Amendment No. 1 to Schedule 13D

This Amendment No. 1, which relates to the common shares (“Common Shares”) in American Community Properties Trust, a Maryland corporation (the “Company”), amends and supplements the Statement on Schedule 13D (as amended through the date hereof, the “Statement”) previously filed with the Commission by the reporting parties listed herein.

The following Items of the Statement are hereby supplemented and/or amended:

Item 4. Purpose of Transaction

The reporting persons are evaluating a possible purchase of the remaining outstanding Common Shares of the Company not owned by them in a "going private" transaction. As of the date of filing of this Amendment No. 1 to Schedule 13D, the reporting persons' current intent is to obtain a capital partner (“Investor”) for a potential management buyout of the Company (the “Potential Transaction”). James Michael Wilson has an agreement in principle to engage Granite Partners, L.L.C. (“Granite”) as a consultant and financial advisor for the purpose of obtaining an Investor for the Potential Transaction. Granite recently began approaching potential Investors. There can be no assurance that any potential Investor will be interested in providing financing for the Potential Transaction or that the proposed terms, if any, of such financing will be acceptable to the reporting persons. Further, the reporting parties have begun to evaluate the negative federal income tax implications that may arise given the Company's current structure and the tax basis of its assets. Accordingly, these tax implications could materially adversely affect the ability and willingness of the reporting persons and any potential Investors to enter into a Potential Transaction.

The reporting persons can provide no assurances that the Potential Transaction will be entered into as currently contemplated or entered into at all. The consummation of the Potential Transaction is dependent on several factors, which include but are not limited to, the reporting persons' ability to obtain financing on favorable terms, favorable market conditions, and the completion of a federal income tax evaluation and the implications thereof. The reporting persons will continue to evaluate the form and terms and conditions upon which the Potential Transaction may be proposed and the possible effect of any conditions that may be required with respect to any financing for the Potential transaction. The reporting persons anticipate that, in the event of consummation of the Proposed Transaction, the Common Shares would be delisted from trading on all national securities exchanges and deregistered with the Securities and Exchange Commission.

The reporting persons expect to evaluate on an ongoing basis the Company's financial condition, business, operations and prospects, market price of the common shares, conditions in securities markets generally, general economic and industry conditions and other factors. Accordingly, the reporting persons reserve the right to change their intentions and plans at any time, as they deem appropriate. In particular, the reporting persons may at any time and from time to time acquire additional Common Shares. Any such transactions may be effected at any time and from time to time, subject to any applicable limitations of the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934.

Except as set forth in this Item 4 and in furtherance of the Potential Transaction, the reporting persons presently have no plans or proposals that would relate to or result in any of the actions set forth in Parts (a) through (j) of Item 4 of Schedule 13D.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information in Item 4 is incorporated herein by reference.

Item 7. Material to be Filed as Exhibits.
