QUESTIONS AND ANSWERS ABOUT THE SPECIAL MEETING AND VOTING

1.

What matters will be voted upon at the Special Meeting of Shareowners?

The only proposal included in this proxy statement is the proposal to amend Article FOURTH of the Company's Restated Certificate of Incorporation, as amended (the "Certificate of Incorporation"), to increase the authorized Common Stock of the Company from 5,600,000,000 shares, par value \$.25 per share, to 11,200,000,000 shares, par value \$.25 per share, and to effect a split of the issued Common Stock of the Company by changing each issued share of Common Stock into two shares of Common Stock (the "Stock Split").

The Board anticipates that the increase in the number of outstanding shares of Common Stock of the Company resulting from the proposed Stock Split will place the market price of the Common Stock in a range more attractive to investors, particularly individuals, which may result in a broader market for our stock. The primary purpose of doubling the number of authorized shares of Common Stock is to facilitate the proposed Stock Split while preserving the relative proportion of authorized and issued shares to unissued shares of Common Stock. See "Proposed Amendment to the Company's Certificate of Incorporation" beginning on page 9.

Management does not know of any other items which may properly come before the meeting or other matters incident to the conduct of the meeting.

2.

What is a proxy statement and what is a proxy?

A proxy statement is a document that Securities and Exchange Commission ("SEC") regulations require us to give you when we ask you to sign a proxy designating individuals to vote on your behalf. A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. We have designated three of our officers as proxies for the Special Meeting of Shareowners. These three officers are Gary P. Fayard, Bernhard Goepelt and Gloria K. Bowden.

3.

What is the difference between holding shares as a shareowner of record and as a beneficial owner?

If your shares are registered directly in your name with the Company's registrar and transfer agent, Computershare Trust Company, N.A., you are considered a shareowner of record with respect to those shares. If your shares are held in a brokerage account or by a bank, trust, or other nominee, you are considered the "beneficial owner" of those shares.

4.

What different methods can I use to vote?

By Written Proxy. All shareowners of record can vote by written proxy card. If you are a shareowner of record and receive a notice regarding the availability of proxy materials, you may request a written proxy card by following the instructions included in the notice. If you are a beneficial owner, you may request a written proxy card or a vote instruction form from your bank or broker.

Edgar Filing: COCA COLA CO - Form PRE 14A

By Telephone or Internet. All shareowners of record also can vote by touchtone telephone within the U.S., U.S. territories and Canada, using the toll-free telephone number on the proxy card,

[Back to Contents](#)

or through the Internet, using the procedures and instructions described on the proxy card. Beneficial owners may vote by telephone or Internet if their bank or broker makes those methods available, in which case the bank or broker will include the instructions with the proxy materials. The telephone and Internet voting procedures are designed to authenticate shareowners' identities, to allow shareowners to vote their shares and to confirm that their instructions have been recorded properly.

In Person. All shareowners of record may vote in person at the meeting. Beneficial owners may vote in person at the meeting if they have a legal proxy, as described in the response to question 12.

5.

What shares are included on the proxy card?

If you are a shareowner of record, you will receive only one proxy card for all the shares of Common Stock you hold in certificate form, in book-entry form and in any Company benefit plan.

If you are a Company employee and hold shares of Common Stock in one of our 401(k) or other savings plans, it is important that you direct the plan's administrator how to vote your shares. If you hold shares of Common Stock in The Coca-Cola Company 401(k) Plan, any other U.S. 401(k) or savings plan administered by Mercer Trust Company or the Caribbean Refrescos, Inc. Thrift Plan and do not vote your shares or specify your voting instructions on your proxy card, the administrator of the applicable plan will vote your shares in the same proportion as the shares for which they have received voting instructions. *To allow sufficient time for voting by the administrators, your voting instructions must be received by July 5, 2012.*

6.

What vote is required to approve the one proposal to be voted upon at the Special Meeting of Shareowners and what are my voting choices?

The proposal to amend Article FOURTH of the Company's Certificate of Incorporation, to increase the authorized Common Stock of the Company from 5,600,000,000 shares, par value \$.25 per share, to 11,200,000,000 shares, par value \$.25 per share, and to effect the Stock Split requires approval by a majority of the outstanding shares of Common Stock.

Shareowners may vote in favor of the proposal, against the proposal or may abstain from voting.

7.

What if I am a shareowner of record and do not specify a voting choice on the one proposal to be voted upon when returning a proxy?

Shareowners should specify their voting choice on the proxy card. If no specific instructions are given, proxies which are signed and returned will be voted FOR the proposal to amend Article FOURTH of the Certificate of Incorporation to increase the authorized Common Stock of the Company from 5,600,000,000 shares, par value \$.25 per share, to 11,200,000,000 shares, par value \$.25 per share, and to effect the Stock Split.

8.

What if I am a beneficial owner and do not give voting instructions to my bank, broker, trust or other nominee?

As a beneficial owner, in order to ensure your shares are voted in the way you would like, you must provide voting instructions to your bank, broker, trust or other nominee by the deadline provided in the materials you receive from your bank, broker, trust or other nominee. The proposal to amend the Certificate of Incorporation is a discretionary item, which means that generally, banks, brokers, trusts or other nominees who have not received specific voting instructions from beneficial owners may vote on this proposal in their discretion.

[Back to Contents](#)

9.

How are abstentions counted?

Abstentions are included in determining whether a quorum is present, but will have the same effect as a vote against the proposal to amend the Certificate of Incorporation.

10.

What can I do if I change my mind after I vote my shares?

Shareowners can revoke a proxy prior to the completion of voting at the meeting by:

giving written notice to the Office of the Secretary of the Company;

delivering a later-dated proxy; or

voting in person at the meeting (unless you are a beneficial owner without a legal proxy, as described in the response to question 12).

11.

Can I attend the meeting in person?

If you plan to attend the meeting, you must request an admission ticket in advance. Please follow the advance registration instructions below and an admission card will be issued to you. Upon arrival at the meeting, you will be asked to present your admission card. ***You also will need to bring a photo ID to gain admission.*** Attendance at the meeting is limited to shareowners or their authorized named representatives. We reserve the right to limit the number of representatives who may attend the meeting.

If you are a shareowner of record, there is a box on the proxy card that you should mark to request an admission ticket.

If you are a shareowner of record and vote by telephone or via the Internet, there will be instructions to follow when voting to indicate if you would like to receive an admission ticket.

If you are a beneficial owner and you plan to attend, you must send a written request for an admission ticket by regular mail to The Coca-Cola Company, Shareowner Services, P.O. Box 1734, Atlanta, Georgia 30313, by e-mail to shareownerservices@na.ko.com or by fax to (404) 676-8409.

Edgar Filing: COCA COLA CO - Form PRE 14A

Please include the following information:

- (2) If you will be naming a representative to attend the meeting on your behalf, the name, address and telephone number of that individual; and

Please note that you will not be able to vote your shares at the meeting without a legal proxy, as described in the response to question 12.

Requests for admission tickets will be processed in the order in which they are received and must be requested no later than July 3, 2012. Please note that seating is limited and requests for tickets will be accepted on a first-come, first-served basis. 12.

How can I vote at the meeting if I am a beneficial owner?

You will need to ask your bank, broker, trust or other nominee to furnish you with a legal proxy. You will need to bring the legal proxy with you to the meeting and hand it in with a signed ballot that will be provided to you at the meeting. You will not be able to vote your shares at the meeting without a legal proxy. If you do not receive the legal proxy in time, you can follow the procedures described in the response to question 11 to gain admission to the meeting. However, you will not be able to vote your shares at the meeting. Accordingly, we encourage you to vote your shares in advance, even if you intend to attend the meeting.

Please note that if you request a legal proxy, any previously executed proxy will be revoked, and your vote will not be counted unless you appear at the meeting and vote in person or legally appoint another proxy to vote on your behalf.

13.

When will the Company announce the voting results?

We will report the voting results of the Special Meeting of Shareowners on our website and in a Current Report on Form 8-K filed with the SEC no later than four business days following the meeting.

14.

Can I access the Notice of Special Meeting of Shareowners and Proxy Statement on the Internet?

We will reimburse brokers, fiduciaries and custodians for their costs in forwarding proxy materials to beneficial owners of Common Stock.

Our Directors, officers and employees also may solicit proxies by mail, telephone and personal contact. They will not receive any additional compensation for these activities.

PROPOSED AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION

Description of the Proposed Amendment and Vote Required

On April 25, 2012, the Board approved an amendment to Article FOURTH of the Company's Certificate of Incorporation to (i) increase the number of shares of Common Stock which the Company is authorized to issue from 5,600,000,000, par value \$.25 per share, to 11,200,000,000, par value \$.25 per share, and (ii) split the Common Stock of the Company by changing each issued share of Common Stock into two shares of Common Stock, par value \$.25 per share. The Board determined that such amendment is advisable and directed that the proposed amendment be submitted for approval by shareowners at a Special Meeting of Shareowners. The affirmative vote of the holders of a majority of the outstanding shares of Common Stock of the Company is required to approve the proposed amendment.

The full text of the proposed amendment to the Certificate of Incorporation is set forth in **Appendix A** to this Proxy Statement. The amendment will not affect the number of shares of Preferred Stock authorized, which is 100,000,000 shares of Preferred Stock, par value \$1.00 per share. Currently, there are no shares of Preferred Stock issued and outstanding.

Purposes and Effects of Increasing the Number of Authorized Shares of Common Stock

The proposed amendment would increase the number of shares of Common Stock which the Company is authorized to issue from 5,600,000,000 to 11,200,000,000. The additional 5,600,000,000 shares would be a part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently issued and outstanding. The holders of Common Stock of the Company are not entitled to preemptive rights or cumulative voting.

The primary purpose of doubling the number of authorized shares of Common Stock is to facilitate the proposed Stock Split while preserving the relative proportion of authorized and issued shares to unissued shares of Common Stock. As of May 21, 2012, there were _____ shares of Common Stock issued (of which _____ shares were held in the treasury of the Company) and _____ shares of Common Stock reserved for issuance under the Company's equity compensation plans. This means that as of May 21, 2012, there were _____ authorized shares of Common Stock that were not outstanding, held in the treasury of the Company or reserved for issuance.

If the proposed amendment is adopted, based on the number of authorized and issued shares of Common Stock as of May 21, 2012, there would be approximately _____ shares of Common Stock issued (of which _____ shares would be held in the treasury of the Company) and _____ shares would be reserved for issuance under the Company's equity compensation plans following the Stock Split. As a result, there would be approximately _____ authorized shares of Common Stock that are not outstanding, held in the treasury of the Company or reserved for issuance.

Except for shares reserved for issuance under our existing equity compensation plans, the Board has no current plans to issue additional shares of Common Stock. The Board has not

[Back to Contents](#)

proposed the increase in the amount of authorized shares of Common Stock with the intention of discouraging tender offers or takeover attempts of the Company. However, the availability of additional authorized shares for issuance may have the effect of discouraging a merger, tender offer, proxy contest or other attempt to obtain control of the Company.

Purposes and Effects of Proposed Two-For-One Stock Split

The Board anticipates that the increase in the number of outstanding shares of Common Stock of the Company resulting from the proposed Stock Split will place the market price of the Common Stock in a range more attractive to investors, particularly individuals, which may result in a broader market for our stock. The Company will apply for the listing of the additional shares of Common Stock on The New York Stock Exchange, where the existing Common Stock is listed for trading.

If the proposed amendment is adopted, each shareowner of record at the close of business on the date the proposed amendment is filed with the Secretary of State of the State of Delaware will become the record owner of, and entitled to receive one additional share of Common Stock for each share of Common Stock then owned of record by such shareowner. All shares issued as a result of the proposed Stock Split will be issued in book-entry form, either through the Direct Registration System ("DRS") or as a credit to an existing account of a shareowner of record. Consequently, certificates representing shares of Common Stock currently issued should be retained by each shareowner and should not be returned to the Company or to its transfer agent, as it will not be necessary to submit outstanding certificates for exchange.

The Company has been advised by tax counsel that the proposed Stock Split would not result in recognition of gain, loss or other taxable income by owners of Common Stock under existing U.S. Federal income tax laws. The cost basis for tax purposes of each new share and each retained share of Common Stock would be equal to one-half of the cost basis for tax purposes of the corresponding share immediately preceding the Stock Split. In addition, the holding period for the additional shares issued pursuant to the Stock Split would be deemed to be the same as the holding period for the original shares of Common Stock. Shareowners who are subject to the tax laws of other jurisdictions are urged to consult their tax advisors regarding any tax consequences of the Stock Split under such laws.

If shareowners dispose of their shares subsequent to the Stock Split, they may pay higher brokerage commissions on the same relative interest in the Company because that interest is represented by a greater number of shares. Shareowners should consult their respective brokers to ascertain the brokerage commission that would be charged for disposing of the greater number of shares.

In accordance with the various equity compensation plans of the Company, it will be necessary to make appropriate adjustments in the number of shares of Common Stock that remain available for issuance pursuant to such plans, as well as in the number of shares and price of Common Stock subject to outstanding awards under such plans. From the effective date of the proposed Stock Split, the number of shares that remain available for issuance pursuant to such plans will be doubled, the number of shares subject to outstanding awards under such plans will be doubled, and the exercise price per share of stock options granted under such plans will be divided by two. In addition, appropriate adjustments will be made under The Coca-Cola Company Supplemental 401(k) Plan, certain Company sponsored employee stock purchase plans for

[Back to Contents](#)

employees based outside of the U.S., The Coca-Cola Company Compensation and Deferred Compensation Plan for Non-Employee Directors and any other applicable Company plans.

If the proposed amendment is adopted, the value of the Company's Common Stock account as reflected in the Company's financial statements will be increased to reflect the additional shares issued at par value \$.25 per share and the value of the capital surplus account will be reduced a like amount, with no overall effect on shareowners' equity. As described above in "Purposes and Effects of Increasing the Number of Authorized Shares of Common Stock" beginning on page 9, if the proposed amendment is adopted, following the Stock Split the number of shares of Common Stock issued and outstanding, reserved for issuance and held in the treasury would double.

Effective Date of Proposed Amendment and Issuance of Shares for Stock Split

If the proposed amendment to Article FOURTH of the Certificate of Incorporation of the Company is adopted by the required vote of shareowners, such amendment will become effective on the date the proposed amendment is filed with the Secretary of State of the State of Delaware, which will become the record date for the determination of the owners of Common Stock entitled to additional shares. If the proposed amendment is approved, the Company currently anticipates that the record date will be July 27, 2012 and the distribution date for such additional shares will be August 10, 2012. The Board reserves the right, notwithstanding shareowner approval of the proposed amendment to the Certificate of Incorporation, and without further action by the shareowners, to elect not to proceed with the amendment if, at any time prior to filing the amendment, the Board determines that it is no longer in the best interests of the Company and shareowners to proceed with the Stock Split.

Please do not destroy or send your existing stock certificates to the Company. If the proposed amendment is adopted, those certificates will remain valid for the number of shares shown thereon, and should be carefully preserved by you. All shares issued as a result of the proposed Stock Split will be issued in book-entry form, either through DRS or as a credit to an existing shareowner of record account. You will receive information about the additional shares to which you are entitled on or around the distribution date.

If the proposed amendment is approved, the Company will provide additional details about the implementation of the Stock Split on its website following the Special Meeting of Shareowners.

IMPORTANT NOTE:

PLEASE DO NOT DESTROY OR RETURN YOUR EXISTING STOCK CERTIFICATES. CERTIFICATES REPRESENTING SHARES OF COMMON STOCK ISSUED PRIOR TO THE STOCK SPLIT WILL CONTINUE TO REPRESENT THE SAME NUMBER OF SHARES OF COMMON STOCK AFTER THE EFFECTIVE DATE OF THE STOCK SPLIT.

* * *

The Board of Directors recommends a vote FOR the proposal to amend Article FOURTH of the Company's Certificate of Incorporation to increase the authorized Common Stock of the Company from 5,600,000,000 shares, par value \$.25 per share, to 11,200,000,000 shares, par value \$.25 per share, and to effect the Stock Split.
