(the Company ) approved an amendment to our Shareholder Rights Agreement dated as of June 23, 2009 (the Rights Amendment ), to exempt affiliates and associates of AWM Investments Company, including but not limited to Special Situations Technology Fund, L.P., Special Situations Technology Fund II, L.P., and Special Situations Private Equity Fund, L.P., from purchasing shares of the Company's common stock in the public offering announced on March 22, 2012, so long as such purchasers and their affiliates and associates do not at any time beneficially own shares of our common stock equaling or exceeding three percent more than the percentage of the then outstanding shares of common stock beneficially owned by such purchasers and their affiliates and associates immediately following the closing of the offering. As a result, such ownership by any such purchaser will not trigger the exercisability of the preferred share purchase rights that would give each holder the right to receive upon exercise one ten-thousandth of a share of our Series A Junior Participating Cumulative Preferred Stock.
