Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 15, 2014, all of the common stock of UNS Energy Corporation (UNS Energy), the parent of Tucson Electric Power Company (TEP), was acquired by Fortis Inc. (Fortis). Kevin P. Larson, Senior Vice President and Chief Financial Officer of UNS Energy and TEP, is party to a change in control agreement with UNS Energy. The acquisition of UNS Energy by Fortis constitutes a change in control under the agreement and may allow Mr. Larson to terminate his employment with UNS Energy and TEP for good reason as a result of a material, adverse diminution of his authority, duties, or responsibilities and receive change in control severance benefits.

On November 13, 2014, UNS Energy and Mr. Larson entered a retention bonus agreement, the terms of which were approved by the Human Resources and Governance Committee of UNS Energy. The retention bonus agreement amends the change in control agreement to provide that changes in Mr. Larson's responsibilities that occurred as a result of the acquisition of UNS Energy by Fortis, Inc., or that may occur for succession purposes based on a future mutually-agreed transition process, shall not constitute Good Reason for Mr. Larson to terminate his employment and receive benefits under the change in control agreement. As consideration therefore and for Mr. Larson's continued employment for one year, Mr. Larson will receive a cash retention bonus of \$250,000. If Mr. Larson terminates his employment, or if his employment is terminated for cause, within one year following the execution of the retention bonus agreement, Mr. Larson will be required to repay, on a pro-rated basis, the retention bonus.

Copies of the retention bonus agreement are filed herewith as Exhibit 10(a).
