beliefs of, and information currently available to, Registrant's management as well as estimates and assumptions made by Registrant's management. When used in the Filings the words "anticipate", "believe", "estimate", "expect", "future", "intend", "plan" or the negative of these terms and similar expressions as they relate to Registrant or Registrant's management identify forward looking statements. Such statements reflect the current view of Registrant with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to Registrant's industry, Registrant's operations and results of operations and any businesses that may be acquired by Registrant. Should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove incorrect, actual results may differ significantly from those anticipated, believed, estimated, expected, intended or planned.

Although Registrant believes that the expectations reflected in the forward looking statements are reasonable, Registrant cannot guarantee future results, levels of activity, performance or achievements. Except as required by applicable law, including the securities laws of the United States, Registrant does not intend to update any of the forward-looking statements to conform these statements to actual results.

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On December 29, 2008, the Registrant sold an aggregate of 700,000 Units (defined below) pursuant to the terms of a Unit Subscription Agreement, each such "Unit" consisting of (i) one share of Common Stock, par value \$0.001 per share (the "Common Stock"), of the Registrant and (ii) a three-year warrant to purchase one share of Common Stock of the Registrant at an exercise price of \$0.25 per share, in the form attached to this Report as Exhibit 4.1 (each, a "Warrant" and collectively, the "Warrants"). Pursuant to the terms of the Unit Subscription Agreement the Registrant has issued and sold an aggregate of \$175,000 of Units at price per Unit of \$0.25. Accordingly, the Registrant has issued 700,000 shares of Common Stock and Warrants to purchase 700,000 shares of Common Stock at an exercise price of \$0.25 per share.

The Warrants contain equitable adjustment provisions for stock splits and similar events, piggy-back registration rights, and a call provision whereby if the Registrant's Common Stock trades at a price of \$1.00 or higher for five consecutive trading days, the Warrant may be called at the option of the Registrant and thereafter terminated.

The foregoing description of the material terms of the Unit Subscription Agreement and the Warrants does not purport to be complete and is qualified in its entirety by the Exhibits attached hereto, each of which is incorporated herein by reference.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

The information set forth in Item 1.01 is hereby incorporated into this Item 3.02. The Unit Subscription Agreement and Warrants were entered into and issued in reliance on the exemption from registration contained in Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder. The Investor represented to the Registrant that such Investor was an "accredited investor" as such term is defined under Regulation D and the offering did not involve any form of general solicitation or general advertising.
