conflicts of interest between WCM's equity research and investment banking departments. This matter has now been resolved. On July 5, 2006, the North American Securities Administrators Association announced the resolution of the investigations conducted by a Task Force of certain state securities administrative staff. Without admitting or denying the allegations, WCM agreed to pay a \$20 million penalty for failing to adequately supervise activities of research and investment banking staff to prevent potential conflicts of interest, \$1.65 million for failing to adequately maintain certain books and records, \$350,000 in costs of investigation, and a \$3 million contribution to the states' Investor Protection Fund. This settlement will be paid to the 50 states plus Puerto Rico and the District of Columbia on a pro rata basis as orders are entered in each jurisdiction.

*Adelphia Litigation.* As previously reported, certain Wachovia affiliates are defendants in an adversary proceeding previously pending in the United States Bankruptcy Court for the Southern District of New York related to the bankruptcy of Adelphia Communications Corporation ( Adelphia ). In February 2006, an order was entered moving the case to the United States District Court for the Southern District of New York. The Official Committee of Unsecured Creditors in Adelphia's bankruptcy case has filed claims on behalf of Adelphia against over 300 financial services companies, including the Wachovia affiliates. The complaint asserts claims against the defendants under state law, bankruptcy law and the Bank Holding Company Act and seeks equitable relief and an unspecified amount of compensatory and punitive damages. The Official Committee of Equity Security Holders has sought leave to intervene in that complaint and sought leave to bring additional claims against certain of the financial services companies, including the Wachovia affiliates, including additional federal and state claims. On August 30, 2005, the bankruptcy court granted the creditors' committee and the equity holders' committee standing to proceed with their claims. Wachovia and other defendants have filed motions to dismiss the complaints.

In addition, certain affiliates of Wachovia, together with numerous other financial services companies, have been named in several private civil actions by investors in Adelphia debt and/or equity securities, alleging among other claims, misstatements in connection with Adelphia securities offerings between 1997 and 2001. Wachovia affiliates acted as an underwriter in certain of those securities offerings, as agent and/or lender for certain Adelphia credit facilities, and as a provider of Adelphia's treasury/cash management services. These complaints, which seek unspecified damages, have been consolidated in the United States District Court for the Southern District of New York. In separate orders entered in May and July 2005, the District Court dismissed a number of the securities law claims asserted against Wachovia, leaving some securities law claims pending. Wachovia still has a pending motion to dismiss with respect to these claims. On June 15, 2006, the District Court signed the preliminary order with respect to a proposed settlement of the securities class action pending against Wachovia and the other financial services

companies. A fairness hearing on the settlement is scheduled for November 10, 2006. If approved, Wachovia's share of the settlement will be approximately \$1.25 million. The other private civil actions have not been settled.

---

*Outlook.* Based on information currently available, advice of counsel, available insurance coverage and established reserves, Wachovia believes that the eventual outcome of the actions against Wachovia and/or its subsidiaries, including the matters described above, will not, individually or in the aggregate, have a material adverse effect on Wachovia's consolidated financial position or results of operations. However, in the event of unexpected future developments, it is possible that the ultimate resolution of those matters, if unfavorable, may be material to Wachovia's results of operations for any particular period.

**Item 1A. Risk Factors.**

Not Applicable.

**Item 2. Unregistered Sales of Equity Securities and Use of Proceeds.**

***Unregistered Sales of Equity Securities.***

On April 10, 2006, Wachovia entered into a merger agreement with Emigrant Property Holdings Corp. ( "Emigrant" ), American Property Financing, Inc. ( "APF" ), and a subsidiary of Wachovia, pursuant to which Wachovia agreed to acquire APF. On May 15, 2006, Wachovia completed the acquisition of APF, and in connection with the acquisition Wachovia issued an aggregate of 1,951,532 shares of Wachovia common stock to Emigrant, the sole stockholder of APF, on that date. The shares of Wachovia common stock were issued and sold pursuant to an exemption from registration under Section 3(a)(10) of the Securities Act of 1933, as amended, as a result of the approval of the terms of the issuance of the shares by an appropriate governmental authority following a fairness hearing. In connection with the acquisition, 36,518 of such shares of Wachovia common stock will be returned to Wachovia for cancellation pursuant to the terms of the merger agreement.

***Purchases of Equity Securities by the Issuer and Affiliated Purchasers.***

In January 2004, our board of directors authorized the repurchase of 60 million shares of our common stock, which together with remaining authority from previous board authorizations in 1999 and 2000, permitted Wachovia to repurchase up to 123 million shares of our common stock as of January 15, 2004, the date that authorization was announced. In addition, on August 16, 2005, Wachovia announced that our board of directors authorized the repurchase of an additional 100 million shares of our common stock. Future stock repurchases may be private or open-market purchases, including block transactions, accelerated or delayed block transactions, forward transactions, collar transactions, and similar transactions. The amount and timing of stock repurchases will be based on various factors, such as management's assessment of Wachovia's capital structure and liquidity, the market price of Wachovia common stock compared to management's assessment of the stock's underlying value, and applicable regulatory, legal and accounting factors. In 2005, Wachovia repurchased 44.53 million shares of Wachovia common stock in the open market at an average cost of \$52.02 per share. In addition, Wachovia settled equity collar contracts in 2005 representing 7.5 million shares at an average cost of \$48.61 per share. Please see "Stockholders' Equity" on page 18 in the Financial Supplement, filed as Exhibit (19) to this Report, for additional information about Wachovia's share repurchases in the second quarter of 2006. The following table sets forth information about our stock repurchases for the three months ended June 30, 2006.
