**RECORD DATE**

The Board of Directors of the Company (the "Board") has fixed the close of business on March 23, 2009 as the Record Date for the 2009 Annual Meeting (the "Record Date"). Only stockholders of record at the Record Date are entitled to notice of and to vote at the Annual Meeting and any postponements or adjournments thereof, in person or by proxy. At the Record Date, there were 171,153,593 shares of Common Stock outstanding.

**PROXIES**

The proxy accompanying this Proxy Statement is solicited on behalf of the Board for use at the Annual Meeting and any postponements or adjournments thereof. Each holder of Common Stock is entitled to one vote for each share of Common Stock held at the Record Date. The holders in person or by proxy of a majority of the shares of Common Stock entitled to be voted at the Annual Meeting shall constitute a quorum.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same upon receipt by the Company, prior to the time the proxy is voted, of a duly executed instrument revoking it, or of a duly executed proxy bearing a later date, or in the case of death or incapacity of the person(s) executing the same, of written notice thereof, or by such person(s) voting in person at the Annual Meeting. Unless revoked, all proxies representing shares of Common Stock entitled to vote which are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification.

**Where a choice has not been specified on the proxy card, the proxy will be voted in accordance with the recommendations of your Board of Directors. If other matters are properly presented for consideration at the Annual Meeting, the proxy holders appointed by the Board (who are named in your proxy card if you are a registered stockholder) will have the discretion to vote on those matters for you in accordance with their best judgment.**

The Nominating/Corporate Governance Committee also oversees the annual evaluation of and the compensation of Board. As part of its responsibilities relating to the recruitment of new qualified directors, the Nominating/Corporate Governance Committee also reviews and makes recommendations to the Company and to the full Board regarding director compensation from time to time. Table of Contents

The Nominating/Corporate Governance Committee will consider candidates for Board membership suggested by its members and other Board members, as well as by management and stockholders. A stockholder may recommend any person for consideration as a nominee for director by writing to the Nominating/Corporate Governance Committee of the Board of Directors, c/o Secretary, Amphenol Corporation, 358 Hall Avenue, P.O. Box 5030, Wallingford, CT 06492-7530. Recommendations must be received by December 28, 2009 to be considered for the 2010 Annual Meeting of Stockholders, and must comply with the requirements in the Company's by-laws. Recommendations must include the name and address of the stockholder making the recommendation, a representation that the stockholder is a holder of record of Common Stock, biographical information about the individual recommended and any other information the stockholder believes would be helpful to the Nominating/Corporate Governance Committee in evaluating the individual being recommended by the stockholder.

Once the Nominating/Corporate Governance Committee has identified a candidate, the Committee will evaluate the candidate based upon the following principles:

character, judgment, personal and professional ethics, integrity, values and familiarity with national and international issues affecting the Company's business;

depth of experience, skills and knowledge complementary to the Board and the Company's business; and

willingness to devote sufficient time to carry out the duties and responsibilities of a director effectively.

The Nominating/Corporate Governance Committee will also consider such other relevant factors as it deems appropriate. The Committee will make a recommendation to the full Board as to any persons it believes should be nominated by the Board, and the Board will determine the nominees after considering the recommendation and report of the Committee. The procedures for considering candidates recommended by a stockholder for Board membership will be no different than the procedures for candidates recommended by members of the Nominating/Corporate Governance Committee, other members of the Board or management.

The Board believes that an important component of the Board is diversity including educational and business background, skills, experience, expertise, gender, race and culture.

Assumptions used in the calculation of these amounts are included in Note 1 Summary of Significant Accounting Policies; Stock Options to the Company's consolidated financial statements for the fiscal year ended December 31, 2008 included in the Company's Annual Report on Form 10-K filed with the SEC, except that rules of the SEC require that the amounts shown in this table and its footnotes exclude the impact of assumed forfeitures, if any, related to service based vesting conditions. During 1997, the Company adopted the Directors' Deferred Compensation Plan. The Directors' Deferred Compensation Plan allows each director to elect to defer payment of their fees to a future date with the ultimate payment in cash or Common Stock subject to the prior election of each director. Messrs. Badie, Clark, Lietz and Secord initially elected and, with the exception of Mr. Secord, have continued to elect deferral of fees and the payment of fees in Common Stock. Mr. Lietz was appointed to the Board on January 24, 2001 and the cumulative balance in his Directors' Deferred Compensation account as of April 1, 2009, including credit for dividends, is 19,153 unit shares. Mr. Secord was appointed to the Board on March 28, 2002 and the cumulative balance in his Directors' Deferred Compensation account as of April 1, 2009, including credit for dividends, is 14,766 unit shares. Commencing with the fourth quarter 2008, Mr. Secord elected to receive his quarterly director's fees in cash as earned in lieu of shares. As long as this election continues, the cumulative balance in Mr. Secord's Directors' Deferred Compensation account will only increase by the number of shares credited for dividends. Mr. Badie was appointed to the Board on July 21, 2004 and the cumulative balance in his Directors' Deferred Compensation account as of April 1, 2009, including credit for dividends, is 8,454 unit shares. Mr. Clark was appointed to the Board on January 27, 2005 and the cumulative balance in his Directors' Deferred Compensation account as of April 1, 2009, including credit for dividends, is 7,325 unit shares. None of the shares credited to any directors' account are currently issued or outstanding. Mr. Lord was appointed to the Board on March 10, 2004 and he has elected to receive director fees in cash, as they accrue quarterly. He received cash fees of \$51,000 for services rendered as a member of the Board and as Chairman of the Compensation Committee during 2008. Mr. Jepsen was appointed to the Board on January 5, 2005 and retired as an employee of the Company on December 31, 2006. During 2007, he elected to receive director fees in cash as earned. He received \$45,000 for services rendered as a member of the Board during 2008.

During 2004, the Board authorized and the stockholders of the Company approved, the Directors' Stock Option Plan. Each non-employee director received an annual award of 8,000 stock options at fair market value on the first business day following the day of each annual meeting of the stockholders of the Company since the Plan was approved in May 2004 through May 2006. The options vest ratably over three years and there are no additional restrictions on transfer or sale. In May 2007, the stockholders of the Company approved an amendment to the Directors' Stock Option Plan which increased the options awarded to each non-employee director from 8,000 to 10,000 options per year commencing with the May 2007 award. Messrs. Badie, Clark, Jepsen, Lietz, Lord and Secord each received an additional 10,000 stock options on May 22, 2008 with an exercise price of \$45.95.

The Nominating/Corporate Governance Committee of the Board will continue to monitor and make recommendations to the Company and to the Board regarding the annual retainer fee, committee fees and equity compensation elements of the directors' compensation program to ensure that total director compensation is fair and reasonable and competitive for the purpose of attracting and retaining qualified directors. The Board recognizes that the equity compensation element of the directors compensation program and the ability to defer payment of fees with the ultimate payment in Common Stock serves to align the interests of directors with stockholders.

**Certain Relationships and Related Party Transactions.**

The Company has adopted a written policy for the review of transactions with related persons. No such transactions were identified during or subsequent to 2008. The policy requires review and approval or ratification of all relationships and transactions in which the Company and its Directors or its executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. These transactions are required to be reported to and reviewed by the General Counsel of the Company who will report the results of his review to the Board or non-management members of the Board, as appropriate. Following this review, the Board would determine whether any such transaction is in, or not inconsistent with, the best interests of the Company and its stockholders, taking into consideration whether they are on terms no less favorable to the Company than those available with unrelated third parties and the related person's interest in the transaction. As required under the rules of the SEC, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in the Company's Proxy Statement. As indicated above, there are no such transactions to be reported in this Proxy Statement.

Following that review, the Audit Committee approved its Charter and its policies and practices. **COMPENSATION DISCUSSION & ANALYSIS**

**Overview of Compensation.** The Compensation Committee of the Board (referred to in this Compensation Discussion & Analysis as the "Committee") has responsibility for establishing, implementing and continually monitoring adherence with the Company's compensation philosophy and guidelines. A primary goal of the compensation philosophy and these guidelines is to align the interests of management with the stockholders to drive stockholder value. In allocating the Company's resources towards compensation, the Committee strives to ensure that the total compensation paid to executive officers and key management employees is judicious and reasonable, while, at the same time, capable of attracting, retaining and motivating the executive officers and key management employees of the Company and its subsidiaries. The Company's core management compensation programs include base salary, an annual performance based incentive plan payment opportunity, annual stock option awards, insurance benefits and retirement benefits.

Throughout this 2009 Proxy Statement, the individuals who served as the Company's Chief Executive Officer and as the Company's Chief Financial Officer during the 2008 fiscal year, as well as the three other individuals included in the Summary Compensation Table on page 30 are referred to as the "named executive officers". References to "executive officers and key management employees" in this Proxy Statement relate to the approximately 270 management personnel of the Company and its subsidiaries who currently participate in the Company's core management compensation programs.

**The Compensation Committee.** The Committee is currently composed of three directors, none of whom are officers or employees of the Company or its subsidiaries. The activities and actions of the Committee are subject to the review of the full Board. All actions of the Committee are reported no later than the next subsequent meeting of the full Board following any Committee action.

The Committee has responsibility, from time to time, but at least annually, to:

Review and approve the overall compensation philosophy and guidelines for all executive officers and key management employees of the Company and its subsidiaries.

Review and approve the goals and the performance of the Company's Chief Executive Officer and Executive Chairman and approve, as deemed necessary and appropriate, any changes in the level for each of base salary and performance based incentive plan target. Also approve any performance based incentive plan payments and/or option awards to the Company's Chief Executive Officer and Executive Chairman.

Review and approve recommendations from the Company's Chief Executive Officer and Executive Chairman related to the performance based incentive plan pool, performance based incentive plan allocations, the stock option pool, stock option awards and other related matters for all other executive officers and key management employees and any prospective senior management employees of the Company and its subsidiaries.

Approve specific adjustments to individual compensation for all other executive officers and key management employees and any prospective senior management employees of the Company and its subsidiaries whose proposed annual base salary exceeds \$200,000 or the U.S. dollar equivalent of such amount.

Review and recommend changes, as necessary and appropriate, to the Company's Executive Incentive Plans and the Company's Management Incentive Plans as described beginning on page 21 and Stock Option Plans as described beginning on page 23.

**Role of Executive Officers in Compensation Decisions.** In establishing, reviewing and assessing the appropriateness of compensation levels and adjustments in compensation levels for the executive officers and key management employees and prospective senior management employees, the Committee considers the recommendations of certain executive officers of the Company. Two executive officers, Mr. Norwitt

Table of Contents

and Mr. Loeffler, are particularly involved. Mr. Norwitt has been the Company's President and Chief Executive Officer since January 2009 and he was President and Chief Operating Officer prior thereto. Mr. Loeffler was the Company's Chief Executive Officer from May 1996 to December 2008 and currently serves as the Company's Executive Chairman. Messrs. Norwitt and Loeffler review the performance and compensation of the executive officers and key management employees at least annually and any prospective senior management employees as necessary. They also review certain other peer company performance and compensation data compiled by the Company's legal, accounting and human resources departments. The conclusions reached and recommendations of certain executive officers, including Messrs. Norwitt and Loeffler, regarding any salary adjustments, annual performance based incentive plan payments and annual option award amounts based on individual and operating unit performance as well as reviews of peer company performance and compensation, are presented to the Committee. The Committee exercises its discretion in approving or modifying any compensation recommendations for any executive officer or key management employee or any prospective senior management employee. Neither Mr. Norwitt nor Mr. Loeffler participate in the final determination of their own or the other's compensation.

Neither Mr. Norwitt nor Mr. Loeffler vote on any compensation matters considered by the Committee. However, both are available to the Committee as an additional resource to discuss individual, operating unit and peer performance and compensation matters. The Committee also meets and discusses compensation matters without Company personnel present.

***Philosophy and Objectives of Compensation Program.*** The Committee continues to strive to develop, refine and implement a complete and straightforward compensation program that will serve to attract, retain and motivate the executive officers and key management employees, and that remains competitive relative to the compensation paid to similarly situated senior management employees of certain peer companies with comparable performance. The program is designed to promote decision making geared to increasing stockholder value by rewarding executive officers and key management employees who contribute to stockholder value. The Committee believes that to further these objectives, executive compensation packages should include both cash and equity-based compensation as well as reasonable benefits.

***Elements of Compensation Program.*** The Committee endeavors to provide an appropriate mix of different elements of compensation, including finding a balance among (i) fixed versus at-risk compensation, (ii) current versus long-term compensation, (iii) cash versus equity-based compensation and (iv) basic benefits. Cash payments primarily reward recent performance and equity-based awards encourage key management employees, including the named executive officers, to continue to deliver results over a longer period of time and serve as a retention tool. The Committee generally strives to provide equity-based compensation at a level that will cause focus on long-term performance of the Company. The compensation program for all executive officers and key management employees, including the named executive officers, includes the following elements:

base salary

performance based incentive plans

stock option plans

insurance benefits

retirement benefits

***Base Salary.*** The Company establishes base salary to provide fixed income near the median level for executives of certain peer companies with similar responsibilities. Several elements are considered in setting base salary, including the size, scope and complexity of the executive officer's or key management employee's responsibilities. Position and economic and market conditions are also considered. Base salary

must be reasonable, fair and competitive. The Committee also considers the historical, current and forecasted performance of the Company and individual operating units and groups, and the contributions or expected contributions of each executive officer or key management employee to those results when considering proposed adjustments to base salary. Salary levels for all executive officers and key management employees are reviewed and typically adjusted at least annually. Salary levels are also typically reviewed and adjusted in connection with a change in job responsibilities with the support of senior management of the Company. In December 2008, salary levels for all executive officers and key management employees were reviewed in connection with the annual review process, and preliminary adjustments to base salary were drafted. However, at that time the Committee decided, with the support of senior management of the Company, that in view of the current worldwide financial crisis, it would be appropriate with very limited exceptions to defer to a later date the proposed increases in the annual base salaries of executive officers and key management employees. Proposed increases in base salary for all named executive officers were deferred.

*Performance Based Incentive Plans.* Executive officers and key management employees, including the named executive officers (with the exception of key sales and marketing employees who typically have their own sales incentive or commission plans and certain key employees of certain recently acquired companies who had or have their own incentive plans), were eligible to receive payments pursuant to The 2008 Management Incentive Plan (the "2008 Management Incentive Plan"). The 2008 Management Incentive Plan is an executive bonus plan that falls within the parameters of The 2004 Amphenol Executive Incentive Plan (the "2004 Executive Incentive Plan"). There have been no changes to the 2004 Executive Incentive Plan since it was approved by stockholders in 2004. The Committee has reviewed and approved The 2009 Management Incentive Plan (the "2009 Management Incentive Plan") with terms that are substantially the same as the 2008 Management Incentive Plan. The Committee has also reviewed and approved The 2009 Executive Incentive Plan (the "2009 Executive Incentive Plan"), and has recommended that it be submitted for stockholder approval at the 2009 Annual Meeting. (See Proposal 3 on page 32 Ratify and Approve The 2009 Amphenol Executive Incentive Plan.) The 2009 Management Incentive Plan is an executive bonus plan that is intended to fall within the parameters of the 2009 Executive Incentive Plan. The 2008 Management Incentive Plan, the 2009 Management Incentive Plan, the 2004 Executive Incentive Plan and, if approved by the stockholders at the 2009 Annual Meeting, the 2009 Executive Incentive Plan, are collectively hereinafter referred to as the "incentive plan". Target payments under the incentive plan when added to fixed base salary are intended to generate total annual cash compensation for participating Company employees that is reasonable, fair and competitive with annual cash compensation paid to similarly situated employees in comparable positions with comparable performance.

The incentive plan provides participants with a cash bonus opportunity if certain individual, operating unit and/or Company goals are achieved. Operating unit refers to the group or business unit to which the employee is assigned. The incentive plan is intended to reward participants upon the achievement of those goals, with discretion for qualitative individual, operating unit and Company performance factors. No annual incentive payments will be made if threshold performance levels are not achieved, absent the occurrence of extenuating circumstances that, in the discretion of the Committee, merit an exception to the threshold performance requirement. As a general rule, the threshold performance requirement for consideration of any incentive plan payment is year-over-year improvement in financial performance.

Payments under the incentive plan are intended to constitute "performance based compensation" within the meaning of Section 162(m)(4)(C) of the Internal Revenue Code and the regulations promulgated thereunder. Since the Compensation Committee has the authority to change performance targets each year and to select among different performance criteria under each of the 2004 Executive Incentive Plan and the 2009 Executive Incentive Plan, Section 162(m) and the related regulations require that the stockholders approve the Executive Incentive Plan every five years. For this reason, the 2009 Executive Incentive Plan is being submitted for stockholder approval at the 2009 Annual Meeting (See Proposal 3 on page 32 Ratify and Approve The 2009 Amphenol Executive Incentive Plan).

Table of Contents

Incentive plan payments, when made, have historically totaled less than 2% of the annual consolidated operating income for the Company. There were approximately 200 participants in the 2007 Management Incentive Plan who were paid a total of approximately \$7.0 million (using January 2008 exchange rates) representing approximately 1.3% of the Company's consolidated operating income for 2007. There were approximately 225 participants in the 2008 Management Incentive Plan who were paid approximately \$6.6 million (using January 2009 exchange rates) representing approximately 1.1% of the Company's consolidated operating income for 2008. There are currently approximately 270 participants in the 2009 Management Incentive Plan who, at achievement of 100% of 2009 performance targets and goals, would be paid an aggregate of approximately \$8.8 million.

Incentive plan payment amounts are calculated by multiplying three factors together: (i) a participant's annual base salary, (ii) a participant's incentive plan target percentage and (iii) a participant's incentive plan multiplier.

Incentive plan target percentages for each participant are established at the beginning of each year, occasionally subject to adjustment mid-year with the approval of the Compensation Committee if there is a significant change in job responsibilities. Incentive plan target percentages for all participants in the 2008 Incentive Plan ranged from 5% to 85% of annual base salary. The incentive plan target percentages for the named executive officers for 2008 ranged from 55% to 85% of annual base salary and at the beginning of 2009 were set at a range from 50% to 75% of annual base salary.

The incentive plan multiplier is determined for each participant at the end of each year by analyzing a number of quantitative factors, subject to qualitative adjustment, as discussed in more detail below. The maximum incentive plan multiplier any recipient may be awarded is 200%. The incentive plan does not guarantee any minimum incentive plan multiplier to any participant. For 2008, participants received incentive plan multipliers ranging from 0% to 200%.

A participant's incentive plan multiplier is based primarily on Company or operating unit performance against quantitative measures established at the beginning of each year. In addition, consideration is given, when appropriate, to certain qualitative factors as further discussed below. In 2008, the aggregated qualitative adjustment with respect to all participants in the incentive plan was an increase of less than 10% of the total amount calculated pursuant to the quantitative measures. The quantitative portion of the incentive plan multiplier is contingent upon the Company's achievement and/or each operating group's achievement of performance targets and/or goals. These targets and/or goals may vary from year to year and include revenue growth, operating income growth, operating cash flow, return on investment, return on sales, organic growth and/or contribution to EPS growth. Actual performance against these criteria is measured against both year-over-year growth and/or the current year target. In 2008, the quantitative performance criteria for (i) employees with Company-wide responsibilities was primarily based on Company revenue and EPS growth in 2008 over 2007 and actual EPS growth in 2008 as compared to 2008 budget and (ii) other employees was primarily based on operating unit revenue sales and income growth in 2008 over 2007 and actual performance in 2008 as compared to 2008 budget. The same quantitative performance criteria will be used in evaluating payments for 2009 performance to be made pursuant to the incentive plan. In 2008, the quantitative analysis of the incentive plan multiplier with respect to all participants in the plan was calculated by considering various data and information relating to the operating unit for which the participant has responsibility or to which the participant is assigned. For employees with Company-wide responsibilities, the quantitative formula in 2008 took into account Company revenue growth and EPS growth. For other employees, the quantitative formula in 2008 took into account operating unit revenue growth and operating income growth.

The specific targets to be achieved by Messrs. Loeffler and Norwitt and Ms. Reardon to attain a 100% quantitative portion of the incentive plan multiplier under the incentive plan in 2008 were (i) Company revenue growth in local currency of at least 10%, and (ii) Company EPS growth of at least 17%. In calculating the incentive plan multiplier, Company EPS growth is given two times the weighting of

Table of Contents

Company revenue growth. The specific targets to be achieved by Messrs. Anderson and Walter to attain a 100% incentive plan multiplier under the 2008 incentive plan were (i) operating unit revenue growth of at least 10% and (ii) operating unit operating income growth of at least 17%. In calculating the incentive plan multiplier, operating unit operating income growth is given twice the weighting of operating unit revenue growth. If revenue growth, operating income growth or EPS growth is below 0%, 3% or 3%, respectively, the impact to the incentive plan multiplier is at the discretion of the Compensation Committee, but generally has resulted in an incentive plan multiplier of 0%. For purposes of making all calculations for incentive plan purposes, operating unit operating income is adjusted for other expenses recorded below operating income and for certain amortization expense. The quantitative portion of the incentive plan multiplier is further modified by a factor relating to achievement of budgeted targets set at the beginning of the year for (i) 2008 Company EPS for Messrs. Loeffler and Norwitt and Ms. Reardon and (ii) 2008 operating unit operating income for Messrs. Anderson and Walter.

Once the quantitative portion of the incentive plan multiplier is established, management and/or the Compensation Committee, as applicable, consider various qualitative factors and may adjust the incentive plan multiplier accordingly. The qualitative analysis is designed to ensure that a participant is rewarded for both operating unit and individual performance, but also to provide a means to be sure the awards are fair and meet the other goals of the Compensation Committee in determining executive compensation. The qualitative portion of the incentive plan allows for adjustment to the multiple for the following factors: accomplishments against budget, balance sheet management including cash flow, new market/new product positioning, operating unit and group contribution to total Company performance, an individual's efforts to ensure collaboration within the Company, an individual's achievement of performance targets and/or goals, acquisition activity, other specific individual objectives impacting Company performance, whether operating income of the operating unit is above or below the average of the Company, customer satisfaction, cost reductions and productivity improvement and quality management, or if unusual and unanticipated market conditions materially impact the Company's or an operating unit's growth and/or performance, industry performance, acquisition activity and other special situations (e.g. the participant is new in a position). The Compensation Committee may also adjust the multiple of any or all participants in consideration of (i) whether the payout to all MIP participants as a percentage of Company operating income falls within the historical parameters discussed above, (ii) how the current year incentive plan multiplier compares with the prior year, (iii) reasonableness and consistency, (iv) internal pay equity and (v) in recognition of the general rule that absent special circumstances, no bonus will be paid within an operating unit that has negative income growth.

*Stock Option Plans.* The Committee believes that granting stock options helps create competitive levels of compensation and provides an opportunity for increased equity ownership by executive officers and key management employees (including the named executive officers). Granting stock options also serves to maintain the alignment of the interests of the Company's executive officers and key management employees with its stockholders and allows executive officers and key management employees to participate in the long-term growth and profitability of the Company. All currently outstanding employee stock options have a five-year vesting period, with 20% vesting each year. Vesting is automatically accelerated upon death or under certain circumstances disability. Vesting is also automatically accelerated for option awards made prior to 2007 upon retirement at age 65. The Committee has the discretion to allow continued vesting of other unvested options following termination of employment due to retirement at age 65 or older or following termination of employment due to retirement at age 55 or older with at least ten (10) years of employment with the Company. Vesting stops under most other termination situations. The Committee believes this vesting schedule helps retain executive officers and key management employees and encourages them to make decisions geared towards long-term growth.

The Committee has authorized the Company to issue stock options to executive officers and key management employees (including the named executive officers) pursuant to The 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries and its amendments (the "2000 Stock

Table of Contents

Option Plan"). In determining the number of options to be granted to an individual employee, a value is imputed for each option, with reference to the Company's then current stock price, the estimated Black-Scholes valuation for option grants and the Company's growth assessment for its Common Stock. The Committee also considers information regarding the total amount of options available, an individual's base salary, the amount of stock options, if any, previously awarded to an individual, an individual's past and expected future contributions to the Company's financial performance and an individual's responsibilities for assisting the Company in achieving its long-term strategic goals. The total annual award expense for options granted is intended to be in the range of 3% to 5% of the Company's annual budgeted consolidated operating income for the year.

Employee stock options are granted at fair market value at the time of the award, i.e., the closing price of the Company's Common Stock on the New York Stock Exchange on the date of the grant. The Committee has historically made annual awards of stock options in the second quarter of each year. Newly hired or promoted executives have on occasion received an award of stock options at the date of appointment. The Committee has never approved the grant of any stock options with an exercise price that is less than the closing price of the Company's Common Stock on the grant date.

All stock option recipients must enter into a Stock Option Agreement and Management Stockholder's Agreement with the Company which set forth the terms and conditions and limitations applicable to any shares purchased pursuant to options granted. The form of 2009 Non-qualified Stock Option Agreement and form of 2009 Management Stockholder's Agreement are attached hereto as *Annex D* and *Annex E*, respectively.

*Insurance Benefits.* Each executive officer and key management employee (including the named executive officers) receives health and life insurance identical to the benefits of other employees working at the same location. The Company also makes a contribution to life insurance on behalf of almost all U.S.-based salaried employees pursuant to a formula that treats similarly situated employees equally.

*Retirement Benefits.* U.S.-based senior executives and key management employees (including the named executive officers) participate in the Company's Pension Plan and Supplemental Employee Retirement Plan (the "SERP") and the Company's 401(k) programs on the same terms and conditions as similarly situated U.S.-based salaried employees. For more information on the Pension Plan, the SERP and 401(k) programs, see "Pensions and Deferred Compensation" beginning on page 40.

*Perquisites.*

Mr. Loeffler and Mr. Norwitt were provided with access to car services in 2008. These services allow Mr. Loeffler and Mr. Norwitt to work more efficiently and facilitate their ability to communicate with the Company's global organization. Other than Mr. Loeffler's and Mr. Norwitt's car services and the imputed value to Mr. Loeffler of Group Term Life Insurance in 2008 in excess of \$50,000 net of employee payments, see table of "All Other Compensation" under footnote (5) on page 31, neither Mr. Loeffler nor Mr. Norwitt nor any other named executive officer individually received perquisites or personal benefits from the Company with an aggregate value of US\$10,000 or more.

*Compensation of Named Executive Officers.*

*Company Performance* The compensation for each of the named executive officers for 2008 reflects the excellent financial performance of the Company as measured against key objectives and the performance of its peer group and the industry, in general. A detailed analysis of the Company's financial and operational performance is provided in the Company's Annual Report on Form 10-K for the year ended December 31, 2008 that has been filed with the SEC.

*CEO Compensation* During 2008, the Company continued to outperform its peer group and the industry, in general. In 2008, the Company achieved new records for sales, earnings per share and cash

flow. In the three year period ending December 31, 2008, the Company's annual revenues increased by 79%, annual operating income increased by 84%, the number of operating locations increased by 63% and the number of employees has increased by 30%. Mr. Loeffler, as Chairman and Chief Executive Officer of the Company during this period, played a vital role in the operation, growth and success of the Company and in maintaining and enhancing stockholder value.

Mr. Loeffler's annual base salary for 2009 has been decreased by 28.25% from \$1,115,000 to \$800,000. The decrease reflects changes in his responsibilities in connection with his transition from Chief Executive Officer to Executive Chairman.

Consistent with the methodology for calculating incentive plan payments described in "Performance Based Incentive Plans" above, the calculation of the incentive plan payment for Mr. Loeffler is the product of his 2008 base compensation, multiplied by his incentive plan target percentage and his incentive plan multiplier. In 2008, the Company achieved revenue growth in local currency of 12.5% and EPS growth of 20.6%. Both revenue growth and EPS growth exceeded the targets of 10% and 17%, respectively, which were required to attain a 100% quantitative portion of the incentive plan multiplier, however the multiplier was reduced to 99% because of the EPS budget factor described in "Performance Based Incentive Plans" above.

Based on these calculations, the quantitative portion of Mr. Loeffler's incentive plan multiplier in 2008 was 99%. This multiple was increased to 100% for qualitative considerations. His incentive plan payment pursuant to the 2008 Management Incentive Plan was \$947,750, representing a product of his 2008 base salary of \$1,115,000 multiplied by his incentive plan target percentage of 85%, multiplied by his incentive plan multiplier of 100%. This was 85% of his 2008 base salary as compared to a maximum possible incentive plan payout for 2008 of 170% of his 2008 base salary.

Mr. Loeffler's incentive plan target percentage pursuant to the 2009 Incentive Plan has been decreased from 85% in 2008 to 50% of his base annual salary in 2009 to reflect changes in his responsibilities in connection with his transition from Chief Executive Officer to Executive Chairman. This new incentive plan target percentage for 2009, considered with a potential incentive plan multiplier to be determined based on fiscal year 2009 results with a range from 0% to 200%, means his actual potential incentive plan payment for performance in 2009 could range from 0% to 100% of his base annual salary in 2009.

Mr. Loeffler was not awarded any options in 2008.

In 2008, Mr. Loeffler was provided with car and driver services. The Company incurred expenses associated with this car and driver were \$31,292. The imputed value of compensation for Group Term Life Insurance provided to Mr. Loeffler in 2008 in excess of \$50,000, net of employee payments, was \$17,265. Mr. Loeffler continues to participate in the pension plan described beginning on page 40. The increase in pension value in 2008 for Mr. Loeffler was \$469,200. The Company continues to provide Mr. Loeffler with car and driver services and contribute to his Group Term Life Insurance in 2009.

*Other Named Executive Officer's Compensation.* In determining base salary adjustments, incentive plan payments and stock option awards for 2008 for each of the other named executive officers, the Committee considered each executive's performance against individual goals and objectives and, in the case of Mr. Norwitt and Ms. Reardon, the Committee evaluated the overall performance of the Company and their respective contributions to that performance and, in the case of Messrs. Anderson and Walter, their contributions to the performance and results of the operating units they lead.

*Ms. Reardon.* Ms. Reardon's annual base salary at the beginning of 2009 continues at \$548,000, the same rate as was paid in 2008. In December 2008, the Compensation Committee deferred to a later date a proposed increase in Ms. Reardon's base salary in line with the general Company-wide deferral of base salary adjustments related to current market conditions.

Table of Contents

Consistent with the methodology for calculating incentive plan payments described in "Performance Based Incentive Plans" above, the calculation of the incentive plan payment for Ms. Reardon is the product of her 2008 base compensation, multiplied by her incentive plan target percentage and her incentive plan multiplier. Ms. Reardon's 2008 base salary was \$548,000 and her incentive plan target percentage established in early 2008 was 55%. The determination of her incentive plan multiplier takes into account the same quantitative and qualitative factors as Messrs. Loeffler and Norwitt and resulted in the same incentive plan multiplier of 100%. Her incentive plan payment pursuant to the 2008 Management Incentive Plan was \$301,400, representing a product of her 2008 base annual salary of \$548,000 multiplied by her incentive plan target percentage of 55%, multiplied by her incentive plan multiplier of 100%. This was 55% of her 2008 base annual salary as compared to a maximum possible incentive plan payout for 2008 of 110% of her 2008 base salary.

Ms. Reardon's incentive plan target percentage pursuant to the 2009 Management Incentive Plan continues at 55% of her base annual salary in 2009 which, considered with a potential incentive plan multiplier to be determined based on fiscal year 2009 results with a range from 0% to 200%, means her actual potential 2009 Management Incentive Plan payment could range from 0% to 110% of her base annual salary in 2009.

In May 2008, Ms. Reardon was awarded 120,000 options pursuant to the 2000 Option Plan with an exercise price of \$45.95.

The imputed value of compensation for Group Term Life Insurance provided to Ms. Reardon in 2008 in excess of \$50,000, net of employee payments was \$1,883. Ms. Reardon continues to participate in the pension plan described beginning on page 40 but her benefits under such pension plan have been frozen as described on pages 40 and 44. In 2008, Ms. Reardon received 401(k) match of \$11,500 and Company provided contributions to a non-qualified supplemental defined contribution plan (the "DC SERP") of \$30,913 as described on page 44. In 2009, the Company continues to contribute to Ms. Reardon's Group Term Life Insurance. She also continues to participate in the 401(k) match program and DC SERP program in 2009.

*Mr. Norwitt.* Mr. Norwitt's annual base salary was increased by 14.0% from \$525,000 to \$600,000 on July 1, 2008 reflecting his continually increasing responsibilities within the Company. Mr. Norwitt's annual base salary at the beginning of 2009 continues at \$600,000. In December 2008, in line with the general Company-wide deferral of base salary adjustments related to current market conditions, the Compensation Committee deferred to a later date an increase proposed to Mr. Norwitt's base salary in conjunction with his appointment as Chief Executive Officer of the Company.

Consistent with the methodology for calculating incentive plan payments described in "Performance Based Incentive Plans" above, the calculation of the incentive plan payment for Mr. Norwitt is the product of his 2008 base compensation, multiplied by his incentive plan target percentage and his incentive plan multiplier. Mr. Norwitt's aggregate 2008 base salary was \$562,500 and his incentive plan target percentage established in early 2008 was 60%. The determination of his incentive plan multiplier takes into account the same quantitative and qualitative factors as Mr. Loeffler and Ms. Reardon and resulted in the same incentive plan multiplier of 100%. His incentive plan payment pursuant to the 2008 Management Incentive Plan was \$337,500, representing a product of his 2008 base salary of \$562,500 multiplied by his incentive plan target percentage of 60%, multiplied by his incentive plan multiplier of 100%. This was 60% of his 2008 base salary as compared to a maximum possible incentive plan payout for 2008 of 120% of his 2008 base salary.

Mr. Norwitt's incentive plan target percentage pursuant to the 2009 Management Incentive Plan was increased to 75% to reflect his expanded responsibilities in connection with his appointment as Chief Executive Officer. When considered with a potential incentive plan multiplier to be determined based on fiscal year 2008 results with a range from 0% to 200% means his actual potential 2009 Management Incentive Plan payment could range from 0% to 150% of his base salary in 2009.

Table of Contents

In May 2008, Mr. Norwitt was awarded 200,000 options pursuant to the 2000 Option Plan with an exercise price of \$45.95.

In 2008, Mr. Norwitt was provided with car and driver services. The Company incurred expenses associated with this car and driver were \$23,031. The imputed value of compensation for Group Term Life Insurance provided to Mr. Norwitt in 2008 in excess of \$50,000, net of employee payments was \$1,161. Mr. Norwitt continues to participate in the pension plan described beginning on page 40 but his benefits under such Plan have been frozen as described on pages 40 and 44. In 2008, Mr. Norwitt received 401(k) match of \$11,500 and Company provided contributions to a DC SERP of \$27,800. The Company continues to provide Mr. Norwitt with car and driver services and contribute to his Group Term Life Insurance in 2009. He also continues to participate in the 401(k) match program and DC SERP program in 2009.

*Mr. Anderson.* Mr. Anderson's annual base salary at the beginning of 2009 continues at \$424,000, the same rate as was paid in 2008. In December 2008, the Compensation Committee deferred to a later date a proposed increase in Ms. Anderson's base salary in line with the general Company-wide deferral of base salary adjustments related to current market conditions.

Consistent with the methodology for calculating incentive plan payments described in "Performance Based Incentive Plans" above, the calculation of the incentive plan payment for Mr. Anderson is the product of his 2008 base compensation, multiplied by his incentive plan target percentage and his incentive plan multiplier. Mr. Anderson's 2008 base salary was \$424,000 and his incentive plan target percentage established in early 2008 was 55%. The determination of his incentive plan multiplier takes into account achievement of the quantitative and qualitative factors described above and resulted in an incentive plan multiplier of 80%. His incentive plan payment pursuant to the 2008 Management Incentive Plan was \$186,564, representing a product of his 2008 base annual salary of \$424,000 multiplied by his incentive plan target percentage of 55%, multiplied by his incentive plan multiplier of 80%. This was approximately 45% of his 2008 base annual salary as compared to a maximum possible incentive plan payout for 2008 of 110% of his 2008 base annual salary.

Mr. Anderson's incentive plan target percentage pursuant to the Management Incentive Plan continues at 55% of his base salary in 2009 which, considered with a potential incentive plan multiplier to be determined based on fiscal 2009 results with a range of 0% to 200%, means his actual potential 2009 Management Incentive Plan payment could range from 0% to 110% of his base salary in 2009.

In May 2008, Mr. Anderson was awarded 70,000 options pursuant to the 2000 Option Plan with an exercise price of \$45.95.

The imputed value of compensation for Group Term Life Insurance provided to Mr. Anderson in 2008 in excess of \$50,000, net of employee payments was \$4,118. Mr. Anderson continues to participate in the pension plan described beginning on page 40. The increase in pension value in 2008 for Mr. Anderson was \$271,600. The Company continues to contribute to Mr. Anderson's Group Term Life Insurance in 2009.

*Mr. Walter.* Mr. Walter's annual base salary at the beginning of 2009 continues at \$445,471, the same rate as was paid in 2008, subject to certain foreign exchange currency adjustments. In December 2008, the Compensation Committee deferred to a later date a proposed increase in Mr. Walter's base salary in line with the general Company-wide deferral of base salary adjustments related to current market conditions.

Consistent with the methodology for calculating incentive plan payments described in "Performance Based Incentive Plans" above, the calculation of the incentive plan payment for Mr. Walter is the product of his 2008 base compensation, multiplied by his incentive plan target percentage and his incentive plan multiplier. Mr. Walter's 2008 aggregate base salary was \$445,571 and his incentive plan target percentage established in early 2008 was 55%. The determination of his incentive plan multiplier takes into account achievement of the quantitative and qualitative factors described above and resulted in an incentive plan multiplier of 110%. His incentive plan payment pursuant to the 2008 Management Incentive Plan was

Table of Contents

\$269,510, representing a product of his 2008 base salary of \$445,471 multiplied by his incentive plan target percentage of 55%, multiplied by his incentive plan multiplier of 110%. This was approximately 61% of his 2008 base salary as compared to a maximum possible incentive plan payout for 2008 of 110% of his 2008 base salary.

Mr. Walter's incentive plan target percentage pursuant to the 2009 Management Incentive Plan continues at 55% of his base salary in 2009 which, considered with a potential incentive plan multiplier to be determined based on fiscal year 2009 results with a range from 0% to 200%, means his actual potential 2009 Management Incentive Plan payment could range from 0% to 110% of his base salary in 2009.

In May 2008, Mr. Walter was awarded 66,000 options pursuant to the 2000 Option Plan with an exercise price of \$45.95.

The imputed value of compensation for Group Term Life Insurance provided to Mr. Walter in 2008 in excess of \$50,000, net of employee payments was \$1,860. Mr. Walter continues to participate in the pension plan described beginning on page 40 but his benefits under such plan have been frozen as described on pages 40 and 44. In 2008, Mr. Walter received 401(k) match of \$11,500 and Company provided contributions to a DC SERP of \$16,738. In 2009, the Company continues to contribute to Mr. Walter's Group Term Life Insurance. He also continues to participate in the 401(k) match program and DC SERP program in 2009.

(1) The amounts in this column reflect the dollar amount of Option Awards recognized for financial statement reporting purposes for the fiscal years ended December 31, 2006, 2007 and 2008, in accordance with FAS 123R, and thus include amounts from awards granted in and awards granted prior to 2006, 2007 and 2008. Assumptions used in the calculation of these amounts are included in Note 1 Summary of Significant Accounting Policies; Stock Options to the Company's consolidated financial statements for the fiscal years ended December 31, 2006, 2007 and 2008 included in the Company's Annual Report on Form 10-K for the relevant year, except that rules of the SEC require that the amounts shown in this table and its footnotes exclude the impact of assumed forfeitures, if any, related to service based vesting conditions. These amounts reflect the Company's accounting expense for these awards in 2006, in 2007 and in 2008 and do not correspond to the actual value that may be recognized by the named executive officers when any such Option Awards are actually exercised.

(2) During 2006, Mr. Loeffler served as Chairman, President and Chief Executive Officer of the Company. Effective January 2007, R. Adam Norwitt was appointed President and Chief Operating Officer of the Company. Effective January 2009, R. Adam Norwitt was appointed a Director and Chief Executive Officer of the Company and Mr. Loeffler was appointed Executive Chairman of the Company. Mr. Loeffler also continues as Chairman. Prior to January 2007, Mr. Norwitt was senior vice president and group general manager of the Company's Worldwide RF and Microwave Products division.

## Edgar Filing: AMPHENOL CORP /DE/ - Form DEF 14A

The Non-Equity Incentive Plan Compensation for 2008, 2007 and 2006, respectively, for all plan participants including the named executive officers was paid in January 2009, 2008 and 2007, respectively. See "Performance Based Incentive Plans" on page 21.

In 2006, the Company amended its Pension Plan for Employees of Amphenol Corporation (the "Pension Plan") by freezing accruals effective December 31, 2006 for certain personnel below the age of 50 and/or with certain years of service with the Company. Simultaneously, the Company implemented employer contributions to the Amphenol 401(k) Plan and to a related non-qualified supplemental defined contribution plan (the "DC SERP"). Beginning in 2007, Ms. Reardon and Messrs. Norwitt and Walter are no longer accruing any additional benefits under the Pension Plan. Notwithstanding that their pension benefits were frozen effective December 31, 2006, and that therefore the pension benefit to the employee did not increase in 2008, there was a change in pension values for Ms. Reardon and Messrs. Norwitt and Walter of \$23,300, \$1,400 and \$11,900, respectively,

because of changes in actuarial assumptions in 2008 as compared to 2007. The increase in pension value for each of Ms. Reardon and Messrs. Norwitt and Walter represents the increase or decrease in the actuarial present value of their respective benefits under the Pension Plan using the interest rate and mortality assumptions consistent with those used in the Note 7 Benefit Plans and Other Postretirement Benefits to the financial statements included in the Company's 2008 Annual Report. Mr. Loeffler and Mr. Anderson continue to accrue additional benefits under the Pension Plan but they do not receive an employer contribution under the Amphenol 401(k) Plan nor do they participate in the DC SERP.

**Section 162(m) of the Internal Revenue Code**

Section 162(m) of the Internal Revenue Code provides that public companies cannot deduct certain compensation paid to the principal executive officer and certain other executive officers in excess of \$1 million per year. However, certain performance-based compensation is not subject to such limitation. The Company's 2009 Executive Incentive Plan compensation is performance-based and is designed and is intended to qualify for such performance-based deductibility exception. The 2009 Executive Incentive Plan is being submitted to the stockholders for approval at the 2009 Annual Meeting (See Proposal 3 on page 32 Ratify and Approve The 2009 Amphenol Executive Incentive Plan).

In January 2009, the Board authorized and approved The 2009 Amphenol Executive Incentive Plan (the "2009 Executive Incentive Plan"). The 2009 Executive Incentive Plan is intended to continue to meet the requirements of Section 162(m) of the Internal Revenue Code and preserve continuing favorable tax deductions for certain payments which may be made under the 2009 Management Incentive Plan and future Management Incentive Plans (see caption *Performance Based Incentive Plans* on page 21) The Company's performance based incentive plans have been, and it is intended that such performance based incentive plans will continue to be, incentive bonus compensation plans that are established under and operated within the parameters of the Company's executive incentive plans as approved by stockholders from time to time. No incentive bonus payments beyond those described under the Company's 2009 Management Incentive Plan and similar management incentive plans that are expected to be adopted in the future are contemplated by the 2009 Executive Incentive Plan. The 2009 Executive Incentive Plan must be approved by stockholders at the 2009 Annual Meeting of Stockholders to satisfy a requirement of Section 162(m) of the Internal Revenue Code that such a plan be approved by stockholders at least every five years.

The 2009 Executive Incentive Plan promotes the interests of the Company by aiding in the recruitment and retention of exceptional employees, providing incentives to its employees in consideration of their services to the Company and promoting the growth of the Company for its stockholders. A copy of the 2009 Executive Incentive Plan is attached as *Annex B* to this Proxy Statement.

**Employment Agreements**

Each of the named executive officers is a party to management stockholder's agreements with the Company which contemplate, among other things, that a terminated employee will be paid, at the Company's discretion, an additional fifty percent of base salary in the form of salary continuation following his/her termination for up to two years, in exchange for a firm undertaking from the terminated employee not to compete with the business of the Company.

Pursuant to an employment letter agreement with the Company dated July 28, 1987, Mr. Loeffler is guaranteed a minimum annual bonus of \$30,000. Under this agreement, Mr. Loeffler would be entitled, upon termination of his employment with the Company, to 18 months severance pay, which includes base salary plus any incentive plan payment; upon involuntary termination, Mr. Loeffler would also be entitled to certain relocation expenses to Austria, provided that he requests this benefit within six months after his last day of employment with the Company.

Pursuant to an employment letter agreement with the Company dated March 22, 1999, the Company has agreed that if Mr. Walter is terminated, the Company is obligated to pay him lump sum severance equal to 100% of the base compensation he received in the twelve-month period preceding his termination, provided that no severance payment will be made to Mr. Walter if he voluntarily terminates his employment or if he is terminated for cause.

Ms. Reardon and Messrs Norwitt and Anderson are not parties to any employment letter agreements or employment contracts with the Company.

Only non-qualified stock options as defined in Section 422 of the Internal Revenue Code (the "Code") have been granted under the 1997 Option Plan and its amendments. The exercise price of the 31,600 options that remain outstanding under the 1997 Option Plan as of April 1, 2009 is \$4.77. All such 31,600 options must be exercised on or prior to April 27, 2009.

*The 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries.* In June 2000, the Board authorized the 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "2000 Option Plan"). The terms of the 2000 Option Plan are similar to the terms of the 1997 Option Plan. The 2000 Option Plan was approved by stockholders at the 2001 Annual Meeting. The First Amended 2000 Option Plan also increased the number of options that may be granted to any one participant in the First Amended 2000 Option Plan from not more than 2,000,000 to not more than 4,000,000 options. The First Amended 2000 Option Plan was approved by stockholders at the 2003 Annual Meeting.

In April 2004, the Board authorized and approved the Second Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "Second Amended 2000 Option Plan") which amended the 2000 Option Plan to provide that no options could be granted under the 2000 Option Plan at less than the fair market value of the Company's Common Stock on the date of such grant, to eliminate the ability to grant any restricted stock awards, stock appreciation rights ("SARs"), dividend equivalent rights, performance units, performance shares or any other stock-based grants, other than non-qualified options under the 2000 Option Plan and to require stockholder approval of any further

material amendments to the 2000 Option Plan. The Second Amended 2000 Option Plan did not require stockholder approval.

In January 2006, the Board authorized and approved the Third Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries which increased the number of shares of Common Stock to be reserved for issuance under the Amended 2000 Option Plan from 16,000,000 to 24,000,000 shares (the "Third Amended 2000 Option Plan"). The Third Amended 2000 Option Plan also increased the number of options that may be granted to any one participant in the Third Amended 2000 Option Plan from not more than 4,000,000 to not more than 6,000,000 options. All other terms of the Third Amended 2000 Option Plan are the same as the Second Amended 2000 Option Plan. The Third Amended 2000 Option Plan was approved by stockholders at the 2006 Annual Meeting.

In April 2007, the Board authorized and approved the Fourth Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "Fourth Amended 2000 Option Plan") which eliminated automatic accelerated vesting of unvested options upon normal retirement at age 65. Vesting for all option grants made prior to 2007 would be accelerated automatically upon retirement at age 65. The Fourth Amended 2000 Option Plan did not require stockholder approval.

The Fourth Amended 2000 Option Plan is administered by the Compensation Committee of the Board. The Compensation Committee will consider recommendations of the Chief Executive Officer and other senior management employees of the Company and determine those employees of Amphenol and its subsidiaries who will be eligible to receive additional options, the number and the terms and conditions of each option grant, the form of the option agreement and any conditions on the exercise of an option award.

A total of 2,026,700 options were granted under the Fourth Amended 2000 Option Plan in May 2008 at an exercise price of \$45.95 to 267 key employees of the Company including the named executive officers. In addition, 6,000 options were granted in May 2008 to one key employee of a subsidiary of the Company at an exercise price of \$46.66. - (1) All options currently outstanding vest at a rate of 20% per year over the first five years of the ten-year option term, subject to certain exceptions. Vesting of all unvested options would be accelerated upon death or disability of the option awardee. Vesting for all option grants made prior to 2007 would be accelerated automatically upon retirement at age 65. The Compensation Committee of the Board of Directors has the discretion to allow continued vesting of other unvested options following termination of employment due to retirement at age 65 or older or following termination of employment due to retirement at age 55 or older with at least ten (10) years of employment with the Company. Vesting stops immediately and all such unvested options are automatically forfeited upon termination of active employment under most other termination situations.
- (2) No stock awards are contemplated or provided for under the Company's stock option plans or any other plan administered by the Company.

**PROPOSAL 4. RATIFY AND APPROVE THE 2009 STOCK PURCHASE AND OPTION PLAN  
FOR KEY EMPLOYEES OF AMPHENOL AND SUBSIDIARIES**

The Fourth Amended 2000 Option Plan (the "2000 Option Plan") by its terms expires on June 5, 2010. There are currently 3,868,320 shares reserved for the future award of options under the 2000 Option Plan. If stockholders approve The 2009 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "2009 Option Plan"), no further option grants will be made under the 2000 Option Plan.

In January 2009, the Board of Directors approved the 2009 Option Plan which, subject to stockholder approval of the 2009 Option Plan, will replace the 2000 Option Plan. The number of shares available for option grants under the 2009 Option Plan shall be 16,000,000 shares.

The purpose of the 2009 Option Plan, like the 2000 Option Plan, is to enable key employees of the Company and its subsidiaries to obtain or to increase a proprietary interest in the Company and thus share in the anticipated future growth and success of the Company's business. The 2009 Option Plan is also intended to continue to attract and retain outstanding employees and to continue to maintain and promote a closer and stronger identity of interests between key employees of the Company and its subsidiaries and stockholders.

The terms of the 2009 Option Plan are substantially identical to the terms of the 2000 Option Plan. No restricted stock awards, stock appreciation rights ("SARs"), dividend equivalent rights, performance units, performance shares or any other stock based grants are contemplated by or provided for under the 2009 Option Plan. The 2009 Option Plan specifically provides that the Board of Directors may amend, suspend or terminate the 2009 Option Plan except that no such action, other than an action under Paragraph 8 or 9 of the 2009 Option Plan, may be taken which would, without stockholder approval, increase the aggregate number of shares subject to grants under the 2009 Option Plan, decrease the exercise price of outstanding options, cancel outstanding options in exchange for cash, other awards, or options with an exercise price that is less than the exercise price of the original options, change the requirements relating to the Compensation Committee of the Board (the "Compensation Committee") or extend the term of the 2009 Option Plan. Approval of the 2009 Option Plan will allow the Company to continue to provide appropriate longer term incentive compensation to key employees. A complete copy of the 2009 Option Plan is attached to this Proxy Statement as *Annex C*. If the 2009 Option Plan is approved by stockholders, it will become effective May 20, 2009 and no additional option awards will be made under the 2000 Option Plan. Unless terminated earlier by the Company's Board of Directors, the 2009 Option Plan will be terminated on May 19, 2019.

The 2009 Option Plan, like the 2000 Option Plan, will be administered by the Compensation Committee. The Compensation Committee will consider recommendations of the Executive Chairman, the Chief Executive Officer and/or other senior management employees of the Company and shall determine those employees eligible to receive options, the number and the terms and conditions of each option grant, the form of the option grant and any conditions on the exercise of any option award. Only non-qualified stock options ("NQO's"), as defined in Section 422 of the Internal Revenue Code (the "Code"), and Purchase Stock, as defined in the 2009 Option Plan, may be granted under the 2009 Option Plan. A copy of the 2009 Non-Qualified Stock Option Grant Agreement is attached to this Proxy Statement as *Annex D*.

Employees to whom options are granted under the 2009 Option Plan, like employees to whom options were granted under the 2000 Option Plan, will be required to enter into a Management Stockholder's Agreement with the Company (the form of which shall be approved by the Compensation Committee). A complete copy of the Management Stockholder's Agreement is attached to this Proxy Statement as *Annex E*.

Table of Contents

Options awarded under the 2009 Option Plan shall, like options awarded under the 2000 Option Plan, vest in 20% annual increments over a period of five years from the date of grant, with certain limited exceptions related to the death or disability of the option awardee. Options awarded under the 2009 Option Plan may not have an option exercise price less than the closing price of the Company's Common Stock as reported by the New York Stock Exchange on the date the option is granted.

The granting of NQO's to an optionee will not result in taxable income to the optionee or a deduction in computing the income tax liability of the Company. The granting of NQO's will result in an accounting charge to the earnings of the Company. Upon exercise of NQO's, the excess of the fair market value of the shares acquired over the option price paid is (a) taxable to the option holder as ordinary income and (b) deductible by the Company in computing the Company's income tax liability, subject to the satisfaction of applicable tax withholding requirements and general rules related to reasonableness of compensation.

As of March 31, 2009, there were 3,868,320 shares and 260,000 shares remaining available for issue under the 2000 Option Plan and the Directors' Stock Option Plan approved by stockholders in 2004, respectively, and the Company had outstanding awards totaling 10,912,934 options under such plans with a weighted average exercise price of \$25.81 and a weighted average contractual term of 6.45 years and no full-value awards. The Company will not grant any additional awards under the 2000 Option Plan between March 31, 2009 and the date of the 2009 Annual Meeting of Stockholders. If approved by stockholders, the 2009 Option Plan will effectively replace the 2000 Option Plan and no further awards will be granted under the 2000 Option Plan.

The 2009 Option Plan is hereby proposed for approval by the stockholders. The affirmative vote of the holders of a majority of the shares present or presented and entitled to vote at the 2009 Annual Meeting of Stockholders will be necessary to approve the 2009 Option Plan.

Table of Contents**PENSIONS AND DEFERRED COMPENSATION****Pension Plan**

*Pension Plan Background.* Through December 31, 2006, the only retirement benefit funded by the Company was its pension plan. Prior to 1998, the Company and its U.S. domestic subsidiaries maintained eight separate defined benefit pension plans covering substantially all U.S. employees of Amphenol Corporation and its U.S. subsidiaries. Effective December 31, 1997, these pension plans were merged into the Pension Plan for Employees of Amphenol Corporation (the "Plan"). The prior formulas for calculating pension benefits for employees from different operations were retained in different sections of the Plan. All the named executive officers participate in and their pension benefits are calculated under the Amphenol Plan Section, the LPL Plan Section, or the Sidney Salaried Plan Section of the Plan.

In 2006, the Company amended the Plan by freezing accruals effective December 31, 2006 for certain personnel (referred to herein as the "non-grandfathered participants"). Simultaneously, the Company implemented employer contributions to the Amphenol 401(k) Plan and to a related non-qualified supplemental defined contribution plan for these non-grandfathered participants. Prior to 2007, the Company did not make any contributions to the Amphenol 401(k) Plan and the Company did not have a related non-qualified supplemental defined contribution plan.

Non-grandfathered participants are salaried employees of Amphenol Corporation or one of its subsidiaries participating in the Plan who are not "grandfathered participants". "Grandfathered participants" are all salaried personnel of Amphenol Corporation or its subsidiaries participating in the Plan who as of December 31, 2006 were either: (i) age 50 or older with 15 or more years of service or (ii) who had 25 or more years of service. Of the five named executive officers, Messrs. Loeffler and Anderson are the only grandfathered participants. Ms. Reardon and Messrs. Norwitt and Walter are non-grandfathered participants.

Grandfathered participants, including Messrs. Loeffler and Anderson, will continue to accrue incremental benefits under the Plan and the related Supplemental Employee Retirement Plan (the "SERP") (See Supplemental Employee Retirement Plan on page 42) and will continue to be eligible to participate in the Amphenol 401(k) plan with no employer contributions. Additional benefit accruals for non-grandfathered participants in the Plan ceased effective January 1, 2007. The Plan freeze for non-grandfathered participants does not affect any retirement benefit earned by such non-grandfathered participants under the Plan prior to January 1, 2007.

The Company has a policy that prohibits granting extra years of credited service under the Plan.

*General Provisions of the Plan for Salaried Employees.* The Plan provides for annual pensions to certain salaried employees who complete five years of service with the Company. The normal retirement date under the Plan is the first day of the month following a participant's 65<sup>th</sup> birthday. A participant may also retire as of the first day of any month subsequent to the participant's 55<sup>th</sup> birthday and completion of ten years of service, however, a participant's normal retirement benefit is reduced by as much as 50% if payment of retirement benefits commences upon early retirement. Retirement benefits are paid in the form of a life annuity (generally a reduced joint and survivor annuity for married participants).

*Mr. Loeffler's Retirement Benefit Assuming He Elects Early Retirement.* Mr. Loeffler meets the age and service requirements for early retirement under the Plan. If Mr. Loeffler were to have elected early retirement as of December 31, 2008, he could have elected to receive his accrued benefit starting at age 65 or a reduced benefit commencing as of his retirement date. The reduced benefit would be equal to the benefit that would otherwise be payable at his normal retirement date (\$7,654 per month payable from the Plan and \$17,647 per month payable from the SERP), reduced by 1/180<sup>th</sup> for each month by which Mr. Loeffler's hypothetical early retirement date precedes his normal retirement date (i.e. 10 months). Using this formula, Mr. Loeffler's early retirement benefit if he had elected early retirement as of

Table of Contents

December 31, 2008 would have been \$7,229 per month payable from the Plan and \$16,667 per month payable from the SERP.

*Mr. Anderson's Retirement Benefit Assuming He Elects Early Retirement.* Mr. Anderson meets the age and service requirements for early retirement under the Plan. If Mr. Anderson were to have elected early retirement as of December 31, 2008, he could have elected to receive his accrued benefit starting at age 65 or a reduced benefit commencing as of his retirement date. The reduced benefit would be equal to the benefit that would otherwise be payable at his normal retirement date (\$8,847 per month payable from the Plan and \$15,032 per month payable from the SERP), reduced by 1/180<sup>th</sup> for each of the first 60 months and by 1/360<sup>th</sup> for each of the months more than 60 by which Mr. Anderson's hypothetical early retirement date precedes his normal retirement date (i.e. 83 months). Using this formula, Mr. Anderson's early retirement benefit if he had elected early retirement as of December 31, 2008 would have been \$5,333 per month payable from the Plan and \$9,061 per month payable from the SERP.

*Details About the Amphenol Plan Section.* The Company is required to make all contributions necessary to provide benefits payable under the Amphenol Plan Section of the Plan. No participant contributions are required or permitted.

Retirement benefits are calculated based on final average pensionable compensation which is defined under the Amphenol Plan Section of the Plan as the participant's highest average annual total compensation from the Company and its participating divisions or affiliates, excluding bonuses and incentive plan payments, during any five consecutive years of service with the Company or its participating divisions or affiliates during the ten calendar years of service preceding the participant's termination of employment. The annual normal retirement benefit for a participant in the Amphenol Plan Section of the Plan is equal to the greater of: (i) 1.1% of the participant's final average pensionable compensation multiplied by the participant's years of credited service or (ii) 1.8% of the participant's final average pensionable compensation multiplied by the participant's years of credited service not in excess of 25 (1% for years in excess of 25) reduced by 2% of the participant's estimated annual social security benefit multiplied by the participant's years of credited service not in excess of 30. In 2008, Messrs. Loeffler and Norwitt were the only named executive officers in the Amphenol Plan Section of the Plan, although Mr. Norwitt's benefit was frozen as of December 31, 2006.

*Details About the LPL Plan Section.* Prior to January 1, 2000, participants in the LPL Plan Section of the Plan were required to make contributions to the Plan. Since January 1, 2000, no participant contributions are required or permitted.

Retirement benefits are calculated based on final average pensionable compensation which is defined under the LPL Plan Section of the Plan as the participant's highest average annual total compensation from the Company and its participating divisions or affiliates, including bonuses and incentive plan payments, during any five consecutive years of service with the Company and its participating divisions or affiliates during the ten years of service preceding the participant's termination of employment. The annual normal retirement benefit for a participant in the LPL Plan Section of the Plan is equal to 2% of the participant's final average pensionable compensation multiplied by the participant's years of credited service not in excess of 25 less 2% of the participant's estimated annual social security benefit multiplied by the participant's years of credited service not in excess of 25. In 2008, Ms. Reardon and Mr. Walter were the only named executive officers in the LPL Plan Section of the Plan, although each of their benefits was frozen as of December 31, 2006.

Table of Contents

*Details About the Sidney Plan Salaried Section.* The Company is required to make all contributions necessary to provide benefits payable under the Sidney Salaried Section of the Plan. No participant contributions are required or permitted.

Retirement benefits are calculated based on final average pensionable compensation which is defined under the Sidney Salaried Section of the Plan as twelve times the participant's highest average monthly total compensation from the Company and its participating divisions or affiliates, including bonuses and incentive plan payments, during any sixty consecutive months of service with the Company and its participating divisions or affiliates during the 120 months of service preceding the participant's termination of employment. The annual normal retirement benefit for a participant in the Sidney Salaried Section of the Plan is equal to the greater of: (i) 2.0% of the participant's final average pensionable compensation multiplied by the participant's years of credited service not in excess of 25 (0.5% for years in excess of 25) reduced by 2% of the participant's estimated annual social security benefit multiplied by the participant's years of credited service not in excess of 25 or (ii) \$8 plus 0.75% of the participant's final average pensionable compensation multiplied by the participant's years of credited service not in excess of 30. In 2008, Mr. Anderson was the only named executive officer in the Sidney Salaried Section of the Plan.

*Supplemental Employee Retirement Plan.* Section 415 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), currently limits the maximum annual benefit which may be paid to any employee from a tax-qualified plan to \$185,000 in 2008 and \$195,000 in 2009. Section 401(a)(17) of the Internal Revenue Code currently limits the amount of compensation taken into account under a tax-qualified plan to \$230,000 in 2008 and \$245,000 in 2009. These limitations continue to be subject to future adjustment. The Company sponsors a SERP which formally provides for the payment of the portion of an annual pension which cannot be paid from the Plan as a result of the Internal Revenue Code limitations described above. Final average pensionable compensation under the SERP, however, is limited to 3.33 times the Section 401(a)(17) limitation beginning with 2007 pensionable compensation (\$500,000 for years before 2007).

(3) Although as of December 31, 2008 Mr. Norwitt had been employed with the Company or its subsidiaries for 10.0 years, he has only 3.0 years of credited service in the Plan and the SERP. Prior to becoming employed by Amphenol Corporation and joining the Plan and the SERP, Mr. Norwitt was employed by Amphenol East Asia Limited, a Hong Kong subsidiary of the Company.

(4) Although as of December 31, 2008 Mr. Walter had been employed with the Company or its subsidiaries for approximately 25 years, he has only 8.0 years of credited service in the Plan and the SERP. Prior to becoming employed by Amphenol Corporation and joining the Plan and the SERP, Mr. Walter was employed by Amphenol Socapex SAS, a French subsidiary of the Company.

*Pension Plan and 401(k) Plan Changes.* Prior to December 31, 2006, none of the named executive officers participated in a non-qualified defined contribution or other deferred compensation plan. Prior to December 31, 2006, all salaried personnel of Amphenol Corporation and its subsidiaries which participate in the Plan had a retirement income program consisting of: (i) eligibility to participate in the Plan and (ii) the Company's qualified 401(k) savings plan, for which the Company did not make any contributions (the "Amphenol 401(k) Plan").

In 2006, the Company amended this retirement income program by freezing accruals under the Plan effective December 31, 2006 for non-grandfathered participants and simultaneously implementing employer contributions to the Amphenol 401(k) Plan for non-grandfathered participants. Grandfathered participants continue to accrue incremental benefits under the Plan and to be eligible to participate in the Amphenol 401(k) plan with no employer contributions to the Amphenol 401(k) Plan.

As part of these changes to the retirement income program, commencing January 1, 2007, non-grandfathered participants, including Ms. Reardon and Messrs. Norwitt and Walter, are provided a Company contribution to their Amphenol 401(k) Plan accounts equal to 2% of their covered earnings. No employee contribution is required for this 2% Company contribution. In addition, the Company will match 100% of the non-grandfathered employee's first 3% contribution to his or her Amphenol 401(k) Plan account, including Ms. Reardon and Messrs. Norwitt and Walter.

The Company also sponsors a non-qualified supplemental defined contribution plan, or DC SERP, effective January 1, 2007. Under the DC SERP, non-grandfathered participants, including Ms. Reardon and Messrs. Norwitt and Walter, are credited with a 5% employer allocation under the DC SERP on compensation in excess of the maximum amount that may be taken into account under the Amphenol 401(k) Plan. Compensation for this purpose is limited to 6.66 times the Section 401(a)(17) limit. Eligible employees, including Ms. Reardon and Messrs. Norwitt and Walter, are also permitted to defer a portion of compensation in excess of the maximum amount that he or she is allowed to defer into his or her Amphenol 401(k) Plan account into his or her DC SERP account.

**POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL**

The amount of compensation that may be payable to each named executive officer upon voluntary termination, early retirement, involuntary not-for-cause termination, termination following a change of control and in the event of disability or death of the executive is shown on the tables on pages 46 to 48. The amounts shown assume that such termination was effective as of December 31, 2008, and thus include amounts earned through such time and are estimates of the amounts which would have been paid out to the named executive officers in connection with their termination. The actual amounts to be paid out can only be determined in the event of and at the time of such executive's separation from the Company.

*Payments Made Upon Termination.* Regardless of the manner in which a named executive officer's employment is terminated, she or he is entitled to receive amounts earned during her or his term of employment. Such amounts *might* include:

unused vacation pay;

amounts accrued and vested through the Company's retirement plans;

statutory entitlements; and

non-equity incentive compensation relating to the fiscal year.

*Payments Made Upon Normal Retirement.* In the event of normal retirement at age 65 of any employee, including a named executive officer, in addition to the items identified above, she or he will immediately vest in all options awarded prior to 2007. The Board has the discretion to decide if options awarded after 2006 will continue to vest following normal retirement at age 65 or upon retirement at age 55 with more than 10 years of service.

*Payments Made Upon Death or Disability.* In the event of the death or disability of any employee, including a named executive officer, in addition to the benefits which might be made as reflected under the heading "Payments Made Upon Termination" above, she or he will receive benefits under the Company's disability plan and/or payments under the Company's Group Term Life Insurance plan, as appropriate. In the event of death or disability as defined in the Company's Option Plans, she or he will also immediately vest in all outstanding options.

*Payments Made Upon a Change in Control.* Immediately prior to a change in control, all outstanding options held by any employee, including a named executive officer, immediately vest and become exercisable. A change in control is deemed to occur if there is a sale of all or substantially all of the assets of the Company or there is an acquisition of more than 50% of the Common Stock of the Company by a person or group.

*Health Care Benefits.* The Company does not currently offer any employee, including any named executive officers, any enhanced health care benefits on termination for any reason.

Table of Contents

The table below and the tables on pages 47 and 48 show the potential payments that would have been made to each of the named executive officers upon termination or a change of control of the Company if such event were to have occurred on December 31, 2008.

Severance payment amounts were calculated based on Mr. Loeffler's 2008 base salary and incentive plan compensation. Mr. Loeffler's annual base salary was reduced to \$800,000 when he became Executive Chairman of the Company in January 2009.
- (2) The Company's obligation to pay this amount would be contingent upon Mr. Loeffler and the Company mutually agreeing on the termination of Mr. Loeffler's employment.
- (3) Pursuant to his July 28, 1987 employment letter agreement with the Company, upon involuntary termination or mutual termination, Mr. Loeffler would be entitled to certain relocation expenses to Austria if he elects to relocate to Austria within six months of the termination of his employment. - (4) Pursuant to his July 28, 1987 employment letter agreement with the Company, Mr. Loeffler is entitled to a minimum annual bonus of \$30,000 per annum. This amount would not be separately paid if Mr. Loeffler were paid incentive plan compensation.

- (6) Each of the named executive officers is a party to management stockholder's agreements with the Company which contemplate, among other things, that a terminated employee will be paid an additional fifty percent of base salary following her/his termination, at the Company's discretion, for up to two years, in exchange for a firm undertaking from the terminated employee not to compete with the business of the Company. Payments would be made in the form of salary continuation.
- (7) The Company funds a short term disability benefit that provides salary continuation for up to six months for most of its U.S. salaried employees. The potential payout of \$557,500 assumes the maximum possible amount is paid, i.e., 100% of base salary for a six-month period. **ANNEX B**  
**THE 2009 AMPHENOL EXECUTIVE INCENTIVE PLAN**

1. *Purpose.* Amphenol Corporation (the "Company") has established the 2009 Amphenol Executive Incentive Plan (the "Executive Incentive Plan") to provide incentive compensation in the form of a cash bonus incentive award ("Award") to eligible Employees. The Executive Incentive Plan is effective as of January 1, 2009.

2. *Administration.* The Executive Incentive Plan will be administered by the Compensation Committee of the Board of Directors of the Company (the "Committee"). The Committee shall have the power, right and duty to interpret, construe and administer the provisions of the Executive Incentive Plan. All decisions, actions or interpretations of the Committee, including decisions, actions or interpretations regarding eligibility to participate and grant of Awards, shall be final, conclusive and binding upon all of the parties. The Company shall indemnify and hold harmless the Committee and its members to the extent allowed under applicable law against all claims, liabilities, fines and penalties and all expenses reasonably incurred by or imposed upon the Committee or any of its members (including, but not limited to, reasonable attorney's fees) which arise as a result of its or their good faith actions or failure to act in connection with the operation and administration of the Executive Incentive Plan. The Company shall pay all costs associated with the administration of the Executive Incentive Plan.

3. *Employee.* Subject to such additional limitations or restrictions as the Committee may impose, the term "Employee" shall mean persons who are employed by the Company and its subsidiaries.

4. *Calculation of Incentive Awards.* Eligible Employees of the Company, including the top five most highly compensated employees, will have awards under the Executive Incentive Plan primarily determined by performance against quantitative measures established at the beginning of each plan year. In addition, consideration will be given, when appropriate, to certain quantitative factors as further described below. The quantitative portion of the Executive Incentive Plan is based on a formula that considers the Company's achievement and/or each group's achievement and/or each operating unit's achievement and/or each individual's achievement of performance targets and/or goals. The targets and/or goals include revenue, operating income, operating cash flow, return on investment, return on sales, organic growth and contribution to growth in earnings per share ("EPS"). Quantitative factors considered in the formula include accomplishment against budget, balance sheet management including cash flow, new market/new product positioning, operating unit and group contribution to total Company performance, and/or other specific individual objectives impacting Company performance, customer satisfaction, cost reductions, productivity improvement and quality management.

Results of the formula are then applied against a target bonus which is expressed as a fixed percentage of base salary paid. The maximum payment to an eligible employee for any performance period is two times the target bonus. The maximum Award any eligible Employee may receive under the Executive Incentive Plan for any performance period is \$4.0 million. The performance period will be the fiscal year of the Company. The Committee may adjust performance based payments if unusual and unanticipated market conditions materially impact the Company's or an operating unit's growth and/or performance. The Committee has sole discretion to determine when such an adjustment should be made.

5. *Cash Bonus Incentive Award.* Awards are intended to provide payment of additional compensation to an Employee as determined by the Committee in its sole discretion. The Committee may grant Awards to Employees only. Any Award shall be paid as soon as practicable upon the Committee's determination to make such Award but in no event no later than ninety (90) calendar days following the end of the Plan year.

6. *Unfunded Plan; No Interest in Company Assets.* No Employee or other person shall have any right, title or interest in any Award prior to the payment thereof or in any property of the Company. All Awards shall be paid from the general assets of the Company. To the extent that any Employee, former

Table of Contents

Employee, or any other person acquires a right to receive an Award or payment of an Award under the Executive Incentive Plan, such right shall be no greater than the right of a general unsecured creditor of the Company. Nothing contained in the Executive Incentive Plan, and no actions taken in operation of the Executive Incentive Plan, shall create or be construed to create a trust of any kind, require the segregation or set aside of any funds or other property for the purposes of paying any amounts under the Executive Incentive Plan or create a fiduciary relationship between the Company and any Employee, former Employee or any other person.

7. *No Alienation of Benefits.* Except as otherwise determined by the Committee, with the exception of transfer by will or the laws of descent and distribution, Awards shall not be assignable or transferable, either voluntarily or involuntarily, and, during the lifetime of the Employee, payment of an Award shall be made only to the Employee.

8. *Withholding for Taxes.* Notwithstanding any other provision of the Executive Incentive Plan, the Company reserves the right to withhold from any Award such amount or amounts as may be required for purposes of complying with the tax withholding provisions of the Internal Revenue Code of 1986, as amended, any state's income tax act or any applicable similar local, foreign or other laws.

9. *Amendment and Termination.* The Committee has the right to amend, suspend, modify or terminate the Executive Incentive Plan in whole or in part and for any reason and without the consent of the Employees. No amendment, suspension, modification or termination of any provision of the Executive Incentive Plan shall change the terms and conditions of any Award to which an Employee has otherwise become entitled under the provisions of the Executive Incentive Plan without the Employee's consent.

10. *Governing Law.* The Executive Incentive Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflict of laws.

11. *Non-ERISA Plan.* The Executive Incentive Plan is intended to be a cash bonus plan and is not intended to be an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended.

12. *No Right to Continued Employment.* Nothing contained in the Executive Incentive Plan shall be construed as a contract of employment between the Company and any Employee, or as a right of any Employee to be continued in the employment of the Company or any subsidiary, or as a limitation of the rights of the Company or any subsidiary to discharge any of its Employees, with or without cause, or as to affect or enlarge the employment rights, if any, of any Employee.

3. *Administration of Plan*

(a) The Plan shall be administered by the Committee. None of the members of the Committee shall be eligible to be selected for Grants under the Plan, or have been so eligible for selection within one year prior thereto; provided, however, that the members of the Committee shall qualify to administer the Plan for purposes of Rule 16b-3 (and any other applicable rule) promulgated under Section 16(b) of the Exchange Act to the extent that the Corporation is subject to such rule. The Committee may adopt its own rules of procedure, and action of a majority of the members of the Committee taken at a meeting, or action taken without a meeting by unanimous written consent, shall constitute action by the Committee. The Committee shall have the power and authority to administer, construe and interpret the Plan, to make rules for carrying it out and to make changes in such rules. Any such interpretations, rules and administration shall be consistent with the basic purposes of the Plan.

(b) The Committee may delegate to the Chief Executive Officer and/or the Executive Chairman and to other senior officers of the Corporation its duties under the Plan subject to such conditions and limitations as the Committee shall prescribe except that only the Committee may designate and make Grants to Participants who are subject to Section 16 of the Exchange Act.

(c) The Committee may employ attorneys, consultants, accountants, appraisers, brokers or other persons. The Committee, the Corporation, and the officers and directors of the Corporation shall be entitled to rely upon the advice, opinions or valuations of any such persons. All actions taken and all interpretations and determinations made by the Committee in good faith shall be final and binding upon all Participants, the Corporation and all other interested persons. No member of the Committee shall be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or Grants, and all members of the Committee shall be fully protected by the Corporation with respect to any such action, determination or interpretation.

4. *Eligibility*

The Committee may from time to time make Grants under the Plan to such Key Employees, of the Corporation or any of its Subsidiaries, and in such form and having such terms, conditions and limitations as the Committee may determine. No Grants may be made under this Plan to non-employee directors of the Corporation or any of its Subsidiaries. The terms, conditions and limitations of each Grant under the Plan shall be set forth in an Grant Agreement, in a form approved by the Committee, consistent, however, with the terms of the Plan and, if applicable, the Management Stockholder's Agreement.

5. *Grants*

From time to time, the Committee will determine the forms and amounts of Grants for Participants which grants may only include Non-Qualified Stock Options and/or Purchase Stock as set forth below. Such Grants may take the following forms in the Committee's sole discretion:

(a) *Non-Qualified Stock Options* These are options to purchase Common Stock which are not designated by the Committee as incentive stock options. At the time of the Grant the Committee shall determine, and shall include in the Grant Agreement or other Plan rules, the option exercise period, the option price, and such other conditions or restrictions on the grant or exercise of the option as the

Table of Contents

Committee deems appropriate, which may include the requirement that the grant of options is predicated on the acquisition of Purchase Shares under Paragraph 5(b) by the Optionee. In addition to other restrictions contained in the Plan, an option granted under this Paragraph 5(a): (i) may not be exercised more than 10 years after the date it is granted and (ii) may not have an option exercise price less than the closing price of the Common Stock as reported by the New York Stock Exchange on the date the option is granted. Payment of the option price shall be made in cash or in shares of Common Stock including Common Stock acquired upon the simultaneous exercise of a vested option, or a combination thereof, in accordance with the terms of the Plan, the Grant Agreement and of any applicable guidelines of the Committee in effect at the time.

(b) *Purchase Stock* Purchase Stock refers to shares of Common Stock offered to a Participant at such price as determined by the Committee, the acquisition of which will make him eligible to receive under the Plan, including, but not limited to, Non-Qualified Stock Options; provided, however, that the price of such Purchase Shares may not be less than the closing price of the Common Stock as reported by the New York Stock Exchange on the date such shares of Purchase Stock are offered.

6. *Limitations and Conditions*

(a) The number of Shares available for Grants under this Plan shall be 16,000,000 Shares of the authorized Common Stock as of the effective date of the Plan. The number of Shares subject to Option Grants under this Plan to any one Participant shall not be more than 3,000,000 Shares. Unless restricted by applicable law, Shares related to Grants that are forfeited, terminated, cancelled or expire unexercised, shall immediately become available for new Grants.

(b) No Grants shall be granted under the Plan beyond ten years after the effective date of the Plan, but the terms of Grants granted on or before the expiration of the Plan may extend beyond such expiration. At the time a Grant is granted or amended or the terms or conditions of a Grant are changed, the Committee may provide for limitations or conditions on such Grant or purchase consistent with the terms of the Management Stockholders' Agreement.

(c) Nothing contained herein shall affect the right of the Corporation to terminate any Participant's employment at any time or for any reason.

(d) Other than as specifically provided with regard to the death of a Participant, no benefit under the Plan shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, or charge, and any attempt to do so shall be void. No such benefit shall, prior to receipt thereof by the Participant, be in any manner liable for or subject to the debts, contracts, liabilities, engagements, or torts of the Participant.

(e) Participants shall not be, and shall not have any of the rights or privileges of, stockholders of the Corporation in respect of any Shares purchasable in connection with any Grant unless and until certificates representing any such Shares have been issued by the Corporation to such Participants.

(f) No election as to benefits or exercise of Options or other rights may be made during a Participant's lifetime by anyone other than the Participant except by a legal representative appointed for or by the Participant.

(g) Absent express provisions to the contrary, any Grant under this Plan shall not be deemed compensation for purposes of computing benefits or contributions under any retirement plan of the Corporation or its Subsidiaries and shall not affect any benefits under any other benefit plan of any kind now or subsequently in effect under which the availability or amount of benefits is related to level of compensation. This Plan is not a "Retirement Plan" or "Welfare Plan" under the Employee Retirement Income Security Act of 1974, as amended.

(h) Unless the Committee determines otherwise, no benefit or promise under the Plan shall be secured by any specific assets of the Corporation or any of its Subsidiaries, nor shall any assets of the

Table of Contents

Corporation or any of its Subsidiaries be designated as attributable or allocated to the satisfaction of the Corporation's obligations under the Plan.

7. *Transfers and Leaves of Absence*

For purposes of the Plan, unless the Committee determines otherwise: (a) a transfer of a Participant's employment without an intervening period of separation among the Corporation and any Subsidiary shall not be deemed a termination of employment, and (b) a Participant who is granted in writing a leave of absence shall be deemed to have remained in the employ of the Corporation during such leave of absence.

8. *Adjustments*

In the event of any change in the outstanding Common Stock by reason of a stock split, spin-off, stock dividend, stock combination or reclassification, recapitalization or merger, change of control, or similar event, the Committee may adjust appropriately the number of Shares subject to the Plan and available for or covered by Grants and exercise prices related to outstanding Grants and make such other revisions to outstanding Grants as it deems are equitably required.

9. *Merger, Consolidation, Exchange, Acquisition, Liquidation or Dissolution*

In its absolute discretion, and on such terms and conditions as it deems appropriate, coincident with or after the Grant of any Option, the Committee may provide that such Option cannot be exercised after the merger or consolidation of the Corporation into another corporation, the exchange of all or substantially all of the assets of the Corporation for the securities of another corporation, the acquisition by another corporation of 80% or more of the Corporation's then outstanding shares of voting stock or the recapitalization, reclassification, liquidation or dissolution of the Corporation (a "Transaction"), and if the Committee so provides, it shall, on such terms and conditions as it deems appropriate, also provide, either by the terms of such Option or by a resolution adopted prior to the occurrence of such Transaction, that, for some reasonable period of time prior to such Transaction, such Option shall be exercisable as to all shares subject thereto, notwithstanding anything to the contrary herein (but subject to the provisions of Paragraph 6(b)) and that, upon the occurrence of such event, such Option shall terminate and be of no further force or effect; provided, however, that the Committee may also provide, in its absolute discretion, that even if the Option shall remain exercisable after any such event, from and after such event, any such Option shall be exercisable only for the kind and amount of securities and/or other property, or the cash equivalent thereof, receivable as a result of such event by the holder of a number of shares of stock for which such Option could have been exercised immediately prior to such event.

10. *Amendment and Termination*

The Committee shall have the authority to make such amendments to any terms and conditions applicable to outstanding Grants as are consistent with this Plan provided that, except for adjustments under Paragraph 8 or 9 hereof, no such action shall modify such Grant in a manner adverse to the Participant without the Participant's consent except as such modification is provided for or contemplated in the terms of the Grant.

The Board of Directors may amend, suspend or terminate the Plan except that no such action, other than an action under Paragraph 8 or 9 hereof, may be taken which would, without stockholder approval, increase the aggregate number of Shares subject to Grants under the Plan, decrease the exercise price of outstanding Options, cancel outstanding options in exchange for cash, other awards or options with an exercise price that is less than the exercise price of the original option Grant, change the requirements relating to the Committee or extend the term of the Plan.

Without limiting the generality of the foregoing, the Plan shall not be materially amended without stockholder approval.

11. *Foreign Options and Rights*

The Committee may make Grants to Key Employees who are subject to the laws of nations other than the United States, which Grants may have terms and conditions that differ from the terms thereof as provided elsewhere in the Plan for the purpose of complying with foreign laws.

12. *Withholding Taxes*

The Corporation shall have the right to deduct from any cash payment made under the Plan any federal, state or local income or other taxes required by law to be withheld with respect to such payment. It shall be a condition to the obligation of the Corporation to deliver shares upon the exercise of an Option that the Participant pay to the Corporation such amount as may be requested by the Corporation for the purpose of satisfying any liability for such withholding taxes. Any Grant Agreement may provide that the Participant may elect, in accordance with any conditions set forth in such Grant Agreement, to pay a portion or all of such withholding taxes in shares of Common Stock.

13. *Effective Date and Termination Dates*

The Plan shall be effective on and as of the date of its approval by the stockholders of the Corporation and shall terminate ten years later, subject to earlier termination by the Board of Directors pursuant to Paragraph 10.

## ARTICLE III

*PERIOD OF EXERCISABILITY**Section 3.1 Commencement of Exercisability*

<b>Date Option to Purchase Becomes Exercisable</b>	<b>Percentage of Option to Purchase Shares Granted As to Which Option to Purchase Is Exercisable</b>

After the second anniversary of the Trigger Date	40%
After the third anniversary of the Trigger Date	60%
After the fourth anniversary of the Trigger Date	80%

The sale or disposition of a division, business segment or Subsidiary of the Company shall *not* cause an Option to Purchase to become immediately exercisable. If the Optionee has not been employed for at least three years, then the Option to Purchase shall not become exercisable for any additional shares of Common Stock. In the event of a termination of employment because of Retirement of the Optionee, the Option to Purchase the Committee in its sole and absolute discretion shall have the authority to decide if any Option to Purchase that is not exercisable as of the date of Retirement shall continue to vest and be exercisable as though the Optionee's employment had not been terminated.

Table of Contents

*Section 3.2 "Grant Expiration Date"*

The Option to Purchase may not be exercised to any extent by the Optionee after the first to occur of the following events:

(a) The tenth anniversary of the Grant Date; or

(b) December 31 following the third anniversary of the date of the Optionee's termination of employment by reason of death or Permanent Disability. For these purposes, termination of employment shall mean the date on which the Optionee ceases working for the Company or a Subsidiary of the Company or such later day as the Committee in their discretion deems to be appropriate; or

(c) The eighth anniversary of the Trigger Date in the event of the Optionee's termination of employment by reason of Retirement.

(d) 90 days after termination of employment of the Optionee for any reason other than for death or Permanent Disability or Retirement. For these purposes, termination of employment shall mean the date on which the Optionee ceases working for the Company or a Subsidiary of the Company or such later day as the Committee in their discretion deems to be appropriate; or

ARTICLE IV

*EXERCISE OF OPTION TO PURCHASE*

*Section 4.1 Person Eligible to Exercise*

Except as provided in the Management Stockholder's Agreement, during the lifetime of the Optionee, only he or his personal legal representative may exercise an Option to Purchase or any portion thereof. After the death of the Optionee, any previously exercised portion of an Option to Purchase may, prior to the time when an Option to Purchase becomes unexercisable under Section 3.2, be exercised by any person empowered to do so under the Optionee's will or under the then applicable laws of descent and distribution.

*Section 4.2 Partial Exercise*

Any exercisable portion of an Option to Purchase or the entire Option to Purchase, if then wholly exercisable, may be exercised in whole or in part at any time prior to the time when the Option to Purchase or portion thereof becomes unexercisable under Section 3.2; provided, however, that any partial exercise shall be for whole shares of Common Stock only.

*Section 4.3 Manner of Exercise*

An Option to Purchase, or any exercisable portion thereof, may be exercised by a Management Stockholder who is not an executive officer of the Company in the manner described in the Section titled "Exercising Your Stock Options" appearing in "A Guide to the Amphenol Corporation Stock Option Plan" appearing on the Company's Client Home Page available through [www.benefitaccess.com](http://www.benefitaccess.com). An executive officer of the Company will require the assistance of the Executive Chairman, the Chief Executive Officer, Chief Financial Officer or the General Counsel of the Company and personal assistance from Smith Barney, as the administrator of the Plan, to exercise any Option to Purchase, or any exercisable portion thereof.

Table of Contents

The Optionee may be asked to provide a bona fide written representation and agreement, in a form satisfactory to the Committee, signed by the Optionee or other person then entitled to exercise such Option or portion thereof, stating that the shares of stock are being acquired for his own account, for investment and without any present intention of distributing or reselling said shares or any of them except as may be permitted under the Securities Act of 1933, as amended (the "Act"), and then applicable rules and regulations thereunder, and that the Optionee or other person then entitled to exercise such Option or portion thereof will indemnify the Company against and hold it free and harmless from any loss, damage, expense or liability resulting to the Company if any sale or distribution of the shares by such person is contrary to the representation and agreement referred to above; provided, however, that the Committee may, in its absolute discretion, take whatever additional actions it deems appropriate to ensure the observance and performance of such representation and agreement and to effect compliance with the Act and any other federal or state securities laws or regulations; and

In the event the Option to Purchase or any portion thereof shall be exercised pursuant to Section 4.1 by any person or persons other than the Optionee, the Committee may require appropriate proof of the right of such person or persons to exercise the Option to Purchase.

Without limiting the generality of the foregoing, the Committee may require an opinion of counsel acceptable to it to the effect that any subsequent transfer of shares acquired on exercise of an Option to Purchase does not violate the Act, and may issue stop-transfer orders covering such shares. Share certificates evidencing stock issued on exercise of an Option to Purchase shall bear an appropriate legend referring to the provisions of the second paragraph above and the agreements herein. The written representation and agreement referred to in the second paragraph above shall, however, not be required if the shares to be issued pursuant to such exercise have been registered under the Act, and such registration is then effective in respect of such shares.

*Section 4.4 Conditions to Issuance of Stock Certificates*

The shares of stock deliverable upon the exercise of an Option to Purchase, or any portion thereof, shall be previously authorized but unissued shares of the Company. Such shares shall be validly issued, fully paid and nonassessable. The Company shall not be required to issue or deliver any certificate or certificates for shares of stock purchased upon the exercise of an Option to Purchase or portion thereof prior to fulfillment of all of the following conditions:

(a) The obtaining of approval or other clearance from any state or federal governmental agency which the Committee shall, in its absolute discretion, determine to be necessary or advisable; and

(b) The lapse of such reasonable period of time following the exercise of the Option to Purchase as the Committee may from time to time establish for reasons of administrative convenience. Absent such a determination by the Committee, 20 business days shall be deemed to be a reasonable period of time.

*Section 4.5 Rights as Stockholder*

The holder of an Option shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any shares purchasable upon the exercise of the Option or any portion thereof unless and until certificates representing such shares shall have been issued by the Company to such holder.

The laws of the State of Delaware shall govern the interpretation, validity and performance of the terms of this Agreement regardless of the law that might be applied under principles of conflicts of laws.

*Section 5.9 Jurisdiction*

Any suit, action or proceeding against the Optionee with respect to this Agreement, or any judgment entered by any court in respect thereof, may be brought in any court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in that state), and the Optionee hereby submits to the non-exclusive jurisdiction of such courts for the purpose of any such suit, action, proceeding or judgment. The Optionee hereby irrevocably waives any objections which he may now or hereafter have to the laying of the venue of any suit, action or proceeding arising out of or relating to this Agreement brought in any court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in that state), and hereby further irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in any inconvenient forum. No suit, action or proceeding against the Company with respect to this Agreement may be brought in any court, domestic or foreign, or before any similar domestic or foreign authority other than in a court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in that state), and the Optionee hereby irrevocably waives any right which he may otherwise have had to bring such an action in any other court, domestic or foreign, or before any similar domestic or foreign authority. The Company hereby submits to the jurisdiction of such courts for the purpose of any such suit, action or proceeding. The Optionee hereby irrevocably and unconditionally waives trial by jury in any legal action or proceeding in relation to this Agreement and for any counterclaim therein.

(As of April 27, 2009)

**ANNEX E**  
**2009 MANAGEMENT STOCKHOLDER'S AGREEMENT**

WHEREAS, this Management Stockholder's Agreement (this "Agreement") is entered into as of the **Grant Date** (the "*Base Date*") between Amphenol Corporation, a Delaware Corporation (the "Company"), and the Optionee (the "Management Stockholder") (the Company and the Management Stockholder being hereinafter collectively referred to as the "Parties").

WHEREAS, the Company has granted (and in the future may make additional grants to) certain key employees of the Company (including the Management Stockholder) options to purchase shares of the Company's common stock (the "Common Stock") at a fixed exercise price per share (the "*Base Price*") pursuant to the terms of The 2009 Amended and Restated Stock Purchase and Option Plan for Key Employees of Amphenol Corporation and Subsidiaries (the "*Option Plan*") and the related 2009 Non-Qualified Stock Option Grant Agreement (any and all grants under the Option Plan are hereinafter referred to as the "2009 Options").

WHEREAS, this Agreement is one of several agreements ("Other Management Stockholders' Agreements") which have been, or which in the future will be, entered into between the Company and other individuals who are or will be key employees of the Company or one of its subsidiaries (collectively, the "*Other Management Stockholders*").

NOW THEREFORE, to implement the foregoing and in consideration of the grant of the Options and of the mutual agreements contained herein, the Parties agree as follows:

1. *Common Stock; Issuance of Options.*

(a) The Company shall have no obligation to sell any Common Stock upon the exercise of an Option to Purchase or otherwise to any person who is a resident or citizen of a state or other jurisdiction in which the sale of Common Stock to him or her would constitute a violation of the securities or "blue sky" laws of such jurisdiction.

(b) Subject to the terms and conditions hereinafter set forth as of the Base Date (which Base Date shall be different for future option awards, if any), the Company shall issue to the Management Stockholder the Option to Purchase (as set forth in the applicable **Certificate of Stock Option Grant**) and the Optionee shall accept the applicable 2009 Non-Qualified Stock Option Grant Agreement as a precondition to the effectiveness of the Option to Purchase.

2. *Management Stockholder's Representations, Warranties and Agreements.*

(a) The Management Stockholder agrees and acknowledges that he will not, directly or indirectly, offer, transfer, sell, assign, pledge, hypothecate or otherwise dispose of (any such act being referred to herein as a "transfer") any of the Common Stock issuable upon exercise of the 2009 Options (the "Option Stock") unless such transfer complies with Section 3 of this Agreement. If the Management Stockholder is an affiliate (as defined under Rule 405 of the rules and regulations promulgated under the Securities Act of 1933, as amended, (the "Act") and as interpreted by the Board of Directors of the Company) of the Company (an "Affiliate"), the Management Stockholder also agrees and acknowledges that he will not transfer any shares of the Stock unless (i) the transfer is pursuant to an effective registration statement under the Act, and in compliance with applicable provisions of state securities laws or (ii) (A) counsel for the Management Stockholder (which counsel shall be reasonably acceptable to the Company) shall have furnished the Company with an opinion, satisfactory in form and substance to the Company, that no such registration is required because of the availability of an exemption from registration under the Act and (B) if the Management

Stockholder is a citizen or resident of any country other than the United States, or the Management Stockholder desires to effect any transfer in any such country, counsel for the Management Stockholder (which counsel shall be reasonably satisfactory to the Company) shall have furnished the Company with an opinion or other advice reasonably satisfactory in form and substance to the Company to the effect that such transfer will comply with the securities laws of such jurisdiction. Notwithstanding the foregoing, the Company acknowledges and agrees that any of the following transfers are deemed to be in compliance with the Act and this Agreement and no opinion of counsel is required in connection therewith: (x) a transfer upon the death of the Management Stockholder to his executors, administrators, testamentary trustees, legatees or beneficiaries (the "Management Stockholder's Estate") or a transfer to the executors, administrators, testamentary trustees, legatees or beneficiaries of a person who has become a holder of Stock in accordance with the terms of this Agreement, provided that it is expressly understood that any such transferee shall be bound by the provisions of this Agreement and (y) a transfer made after the Base Date in compliance with the federal securities laws to a trust or custodianship the beneficiaries of which may include only the Management Stockholder, his spouse or his lineal descendants (a "Management Stockholder's Trust") provided that such transfer is made expressly subject to this Agreement.

(b) If any shares of the Stock are to be disposed of in accordance with Rule 144 under the Act or otherwise, the Management Stockholder shall promptly notify the Company of such intended disposition and shall deliver to the Company at or prior to the time of such disposition such documentation as the Company may reasonably request in connection with such sale and, in the case of a disposition pursuant to Rule 144, shall deliver to the Company an executed copy of any notice on Form 144 required to be filed with the Securities and Exchange Commission (the "SEC").

3. *Restriction on Transfer*

No transfer of Option Stock in violation of this Agreement shall be made or recorded on the books of the Company and any such transfer shall be void and of no effect.

4. *Definitions*

For purposes of this Agreement the following definitions shall apply: "Cause" shall mean (i) the Management Stockholder's willful and continued failure to perform Management Stockholder's duties with respect to the Company or its subsidiaries which continues beyond ten days after a written demand for substantial performance is delivered to Management Stockholder by the Company or (ii) misconduct by Management Stockholder involving (x) dishonesty or breach of trust in connection with Management Stockholder's employment or (y) conduct which would be a reasonable basis for an indictment of Management Stockholder for a felony or for a misdemeanor involving moral turpitude or (z) which the Committee determines is likely to result in a demonstrable injury to the Company; and "Good Reason" shall mean (i) reduction in Management Stockholder's base salary (other than a broad based salary reduction program affecting many members of management), (ii) a substantial reduction in Management Stockholder's duties and responsibilities other than as approved by the Chief Executive Officer of the Company as of the date of this Agreement, (iii) the elimination or reduction of the Management Stockholder's eligibility to participate in the Company's benefit programs that is inconsistent with the eligibility of similarly situated employees of the Company to participate therein, or (iv) an involuntary transfer of the Management Stockholder's primary workplace by more than fifty (50) miles from the workplace as of the date hereof.

5. *Continuing Effectiveness of Agreement*

The Company may from time to time grant to the Management Stockholder additional options under the Option Plan, as currently in effect and as it may be amended from time to time, to purchase shares of Common Stock at a different Base Price. Unless agreed otherwise any and all option awards made on or

after May 20, 2009 under the Option Plan, as currently in effect or as it may be amended from time to time, shall be subject to the terms and conditions of this Agreement.

6. *The Company's Representations and Warranties.*

(a) The Company represents and warrants to the Management Stockholder that (i) this Agreement has been duly authorized, executed and delivered by the Company and (ii) the Stock, when issued and delivered in accordance with the terms hereof, will be duly and validly issued, fully paid and nonassessable.

(b) The Company will file the reports required to be filed by it under the Act and the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations adopted by the SEC thereunder, to the extent required from time to time to enable the Management Stockholder to sell shares of Stock without registration under the Act within the limitations of the exemptions provided by (A) Rule 144 under the Act, as such Rule may be amended from time to time, or (B) any similar rule or regulation hereafter adopted by the SEC. Notwithstanding anything contained in this Section 6(b), the Company may de-register under Section 12 of the Act if it is then permitted to do so pursuant to the Exchange Act and the rules and regulations thereunder and, in such circumstances, shall not be required hereby to file any reports which may be necessary in order for Rule 144 or any similar rule or regulation under the Act to be available. Nothing in this Section 6(b) shall be deemed to limit in any manner the restrictions on sales of Stock otherwise contained in this Agreement.

7. *Rights to Negotiate Purchase.*

Nothing in this Agreement shall be deemed to restrict or prohibit the Company from purchasing shares of Option Stock or the 2009 Options from the Management Stockholder, at any time, upon such terms and conditions, and for such price, as may be mutually agreed upon between the Parties.

8. *Notice of Change of Beneficiary.*

Immediately prior to any transfer of Stock to a Management Stockholder's Trust, the Management Stockholder shall provide the Company with a copy of the instruments creating the Management Stockholder's Trust and with the identity of the beneficiaries of the Management Stockholder's Trust. The Management Stockholder shall notify the Company immediately prior to any change in the identity of any beneficiary of the Management Stockholder's Trust.

9. *Recapitalizations, etc.*

The provisions of this Agreement shall apply, to the full extent set forth herein with respect to the Option Stock or the 2009 Options, to any and all shares of capital stock of the Company or any capital stock, partnership units or any other security evidencing ownership interests in any successor or assign of the Company (whether by merger, consolidation, sale of assets or otherwise) which may be issued in respect of, in exchange for, or substitution of the Option Stock or the 2009 Options, by reason of any stock dividend, split, reverse split, combination, recapitalization, liquidation, reclassification, merger, consolidation or otherwise.

10. *Management Stockholder's Employment by the Company.*

Nothing contained in this Agreement or in any other agreement entered into by the Company and the Management Stockholder contemporaneously with the execution of this Agreement (i) obligates the Company or any subsidiary of the Company to employ the Management Stockholder in any capacity whatsoever or (ii) prohibits or restricts the Company (or any such subsidiary) from terminating the employment of the Management Stockholder at any time or for any reason whatsoever, with or without Cause, and the Management Stockholder hereby acknowledges and agrees that neither the Company nor any other person has made any representations or promises whatsoever to the Management Stockholder

concerning the Management Stockholder's employment or continued employment by the Company or any subsidiary of the Company.

11. *State Securities Laws.*

The Company hereby agrees to use its best efforts to comply with all state securities or "blue sky" laws which might be applicable to the sale of the Option Stock and the issuance of the 2009 Options to the Management Stockholder.

12. *Binding Effect.*

The provisions of this Agreement shall be binding upon and accrue to the benefit of the parties hereto and their respective heirs, legal representatives, successors and assigns. In the case of a transferee permitted under Section 2(a) hereof, such transferee shall be deemed the Management Stockholder hereunder; provided, however, that no transferee (including without limitation, transferees referred to in Section 2(a) hereof) shall derive any rights under this Agreement unless and until such transferee has delivered to the Company a valid undertaking and becomes bound by the terms of this Agreement.

13. *Amendment*

This Agreement may be amended only by a written or electronic instrument signed or accepted by the Parties hereto.

14. *Applicable Law.*

The laws of the State of Delaware shall govern the interpretation, validity and performance of the terms of this Agreement, regardless of the law that might be applied under principles of conflicts of law. Any suit, action or proceeding against the Management Stockholder, with respect to this Agreement, or any judgment entered by any court in respect of any thereof, may be brought in any court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in the state where the Company's corporate headquarters is then domiciled), and the Management Stockholder hereby submits to the non-exclusive jurisdiction of such courts for the purpose of any such suit, action, proceeding or judgment. By the execution and delivery of this Agreement, the Management Stockholder appoints The Corporation Trust Company, at its office in Wilmington, Delaware, as the case may be, as his agent upon which process may be served in any such suit, action or proceeding. Service of process upon such agent, together with notice of such service given to the Management Stockholder in the manner provided in Section 20 hereof, shall be deemed in every respect effective service of process upon him in any suit, action or proceeding. Nothing herein shall in any way be deemed to limit the ability of the Company to serve any such writs, process or summonses in any other manner permitted by applicable law or to obtain jurisdiction over the Management Stockholder, in such other jurisdictions and in such manner, as may be permitted by applicable law. The Management Stockholder hereby irrevocably waives any objections which he may now or hereafter have to the laying of the venue of any suit, action or proceeding arising out of or relating to this Agreement brought in any court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in the state where the Company's corporate headquarters is then domiciled) and hereby further irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in any inconvenient forum. No suit, action or proceeding against the Company with respect to this Agreement may be brought in any court, domestic or foreign, or before any similar domestic or foreign authority other than in a court of competent jurisdiction in the State of Connecticut (or if the Company moves its corporate headquarters to another state, in the state where the Company's corporate headquarters is then domiciled), and the Management Stockholder hereby irrevocably waives any right which he may otherwise have had to bring such an action in any other court, domestic or foreign, or before any similar domestic or foreign authority. The Company hereby submits to the jurisdiction of such courts for the purpose of any such suit, or proceeding. Each Party hereto hereby irrevocably and unconditionally waives trial by jury in any legal action or proceeding in relation to this Agreement and for any counterclaim therein.

Any payments to enforce the Noncompete Undertaking made pursuant to this Agreement are intended to be exempt from the requirements of Section 409A of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations and other applicable guidance issued thereunder ("Section 409A") or, if not, exempt to satisfy the requirements of Section 409A, and the provisions of this Agreement shall be construed in a manner consistent therewith.

15. *Miscellaneous.*

In this Agreement (i) all references to "dollars" or "\$" are to United States dollars and (ii) the word "or" is not exclusive. If any provision of this Agreement shall be declared illegal, void or unenforceable by any court of competent jurisdiction, the other provisions shall not be affected, but shall remain in full force and effect.

17. *Covenant Not to Compete; Protection of Confidential Information; Nonsolicitation of Customers and Suppliers and Nonsolicitation of Employees.*

(a) In consideration of the Company entering into this Agreement with the Management Stockholder, the Management Stockholder hereby agrees that for so long as the Management Stockholder is employed by the Company or one of its subsidiaries and for a period of one year thereafter (the "Noncompete Period"), the Management Stockholder shall provide a "Noncompete Undertaking", which is that the Management Stockholder shall not, in any geographic region in the world in which the Management Stockholder acts or has acted for the Company or any division or subsidiary thereof, directly or indirectly, engage in the development, production, sale or distribution of any product produced, sold, distributed or which is in development (i) by the operation of the Company or the operation of the subsidiary of the Company which employed the Management Stockholder during the twelve (12) month period immediately preceding the Management Employee's termination of employment or (ii) by the Company or its subsidiaries about which the Management Stockholder received any Confidential Information (as defined below).

(b) At the Company's option, if it elects to enforce the Noncompete Undertaking, in the event that the Management Stockholder's employment is terminated by the Management Stockholder for Good Reason or by the operation of the Company without Cause, or if required by applicable law to give full force and effect to the Management Stockholder's Noncompete Undertaking, then as additional consideration for the Noncompete Undertaking, the Company shall pay the Management Stockholder

salary continuation in an amount equal to 50% of such Management Stockholder's base salary on the date of the termination of the Management Stockholder's employment for the Noncompete Period. In the event that the Management Stockholder's employment with the Company or any of its subsidiaries is terminated by the Management Stockholder without Good Reason or by the Company with Cause then, except as required by applicable law, the Company shall not be required to pay the Management Stockholder any additional consideration for the Management Stockholder's Noncompete Undertaking.

(c) If (a) the Management Stockholder's employment with the Company or any of its subsidiaries is terminated by the Management Stockholder without Good Reason or by the Company with Cause or (b) in the event that the Management Stockholder's employment with the Company or any of its subsidiaries is terminated by the Management Stockholder with Good Reason or by the Company without Cause and the Company has exercised its option under the preceding subparagraph to enforce the Noncompete Undertaking, then at the Company's option, the Noncompete Period may be extended for an additional one year period if (i) within nine months of the termination of the Management Stockholder's employment, the Company gives the Management Stockholder notice of such extension and (ii) beginning with the first anniversary of such termination, the Company agrees to pay the Management Stockholder during such extended Noncompete Period in an amount equal to 50% of the Management Stockholder's base annual salary at the time that the Management Stockholder's employment with the Company was terminated. The amounts referred to in paragraphs 17(b), if any, and 17(c) shall be paid, commencing upon the Management Stockholder's termination of employment, in installments in a manner consistent with the then current salary payment policies of the Company or the operation or division of the Company or its subsidiary that employed the Management Stockholder; provided, however, any amount that constitutes "deferred compensation" within the meaning of Section 409A shall be payable only if the Management Stockholder has experienced a "separation from service" within the meaning of Section 409A and, if the Management Stockholder is a "specified employee" within the meaning of Section 409A at the time of such separation from service, no payments shall be made before the six-month anniversary of the Management Stockholder's separation from service, at which time all payments that would otherwise have been made during such six-month period shall be paid to the Management Stockholder in a lump sum. For purposes of this Agreement, the phrase "directly or indirectly engage in" shall include any direct or indirect ownership or profit participation interest in such enterprise, whether as an owner, stockholder, partner, joint venturer or otherwise, and shall include any direct or indirect participation in such enterprise as an employee, a consultant, independent contractor, licensor of technology or otherwise. During the Noncompete Period and any extended Noncompete Period the Management Stockholder shall be free to work in any employment approved by the Chief Executive Officer of the Company which approval shall not be unreasonably withheld. Such approved employment shall not serve to reduce any payments that the Management Stockholder is receiving pursuant to this provision.

(d) The Management Stockholder will not disclose or use at any time any Confidential Information (as defined below) of which the Management Stockholder is or becomes aware, whether or not such information is developed by him, except to the extent that such disclosure or use is directly related to and required by the Management Stockholder's performance of duties, if any, assigned to the Management Stockholder by the Company. As used in this Agreement, the term "Confidential Information" means information that is not generally known to the public and that is used or developed by the Company or its subsidiaries or that is obtained by the Company or its subsidiaries from its customers, suppliers and/or consultants in connection with its business, including but not limited to (i) products or services, (ii) fees, costs and pricing structures, (iii) designs, (iv) computer software, including operating systems, applications and program listings, (v) flow charts, manuals and documentation, (vi) data bases, (vii) accounting and business methods, (viii) inventions, devices, new developments, methods and processes, whether patentable or unpatentable and whether or not reduced to practice, (ix) customers, vendors and clients and customer, vendors or client lists, (x) personnel information, (xi) other copyrightable works, (xii) all technology and trade secrets, and (xiii) all similar and related information in whatever form. Confidential

Table of Contents

Information will not include any information that has been published in a form generally available to the public prior to the date the Management Stockholder proposes to disclose or use such information. The Management Stockholder acknowledges and agrees that all copyrights, works, inventions, innovations, improvements, developments, patents, trademarks and all similar or related information which relate to the actual or anticipated business of the Company and its subsidiaries (including its predecessors) and conceived, developed or made by the Management Stockholder while employed by the Company or its subsidiaries belong to the Company. The Management Stockholder will perform all actions reasonably requested by the Company (whether during or after employment with the Company or the Noncompete Period) to establish and confirm such ownership at the Company's expense (including without limitation assignments, consents, powers of attorney and other instruments). If the Management Stockholder is bound by any other agreement with the Company regarding the use or disclosure of Confidential Information, the provisions of this Agreement shall be read in such a way as to further restrict and not to permit any more extensive use or disclosure of confidential information.

(e) In consideration of the Company entering into this Agreement with the Management Stockholder, the Management Stockholder hereby agrees that for a period of twenty-four (24) months following the termination of Management Stockholder's employment with the Company or with a subsidiary of the Company for any reason whatsoever, the Management Stockholder shall not, directly or indirectly, divert or attempt to divert nor assist others in diverting any business of the Company by soliciting, contacting or communicating with any customer or supplier of the Company with whom Management Stockholder had direct or indirect contact during the twelve (12) month period immediately preceding the termination of Management Stockholder's employment.

(f) In consideration of the Company entering into this Agreement with the Management Stockholder, the Management Stockholder hereby agrees that for a period of twenty-four (24) months following the termination of Management Stockholder's employment with the Company or with a subsidiary of the Company for any reason whatsoever, the Management Stockholder shall not, directly or indirectly, solicit, induce, attempt to induce or assist others in attempting to induce any employee of the Company with whom Management Stockholder has worked or had material contact with, during the twelve (12) month period immediately preceding the termination of his employment, to leave the employment of the Company or a subsidiary of the Company or to accept employment or affiliation with any other company or firm of which Management Stockholder becomes an employee, owner, partner or consultant.

(g) Notwithstanding clauses (a), (b), (c), (d), (e) and (f) above, if at any time a court holds that the restrictions stated in such clauses (a), (b), (c), (d), (e) and (f) are unreasonable or otherwise unenforceable under circumstances then existing, the parties hereto agree that the maximum period, scope or geographic area determined to be reasonable under such circumstances by such court will be substituted for the stated period, scope or area. Because the Management Stockholder's services are unique and because the Management Stockholder has had access to Confidential Information, the parties hereto agree that money damages will be an inadequate remedy for any breach of this Agreement. In the event a breach or threatened breach of this Agreement, the Company or its successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive relief in order to enforce, or prevent any violations of, the provisions hereof (without the posting of a bond or other security).
