Each share of common stock is being sold together with a warrant for the combined purchase price of \$1.40, minus underwriting discounts and commissions. The common stock and warrants will separate immediately. The warrants are immediately exercisable and expire on October 17, 2014. Every four warrants entitle the holder to purchase one share of the Company's common stock at a price of \$1.58 per share. No market exists for the warrants and a market for the warrants may never develop. The offering is expected to close on or about April 17, subject to customary closing conditions.

Pursuant to the Underwriting Agreement, subject to certain exceptions, the Company, and its directors and officers have agreed not to sell or otherwise dispose of any of the Company's common stock held by them for a period ending 60 days after the date of the Underwriting Agreement without first obtaining the written consent of Underwriters, as representative of the Underwriters, subject to certain exceptions.

The Underwriting Agreement contains customary representations, warranties, and agreements by the Company, and customary conditions to closing, indemnification obligations of the Company and the Underwriters, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties, and termination provisions. The representations, warranties and covenants contained in the Underwriting Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to such agreement, and may be subject to limitations agreed upon by the contracting parties. These representations, warranties and covenants are not factual information to investors about the Company.
