Discontinued Operations

Joe's Jeans Inc. (the "**Company**"), a Delaware corporation, is filing this Current Report on Form 8-K to retrospectively reclassify the presentation of its consolidated financial statements that were initially filed with the Securities and Exchange Commission ("**SEC**") on February 13, 2015 in the Company's Annual Report on Form 10-K for the year ended November 30, 2014 (the "**Annual Report**") to reflect its Joe's® brand, which historically has been reported as part of the Company's Wholesale and Retail segments, as a discontinued operation, held for sale as of August 31, 2015.

The Joe's® business was sold in September 2015 and its assets and liabilities and results of operations have been reflected in discontinued operations in its Quarterly Report on Form 10-Q for the period ended August 31, 2015 filed with the SEC on October 13, 2015. Accordingly, the Company is revising and including in this Current Report on Form 8-K the following portions of the Annual Report: Selected Financial Data (Item 6) Management's Discussion and Analysis of Financial Condition and Results of Operations (Item 7) and Financial Statements and Supplementary Data (Item 8).

In order to preserve the nature and character of the disclosures set forth in such items as originally filed in the Annual Report, no attempt has been made in this Current Report, and it should not be read, to modify or update disclosures as presented in the Annual Report to reflect events or occurrences after the date of the filing of the Annual Report, except for matters relating specifically to the retrospectively reclassification of the presentation described above. Therefore, this Current Report on Form 8-K should be read in conjunction with the Annual Report and the Company's filings made with the SEC subsequent to the filing of the Annual Report, including the quarterly reports on Form 10-Q for the quarterly periods ended February 28, 2015, May 31, 2015 and August 31, 2015.

Amended and Restated Merger Agreement

As previously disclosed, on September 8, 2015, the Company entered into an agreement and plan of merger (the "**Original Agreement**") with RG Parent LLC ("**RG**") and JJ Merger Sub LLC ("**Merger Sub**"). On November 3, 2015, the Company entered into an amended and restated agreement and plan of merger (the "**Amended and Restated Merger Agreement**"), effective as of September 8, 2015, with RG and Merger Sub, which amends the Original Agreement to, among other things, require that RG's board of managers solicit written consent from RG's equity holders to enter into the transactions contemplated by the Amended and Restated Merger Agreement.

A copy the Amended and Restated Merger Agreement is filed with this Current Report on Form 8-K as Exhibit 2.1 and is incorporated herein by reference. The foregoing description of the Amended and Restated Merger Agreement is qualified in its entirety by reference to the exhibit filed hereto.

Forward Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. The matters discussed in this Current Report on Form 8-K involve estimates, projections, goals, forecasts, assumptions, risks and uncertainties that could cause actual results or outcomes to differ materially from those expressed in the forward-looking statements. All statements in this Current Report on Form 8-K that are not purely historical facts are forward-looking statements, including statements containing the words "may," "will," "expect," "anticipate," "intend," "estimate," "continue," "believe," "plan," "project," "will be," "will continue," "will likely result" or similar expressions. Any forward-looking statement inherently involves risks and uncertainties that could cause actual results to differ

materially from the forward-looking statements. Factors that would cause or contribute to such differences include, but are not limited to: the parties' ability to close the merger, including, the receipt and terms and conditions of any required governmental approval of the proposed merger that could reduce anticipated benefits or cause the parties to abandon the merger, the diversion of management's time and attention from the Company's ongoing business during this time period; the impact of the merger on the Company's stock price; the anticipated benefits of the merger on its financial results, business performance and product offerings; the Company's ability to successfully integrate the Robert Graham business and realize cost savings and any other synergies; the risk that the credit ratings of the combined company or its subsidiaries may be different from what the Company expects; continued acceptance of our product, product demand, competition, capital adequacy, general economic conditions and the potential inability to raise additional capital if required; the risk that the Company will be unsuccessful in gauging fashion trends and changing customer preferences; the risk that changes in general economic conditions, consumer confidence, or consumer spending patterns will have a negative impact on the Company's financial performance; the highly competitive nature of the Company's business in the United States and internationally and its dependence on consumer spending patterns, which are influenced by numerous other factors; the Company's ability to respond to the business environment and fashion trends; continued acceptance of the Company's brands in the marketplace; and other risks. The Company discusses certain of these factors more fully in its additional filings with the SEC, including its last annual report on Form 10-K and quarterly reports on Form 10-Q filed with the SEC, and this Current Report on Form 8-K should be read in conjunction with those reports, together with all of the Company's other filings, including its current reports on Form 8-K, through the date of this Current Report on Form 8-K. The Company urges you to consider all of these risks, uncertainties and other factors carefully in evaluating the forward-looking statements contained in this Current Report on Form 8-K.

Any forward-looking statement is based on information current as of the date of this Current Report on Form 8-K and speaks only as of the date on which such statement is made, and the Company undertakes no obligation to update these statements to reflect events or circumstances after the date on which such statement is made. Readers are cautioned not to place undue reliance on forward-looking statements.
