- (1) Estimated solely for the purpose of determining the registration fee pursuant to Rule 457(h) under the Securities Act of 1933, as amended (the "Securities Act"), on the basis of the average high and low prices for the Registrant's common stock on the Nasdaq SmallCap Market on September 22, 2005.
- (2) Pursuant to Rule 416 under the Securities Act, this registration statement shall also cover such presently indeterminable number of additional shares of common stock which may become issuable under the Registrant's 2005 Equity Incentive Plan in the event of a merger, consolidation, reorganization, recapitalization, stock dividend, stock split, stock combination, or other similar changes in the common stock.
- (3) The rights are attached to the Registrant's common stock pursuant to a Rights Agreement dated as of February 27, 2003, as amended, between the Registrant and Computershare Trust Company, Inc. The value attributable to the rights, if any, is reflected in the value of the common stock and the registration fee for the rights is included in the fee for the common stock.
- (4) The 1,000,000 rights registered by this registration statement represent each right that may be issued in connection with each share of common stock issuable upon exercise of options or pursuant to awards granted or to be granted under the Registrant's 2005 Equity Incentive Plan. Such presently indeterminable number of additional rights are also registered by this registration statement as may be issued in the event of a merger, consolidation, reorganization, recapitalization, stock dividend, stock split or other similar changes in the common stock. The rights are not separately transferable apart from the Registrant's common stock, nor are they exercisable until the occurrence of certain events. Accordingly, no independent value has been attributed to the rights registered hereunder.

- (a) The Registrant's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2004 (the "Annual Report"), filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Edgar Filing: PRESSURE BIOSCIENCES INC - Form S-8

- (b) All other reports filed by the Registrant pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the Annual Report referred to in (a) above.
- (c) The description of (i) the Registrant's common stock contained in the Registrant's registration statement on Form 8-A (File No. 0-21615), filed under the Exchange Act with the Securities and Exchange Commission on October 26, 1996; and (ii) the Registrant's preferred share purchase rights contained in the Registrant's registration statement on Form 8-A (File No. 0-21615), filed under the Exchange Act with the Securities and Exchange Commission on March 12, 2003, including any amendments or reports filed for the purposes of updating such descriptions.

All documents filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, subsequent to the date hereof and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed hereby incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained herein or in any subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

3

Item 6. Indemnification of Directors and Officers.

The Registrant's Restated Articles of Organization, as amended (the "Articles"), eliminate, subject to certain exceptions, the personal liability of directors to the Registrant or its stockholders for monetary damages for breaches of fiduciary duties as directors. The Articles do not provide for the elimination of or any limitation on the personal liability of a director for (i) any breach of the director's duty of loyalty to the Registrant or its stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) certain unauthorized dividends, redemptions, or distributions, (iv) certain loans of the Registrant's assets to any of its officers or directors or (v) any transaction from which the director derived an improper personal benefit. This provision of the Articles will limit the remedies available to a stockholder in the event of breaches of any director's duties to such stockholder or to the Registrant.

The Articles provide that the Registrant may, either in its By-laws or by contract, provide for the indemnification of directors, officers, employees and agents, by whomever elected or appointed, to the full extent permitted by law as the law may be amended from time to time.

Edgar Filing: PRESSURE BIOSCIENCES INC - Form S-8

The Registrant's Amended and Restated By-laws, as amended, include provisions to permit the indemnification of the Registrant's officers and directors for damages arising out of the performance of their duties unless such damages arise out of the officer's or director's failure to exercise his duties and to discharge the duties of his office in good faith and in the reasonable belief that his action was in, or not opposed to, the best interest of the Registrant, and with respect to any criminal action, do not have reasonable cause to believe that his conduct was unlawful.

The Registrant enters into indemnification agreements with its officers and directors from time to time. The indemnification agreements provide that the Registrant will pay certain amounts incurred by a director or officer in connection with any civil or criminal action or proceeding and specifically including actions by or in the name of the Registrant (derivative suits) where the individual's involvement is by reason of the fact that he is or was a director or officer. Such amounts include, to the maximum extent permitted by law, attorney's fees, judgments, civil or criminal fines, settlement amounts and other expenses customarily incurred in connection with legal proceedings. Under the indemnification agreements, a director or officer will not receive indemnification if he is found not to have acted in good faith in the reasonable belief that his action was in the best interests of the Registrant.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which it offers or sells securities, a post-effective amendment to this registration statement to include any additional or changed material information on the plan of distribution.

(2) For determining liability under the Securities Act of 1933, as amended (the "Securities Act"), to treat each post-effective amendment as a new registration statement of the securities offered, and the offering of the securities at that time to be the initial bona fide offering.

(3) To file a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Edgar Filing: PRESSURE BIOSCIENCES INC - Form S-8

(h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
