Sensient Technologies: Glass Lewis Now Recommends Voting FOR Approval of the Amended and Restated 2007 Stock Plan

Dear Shareholder,

Glass Lewis has updated its report to reflect the additional compensation disclosures made by Sensient since the filing of its definitive proxy statement dated March 15, 2013. Glass Lewis is now recommending that shareholders vote FOR approval of the Amended and Restated 2007 Stock Plan (Proposal 3) as well as FOR the advisory vote on executive compensation (Proposal 2). The updated note from Glass Lewis reads as follows:

Revision: April 11, 2013. We have amended our analysis of Proposal 3 to take into consideration the Company's disclosure, as stated in a Form DEFA14A filed April 5, 2013, that it intends to incorporate performance-based equity awards into its next executive award cycle. Given that certain terms of the proposed amendment are necessary in order to allow such awards to be tax deductible under IRS Rule 162(m), we feel that shareholders should support this proposal. As such, we now recommend that shareholders vote "FOR" Proposal 3.

If you have any questions, or would like to arrange a discussion with Sensient, please call D.F. King & Co., Inc. at 212-493-6933.

Thank you.
