Item 4. Change in Registrant's Certifying Accountants.

On April 8, 2002, Cable Design Technologies Corporation ("CDT") dismissed its independent accountants, Arthur Andersen LLP ("Andersen"), as the principal accountant to audit CDT's financial statements and engaged Deloitte & Touche LLP ("Deloitte") as its new principal accountant. The change in principal accountants of CDT was recommended by CDT's Audit Committee and was approved by CDT's Board of Directors.

There has been no consultation during the past two years by CDT with Deloitte regarding the application of accounting principles or the type of audit opinion that might be rendered on CDT's financial statements. During the two fiscal years ended July 31, 2001 and the subsequent interim period through April 8,

Edgar Filing: CABLE DESIGN TECHNOLOGIES CORP - Form 8-K

2002, there were no disagreements with Andersen on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Andersen, would have caused it to make reference to the subject matter of the disagreement in connection with its reports. Furthermore, Andersen's reports for the two most recently completed fiscal years did not contain any adverse opinion or disclaimer of opinion nor were they qualified or modified as to uncertainty, audit scope or accounting principles. In addition, no events required to be reported pursuant to Item 304(a)(1)(v) of Regulation S-K have occurred during the two most recently completed fiscal years or subsequent interim period through April 8, 2002.

CDT requested that Andersen furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made in this Form 8-K. A copy of this letter, dated April 9, 2002, is filed as Exhibit 16.1 to this Form 8-K. A copy of the press release issued by CDT regarding the change in principal accountants is attached hereto as Exhibit 99.1.
