Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) This late reporting of a charitable gift is due to an inadvertent administrative error.

This total reflects the current amount of securities beneficially owned by the reporting person as of the filing date of this Form 4. For Form 4s filed by this reporting person since March 1, 2018, this column erroneously included the 491 shares reported herein as a charitable gift. In the Form 4 filed on March 4, 2019, this column also erroneously included 60 shares due to over-reporting of exempt purchases made by the reporting person under the Company's stock purchase plan.

(3) These underlying shares were acquired on a periodic basis by the trustee of the Company's tax qualified Profit Sharing (401(k)) Plan. The information was obtained from the plan administrator as of a current date. The number of shares is based on the account balance of the Company stock fund under the Plan (which includes some money market instruments) divided by the market price of the Company's stock as of that date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
