PLLC mutually agreed to terminate their business as the Company's independent auditors. There were no adverse opinions of the auditors contained within the Company's reports for the past two (2) years. In addition, there were no unresolved differences with the accountants which would have changed the accountants' reports.

The Company has since retained Rosenberg Rich Baker Berman & Company, P.C. as its auditors. The change in auditors was duly approved by the Company's Board of Directors. The new certifying accountants prepared the reports contained within the Company's most recent 10-KSB and 10-QSB reports filed with the Commission.
