## Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

The proposals set forth in the enclosed proxy statement are routine items. A routine item is one which occurs annually and makes no fundamental or material changes to a fund's investment objectives, policies or restrictions, or to the investment management contracts.

Elect your fund's Board of Trustees

Proposal number one asks you to elect three Trustees to serve until their respective successors are elected and qualified. Your proxy statement includes a brief description of each nominee's background.

Ratify the Trustees' selection of public accountants

Proposal number two asks you to ratify or reject the Trustees' selection of Deloitte & Touche LLP as the fund's independent public accountants for the fund's current fiscal year. Deloitte & Touche LLP has been the fund's independent public accountants since the fund's inception.

Your vote is important!

Please complete the enclosed proxy ballot form, sign it and mail it to us immediately. For your convenience, a postage-paid return envelope has been provided. Your prompt response will help avoid the cost of additional mailings at your fund's expense.

If you have any questions, please call 1-800-852-0218, Monday through Friday, between 9:00 A.M. and 7:00 P.M., Eastern Time.

Record Ownership

The Trustees have fixed the close of business on January 12, 2004 as the record date to determine which shareholders are entitled to vote at the meeting. Shareholders are entitled to one vote per share on all business relating to the fund at the annual meeting or any postponements. On the record date, there were 84,400,000 shares of beneficial interest of the fund outstanding.

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

The fund's management does not know of anyone who beneficially owned more than 5% of the fund's shares outstanding on the record date except for Deutsche Bank AK, 31 West 52nd Street, New York, NY 10019, which holds 7.662%. (Beneficial ownership means voting power and/or investment power, which includes the power to dispose of shares.)

PROPOSAL 1

ELECTION OF TRUSTEES

General

The fund's Board of Trustees consists of eleven members. The Board is divided into three staggered term classes, two containing four Trustees each and one containing three Trustees. The term of one class expires each year, and no term continues for more than three years after the applicable election. Each class of Trustees will stand for election at the conclusion of their respective three-year terms. Classifying the Trustees in this manner may prevent replacement of a majority of the Trustees for up to a two-year period.

As of the date of this proxy, each nominee for election currently serves as a Trustee of the fund. Using the enclosed proxy card, you may authorize the proxies to vote your shares for the nominees or you may withhold

1

from the proxies authority to vote your shares for one or more of the nominees. If no contrary instructions are given, the proxies will vote FOR the nominees. Each of the nominees has consented to his or her nomination and has agreed to serve if elected. If, for any reason, any nominee should not be available for election or able to serve as a Trustee, the proxies will exercise their voting power in favor of a substitute nominee, if any, as the fund's Trustees may designate. The fund has no reason to believe that it will be necessary to designate a substitute nominee.

Proposal 1

Ms. McGill Peterson and Messrs. Pruchansky and Smith are the current nominees for election.

Vote Required For Proposal 1

The vote of a plurality of the votes cast by the shares of the fund is sufficient to elect the nominees.

Information Concerning Trustees

The following table sets forth certain information regarding the nominees for election to the Board. The table also shows his or her principal occupation or employment and other directorships during the past five years and the number of John Hancock funds overseen by the Trustees. The table also lists the Trustees who are not currently standing for election: The term of Messrs. Carlin, Cunningham, DeCiccio and Toolan will expire at the 2005 annual meeting, and the term of Ms. Ford Goldfarb, Messrs. Dion, Ladner and Moore will expire at the 2006 annual meeting.

Vice President and  
Compliance Officer

John Hancock Funds, LLC.

- (1) Business address for independent and interested Trustees and officers is 101 Huntington Avenue, Boston Massachusetts 02199.

The fund's Board of Trustees currently has four standing Committees: The Audit Committee, the Administration Committee, the Contracts/Operations Committee and the Investment Performance Committee. Each Committee is comprised of Independent Trustees who are not "interested persons."

The Board of Trustees held six meetings during the fund's fiscal year ended October 31, 2003. No Trustees, except Mr. DeCiccio, attended fewer than 75% of the aggregate of (i) the total number of meetings of the Trustees of the fund and (2) the total number of meetings held by all committees of the Trust on which they serve. Mr. DeCiccio attended more than 50% of the meetings.

The Board of Trustees has an Audit Committee consisting of Messrs. Ladner, Moore and Toolan and Ms. McGill Peterson. All members of the Audit Committee are Independent under the New York Stock Exchange's Revised Listing Rules, and each member is financially literate with at least one having accounting or financial management expertise. The Board has adopted a written charter for the Audit Committee, which is attached as Exhibit A. The Audit Committee held four meetings during the fund's 2003 fiscal year. The Audit Committee recommends to the full board the appointment of outside auditors for the fund, oversees and monitors the audit of the fund, communicates with both the independent auditors and inside auditors on a regular basis and provides a forum for the auditors to report and discuss any matters they deem appropriate at any time. The Audit Committee reports that it has (1) reviewed and discussed the fund's audited financial statements with management; (2) discussed with the independent auditors the matters relating to the quality of the fund's financial reporting as required by SAS 61;

7

- (3) received written disclosures and an independence letter from the independent auditors required by ISB Standard No. 1, and discussed with the auditors their independence; and (4), based on these discussions, recommended to the Board that the fund's financial statements be included in the fund's annual report for the last fiscal year.

The Board of Trustees has a Contracts/Operations Committee. The Contracts/Operations Committee members are Messrs. Carlin, Pruchansky and Smith. The Contract/Operations Committee held six meetings during the fund's 2003 fiscal year. The Contracts/Operations Committee oversees the initiation, operation and renewal of the various contracts between the fund and other entities. These contracts include advisory and subadvisory agreements, custodial and transfer arrangements and arrangements with other service providers.

The Board of Trustees has an Investment Performance Committee. The Investment Performance Committee members are Messrs. Cunningham and Dion. The Investment Performance Committee held four meetings during the fund's 2003 fiscal year. The Investment Performance Committee monitors and analyzes the performance of the fund generally, consults with the Adviser as necessary with respect to matters considered to require special attention and reviews peer groups and other comparative standards as necessary.

The Board of Trustees has an Administration Committee, which among other things, serves as a nominating committee. The Administration Committee members

## Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

are Messrs. Carlin, Cunningham, Dion, Ladner, Moore, Purchansky, Smith, Toolan and Ms. McGill Peterson. All members of the Administration Committee are independent under the New York Stock Exchange's Revised Listing Rules and are not interested persons, as defined in the Investment Company Act of 1940, as amended, of John Hancock or the Fund (the "Independent Trustees"). The Board has adopted a written charter for the Administration Committee, which is attached as Exhibit B to this proxy statement. The Administration Committee held six meetings during the Fund's 2003 fiscal year. The Administration Committee selects and nominates for appointment and election candidates to serve as Trustees who are Independent Trustees. The Trustees who are not Independent Trustees and the officers of the Fund are nominated and selected by the Board.

The Administration Committee does not have at this time formal criteria for the qualifications of candidates to serve as an Independent Trustee, although the Administration Committee may develop them in the future. In reviewing a potential nominee and in evaluating the renomination of current Independent Trustees, the Administration Committee has historically applied the following criteria: (i) the nominee's reputation for integrity, honesty and adherence to high ethical standards, (ii) the nominee's business acumen, experience and ability to exercise sound judgments, (iii) a commitment to understand the Fund and the responsibilities of a trustee of an investment company, (iv) a commitment to regularly attend and participate in meetings of the Board and its committees, (v) the ability to understand potential conflicts of interest involving management of the Fund and to act in the interests of all shareholders, and (vi) the absence of a real or apparent conflict of interest that would impair the nominee's ability to represent the interests of all the shareholders and to fulfill the responsibilities of an Independent Trustee. The Administration Committee does not necessarily place the same emphasis on each criteria and each nominee may not have each of these qualities. The Administration Committee does not discriminate on the basis of race, religion, national origin, sex, sexual orientation, disability or any other basis proscribed by law.

As long as an existing Independent Trustee continues, in the opinion of the Administration Committee, to satisfy these criteria, the Fund anticipates that the Committee would favor the renomination of an existing Trustee rather than a new candidate. Consequently, while the Administration Committee will consider nominees recommended by shareholders to serve as trustees, the Administration Committee may only act upon such recommendations if there is a vacancy on the Board or the Administration Committee determines that the selection of a new or additional Independent Trustee is in the best interests of the Fund. In the event that a vacancy arises or a change in Board membership is determined to be advisable, the Administration Committee will, in addition to

8

any shareholder recommendations, consider candidates identified by other means, including candidates proposed by members of the Administration Committee. While it has not done so in the past, the Administration Committee may retain a consultant to assist the Committee in a search for a qualified candidate.

Any shareholder recommendation must be submitted in compliance with all of the pertinent provisions of Rule 14a-8 under the Securities Exchange Act of 1934 to be considered by the Administration Committee. In evaluating a nominee recommended by a shareholder, the Administration Committee, in addition to the criteria discussed above, may consider the objectives of the shareholder in submitting that nomination and whether such objectives are consistent with the interests of all shareholders. If the Board determines to include a shareholder's candidate among the slate of nominees, the candidate's name will be placed on the Fund's proxy card. If the Administration Committee or the Board

## Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

determines not to include such candidate among the Board's designated nominees and the shareholder has satisfied the requirements of Rule 14a-8, the shareholder's candidate will be treated as a nominee of the shareholder who originally nominated the candidate. In that case, the candidate will not be named on the proxy card distributed with the Fund's proxy statement. Each of the nominees for election as Trustee was recommended by the Administration Committee.

Shareholders may communicate with the members of the Board as a group or individually. Any such communication should be sent to the Board or an individual Trustee c/o the secretary of the Fund at the address on the notice of this meeting. The Secretary may determine not to forward any letter to the members of the Board that does not relate to the business of the Fund. Ms. Ford Goldfarb typically attends shareholder meetings and other members of the Board may, but generally do not, attend.

- (1) The amounts reflect the aggregate dollar range of equity securities beneficially owned by the Trustees in the fund and in all John Hancock funds overseen by each Trustee. For each Trustee, the amounts reflected include share equivalents of certain John Hancock funds in which the Trustee is deemed to be invested pursuant to the Deferred Compensation Plan for Independent Trustees, as more fully described under "Remuneration of Officers and Trustees". The information as to beneficial ownership is based on statements furnished to the fund by the Trustees. Each of the Trustees has all voting and investment powers with respect to the shares indicated.

## Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

None of the Trustees beneficially owned individually, and the Trustees and executive officers of the funds as a group did not beneficially own, in excess of one percent of the outstanding shares of any fund.

### Compliance with Section 16(a) Reporting Requirements

Section 16(a) of the Securities Exchange Act of 1934 requires the fund's executive officers, Trustees and persons who own more than 10% of the fund's shares ("10% Shareholders") to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). Executive officers, Trustees and 10% Shareholders are required by SEC regulations to furnish the fund with copies of all Section 16(a) forms they file. Based solely on a review of the copies of these reports furnished to the fund and representations that no other reports were required to be filed, the fund believes that during the past fiscal year its executive officers, Trustees and 10% Shareholders complied with all applicable Section 16(a) filing requirements.

10

### Remuneration of Trustees and Officers

The following table provides information about the compensation paid by the fund and the other investment companies in the John Hancock fund complex to the Independent Trustees for their services for the year ended October 31, 2003. The two non-Independent Trustees, Ms. Ford Goldfarb and Mr. DeCiccio, and each of the fund's officers are interested persons of the Adviser, are compensated by the Adviser and/or its affiliates and receive no compensation from the fund for their services.

Plan for Independent Trustees (the "Plan"). Under the Plan, an Independent Trustee may elect to have his or her deferred fees invested by a fund in shares of one or more funds in the John Hancock fund complex and the amount paid to the Trustees under the Plan will be determined based upon the performance of such investments. Deferral of Trustees' fees does not obligate the fund to retain the services of any Trustee or obligate the fund to pay any particular level of compensation to the Trustee.

### Material Relationships of the Independent Trustees

As of December 31, 2003, none of the Independent Trustees, nor any immediate family member, owns shares of John Hancock Advisers, LLC (the "investment adviser") or a principal underwriter of the Fund, nor does any such person own shares of a company controlling, controlled by or under common control with, the investment adviser or a principal underwriter of the fund.

There have been no transactions by the fund since the beginning of the fund's last two fiscal years, nor are there any transactions currently proposed, in which the amount exceeds \$60,000, and in which any trustee of the fund or any immediate family members has or will have a direct or indirect material interest, nor have any of the foregoing persons been indebted to the fund in an amount in excess of \$60,000 at any time since that date.

No Independent Trustee, nor any immediate family member has had, in the past five years, any direct or indirect interest, the value of which exceeds \$60,000, in the investment adviser, a principal underwriter of the fund or in a person (other than a registered investment company) directly or indirectly controlling, controlled by

11

or under common control with, the investment adviser or principal underwriter of the fund. Moreover, no Independent Trustee or immediate family member has, or has had in the last two fiscal years of the fund, any direct or indirect relationships or material interest in any transaction or in any currently proposed transaction, in which the amount involved exceeds \$60,000, in which the following persons were or are a party: the fund, an officer of the fund, any investment company sharing the same investment adviser or principal underwriter as the fund or any officer of such a company, any investment adviser or principal underwriter of the fund or any officer of such a party, any person directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the fund, or any officer of such a person.

Within the last two completed fiscal years of the fund, no officer of any investment adviser or principal underwriter of the fund or of any person directly or indirectly controlling, controlled by or under common control with, the investment adviser or principal underwriter of the fund, has served as a director on a board of a company where any of the Independent Trustees or nominees of the fund, or immediate family members of such persons, has served as an officer.

### Legal Proceedings

There are no material pending legal proceedings to which any trustee or affiliated person is a party adverse to the fund or any of its affiliated persons or has a material interest adverse to the fund or any of its affiliated persons. In addition, there have been no legal proceedings that are material to an evaluation of the ability or integrity of any trustee or executive officer of the fund within the past five years.

PROPOSAL 2

RATIFICATION OF SELECTION OF  
THE INDEPENDENT PUBLIC ACCOUNTANTS

The Trustees, including a majority of the Independent Trustees, have selected Deloitte & Touche LLP ("Deloitte & Touche") to act as independent public accountants for the fund's fiscal year ending October 31, 2004.

The following table sets forth the aggregate fees billed by the independent accountants for the fund's 2003 and 2002 fiscal years for professional services rendered for: (i) the audit of the fund's annual financial statements and the review of financial statements included in the fund's reports to stockholders; (ii) assurance and related services that are reasonably related to the audit of the Fund's financial statements, (iii) tax compliance, tax advice or tax planning and (iv) all services other than (i), (ii) and (iii). The table also discloses the aggregate fees paid during the 2002 and 2003 fiscal years to the Funds, independent accountants by John Hancock Advisers, LLC and any entity controlling, controlled by or under common control with John Hancock Advisers, LLC to the extent that the engagement relates directly to the operations and financial reporting of registered investment companies (the "Adviser and Adviser Affiliates").

	Audit fees		Audit-related fees		Tax fees	
	2002	2003	2002	2003	2002	2003
Bank and Thrift Opportunity .....	\$35,150	\$35,150	\$0	\$0	\$2,100	\$2,100
The Adviser and Adviser Affiliates .....	\$ 0	\$ 0	\$0	\$0	\$ 0	\$ 0

The Fund's Audit Committee has adopted procedures to pre-approve audit and non-audit services for the Funds and the Adviser and Adviser Affiliates. These procedures identify certain types of audit and non-audit services that are anticipated to be provided by Deloitte & Touche during a calendar year and, provided the services are within the scope and value standards set forth in the procedures, pre-approve those engagements. The scope and value criteria are reviewed annually. These procedures require both audit and non-audit sources to be approved by the Audit Committee prior to Deloitte & Touche being engaged. In recommending Deloitte & Touche as the Fund's independent accountants, the Audit Committee has considered the compensation provided to Deloitte & Touche for audit and non-audit services to the Adviser and Adviser Affiliates and has determined that such compensation is not incompatible with maintaining Deloitte & Touche's independence. The aggregate amount of non-audit fees paid by the Fund, the Adviser and an Advisor Affiliate that provide services to the Fund were \$2,100 and \$190,913 for the fiscal years ending October 31, 2002 and 2003.

Deloitte & Touche has advised the fund that it has no direct or indirect financial interest in the fund. This selection is subject to the approval by the shareholders of the fund at the meeting. The enclosed proxy card provides space for instructions directing the proxies named on the proxy card to vote for, against, or abstain from, ratifying that selection. A representative of Deloitte & Touche is expected to be present at the meeting, will have the opportunity to

Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

make a statement if the representative desires to do so and will be available to respond to appropriate questions relating to the examination of the fund's financial statements.

The Board of Trustees, including all the Independent Trustees, unanimously recommends that shareholders ratify the selection of Deloitte & Touche as independent public accountants of the fund for the fiscal year ending October 31, 2004.

Vote Required to Ratify the Selection of Independent Public Accountants

The approval of a "majority" of the shares of the fund is required to ratify the selection of Deloitte & Touche as such fund's independent public accountants.

MISCELLANEOUS

Voting; Quorum; Adjournment

The following vote is required to approve each respective proposal:

Proposal	Vote Required
Election of Trustees (Proposal 1)	A plurality of all votes cast, assuming a quorum exists.* A "plurality" means that the three nominees up for election receiving the greatest number of votes will be elected as trustees, regardless of the number of votes cast.
Ratification of Public Accountants (Proposal 2)	The affirmative vote of more than 50% of the votes cast, assuming a quorum exists.*

\* In order for a "quorum" to exist, a majority of the shares outstanding and entitled to vote must be present at the meeting, either in person or by proxy, determined in accordance with the table below.

Proposals 1 and 2 in this proxy statement are considered routine matters on which brokers holding shares in "street name" may vote without instruction under the rules of the New York Stock Exchange.

The following table summarizes how the quorum and voting requirements are determined.

Shares	Quorum	Voting
In General	All shares "present" in person or by proxy are counted in determining whether a quorum exists.	Shares present in person will be person by the shareholder at the Shares present by proxy will be the proxyholder in accordance with instructions supplied in the pr

## Edgar Filing: HANCOCK JOHN BANK & THRIFT OPPORTUNITY FUND - Form DEF 14A

Broker Non-Vote	Considered "present" at meeting.	Not voted. Same effect as a vote on a proposal.
Proxy with No Voting Instruction (other than Broker Non-Vote)	Considered "present" for determining whether a quorum exists.	Will be voted "for" the proposal by the proxyholder.
Vote to Abstain	Considered "present" for determining whether a quorum exists.	Disregarded. Because abstentions are not counted as votes "cast," abstentions will have no effect on whether a proposal is adopted.

If a quorum is not present, the persons named as proxies may vote their proxies to adjourn the meeting to a later date. If a quorum is present, but there are insufficient votes to approve any proposal, the persons named as proxies may propose one or more adjournments of the meeting to permit further solicitation. Shareholder action may be taken on one or more proposals prior to such adjournment. Proxies instructing a vote for a proposal will be voted in favor of an adjournment with respect to that proposal, and proxies instructing a vote against a proposal will be voted against an adjournment with respect to that proposal.

### Expenses and Methods of Solicitation

The costs of the meeting, including the solicitation of proxies, will be paid by the fund. Persons holding shares as nominees will be reimbursed by the fund, upon request, for their reasonable expenses in sending soliciting material to the principals of the accounts. In addition to the solicitation of proxies by mail, Trustees, officers and employees of the fund or of the fund's adviser may solicit proxies in person or by telephone. John Hancock Advisers, LLC, 101 Huntington Avenue, Boston, Massachusetts 02199-7603, serves as the fund's investment adviser and administrator. Mellon Investors Services LLC has been retained to assist in the solicitation of proxies at a cost of approximately \$5,000, plus reasonable expenses.

### Telephone Voting

In addition to soliciting proxies by mail, by fax or in person, the fund may also arrange to have votes recorded by telephone by officers and employees of the fund or by the personnel of the adviser or the transfer agent or solicitor. The telephone voting procedure is designed to verify a shareholder's identity, to allow a shareholder to authorize the voting of shares in accordance with the shareholder's instructions and to confirm that the voting instructions have been properly recorded. If these procedures were subject to a successful legal challenge, the telephone votes would not be counted at the meeting. The fund has not obtained an opinion of counsel about telephone voting, but is currently not aware of any challenge.

- o A shareholder will be called on a recorded line at the telephone number in the fund's account records and will be asked to provide the shareholder's social security number or other identifying information.

14

- o The shareholder will then be given an opportunity to authorize proxies to vote his or her shares at the meeting in accordance with the shareholder's instructions.
- o To ensure that the shareholder's instructions have been recorded

correctly, the shareholder will also receive a confirmation of the voting instructions by mail.

- o A toll-free number will be available in case the voting information contained in the confirmation is incorrect.
- o If the shareholder decides after voting by telephone to attend the meeting, the shareholder can revoke the proxy at that time and vote the shares at the meeting.

Other Matters

The management of the fund knows of no business to be brought before the meeting except as mentioned above. If, however, any other matters were properly to come before the meeting, the persons named on the enclosed proxy card intend to vote on those matters in accordance with their best judgment. If any shareholders desire additional information about the matters proposed for action, the management will provide further information.

SHAREHOLDER PROPOSALS

Shareholder proposals intended to be presented at a fund's annual meeting in 2005 must be received by the fund at its offices at 101 Huntington Avenue, Boston, Massachusetts, after September 30, 2004, but no later than October 29, 2004, for inclusion in that fund's proxy statement and form of proxy relating to that meeting (subject to certain exceptions).

EXHIBIT A

JOHN HANCOCK FUNDS  
AUDIT COMMITTEE CHARTER

A. Composition. The Audit Committee shall be composed exclusively of Independent Trustees who are designated for membership from time to time by the Administration Committee. The Audit Committee shall be composed of at least three Independent Trustees who are free of any relationship that, in the opinion of the Administration Committee, may interfere with such member's individual exercise of independent judgment and are otherwise independent under any applicable rule or listing requirement. Each Audit Committee member shall also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related financial management expertise, all as set forth in applicable rules or listing requirements.

B. Overview. The Audit Committee's job is one of oversight. The Audit Committee shall discharge its responsibilities, and shall access the information provided by the funds' management and independent auditors, in accordance with its business judgment. Management is responsible for the preparation of the fund's financial statements and the independent auditors are responsible for auditing those financial statements. The Audit Committee and the Board of Trustees recognize that management (including the internal audit staff) and the independent auditors have more experience, expertise, resources and time, and

more detailed knowledge and information regarding a fund's accounting, auditing, internal control and financial reporting practices than the Audit Committee does. Accordingly, the Audit Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by a fund to its shareholders and others. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that any fund's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee any independent auditor's report.

C. Oversight. The independent auditors shall report directly to the Audit Committee, and the Audit Committee shall be directly responsible for oversight of the work of the independent auditors, including resolution of disagreements between any fund's management and the independent auditors regarding financial reporting.

D. Specific Responsibilities. The Audit Committee shall have the following duties and powers, to be exercised at such times and in such manner as the Committee shall deem necessary or appropriate:

1. To oversee the funds' auditing and accounting process.
  2. To approve, and recommend to the full Board of Trustees for its ratification and approval in accord with applicable law, the selection and appointment of an independent auditor for each fund prior to the engagement of such independent auditor.
  3. To pre-approve all audit and non-audit services provided to each fund by its independent auditor, directly or by establishing pre-approval policies and procedures pursuant to which such services may be rendered, provided however, that any such policies and procedures are detailed as to particular services, the Audit Committee is informed of each service, and any such policies and procedures do not include the delegation of the Audit Committee's responsibilities under the Securities Exchange Act of 1934 or applicable rules or listing requirements.
- 16
4. To pre-approve all non-audit services provided by a Fund's independent auditor to the Fund's investment adviser and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the Fund, if the engagement relates directly to the operations and financial reporting of the Fund.
  5. To monitor the independent auditor of each fund throughout the engagement to attempt to identify: conflicts of interest between management and the independent auditor as a result of employment relationships; the provision of prohibited non-audit services to a fund by its independent auditor; violations of audit partner rotation requirements; and prohibited independent auditor compensation arrangements whereby individuals employed by the auditor are compensated based on selling non-audit services to the fund.
  6. To meet with independent auditors, management's internal auditors, and the funds' senior management to review the form and substance of the funds' financial statements and reports.

7. To receive and consider reports on the audit functions of the independent auditors and the extent and quality of their auditing programs.
8. To oversee the adoption and implementation of any codes of ethics required under applicable law.
9. To assess each independent auditor's independence at least annually. In connection with this assessment, the Audit Committee shall obtain and review a report by the independent auditor describing all relationships between the independent auditor and each fund, including the disclosures required by any applicable Independence Standards Board Standard No. 1. The Audit Committee shall engage in an active dialogue with each independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.
10. To review and determine appropriate responses to any problems that may be reported to it arising out of a fund's accounting, auditing or financial reporting functions, and to receive and consider reports on critical accounting policies and practices and alternative treatments discussed with management.
11. To review, determine the appropriateness of and approve the auditing and other fees charged by the external auditing firms. The Audit Committee shall be empowered to cause the funds to pay the compensation of the independent auditors.
12. To review the procedures for allocating fund brokerage, the allocation of trades among various accounts under management and the fees and other charges for fund brokerage.
13. To receive and consider reports from the independent auditors regarding reviews of the operating and internal control structure of custodian banks and transfer agents, including procedures to safeguard fund assets.
14. To monitor securities pricing procedures and review their implementation with management, management's internal auditors, independent auditors and others as may be required.
15. To establish and monitor, or cause to be established and monitored, procedures for the receipt, retention, and treatment of complaints received by a listed fund regarding accounting, internal accounting controls, or auditing matters, and the confidential, anonymous submission by employees of a listed fund regarding questionable accounting or auditing matters, as and when required by applicable rules or listing requirements.

17

16. To review and discuss with each fund's management and independent auditor the funds' audited financial statements and the matters about which Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU [sec]380) requires discussion.
17. To consider, where required, whether it will recommend to the Board of Trustees of each fund that the fund's audited financial statements be included in the Company's annual report to shareholders.

18. To provide, where required, an annual committee report for inclusion in the proxy statement of each fund relating to any meeting of stockholders.

E. Subcommittees. The Audit Committee may, to the extent permitted by applicable law, form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. Any decision of a subcommittee to preapprove audit or non-audit services shall be presented to the full Audit Committee at its next meeting.

F. Additional Responsibilities. The Committee shall serve as the "qualified legal compliance committee" (as such term is defined in 17 CFR Part 205) ("QLCC"), the duties of which are listed on Attachment 1 to this Charter; and shall also perform other tasks assigned to it from time to time by the Administration Committee or the full Board, and will report findings and recommendations to the Administration Committee or the full Board, as appropriate.

G. Governance. One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling meetings or reviewing and approving the schedule for them, preparing agendas or reviewing and approving them before meetings, presiding over meetings, and making reports to the Administration Committee or the full Board, as appropriate. The designation of a person as an "audit committee financial expert", within the meaning of the rules under Section 407 of the Sarbanes-Oxley Act of 2002, shall not impose any greater responsibility or liability on that person than the responsibility and liability imposed on such person as a member of the Committee, nor shall it decrease the duties and obligations of other Committee members or the Board.

H. Miscellaneous. The Committee shall meet as often as it deems appropriate, with or without management, as circumstances require. The Committee shall have the resources and authority appropriate to discharge its responsibilities, including the authority to retain special counsel and other advisers, experts or consultants, at the funds' expense, as it determines necessary to carry out its duties. The Committee shall have direct access to such officers of and service providers to the funds as it deems desirable.

I. Review. The Committee shall review this Charter at least annually and shall recommend such changes to the Administration Committee or the full Board as it deems desirable.

Attachment 1

QUALIFIED LEGAL COMPLIANCE COMMITTEE ("QLCC")  
DUTIES AND RESPONSIBILITIES

- > The QLCC shall adopt written procedures for the confidential receipt, retention, and consideration of any report of evidence of a material violation.
- > The QLCC has the authority and responsibility, once a report of evidence of a material violation by a Fund, its officers, directors, employees or agents has been received by the QLCC:
  - (i) to inform the CLO and CEO of such report (except in the case where

the reporting attorney reasonably believes that it would be futile to report evidence of a material violation to the CLO and CEO, and has informed the QLCC of such belief); and

- (ii) to determine whether an investigation is necessary or appropriate, and, if it determines an investigation is necessary or appropriate, to:
  - (A) notify the full board of directors;
  - (B) initiate an investigation, which may be conducted either by the CLO or by outside attorneys; and
  - (C) retain such additional expert personnel as the QLCC deems necessary;

and, at the conclusion of such investigation, to:

- (A) recommend, by majority vote, that the Fund implement an appropriate response to evidence of a material violation; and
  - (B) inform the CLO and the CEO and the Board of Trustees of the results of any such investigation and the appropriate remedial measures.
- (iii) by majority vote, to take all other appropriate action, including notifying the U.S. Securities and Exchange Commission in the event that the Fund fails in any material respect to implement an appropriate response that the QLCC has recommended.
