ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 16, 2005, Oil-Dri Corporation of America ("Oil-Dri" or the "Company") sold at face value \$15,000,000 in senior promissory notes ("Notes") to The Prudential Insurance Company of America and to Prudential Retirement Insurance and Annuity Company pursuant to a Note Agreement dated December 16, 2005 (the "Note Agreement"). The Notes bear interest at 5.89% per annum and mature on October 15, 2015. The proceeds of the sale may be used to fund future principal payments of the Company's debt, acquisitions, stock repurchases, capital expenditures and for working capital purposes. The Company's payment obligations under the Notes are guaranteed fully and unconditionally by Oil-Dri Corporation of Georgia, Oil-Dri Production Company, Oil-Dri Corporation of Nevada, Mounds Production Company, LLC, Mounds Management, Inc, Blue Mountain Production Company, and Taft Production Company, each of which is a subsidiary of the Company.

The Note Agreement contains certain covenants that restrict the Company's ability and the ability of certain of the Company's subsidiaries to, among other things, (i) incur liens, (ii) incur indebtedness, (iii) merge or consolidate, (iv) sell assets, (v) sell stock of those certain subsidiaries, (vi) engage in business that would change the general nature of the business engaged in by the Company, and (vii) enter into transactions other than on "arm's length" terms with affiliates. In addition, the Note Agreement requires the Company to maintain a minimum fixed coverage ratio and minimum consolidated net worth. These limitations are subject to a number of important qualifications and exceptions.

Upon the occurrence of certain Events of Default (as defined in the Note Agreement) relating to the Company's default in the payment of any principal or yield maintenance amount when due or payable or the Company's default in the payment of any interest on any Note for more than five business days after the interest becomes due or payable, any holder of any Notes issued pursuant to the Note Agreement may declare at its option, by notice in writing to the Company, all principal and interest outstanding under the Notes held by such holder immediately due and payable. Upon the occurrence of certain Events of Default relating to orders for relief under bankruptcy or similar law, or the appointment of a custodian regarding a substantial part of assets, in respect of the Company or a significant subsidiary group, all principal and interest outstanding under the Notes together with the yield maintenance amount, will become immediately due and payable. Upon the occurrence of other Events of Default, any holder of more than 50% of the aggregate principal amount of the Notes issued pursuant to the Note Agreement ("Required Holder") may declare at its option, by notice in writing to the Company, all principal and interest outstanding under all of the Notes together with the yield maintenance amount immediately due and payable. At anytime after any of the Notes have been declared due pursuant to an event of default, a Required Holder may, by notice in writing to the Company, rescind such declarations and its consequences if (i) the Company has paid all overdue interest on the Notes, the principal and yield-maintenance amount payable with respect to any Notes which have become due otherwise than by reason of such declaration, and interest on such overdue principal and yield-maintenance amount at the default rate, (ii) the Company has

not paid any amounts which have become due solely by reason of such declaration, (iii) all Events of Default and Defaults, other than non-payment of amounts which have become due solely by reason of such declaration, have been cured or waived, and (iv) no judgment or decree has been entered for the payment of any amounts pursuant to the Notes of the Note Agreement.

The summary description of the Notes, the guarantees thereof and the Note Agreement set forth above, is qualified in its entirety by reference to the full and complete terms thereof contained in the Notes, the guarantees thereof and the Note Agreement filed as Exhibit 10.1 hereto.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

See the discussion under Item 1.01 above, which discussion is incorporated by reference herein.
