Item 3. Incorporation of Certain Documents by Reference

The following documents of Central Federal Corporation (the "Company"), previously filed with the Securities and Exchange Commission (the "Commission"), are incorporated herein by reference:

All documents filed by the Company pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934 after the date of this Registration Statement, prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in the

Item 4. Description of Securities

Item 5. Interests of Named Experts and Counsel

Not applicable.

Item 6. Indemnification of Directors and Officers

General Corporation Law

The Company is incorporated under the laws of the State of Delaware. Section 145 ("Section 145") of the General Corporation Law of the State of Delaware ("Delaware Law"), inter alia, provides that a Delaware corporation:

- (i) May indemnify any person who was, is or is threatened to be made, a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, if he had no reasonable cause to believe that his conduct was illegal; and
- (ii) May indemnify any person who is, was or is threatened to be made, a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person was a director, officer, employee or agent of such corporation, or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by any such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he reasonably believed to be in or

Edgar Filing: CENTRAL FEDERAL CORP - Form S-8

not opposed to the corporation's best interests and that no indemnification is permitted without judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation.

Where an officer, director, employee or agent is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him against expenses (including attorneys' fees) actually and reasonably incurred in connection therewith.

The determination that indemnity is proper in the circumstances, because the director or officer has met the applicable standard of conduct, shall be made in each specific case by a majority of the directors who are not parties to the action, by a committee of directors designated by a majority of such non-party directors, by independent legal counsel in a written opinion (if there are no non-party directors or at the request of a majority of the non-party directors) or by a majority vote of the outstanding shares of Common Stock.

The indemnification and advancement of expenses authorized by Section 145 is not exclusive of other such rights under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, and a corporation is expressly authorized to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, arising out of his status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Section 102(b)(7) of Delaware Law enables a corporation, by provision in its Certificate of Incorporation, to limit or eliminate the personal liability of a director to the corporation and its stockholders for breach of fiduciary duty, except with respect to (i) any breach of the duty of loyalty to the Company or its stockholders, (ii) any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law, (iii) certain transactions under Section 174 of Delaware Law, which concerns unlawful payments of dividends, stock purchases or redemptions or (iv) any transaction from which the director receives a personal benefit in money, property or services to which the director is not legally entitled.

Certificate of Incorporation

As permitted by Section 145, Article Tenth of the Company's Certificate of Incorporation, as amended (the "Charter"), provides that any director or officer of the Company or any person who is or was serving, at the request of the Company, as a director, officer, employee or agent of another corporation or partnership, joint venture, trust or other enterprise, including service with respect to an employee benefit plan, shall be indemnified and held harmless by the Company to the fullest extent permitted by Delaware Law, as the same exists or may hereafter be amended (but in the case of any such amendment only to the extent that such amendment permits the Company to provide broader indemnification rights than Delaware Law permitted the Company to provide prior to amendment).

Such indemnification extends to any expense, liability or loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts

Edgar Filing: CENTRAL FEDERAL CORP - Form S-8

paid in settlement) reasonably incurred or suffered by the indemnified person. Article Tenth also provides for the advancement of expenses to be incurred in connection with the defense of any claim; provided, however, that if Delaware Law so requires, an advancement of expenses in connection with a claim made with respect to service as a director or officer will be provided only if the indemnified director or officer undertakes in writing to repay all amounts advanced if it is ultimately determined by final judicial decision that he is not entitled to be indemnified for such expenses.

The right to indemnification under Article Tenth is not exclusive of any other right the indemnified person may have or acquire under any statute, agreement, vote of stockholders or otherwise, to the extent permitted by Delaware Law.

Finally, Article Tenth provides that the Company may grant to any employee or agent to the fullest extent permitted by Delaware Law the rights of indemnification and advancement of expenses available to directors and officers under Article Tenth.

As permitted by Section 102(b)(7), Article Eleventh of the Charter provides that no director of the Company shall be personally liable to the Company or its stockholders for monetary damages for breach of fiduciary duty except with respect to (i) any breach of the duty of loyalty to the Company or its stockholders, (ii) any act or omission not in good faith or which involved intentional misconduct or a knowing violation of law, (iii) certain transactions under Section 174 of Delaware Law, which concerns unlawful payments of dividends, stock purchases or redemptions or (iv) any transaction from which the director derived an improper personal benefit.

Insurance

The Company also maintains insurance covering certain liabilities of the directors and the elected and appointed officers of the Company and its subsidiaries, including liabilities under the Securities Act.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

See the Exhibit Index at Page E-1 of this Registration Statement.

Item 9. Undertakings

A. The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high

Edgar Filing: CENTRAL FEDERAL CORP - Form S-8

end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Sections 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- B. The undersigned registrant undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Sections 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
