MEDIA ARTS GROUP, INC.

PROXY STATEMENT FOR THE 2003 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

The Board of Directors of Media Arts Group, Inc., a Delaware corporation, is soliciting the enclosed proxy from you. The proxy will be used at our 2003 Annual Meeting of Stockholders to be held at 9:00 a.m. Pacific Daylight Time on Wednesday, May 7, 2003 at our executive offices located at 900 Lightpost Way, Morgan Hill, California 95037.

This Proxy Statement contains important information regarding our 2003 Annual Meeting of Stockholders. Specifically, it identifies the proposals on which you are being asked to vote, provides information you may find useful in determining how to vote and describes the voting procedures.

We use several abbreviations in this Proxy Statement. We may refer to our company as "MAGI." The term "proxy materials" includes this Proxy Statement, as well as the enclosed proxy card and our Annual Report on Form 10-K for the year ended December 31, 2002.

We are sending the proxy materials on or about April 11, 2003 to all of our stockholders as of the Record Date, March 20, 2003 (the "Record Date"). Stockholders who owned MAGI Common Stock at the close of business on the Record Date are entitled to attend and vote at the 2003 Annual Meeting of Stockholders. On the Record Date, we had approximately 13,224,603 shares of our Common Stock issued and outstanding and 473 record stockholders.

Voting Procedures

As a stockholder, you have the right to vote on certain business matters affecting MAGI. The two proposals that will be presented at the 2003 Annual Meeting of Stockholders, and upon which you are being asked to vote, are discussed in the sections entitled "Proposal One" and "Proposal Two." Each share of MAGI Common Stock you own entitles you to one vote. The enclosed proxy card indicates the number of shares you own. You can vote by returning the enclosed proxy card in the envelope provided or by attending the 2003 Annual Meeting of Stockholders.

Methods of Voting

Voting by Mail. By signing and returning the proxy card according to the enclosed instructions, you are enabling our Chief Financial Officer and our Vice President, General Counsel and Secretary, who are named on the proxy card as "proxies and attorneys-in-fact," to vote your shares at the meeting in the manner you indicate. We encourage you to sign and return the proxy card even if you plan to attend the meeting. This way, your shares will be voted even if you are unable to attend the meeting.

Edgar Filing: MEDIA ARTS GROUP INC - Form DEF 14A

Your shares will be voted in accordance with the instructions you indicate on the proxy card. If you submit the proxy card, but do not indicate your voting instructions, your shares will be voted as follows:

FOR the election of the director nominees identified in Proposal One; and

FOR the ratification of the appointment of PricewaterhouseCoopers LLP as our independent accountants for the fiscal year ending December 31, 2003.

1

You may receive an additional copy of MAGI's Annual Report on Form 10-K for fiscal 2002 without charge or a copy of the exhibits to MAGI's Annual Report on Form 10-K for fiscal 2002 for a reasonable fee by calling us at (408) 201-5000 or by sending a written request to Media Arts Group, Inc., 900 Lightpost Way, Morgan Hill, California 95037, Attn: Patti Ungaro, Investor Relations or email to ir@mediaarts.com.

Voting in Person at the Meeting. If you plan to attend the 2003 Annual Meeting of Stockholders and vote in person, we will provide you with a ballot at the meeting. If your shares are registered directly in your name, you are considered the stockholder of record and you have the right to vote in person at the meeting. If your shares are held in the name of your broker or other nominee, you are considered the beneficial owner of shares held in your name, but if you wish to vote at the meeting, you will need to bring with you to the 2003 Annual Meeting of Stockholders a legal proxy from your broker or other nominee authorizing you to vote these shares.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the 2003 Annual Meeting of Stockholders. In order to do this, you may:

sign and return another proxy bearing a later date before the beginning of the 2003 Annual Meeting of Stockholders;

provide written notice of the revocation to Robert Murray, our Vice President, General Counsel and Secretary, prior to the time we take the vote at the 2003 Annual Meeting of Stockholders; or

attend the 2003 Annual Meeting of Stockholders and vote in person.

Quorum Requirement

A quorum, which is a majority of our outstanding shares as of the Record Date, must be present or represented in order to hold the meeting and to conduct business. Your shares will be counted as being present at the meeting if you appear in person at the meeting and will be considered as being represented if you submit a properly executed proxy card.

Votes Required for Each Proposal

The vote required and method of calculation for the proposals to be considered at the 2003 Annual Meeting of Stockholders are as follows:

Proposal One Election of Directors. The eight (8) director nominees receiving the highest number of affirmative votes, in person or by proxy, will be elected as directors.

Proposal Two Ratification of PricewaterhouseCoopers LLP as Independent Accountants. Ratification of PricewaterhouseCoopers LLP as our independent accountants for the fiscal year ending December 31, 2003 will require the affirmative vote of a majority of the shares present or represented and voting at the 2003 Annual Meeting of Stockholders.

You may vote either "for" or "withhold" your vote for the director nominees. You may vote "for," "against," or "abstain" from voting on the proposal to ratify PricewaterhouseCoopers LLP as our independent accountants.

Abstentions and Broker Non-Votes

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented will be counted as present for the purpose of determining the presence or absence of a quorum. Abstentions will not be counted in the tabulation of the voting results with respect to the election

2

of directors. Abstentions will, however, have the same effect as a vote against the proposal to ratify the appointment of PricewaterhouseCoopers LLP as our independent accountants.

Under the rules that govern brokers who have record ownership of shares that are held in "street name" for their clients, the beneficial owners of the shares, brokers have discretion to vote these shares on routine matters but not on non-routine matters. If you hold your MAGI Common Stock through a broker and you have not given voting instructions to the broker, the broker may be prevented from voting your shares on non-routine matters, resulting in a broker non-vote. Thus, if you do not otherwise instruct your broker, the broker may turn in a proxy card voting your shares "FOR" routine matters but expressly instructing that the broker is NOT voting on non-routine matters. Broker non-votes will be counted for the purpose of determining the presence or absence of a quorum but will not be counted in the tabulation of the voting results with respect to a particular proposal. See "Vote Required" following each proposal for further information.

Proxy Solicitation Costs

We will bear the entire cost of this proxy solicitation, including the preparation, assembly, printing and mailing of the proxy materials. In addition, we may reimburse brokerage firms and other custodians for their reasonable out-of-pocket expenses for forwarding these proxy materials to you. The original solicitation of proxies by mail may be supplemented by solicitation by telephone, telegram and other means by directors, officers and/or employees of MAGI. We expect a representative of Mellon Financial Services LLC to tabulate the proxies and act as inspector of the election.

Deadline for Receipt of Stockholder Proposals for 2004 Annual Meeting of Stockholders

As a stockholder, you may be entitled to present proposals for action at a forthcoming meeting if you comply with the requirements of the proxy rules established by the Securities and Exchange Commission. Proposals of our stockholders intended to be presented for consideration at our 2004 Annual Meeting of Stockholders and included in MAGI's proxy materials relating to such meeting must be received by us no later than December 13, 2003, which is 120 calendar days prior to the anniversary of this year's proxy statement mailing date, and must be in compliance with applicable laws and regulations in order to be considered for possible inclusion in the proxy statement and form of proxy related to that meeting.

The attached proxy card grants the proxy holders discretionary authority to vote on any matter properly raised at the 2003 Annual Meeting of Stockholders. If you wish to present a proposal at MAGI's 2004 Annual Meeting of Stockholders and do not intend to include the proposal in MAGI's proxy statement relating to that meeting, you must give MAGI notice of such proposal by February 26, 2004, which is 45 calendar days prior to the anniversary of the mailing date of this Proxy Statement. If you fail to comply with the foregoing notice provision, the proxy holders will be allowed to use their discretionary voting authority when the proposal is raised at the 2004 Annual Meeting of Stockholders.

Other Matters

Other than the proposals listed above, our Board of Directors does not intend to present any other matters to be voted on at the 2003 Annual Meeting of Stockholders. Our Board of Directors is not currently aware of any other matters that will be presented by others for action at the 2003 Annual Meeting of Stockholders. However, if other matters are properly presented at the 2003 Annual Meeting of Stockholders and you have signed and returned your proxy card, the proxy holders will have discretion to vote your shares on these matters to the extent authorized under the Securities Exchange Act of 1934, as amended.

3

PROPOSAL ONE**ELECTION OF DIRECTORS****Nominees**

A board of eight (8) directors is to be elected at the 2003 Annual Meeting of Stockholders. Stearns and Anthony D. Thomopoulos, (the "Nominees"). The Board of Directors selected and approved the Nominees for election to the Board of Directors. If elected, the Nominees will serve as directors until the 2004 Annual Meeting of Stockholders, and until their successors are elected and qualified or until their earlier resignation or removal.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for election of the Nominees. All of the Nominees currently serve as our directors. In the event any Nominee is unable or declines to serve as a director at the time of the 2003 Annual Meeting of Stockholders, the proxies will be voted for any nominee who shall be designated by the present Board of Directors to fill the vacancy. We are not aware that any of the Nominees will be unable or will decline to serve as a director. In the event that additional persons are nominated for election as directors, the proxy holders intend to vote all proxies received by them in such a manner as to assure the election of the Nominees.

Vote Required

If a quorum is present and voting, the eight (8) Nominees receiving the highest number of affirmative votes, in person or by proxy, will be elected to the Board of Directors. Abstentions and broker non-votes will be counted as present for the purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will not, however, be counted in the tabulation of the voting results with respect to the election of directors.

Director Compensation

We do not pay directors who are also officers of MAGI additional compensation for their service as directors. At the start of fiscal 2002, compensation for directors who were not employees of MAGI or of any of our subsidiaries, also called "non-employee directors," generally included the following:

an annual retainer of \$15,000 (\$30,000 for the Chairman of the Board as of 2002) until November 2002, at which time we increased our directors' annual retainer to \$30,000,

\$2,000 for each Board of Directors or Executive Committee meeting attended (\$3,000 for the Chairman as of 2002),

certain expenses of attending Board of Directors meetings,

an option to purchase 5,000 shares of our Common Stock, and

Edgar Filing: MEDIA ARTS GROUP INC - Form DEF 14A

\$500 to \$1,000, depending on the duration of the meeting, for committee meetings attended by those directors serving on the Audit Committee, Compensation Committee and/or Nominating and Governance Committee (\$2,000 for the Chairman as of 2002).

As of March 20, 2003 the non-employee directors were Ms. Grzelakowski and Messrs. Halvorson, LaBonte, Potter and Stearns.

During fiscal 2002, Ms. Grzelakowski and Messrs. Halvorson, LaBonte, Potter and Stearns were our non-employee directors. Mr. Thomopoulos was a non-employee director from January 2002 until August 2002, and Mr. Ford was a non-employee director from August 2002 until January 2003.

Under the 1998 Stock Incentive Plan, non-employee directors received an annual option grant to purchase 5,000 shares of our Common Stock at 85% of the fair market value of our Common Stock on the date of grant. "Fair market value" is defined in the 1998 Stock Incentive Plan as the closing price of our

8

stock on the date the option is granted. Under the 1998 Stock Incentive Plan, the last annual option grant to each non-employee director of 5,000 shares of Common Stock was made in November 2001 to Messrs. Halvorson, LaBonte and Potter and Ms. Grzelakowski at an exercise price of \$2.72 per share and in January 2002 to Messrs. Stearns and Thomopoulos at an exercise price of \$2.68 per share. In July 2002, the 1998 Stock Incentive Plan was terminated and replaced by the 2002 Stock Plan. The 2002 Stock Plan provides for an annual grant of 5,000 options to non-employee directors at 85% of the fair market value of our Common Stock on the date of grant. During fiscal 2002, MAGI did not make any annual option grants to non-employee directors under the 2002 Stock Plan.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee is responsible for determining salaries, incentives and other forms of compensation for MAGI's directors, officers and other employees. PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Board of Directors, acting upon the recommendation of the Audit Committee, has selected PricewaterhouseCoopers LLP, independent accountants, to audit our financial statements for the fiscal year ending December 31, 2003. We expect that a representative of PricewaterhouseCoopers LLP will be present at the 2003 Annual Meeting of Stockholders, and will have the opportunity to make a statement if he or she desires to do so and will be available to answer any appropriate questions.

Audit Fees

PricewaterhouseCoopers LLP billed MAGI \$374,144 in fiscal 2002 for professional services rendered by PricewaterhouseCoopers LLP in connection with the audit of MAGI's annual financial statements and the reviews of MAGI's interim financial statements.

Financial Information Systems Design and Implementation Fees

MAGI did not engage PricewaterhouseCoopers LLP to provide it with advice regarding financial information systems design and implementation during the fiscal year ended December 31, 2002.

All Other Fees

Fees billed to MAGI by PricewaterhouseCoopers LLP during fiscal 2002 for all other services totaled \$41,175, all of which was for consulting services.

Before selecting PricewaterhouseCoopers LLP, the Audit Committee carefully considered PricewaterhouseCoopers LLP's qualifications as independent accountants. This included a review of the qualifications of the engagement team, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters to be considered under the SEC's rules regarding auditor independence, including the nature and extent of non-audit services, to ensure that the accountants' independence will not be impaired. The Audit Committee expressed its satisfaction with PricewaterhouseCoopers LLP in all of these respects. The Audit Committee of our Board of Directors has determined that the provision of services by PricewaterhouseCoopers LLP other than for audit related services is compatible with maintaining the independence of PricewaterhouseCoopers LLP as our independent accountants.

Vote Required and Board of Directors' Recommendation

Stockholder ratification of the selection of PricewaterhouseCoopers LLP as our independent accountants is not required by our bylaws or other applicable legal requirement. However, the Board of Directors is submitting the selection of PricewaterhouseCoopers LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee and the Board of Directors will reconsider whether or not to retain that firm. Even if the selection is ratified, the Board of Directors at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

The affirmative vote of the holders of a majority of the shares of our Common Stock present or represented and voting at the 2003 Annual Meeting of Stockholders will be required to approve this proposal. **The Board of Directors has unanimously approved this proposal and recommends that stockholders vote "FOR" the ratification of the selection of PricewaterhouseCoopers LLP as MAGI's independent accountants for the fiscal year ending December 31, 2003.**

Under the License Agreement, Thomas Kinkade granted MAGI perpetual and exclusive rights to each image produced by Mr. Kinkade under the License Agreement, as well as to the library of over 170 existing Thomas Kinkade images, subject to certain exceptions. In particular, MAGI has the exclusive right to produce, sell, distribute and promote reproductions of Mr. Kinkade's artwork in any form and the right to use the name and likeness of the artist in promoting the sale of its products and development of any brand name associated with Mr. Kinkade. The License Agreement requires Mr. Kinkade to deliver 150 paintings to MAGI during the period commencing December 3, 1997 and ending 15 years thereafter, with at least 10 paintings to be delivered during each of the first five years. Mr. Kinkade has the right to approve MAGI's products based upon his artwork, as well as promotional materials, business plans and strategic relationships relating to such products or the use of his name or likeness. Mr. Kinkade retains ownership of the original paintings he produces.

The License Agreement permits Mr. Kinkade to reproduce up to two pieces annually to raise money for the City of Placerville, California. Mr. Kinkade also retained the right to use his name, likeness and certain artwork in association with non-profit organizations. In addition, Mr. Kinkade retained the right to use his name in connection with for-profit ventures with MAGI's prior consent, provided that he first offers the opportunity to MAGI. Mr. Kinkade is otherwise subject to a non-compete agreement with MAGI under the License Agreement.

The License Agreement is terminable by either party after failure by the other party for 90 days to cure a material breach of the agreement. In addition, Mr. Kinkade may terminate the License Agreement in the event of MAGI's insolvency or upon a change of control of MAGI. A change in control is defined to

17

occur on the date when any person or group (as defined in Rule 13(d)(3) under the Securities Exchange Act of 1934) beneficially owns (as defined in such Rule) a number of shares of Common Stock of MAGI in excess of the number of shares then beneficially owned by Mr. Kinkade. The computation excludes stockholders as of December 3, 1997, to the extent of their beneficial holdings of Common Stock as of such date. Mr. Kinkade cannot invoke this right of termination if it is triggered as a result of Mr. Kinkade's transfer of shares. After December 3, 2012, the perpetual nature of the License Agreement may be terminated by Mr. Kinkade if MAGI engages in any material business enterprises unrelated to his work or brand name to which he objects. Upon any termination of the License Agreement by Mr. Kinkade, MAGI would be prohibited from selling any products based upon Mr. Kinkade's artwork, other than MAGI's then existing product inventory.

MAGI incurred royalties to Mr. Kinkade under the License Agreement in the amounts of \$5,689,941, \$4,675,000, \$8,225,000 and \$9,685,000 for the fiscal year ended December 31, 2002, the nine-month period ended December 31, 2001 and the fiscal years ended March 31, 2001 and 2000, respectively.

In addition, pursuant to the License Agreement, MAGI and Thomas Kinkade entered into a stock option agreement as of December 3, 1997, wherein MAGI granted to Mr. Kinkade a fifteen-year non-statutory option to purchase 600,000 shares of Common Stock of MAGI at \$12.375, the closing price on the date of grant.

Employment Agreement with Thomas Kinkade. By mutual verbal agreement, Mr. Kinkade and MAGI have extended Mr. Kinkade's Employment Agreement dated January 2, 1994 for his services as Art Director. Under the Agreement, Mr. Kinkade is paid an annual base salary of \$172,000, and is entitled to receive certain health benefits, vacation time, fringe benefits and reimbursement of certain expenses. In addition, under certain circumstances, MAGI is required to indemnify Mr. Kinkade.

Ownership and Sale of Thomas Kinkade Gallery, Valley Fair. On June 30, 1995, MAGI purchased the Thomas Kinkade Gallery, Valley Fair, from Linda L. Raasch, spouse of Kenneth E. Raasch, who was President, Chairman and Chief Executive Officer of MAGI at the time, for an aggregate purchase price of approximately \$1,500,000, of which \$1,200,000 was paid in the form of an 8.0% subordinated convertible promissory note due October 10, 2002. The note is convertible into Common Stock of MAGI at a price of \$7.25 per share. The entire principal amount of the note was due at maturity, unless converted prior to maturity. The note was paid in full on October 10, 2002. Prior to the consummation of the sale transaction, an independent appraisal of the gallery was performed and the terms of the purchase were approved by a special committee of the board of directors.

(ii) *Certain Business Relationships*

Licensing Agent Agreement with Creative Brands Group. MAGI and Creative Brands Group, Inc. ("CBG") are parties to a contract dated July 17, 2001, as amended as of August 1, 2002, pursuant to which CBG manages and develops licensing arrangements with certain of MAGI's business partners. The contract also required CBG to manage the key account relationship with QVC and Avon until December 31, 2002. The contract expires July 31, 2006. Under the contract, as amended, CBG receives 24% of licensing revenues received by MAGI from the business partners that CBG manages on behalf of MAGI. CBG is primarily owned by Kenneth E. Raasch, a significant stockholder, co-founder, former Chief Executive Officer and former member of the Board of Directors of MAGI. For the year ended December 31, 2002 and the nine-month period ended December 31, 2001, MAGI incurred commissions of \$1,864,000 and \$631,000 to CBG, respectively.

Trade Accounts Receivable. Effective September 30, 2001, MAGI converted \$1.6 million of trade accounts receivable, due from an entity in which a relative of Thomas Kinkade is an investor, into a full recourse three year promissory note. The balance is repayable in equal installments during the three-year period and bears interest of 12% per annum. The terms of this note are consistent with those of other

18

notes MAGI has received from non-related parties in the sale of company-owned Thomas Kinkade stores. In addition, the related party is indebted to MAGI for the sale of MAGI owned Thomas Kinkade stores in Monterey and Carmel, California as discussed below. The note is in default and MAGI has commenced legal proceedings to recover the full amount of the note.

Sale of Company-Owned Store. Effective September 15, 1999, MAGI sold company-owned Thomas Kinkade Stores located in Monterey and Carmel, California to an entity in which a relative of a founder and member of the Board of Directors is an investor. Consideration for this sale consisted of cash of \$75,000 and an 8.5% promissory note in the amount of \$1.1 million due in August 2006 with semi-annual principal and interest payments. The inventory in the stores at the time of the transfer was sold under a separate transaction at normal wholesale prices with extended payment terms. The terms of this company-owned store sale are consistent with the terms for the sales of other company-owned stores to non-related parties. MAGI commissioned an independent valuation of company-owned stores in Monterey and Carmel, California and the terms of the sale were based upon the independent valuation. At December 31, 2001, MAGI determined that the notes described above were impaired and accordingly wrote them down to estimated realizable value. The note is in default and MAGI has commenced legal proceedings to recover the full amount of the note.

Charitable Contributions to World Vision U.S. From time to time, MAGI makes donations to, contributes product to, or otherwise assists, certain charities ("Charitable Contributions"). From time to time, MAGI has made Charitable Contributions to World Vision U.S. Richard Stearns, a member of MAGI's Board of Directors, is President of World Vision U.S.

Sales to Thomas Kinkade Foundation. From time to time, MAGI has sold products to the Thomas Kinkade Foundation, at MAGI's cost. The Thomas Kinkade Foundation is an organization established by Thomas Kinkade and Nannette Kinkade. Mr. Kinkade is a co-founder of MAGI, a member of the Board of Directors of MAGI and the Chairman of the Board of the Thomas Kinkade Foundation.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS ON COMPENSATION

Notwithstanding any statement to the contrary in any of our previous or future filings with the Securities and Exchange Commission, this Report of the Compensation Committee of the Board of Directors on Compensation shall not be deemed "filed" with the Commission or "soliciting material" under the Securities Exchange Act of 1934, as amended, and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that Media Arts Group, Inc. specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

During fiscal 2002, our Compensation Committee consisted of Ms. Grzelakowski and Messrs. LaBonte and Stearns. Our Board of Directors has adopted a written Compensation Committee Charter. During fiscal 2002, no member of the Compensation Committee was also one of our employees or of any of our subsidiaries. The Compensation Committee has overall responsibility for our executive compensation policies and practices and makes recommendations to the Board of Directors.

Edgar Filing: MEDIA ARTS GROUP INC - Form DEF 14A

The Compensation Committee has provided the following report on our compensation policies as they apply to our executive officers and our Chairman of the Board of Directors, the relationship of our performance to executive compensation and the Chief Executive Officer's compensation.

General Compensation Philosophy

Our compensation policies are designed to address a number of objectives, including rewarding financial performance and motivating executive officers to achieve significant returns for stockholders. To promote these policies, the Compensation Committee implemented a compensation program for fiscal 2002 that was made up of (1) the Executive Management Bonus program, which is an annual cash incentive program that "pays for performance" and provides bonuses based on the realization of our annual financial goals and (2) the grant of stock options that align management's interests to those of stockholders. In some instances, the Compensation Committee approves compensation for an executive officer that is based more heavily or solely on a cash compensation basis.

The Compensation Committee believes that executive compensation should be highly leveraged toward the incentive-based programs described above. By placing a substantial portion of an officer's compensation "at risk" in this manner, our compensation program focuses management's efforts on improving financial performance and effectively integrates executive compensation with our annual and long-term strategic objectives.

When establishing salaries, bonus levels and stock-based awards for executive officers, the Compensation Committee considers the individual's role, responsibilities and performance during the past year, and the amount of compensation paid to executive officers in similar positions of comparable companies, based on periodic reviews of competitive data obtained from independent consultants. However, the Compensation Committee also makes discretionary and subjective determinations of appropriate compensation amounts to reflect, for example, our philosophy of compensating executives for the success they achieve in managing specific enterprises.

In the case of the compensation of executive officers other than the Chief Executive Officer, the Compensation Committee places considerable weight upon the recommendations of the Chief Executive Officer.

The Importance of Ownership A fundamental tenet of our compensation policy is that significant equity participation creates a vital long-term partnership between management and other stockholders. Through the 1998 Stock Incentive Plan and the 2002 Stock Plan, the benefits of equity ownership are extended to our executive officers and employees and of our subsidiaries. As of March 20, 2003, our

20

directors and executive officers owned an aggregate of 4,276,026 shares and had the right to acquire an additional 780,000 shares upon the exercise of stock options, exercisable on or before May 19, 2003.

Fiscal 2002 Executive Officer Compensation Program

The components of our executive officer compensation program are described below:

Base Salary We believe that base salary is frequently a significant factor in attracting, motivating and retaining skilled executive officers. Accordingly, the Compensation Committee reviews base salaries of executive officers annually and generally sets the base salary of its executive officers at or near the average of the levels paid by companies with comparable revenues either engaged in the home décor/accessories industry or located in the Silicon Valley. In addition, the Compensation Committee evaluates the specific job functions and past performance of individual officers.

Executive Management Bonus Program The Compensation Committee administers the discretionary Executive Management Bonus Program, which is a pay-for-performance program under which cash bonus awards are paid based upon (1) achievement of individual goals and objectives and our earnings per share and revenues reaching at or above fixed targets and (2) a percentage of each executive officer's personal base salary, with the percentage varying based on the executive's level of responsibility and management tier classification. In addition, participants are not eligible to receive bonus pay-outs unless they are our employees on the day the bonus is actually paid to all eligible employees.

The Compensation Committee sets target bonuses at the beginning of each fiscal year based upon the recommendation of the Chief Executive Officer.

Edgar Filing: MEDIA ARTS GROUP INC - Form DEF 14A

Stock Option Grants In fiscal 2002, the Compensation Committee granted an aggregate of 585,000 stock options under the 1998 Stock Incentive Plan to MAGI executive officers. The Compensation Committee determined the number of options to be granted to executive officers primarily by evaluating each officer's (1) respective job responsibilities, (2) past performance, (3) expected future contributions and (4) management tier classification. The Compensation Committee believes that these stock option grants will more closely align the long-term interests of senior management with those of stockholders and assist in the retention of key executives.

Compensation of Current Chief Executive Officer Anthony D. Thomopoulos

In fiscal 2002, the base annual salary for Anthony D. Thomopoulos, our Chief Executive Officer since August 2002, was \$500,000. The Compensation Committee uses the same procedures described above in setting the annual salary for the Chief Executive Officer.

Compensation of Former Chief Executive Officer Ron D. Ford

In fiscal 2002, the base annual salary for Ron D. Ford, our Chief Executive Officer from January 2002 to August 2002, was \$500,000. In addition, Mr. Ford received options to purchase 525,000 shares of our Common Stock. The Compensation Committee used the same procedures described above in setting the annual salary, bonus and stock option awards for the former Chief Executive Officer.

Compensation of Current Chairman Anthony D. Thomopoulos

Mr. Thomopoulos was appointed as the Chairman of the Board of Directors in June 2001. From January 2002 until August 2002, Mr. Thomopoulos received the compensation for a non-employee Chairman, as outlined on page 8 of this Proxy Statement.

Tax Law Limits On Executive Compensation and Policy on Deductibility of Compensation Section 162(m) of the Internal Revenue Code of 1986, as amended, provides that a company may not take a tax deduction for that portion of the annual compensation paid to an executive officer in excess of

21

\$1 million, unless certain exemption requirements are met. The 1998 Stock Incentive Plan and 2002 Stock Plan were designed to meet the exemption requirements of Section 162(m).

Conclusion All aspects of our executive compensation program are subject to change at the discretion of the Compensation Committee. The Compensation Committee will continue to monitor our executive compensation program on an ongoing basis to ensure that it continues to support a performance-oriented environment and remains properly integrated with our annual and long-term strategic objectives.

Respectfully submitted by:

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Notwithstanding any statement to the contrary in any of our previous or future filings with the Securities and Exchange Commission, this Report by the Audit Committee of the Board of Directors shall not be deemed "filed" with the Commission or "Soliciting" Material" under the Securities Exchange Act of 1934, as amended, and shall not be deemed to be incorporated by reference by any general statement incorporating this Proxy Statement by reference into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that Media Arts Group, Inc. specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

Edgar Filing: MEDIA ARTS GROUP INC - Form DEF 14A

During fiscal 2002, our Audit Committee consisted of Ms. Grzelakowski and Messrs. Potter and Halvorson. Our Board of Directors has adopted a written Audit Committee Charter. All members of the Audit Committee as of March 20, 2003 were independent as defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards.

The Audit Committee reviewed and discussed the plans for, and scope of, the audit before it was performed by PricewaterhouseCoopers LLP, our independent auditors. The Audit Committee has reviewed and discussed with PricewaterhouseCoopers LLP and the management of MAGI the audited financial statements of Media Arts Group, Inc. contained in the Annual Report to stockholders for the 12-month period ended December 31, 2002. In addition, the Audit Committee discussed with PricewaterhouseCoopers LLP the matters required to be discussed pursuant to Statement on Auditing Standards No. 61, "Codification of Statements on Auditing Standards, Communication with Audit Committees."

The Audit Committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees", and has discussed with PricewaterhouseCoopers LLP their independence. The Audit Committee has also considered whether the provision of non-audit services to MAGI by PricewaterhouseCoopers LLP is compatible with maintaining their independence.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the twelve-month period ended December 31, 2002, which was filed with the U.S. Securities and Exchange Commission on March 28, 2003.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the National Association of Securities Dealers, Inc. Executive officers, directors and greater than ten percent stockholders are required by Securities and Exchange Commission regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms that we have received, or written representations from reporting persons, we believe that during the fiscal year ending December 31, 2002 all executive officers, directors and greater than ten percent stockholders complied with all applicable filing requirements, except that (i) Mr. Paszkiewicz, an executive officer of MAGI, inadvertently failed to file on a timely basis a Form 3 with respect to his holdings of MAGI Common Stock as of August 2002, the date he became an executive officer of MAGI and (ii) Mr. Ford, then a director and executive officer of MAGI, inadvertently failed to file on a timely basis a Form 4 for a transaction occurring in November 2002, but such Form 4 was subsequently filed.
