**infoUSA Comments on Dolphin Nominees**

OMAHA, Neb. (BUSINESS WIRE) March 29, 2006 infoUSA(R) (NASDAQ:IUSA), the leading provider of proprietary business and consumer databases and sales and marketing solutions, today issued the following statement in connection with Dolphin Limited Partnership's announcement that it has nominated three hand-picked director nominees to the infoUSA Board:

The infoUSA Board asks that shareholders take no action on the nominees put forward by Dolphin. infoUSA believes that Dolphin is a dissident shareholder and activist hedge fund that became a shareholder less than ten months ago. We believe that their investment strategy is not consistent with the creation of long-term shareholder value. The infoUSA Board has addressed the issues raised in Dolphin's recent letter, which is nothing more than a rehash of old news in an attempt to advance Dolphin's own agenda. The infoUSA Board, with a majority of independent directors, has consistently acted in the best interest of all infoUSA shareholders and will continue to do so.
