INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE
REQUESTED NOT TO SEND A PROXY

INTRODUCTION

This Information Statement is being furnished to our stockholders (Piezo Instruments, Inc., a Utah corporation [the "Company," "Piezo," "we", "our" or "us" or words or similar import]), regarding amendments to our Articles of Incorporation that will change our name to "Omni Medical Holdings, Inc."; will authorize our Company's stockholders to take action without a meeting in accordance with the 1992 amendments to the Utah Revised Business Corporation Act (the "Utah Law"), and that will remove the requirement of our Board of Directors to approve transfers of our Company's authorized securities that is presently contained in our Articles of Incorporation.

These amendments have been unanimously adopted by our Board of Directors, and the majority stockholders (the "Majority Stockholders") of our Company that are named under the heading "Security Ownership of Principal Holders and Management" of the caption "Voting Securities and Principal Holders Thereof," below, have agreed to vote in favor of these amendments at the special meeting of the stockholders set for October 13, 2003, as outlined in the Notice of Special Meeting of Stockholder attached hereto as Appendix A. The Majority Stockholders own 9,053,811 shares or approximately 84.1% of our outstanding voting securities. No other votes are required or necessary to adopt these amendments, and none are being solicited hereunder. See the caption "Amendment to the Articles of Incorporation and Vote Required for Approval," herein.

These amendments to our Articles of Incorporation is as follows:

ARTICLE I

NAME

The name of the corporation is "Omni Medical Holdings, Inc."

APPROXIMATE DATE OF MAILING: October 3, 2003.

Article IX

TRANSFER RESTRICTIONS

(Delete)

Shares of stock in this corporation shall not be transferred or sold until the sale or transfer shall have been reported to the Board of Directors and unanimously approved by them.

Article IX

STOCKHOLDER ACTION WITHOUT MEETING

Edgar Filing: PIEZO INSTRUMENTS INC - Form DEF 14C

(New)

Any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take the action at a meeting at which all shares entitled to vote thereon were entitled to be present and to vote.

(End of Amendment)

These are the only matters covered by this Information Statement.

REASONS FOR AMENDMENTS

The name change in Article I is being effected because of our recent acquisition of Omni Medical of Nevada, Inc. See the heading "Contractual Arrangements Regarding Changes in Control" of the caption "Voting Securities and Principal Holders Thereof," below.

The present Article IX that requires the Board of Directors to approve all stock transfers is superfluous since our Board of Directors has designated a transfer agent to effect our stock transfers, and it should be deleted. Further, such a provision is not warranted for a publicly-held company.

The new Article IX regarding taking action without a meeting by stockholders is very important to us. Until 1992, Utah Law required that any action taken by stockholders without a meeting must have been approved by all of the stockholders of any class entitled to vote at the meeting unless the Articles of Incorporation provided otherwise. In 1992, Utah Law was amended to allow this action by any corporation formed after the adoption of these amendments, and any corporation formed prior to these amendments if the proposal was submitted to a vote of the corporation's stockholders. This provision of Utah Law is not believed to be conducive to conducting the business of a publicly-held company like our Company. With the proposed amended Article IX provision, we could solicit a limited number of consents (less than 10) for a particular action requiring a vote of our stockholders to ensure its adoption without going to the expense of a proxy statement, and then advise the stockholders of the approval and effective date of the action in an information statement filed with the Securities and Exchange Commission and then mailed to our stockholders.

DISSENTERS' RIGHTS

There are no dissenters' rights applicable to the amendment to our Articles of Incorporation.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

No director, executive officer, nominee for election as a director, associate of any director, executive officer or nominee or any other person has any substantial interest, direct or indirect, by security holdings or otherwise, in the proposed amendments to our Articles of Incorporation which is not shared by all other stockholders.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Voting Securities.

Edgar Filing: PIEZO INSTRUMENTS INC - Form DEF 14C

The securities that would have been entitled to vote if a meeting was required to have been held regarding this amendment to our Articles of Incorporation consist of shares of our common stock. Each share of our common stock is entitled to one vote. The number of outstanding shares of our common stock at the close of business on September 17, 2003, the record date for determining our stockholders who would have been entitled to notice of and to vote on the amendment to our Articles of Incorporation, was 10,760,849.

Security Ownership of Principal Holders and Management.

The following table sets forth certain information as of September 17, 2003, regarding current beneficial ownership of the shares of our common stock by (i) each person known by us to own more than 5% of the outstanding shares of our common stock, (ii) each of our executive officers and directors, and (iii) all of our executive officers and directors as a group. Except as noted, each person has sole voting and sole investment or dispositive power with respect to the shares shown. The information presented is based upon 10,760,849 outstanding shares of common stock.

Totals:		9,053,811	84.1%

* LHM Trading is a business entity controlled by Arthur D. Lyons, the President, CEO, Secretary and a Director of our Company.

Contractual Arrangements Regarding Changes in Control.

Effective as of September 5, 2003, our Company; Omni Medical of Nevada, Inc., a Nevada corporation ("Omni"), and the stockholders of Omni (the "Omni Stockholders"), executed an Agreement and Plan of Reorganization (the "Reorganization Agreement"), whereby we agreed to acquire 100% of the issued and outstanding shares of common stock of Omni in exchange for 16,000,000 post-split shares of our common stock or approximately 88.8% of our post-Reorganization Agreement outstanding securities.

By virtue of (i) the percentage of our Company acquired under the Reorganization Agreement by the Omni Stockholders; and (ii) the subsequent resolutions of our Board of Directors that provided for the election of the current directors and executive officers of Omni to our Board of Directors and the resignation of our current directors and executive officers, in seriatim, the Reorganization Agreement is deemed to have involved a "change of control" of our Company.

Edgar Filing: PIEZO INSTRUMENTS INC - Form DEF 14C

The source of the consideration used by the Omni Stockholders to acquire their respective interests in our Company was the exchange of common stock of Omni.

The primary basis of the "control" by Omni is stock ownership and/or management positions.

On the closing of the Reorganization Agreement, and excluding the securities to be exchanged for the Omni common stock, our outstanding common stock amounted to approximately 2,000,000 shares or approximately 11.1% of the post-Reorganization Agreement outstanding common stock of our Company; we acquired the shares of the majority stockholders of Omni and exchanged 9,053,811 shares of the 16,000,000 post-split shares to be issued to the Omni Stockholders pursuant to the Reorganization Agreement, resulting in Omni becoming a majority-owned subsidiary of our Company. We will attempt to complete the acquisition of the remaining shares of Omni within the next thirty (30) days.

Accordingly, and assuming all of the Omni Stockholders become party to the Reorganization Agreement, there will be 18,000,000 post-Agreement outstanding shares of our common stock.
