### ITEM 4. DESCRIPTION OF SECURITIES

Not Applicable.

### ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not Applicable.

### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Under the Canada Business Corporations Act (the "CBCA"), the registrant may indemnify a present or former director or officer of the registrant or another individual who acts or acted at the registrant's request as a director or officer or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by such individual in respect of any civil, criminal, administrative or investigative action, suit or proceeding (a "Proceeding") to which such individual is made a party by reason of such individual's association with the registrant or other entity and

2

provided that such individual acted honestly and in good faith with a view to the best interests of the registrant or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the registrant's request and, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that such individual's conduct was lawful. The indemnification may be made in connection with a derivative action only with court approval. Any of the individuals described in the first sentence of this paragraph is entitled to indemnification from the registrant as a matter of right if he or she was substantially successful on the merits and fulfilled the conditions set forth above.

Ballard has entered into an indemnity agreement with each director, officer or employee of Ballard providing that if such director, officer or employee is or was involved in any threatened, pending or completed Proceeding by reason of the fact that such director, officer or employee is or was a director or officer of Ballard or is or was serving at the request of Ballard as a director or officer of another entity, including service with respect to employee benefit plans, whether the basis of such Proceeding is an alleged action in an official capacity while serving as a director or officer, such director, officer or employee will be indemnified and held harmless by Ballard to the fullest extent authorized by and in the manner set forth in the CBCA against all expense, liability and loss reasonably incurred or suffered by such director, officer or employee in connection therewith. Under such

## Edgar Filing: BALLARD POWER SYSTEMS INC - Form S-8

indemnity agreements, Ballard may indemnify any of its directors, officers or employees in connection with a Proceeding (or part thereof) initiated by such director, officer or employee only if such Proceeding (or part thereof) is authorized by the board of directors of Ballard or if such Proceeding is a successful Proceeding, in whole or in part, by a director, officer or employee for claims under an indemnity agreement.

The CBCA provides that the registrant may, subject to and in accordance with the CBCA, purchase and maintain insurance for the benefit of any of the individuals described in the first sentence of the first paragraph of this Item 6 against any liability incurred by such individual in such individual's capacity as a director or officer of the registrant or as a director or officer, or similar capacity, of another entity at the registrant's request.

Ballard maintains a policy of directors' and officers' liability insurance. The policy insures (a) the directors and officers of Ballard against losses arising from claims against them for certain of their actual or alleged wrongful acts (as defined within the insurance policy), (b) Ballard for payments made pursuant to Ballard's indemnification of its directors and officers and (c) Ballard when it is directly named in a securities claim. The policy provides a maximum coverage in any one policy year of U.S. \$35 million in annual claims (subject to a deductible of U.S. \$200,000 to U.S. \$500,000 per claim, payable by Ballard). The annual premium in the current fiscal year is U.S. \$1,247,000. The premiums for the policy are not allocated between directors and officers as separate groups.

### ITEM 9. UNDERTAKINGS

- (a) The undersigned registrant hereby undertakes:
- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
  - (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
