**Item 2.01: Completion of Acquisition or Disposition of Assets**

On October 1, 2004, the Registrant, Citizens, Inc., through its primary insurance subsidiary, Citizens Insurance Company of America ( CICA ), completed the acquisition of Security Plan Life Insurance Company ( Security ), a Louisiana-domiciled stock life insurance company. Security was acquired from its owner, Mayflower National Life Insurance Company ( Mayflower ) pursuant to a Stock Purchase Agreement (the Purchase Agreement ) entered into by Citizens and Mayflower on June 17, 2004, under which CICA purchased all of the outstanding common stock of Security. The Purchase Agreement was included as an exhibit to a Form 8-K of Citizens filed on June 21, 2004.

Under the Purchase Agreement, CICA paid \$85 million in cash for Security. CICA paid the purchase price with internal funds and through a \$30 million borrowing on Citizens line of credit.

Citizens issued a press release on October 1, 2004, announcing the acquisition which is filed as Exhibit 99.1 to this report on Form 8-K and incorporated herein by reference.

**Item 2.03: Creation of a Direct Financial Obligation**

As part of the financing for the acquisition of Security as discussed in the above item, Citizens borrowed \$30 million against its line of credit with Regions Bank and loaned the money to CICA. In connection therewith, Citizens entered into a Second Amendment to Loan Agreement dated October 1, 2004 with Regions Bank (the Amended Loan Agreement ). Under the Amended Loan Agreement, Citizens converted into a term loan its \$30 million advance against the line of credit. Under the term loan, Citizens is to repay the principal portion of the loan in ten semi-annual installments of \$3,000,000 beginning on May 1, 2005, with the final installment of principal and any accrued and unpaid interest due on November 1, 2009. Interest on the unpaid principal balance of the loan is to be paid on the fifth day of each month following the end of each fiscal quarter of Citizens. The interest rate is equal to 30-day LIBOR (London InterBank Offered Rate) plus 1.80% per year.

Because the maximum borrowing authorization on Citizens line of credit is \$30 million, the line has been drawn down to zero. Under the Amended Loan Agreement, upon any prepayment or repayment of the term loan described above, the line of credit is to be reinstated to an aggregate amount equal to the difference between (a) \$30 million minus (b) the aggregate outstanding principal amount under the term loan.

CICA has issued to Citizens a Subordinated Debenture in the principal amount of \$30 million plus interest equal to 30-day LIBOR (London InterBank Offered Rate) plus 1.80% per year. Because CICA is a insurance company formed under the laws of Colorado, under the subordinated debenture, any principal and accrued interest is not a legal liability of CICA until repayment of interest or principal has received the prior written approval of the Commissioner of Insurance for the State of Colorado. Under Colorado Insurance law, repayment under the subordinated debenture may only be made out of the surplus funds of CICA. The subordinated debenture is subordinate to policyholders and to claimant and beneficiary claims, as well as to all

other classes of creditors senior to the subordinated debenture. In the event of a reorganization, dissolution or liquidation of CICA, Citizens (or successor stockholders of CICA) will be entitled to a preferential right in the remaining assets of CICA equal to the unpaid principal and accrued interest under the subordinated debenture.

In connection with the Amended Loan Agreement, CICA entered into a Security Agreement with Regions Bank dated October 1, 2004. Pursuant to the security agreement, CICA granted a security interest in all of the outstanding shares of common stock of Security purchased by CICA (the Collateral ) by delivering to Regions Bank possession of the shares. In addition, CICA agreed that the Collateral will also extend to the following property that CICA becomes entitled to receive in connection with the Collateral: (a) any stock certificate representing a stock dividend or any certificate in connection with a recapitalization, merger, combination or similar transaction regarding Security; (b) any option warrant or subscription right with respect to the Collateral; (c) any dividends or distributions by Security; (d) any interest in principal payments; and (e) any conversion or redemption proceeds relating to the Collateral; provided, however, that unless there is an event of default on the term loan by Citizens, CICA shall be entitled to all cash dividends and all principal and interest paid on the Collateral. Although Regions Bank will hold the Collateral in its possession, CICA retains the voting rights incident to the Collateral as long as term loan is not in default.

(b) It is impracticable to provide pro forma financial information relative to Security and the Citizens at this time.
