Any information referred to in this way is considered part of this prospectus from the date we file that document. Any reports filed by us with the SEC after the date of this prospectus and before the date that the offering of the securities by means of this prospectus is terminated will automatically update and, where applicable, supersede any information contained in this prospectus or incorporated by reference in this prospectus.

Ratio of earnings to fixed charges

Our consolidated ratios of earnings to fixed charges for each of the five fiscal years ended December 31, 2002, 2003, 2004, 2005 and 2006 are as follows:

| | Year Ended December 31, | | | | |
|---|-------------------------|------|------|------|------|
| | 2002 | 2003 | 2004 | 2005 | 2006 |
| Ratio of Earnings to Fixed Charges ⁽¹⁾ | 3.4x | 6.1x | 4.5x | 4.4x | 5.9x |

- (1) For purposes of the ratio of earnings to fixed charges, "earnings" represent pre-tax earnings plus fixed charges, and "fixed charges" represent interest expense plus that portion of rent expense that, in our opinion, approximates the interest factor included in rent expense. The 2003 ratio includes a

5

\$17.3 million insurance gain. If that gain were excluded, the 2003 ratio would be 4.8.

As of the date of this prospectus, we have no preferred stock outstanding.

Use of proceeds

We intend to use the net proceeds from the sales of the securities as set forth in the applicable prospectus supplement.

Unless otherwise set forth in a prospectus supplement, we will not receive any proceeds in the event that the securities are sold by a selling securityholder.

Description of securities

We will set forth in the applicable prospectus supplement a description of the debt securities, preferred stock, common stock, warrants or units that may be offered under this prospectus.

Legal matters

In connection with particular offerings of the securities in the future, and unless otherwise stated in the applicable prospectus supplements, the validity of those securities may be passed upon for us by Dechert LLP, Philadelphia, Pennsylvania and for any underwriters or agents by counsel named in the applicable prospectus supplement.

Experts

The financial statements and management's assessment of the effectiveness of internal control over financial reporting (which is included in Management's Report on Internal Control over Financial Reporting) incorporated in this prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2006, have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, an independent registered public accounting firm, given on the authority of said firm as experts in auditing and accounting.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

We maintain a policy of insurance under which our directors and officers (as defined therein) are insured subject to specified exclusions and deductible and retention and maximum amounts against loss arising from any civil claim or claims which may be made against any of our directors or officers (as so defined) by reason of any breach of duty, neglect, error, misstatement, misleading statement, omission or act done or wrongfully attempted or alleged to have been done while acting in their respective capacities.

The Pennsylvania Business Corporation Law and our amended and restated bylaws limit the monetary liability of our directors to us and to our shareholders and provide for indemnification of our officers and directors for liabilities and expenses that they may incur in such capacities.

Article IV of the bylaws provides that we will indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that such person is or was a director, officer, employee or agent of us or serving at our request as a director, officer, employee or agent of another entity. Such indemnification shall be against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement of such proceedings to the extent that such person has not otherwise been indemnified and the power to give such indemnification has been granted by statute. For this purpose, our board of directors has the power to buy and maintain insurance at our expense. Payment of expenses may be made to an indemnified person prior to the final disposition of an action upon receipt of an undertaking by or on behalf of the indemnified person to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by us.

The Pennsylvania Business Corporation Law authorizes the indemnification set forth above if the actions of the person to be indemnified did not constitute self-dealing, willful misconduct or recklessness. The character of the conduct of the person to be indemnified shall be determined by members of the board not parties to such litigation, independent counsel or our shareholders. Our obligation to indemnify a director, officer, employee or agent under Article IV of the bylaws constitutes a contract between us and such person, and no modification or repeal of any provision of Article IV of

3

the bylaws will affect, to the detriment of the director, officer, employee or agent, our obligations in connection with a claim based on any act or failure to act occurring before such modification or repeal.

ITEM 17. UNDERTAKINGS

The undersigned Registrant hereby undertakes:

To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration

4

statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

- (iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3ASR

provided, however, that paragraphs (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

- (A) Each prospectus filed by a Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
- (B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

That, for the purpose of determining liability of a Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, each undersigned Registrant undertakes that in a primary offering of securities of an undersigned Registrant pursuant to this registration statement,

5

regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of an undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of an undersigned Registrant or used or referred to by an undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about an undersigned Registrant or its securities provided by or on behalf of an undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by an undersigned Registrant to the purchaser.

9

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3ASR

That, for purposes of determining any liability under the Securities Act of 1933, each filing of Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Trust Indenture Act.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of each Registrant pursuant to the foregoing provisions, or otherwise, each Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a Registrant of expenses incurred or paid by a director, officer or controlling person of a Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, that Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

6

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Lionville, Township of Uwchlan, Commonwealth of Pennsylvania, on the 8th day of March, 2007.
