Item 2.01 Completion of Acquisition or Disposition of Assets.

On Friday, June 30, 2017 (the “Closing Date”), Chicago Bridge & Iron Company N.V. (“CB&I”), through one of its subsidiaries, The Shaw Group Inc. (the “Seller”), completed the sale of its Capital Services operations, which are primarily comprised of CB&I’s former Capital Services reportable segment (the “Capital Services Operations”) to CSV Acquisition Corp. (the “Buyer”), an affiliate of the private equity firm Veritas Capital. The Capital Services Operations provide comprehensive and integrated maintenance services, environmental engineering and remediation, construction services, program management, and disaster response and recovery services for private-sector customers and governments.

Under the purchase agreement between the Buyer and Seller (the “Parties”) dated February 27, 2017 (the “Purchase Agreement”), the Parties agreed to an initial purchase price of \$755 million, subject to certain adjustments, including a working capital adjustment. Prior to the Closing Date, the Parties entered into amendments to the Purchase Agreement to, among other things, reduce the purchase price to \$700 million. As a result, and after giving effect to an estimated working capital adjustment and transaction costs, the Seller anticipates net proceeds from the transaction of approximately \$650 million (the “Estimated Net Sales Proceeds”). CB&I will record an additional non-cash pre-tax charge of approximately \$50 million in the second quarter of 2017 to account for the change in purchase price. The pro forma financial information discussed in Item 9.01(b) of this report is incorporated by reference into this Item 2.01.

The amendments to the Purchase Agreement, and a copy of the June 30, 2017 press release announcing the closing of the sale of the Capital Services Operations, are included as Exhibits 10.1, 10.2 and 99.1, to this report.

Item 9.01 Financial Statements and Exhibits

(b) Pro Forma Financial Information

We previously reported our Capital Services Operations as a discontinued operation within our unaudited Condensed Consolidated Statement of Operations for the three months ended March 31, 2017, and Condensed Consolidated Balance Sheet as of March 31, 2017, in our first quarter 2017 Form 10-Q filed with the U.S. Securities and Exchange Commission on May 10, 2017. Had the transaction to dispose of our Capital Services Operations occurred on March 31, 2017, our Condensed Consolidated Balance Sheet as of March 31, 2017 would have reflected the removal of the current assets and current liabilities of discontinued operations of \$915.3 million and \$258.8 million, respectively, and a reduction in our outstanding debt by an amount equal to the Estimated Net Sales Proceeds.

We have included the pro forma effect of the sale of our Capital Services Operations in our Pro Forma Statements of Operations for the years ended December 31, 2016, 2015 and 2014 in Exhibit 99.2 to this report.

(d) Exhibits

10.1 – Amendment to Purchase Agreement dated June 18, 2017

10.2 – Letter Amendment to Purchase Agreement dated June 30, 2017. The schedules to the Letter Amendment have been omitted pursuant to Item 601 (b) of Regulation S-K. A copy of the omitted schedules will be furnished to the U.S. Securities and Exchange Commission supplementally upon request.

99.1 – Press Release dated June 30, 2017

99.2 – Pro Forma Statements of Operations for the years ended December 31, 2016, 2015 and 2014
