PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

In connection with the preparation of the consolidated financial statements for the second quarter of fiscal 2005, the Registrant ascertained that in the first quarter of the year there was an inventory valuation error in determining the garage door segment's cost of goods sold. Correction of this error was included in the press release which previously reported operating results for the second quarter of 2005. However, the Registrant has since determined to reflect the correction to cost of goods sold in the first quarter of 2005 by restating that period's operating results and by adjusting operating results for the second quarter. Due to the date on which the Registrant made such determination, the requisite financial information is not presently available.
