Item 5. Other Events and Regulation FD Disclosure.

Golden Cycle Gold Corporation inadvertently published a typographical error in the Notes to its Consolidated Financial Statements in its 2002 Annual Report to Shareholders.

Note (1), Summary of Significant Accounting Policies, paragraph (c), Short-Term Investments, states incorrectly: "Short-term investments also includes 310,000 troy ounces of gold bullion purchased by the Company in 2002."

The amount of troy ounces of gold bullion is misstated. The sentence should read: "Short-term investments also includes 310 troy ounces of gold bullion purchased by the Company in 2002."

The Notes to the Consolidated Financial Statements reported in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2002 are correct.
