NOTE FOR U.S. READERS ON CANADA/U.S. REPORTING DIFFERENCES

Pursuant to the requirements of Form 40-F, Kinross' Annual Information Form dated March 27, 2008 and Management's Discussion and Analysis, which includes the audited consolidated financial statements and notes thereto as of December 31, 2007 and for each of the three years ended December 31, 2007, are hereby filed under cover of this form. See the supplemental note entitled "Reconciliation to United States GAAP" included as Exhibit 99.4 for a reconciliation of the financial statements to U.S. GAAP.

In the United States, reporting standards for auditors require the addition of an explanatory paragraph (following the opinion paragraph) that refers to the audit report on the effectiveness of the Company's internal control over financial reporting. The report to the shareholders of KPMG LLP, independent registered public accountants to the Company, on Management's Report on Internal Control dated March 27, 2008 is expressed in accordance with Canadian reporting standards, which do not require a reference to the audit report on the effectiveness of the Company's internal control over financial reporting in the financial statement auditors' report.

In the United States, reporting standards for auditors require the addition of an explanatory paragraph (following the opinion paragraph) where there is a change in accounting principles that has a material effect on the comparability of the company's financial statements, such as the changes described in note 3 to the consolidated financial statements as at December 31, 2007 and for the year then ended. KPMG LLP's report to the shareholders dated March 27, 2008 is expressed in accordance with Canadian reporting standards, which do not require a reference to such changes in accounting principles in the auditors' report when the changes are properly accounted for and adequately disclosed in the financial statements.

There are also certain differences between the corporate governance practices applicable to Kinross and those applicable to U.S. companies under NYSE listing standards. A summary of the significant differences can be found at www.kinross.com/corp/governance-corp.html.

DISCLOSURE CONTROLS AND PROCEDURES

The Company maintains disclosure controls and procedures designed to ensure that information required to be disclosed in reports filed under the Securities Exchange Act of 1934 (as amended) (the Exchange Act) is recorded, processed, summarized and reported within the appropriate time periods and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow for timely disclosures regarding required disclosure. In designing and evaluating the disclosure controls and procedures, management recognizes that any disclosure controls and procedures, no matter how well conceived or operated, can only provide reasonable, not absolute, assurance that the objectives of the control system are met, and management is required to exercise its judgment in evaluating the cost-benefit relationship of possible controls and procedures.

As required by Rule 13a-15(b) under the Exchange Act, we conducted an evaluation, under the supervision and with the participation of our management, including the Chief Executive Officer and the Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures as of December 31st, 2007, the end of the period covered by this annual report on Form 40-F. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that, as of the end of the period covered by this Annual Report, the design and operation of the Company's disclosure controls and procedures provide reasonable assurance that they were effective.

Significant Changes in Internal Controls

Edgar Filing: KINROSS GOLD CORP - Form 40-F

There have been no changes to our system of internal control over financial reporting or in other areas for the year ended December 31, 2007 or since that time that could materially affect our internal control over financial reporting.

MANAGEMENT'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING

Management of the Company is responsible for establishing and maintaining adequate internal control over financial reporting. With the participation of the Chief Executive Officer and the Chief Financial Officer, our management conducted an evaluation of the effectiveness of our internal control over financial reporting based on the framework and criteria established in Internal Control - Integrated Framework, issued by the Committee of Sponsoring Organizations of the Treadway Commission. Based on this evaluation, our management has concluded that our internal control over financial reporting was effective as of December 31, 2007. Because of its inherent limitations, internal controls over financial reporting may not prevent or detect misstatement. In addition, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in relevant guidelines, conditions in the control structure, or that the degree of compliance with policies or procedures may deteriorate. KPMG LLP, the independent registered public accounting firm for the Company that audited the financial statements of the Company as of December 31, 2007 and the periods then ended, has issued a report, included herewith as an exhibit, addressing the effectiveness of the Company's internal control over financial reporting.

AUDIT COMMITTEE

Kinross has an audit committee, comprised of three individuals, John A. Brough, chairman, John M.H. Huxley and Terence C. W. Reid. Each of the members of the audit committee is independent as that term is defined in the listing standards of the New York Stock Exchange. The board of directors has determined that Mr. Brough is the audit committee financial expert. Information concerning Mr. Brough's relevant education and experience is included in his biographical information contained in the Company's Annual Information Form included as Exhibit 99.1. The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not make such person an expert for any purpose, impose any duties, obligations or liabilities on such person that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation, or affect the duties, obligations or liability of any other member of the audit committee or board of directors.

CODE OF ETHICS

Kinross has a Code of Business Conduct and Ethics that applies to all directors, officers and employees. The Code of Business Conduct and Ethics may be viewed at the Company's website at www.kinross.com under Corporate Governance. The Company has not granted any waivers under its Code of Business Conduct and Ethics. The Company amended the Code of Business Conduct and Ethics in April 2007. The principal changes include: (a) clearer guidelines on how to report potential violations of the Code and who such reports should be made to; (b) additional guidance regarding a determination of whether a payment to a public official constitutes an improper payment and a requirement that all such payments be cleared through the Chief Legal Officer or his or her delegate; and (c) a requirement for existing employees, officers and directors to sign an acknowledgment on an annual basis confirming their compliance with the Code. A copy of the Code of Business Conduct and Ethics as amended is included with this report as Exhibit 99.8.

The Company paid the following fees to its independent registered public accounting firm during the last two fiscal years:

	2007	2006
Audit Fees	CDN \$ 2,352,600	CDN \$ 2,171,000
Audit-Related Fees	CDN \$ 195,000	CDN \$ 258,000

All audit services, audit related services, tax services, and other services provided for the year ended December 31, 2007 were pre-approved by the audit committee which concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.
