(the "Company"), Page Digital Incorporated ("Page Digital") and IPI Acquisition, Inc. ("Merger Sub"), Merger Sub was merged with and into Page Digital, a developer of multi-channel commerce software, with Merger Sub continuing as the surviving corporation and wholly owned subsidiary of the Company (the "Merger"). A total \$7,000,000 of consideration was paid in the Merger consisting of cash and Company common stock. outstanding was converted into the right to receive (1) \$0.33 in cash, and (2) 0.4168 shares of Company common stock. A total of \$2 million in cash and 2,500,000 shares of common stock was paid and issued to the former stockholders of Page Digital in the Merger.

Upon the consummation of the Merger, Lawrence Page, Page Digital's former CEO, Chairman of the Board and founder was appointed Chief Technology Officer of the Company, and Dave Joseph, Page Digital's former Executive Vice President and Director was appointed Senior Vice President of Sales and Marketing of the Company. The Company also entered into two year employment agreements with Mr. Page and Mr. Joseph and a two year non-competition agreement with Mr. Page.

The Company common stock issued in connection with the Merger was issued without registration under the Securities Act of 1933, as amended (the "Securities Act"), under the exemption provided by Section 3(a)(10) of the Securities Act.

The aggregate consideration paid in the Merger was determined through arms length negotiations between the parties to the Merger. The cash consideration paid in the Merger was raised through a sale of Company common stock through a private placement transaction on November 7, 2003.

A copy of the Merger Agreement is included as an exhibit to the Registrant's Current Report on Form 8-K filed with the SEC on November 24, 2003 and is incorporated herein by reference.
