### INCREASED CAPITAL PROPOSAL INCREASE IN AUTHORIZED COMMON STOCK

#### General

Our Board of Directors has unanimously approved a proposal to amend our Articles of Incorporation to increase the number of shares of common stock which we are authorized to issue from 300,000,000 to 500,000,000. Our Board has recommended to our Majority Stockholders that they vote in favor of the Increased Capital Proposal and our Majority Stockholders have voted in favor of the Increased Capital Proposal. The votes of our Majority Stockholders were obtained by written consent.

#### Consent Required

Approval of the Increased Capital Proposal, through an amendment to our Articles of Incorporation, requires the consent of the holders of a majority of the outstanding voting shares. The Majority Stockholders beneficially own 172,250,125 shares of our common stock representing approximately 71% of the votes that could be cast by the holders of our outstanding voting shares as of the Record Date. The Majority Stockholders have given their written consent to this Increased Capital Proposal and accordingly, the requisite stockholder approval of this Proposal was obtained by the execution of the Majority Stockholders' written consent in favor of the Proposal.

#### Amendment

Our Board of Directors and the Majority Stockholders have voted to amend Article V of our Articles of Incorporation to read as follows:

(Beginning of Amended Article V)

## Edgar Filing: PARK CITY GROUP INC - Form PRE 14C

### ARTICLE V CAPITAL STOCK

The total number of shares of all classes of capital stock that the Corporation has the authority to issue is 530,000,000 shares that are divided into two classes as follows:(1) 30,000,000 shares of Preferred Stock (Preferred Stock) \$.01 par value per share, and (2) 500,000,000 shares of Common Stock (Common Stock) \$.01 par value per share. This Corporation is authorized to issue two classes of shares. Except as may be otherwise required by law or this Certificate of Incorporation, each holder of Common Stock has one vote in respect of each share of stock held by him of record on the books of the corporation on all matters voted upon by the Stockholders.

The Board of Directors may determine the preferences, limitations and relative rights, to the extent permitted by the Nevada Revised Statutes, of any class of shares of Preferred Stock before the issuance of any shares of that class, or of one or more series within a class before the issuance of any shares of that series. Each class or series shall be appropriately designated by a distinguishing designation prior to the issuance of any shares thereof. The Preferred Stock of all series shall have preferences, limitations and relative rights identical with those of other shares of the same series and, except to the extent otherwise provided in the description of the series, with those shares of the series of the same class

(End of Amended Article V)

#### Reasons for Increase in Capital

The purpose of increasing the number of authorized shares of common stock is to provide additional authorized shares which will be issued to fulfill current obligations, possible future financings, and for acquisitions and such other corporate purposes as the Board of Directors determines in its discretion. These corporate purposes may include future stock splits, stock dividends or other distributions, future financings, acquisitions and stock options and other equity benefits under our employee benefit plans. The increase in the number of authorized shares of common stock would enable us to promptly take advantage of market conditions and the availability of favorable opportunities without the delay and expense associated with holding a special meeting of stockholders.

Specifically, we have 300,000,000 common shares authorized and 243,644,240 shares issued and outstanding and committed for issuance, leaving 56,355,760 shares of common stock available for issuance in connection with the exercise of outstanding options and warrants and for acquisitions and/or financing transactions. We are actively seeking to raise funds and additional shares will likely be issued if we are successful in obtaining additional financing. The Board of Directors sought stockholder approval to increase the authorized common shares as described herein. Other than described herein, we have no specific plans at this time to issue additional shares of common stock.

The Board of Directors is authorized to issue any of the additional shares of common stock and preferred stock at such times, to such persons and for such consideration as it may determine in its discretion, except as may otherwise be required by applicable law or the rules of any exchange on which the common Stock and preferred Stock may be listed. At the present time, the common stock and the preferred stock are not listed with any exchange. When and if they are issued, the additional shares of common stock would have the same rights and privileges as the presently outstanding shares of common stock.

There are certain advantages and disadvantages of voting for an increase in our authorized common stock. The advantages include:

## Edgar Filing: PARK CITY GROUP INC - Form PRE 14C

- o The ability to raise capital by issuing capital stock in financing transactions.
- o The ability to fulfill our obligations by having common stock available upon the exercise of outstanding options and warrants.
- o To have shares of common stock available to pursue business expansion opportunities, if any.

The disadvantages include:

- o The issuance of authorized but unissued stock could be used to deter a potential takeover of Park City Group that may otherwise be beneficial to stockholders by diluting the shares held by a potential suitor or issuing shares to a shareholder that will vote in accordance with our Board of Directors' desires. A takeover may be beneficial to independent stockholders because, among other reasons, a potential suitor may offer such stockholders a premium for their shares of stock compared to the then-existing market price. We do not have any plans or proposals to adopt provisions or enter into agreements that may have material anti-takeover consequences.
- o Stockholders do not have any preemptive or similar rights to subscribe for or purchase any additional shares of common stock that may be issued in the future, and therefore, future issuances of common stock may, depending on the circumstances, have a dilutive effect on the earnings per share, voting power and other interests of the existing stockholders.

### Blank Check Preferred Stock

We have authorized 30,000,000 shares of preferred stock. Our class of preferred stock is "blank check" preferred stock. The term "blank check" refers to preferred stock, the creation and issuance of which is authorized in advance by the stockholders and the terms, rights and features of which are determined by our Board of Directors upon issuance without further stockholder approval. The authorization of such blank check preferred stock would permit the Board of Directors to authorize and issue preferred stock from time to time in one or more series.

Subject to the provisions of our amended Articles of Incorporation and the limitations prescribed by law, the Board of Directors would be expressly authorized, at its discretion, to adopt resolutions to issue shares, to fix the number of shares and to change the number of shares constituting any series and to provide for or change the voting powers, designations, preferences and relative, participating, optional or other special rights, qualifications, limitations or restrictions thereof, including dividend rights (including whether the dividends are cumulative), dividend rates, terms of redemption (including sinking fund provisions), redemption prices, conversion rights and liquidation preferences of the shares constituting any series of the preferred stock, in each case without any further action or vote by the stockholders. The Board of Directors would be required to make any determination to issue shares of preferred stock based on its judgment as to the best interests of Park City Group and its stockholders.
