***NOTICE OF ANNUAL MEETING OF SHAREHOLDERS
TO THE SHAREHOLDERS OF THE YORK WATER COMPANY***

NOTICE IS HEREBY GIVEN that the Annual Meeting of the Shareholders of The York Water Company will be held at The Yorktowne Hotel, 48 East Market Street, York, Pennsylvania, on Monday, May 3, 2004, at 1:00 P.M. for the purpose of taking action upon the following proposals:

- (1) To elect three (3) Directors to three-year terms of office;
- (2) To appoint independent accountants to audit the financial statements of the Company for the year 2004; and
- (3) To transact such other business as may properly come before the meeting.

The Board of Directors has fixed the close of business on March 15, 2004, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting, and at any adjournment or adjournments thereof.

You are cordially invited to attend the meeting. In the event you will be unable to attend, you are respectfully requested to sign, date and return the enclosed proxy at your earliest convenience in the enclosed stamped return envelope. Returning your proxy does not deprive you of the right to attend the meeting and vote your shares in person.

By order of the Board of Directors,

JEFFREY R. HINES
Secretary

THE YORK WATER COMPANY
130 EAST MARKET STREET
YORK, PENNSYLVANIA 17401

March 30, 2004

PROXY STATEMENT

This Proxy Statement and the accompanying form of proxy are being furnished to the shareholders of The York Water Company (hereinafter referred to as the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company, whereby shareholders would appoint John L. Finlayson, Chloé R. Eichelberger, and Thomas C. Norris, and each of them, as Proxies on behalf of the shareholders, to be used at the Annual Meeting of the Shareholders of the Company to be held at 1:00 p.m. at The Yorktowne Hotel, 48 East Market Street, York, Pennsylvania, Monday, May 3, 2004 (the "Annual Meeting"), and at any adjournment thereof.

Solicitation of proxies will be primarily by mail. Proxies may also be solicited personally and by telephone by regular employees of the Company. The expenses of the solicitation will be borne by the Company. Such expenses may also include ordinary charges and expenses of brokerage houses and other custodians, nominees and other fiduciaries for forwarding documents to shareholders. This Proxy Statement has been mailed to shareholders of the Company on or about March 30, 2004.

A shareholder who completes and forwards the enclosed proxy to the Company's transfer agent, American Stock Transfer & Trust Company, is not precluded from attending the Annual Meeting and voting his or her shares in person, and may revoke the proxy by delivering a later dated proxy or by written notification to the Company or to the transfer agent, at any time before the proxy is exercised.

PURPOSE OF THE MEETING

At the Annual Meeting, shareholders of the Company will consider and vote upon proposals: (i) to elect three (3) Directors to serve for a term of three (3) years; and (ii) to ratify the appointment of Beard Miller Company LLP as independent auditors for the fiscal year ending December 31, 2004. Shareholders may also consider and vote upon such other matters as may properly come before the Annual Meeting or any adjournment thereof.

VOTING AT THE MEETING

The outstanding securities of the Company entitled to vote at the meeting consist of 6,419,230 shares of Common Stock. The presence at the Annual Meeting in person or by proxy of shareholders entitled to cast a majority of the votes which all shareholders are entitled to cast will constitute a quorum for the Annual Meeting.

The record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or at any adjournment or adjournments thereof was the close of business on March 15, 2004. Shareholders are entitled to one vote for each share on all matters coming before the meeting, except that shareholders have cumulative voting rights with respect to the election of Directors. Cumulative voting rights permit each shareholder to cast as many votes in the election of each class of Directors to be elected as shall equal the number of such shareholder's shares of Common Stock multiplied by the number of Directors to be elected in such class of Directors, and each shareholder may cast all such votes for a single nominee or distribute such votes among two or more nominees in such class as the shareholder may see fit. Discretionary authority to cumulate votes is not being solicited.

In accordance with Pennsylvania law, a shareholder can withhold authority to vote for all nominees for Directors or can withhold authority to vote for certain nominees for Directors. Directors will be elected by a plurality of the votes cast. Votes that are withheld will be excluded from the vote and will have no effect.

Any votes that are withheld on the proposal to ratify the selection of the independent accountants will have the effect of a negative vote because this proposal requires the affirmative vote of a majority of the shares present at the meeting in person or represented by proxy at the meeting and entitled to vote.

Brokers who have received no voting instructions from their customers will have discretion to vote with respect to election of directors and the proposal to ratify the Company's auditors.

ELECTION OF DIRECTORS

At the Annual Meeting, all the nominees, each of whom is currently serving as Director, are to be elected to serve for the ensuing three (3) years and until their respective successors have been elected and qualified. The bylaws of the Company provide that the Board of Directors will consist of not less than a total of nine Directors, who are elected to staggered three-year terms of office. Each share represented by the enclosed proxy will be voted for each of the nominees listed, unless authority to do so is withheld. If any nominee becomes unavailable for any reason or if a vacancy should occur before the election (which events are not anticipated), the shares represented by the enclosed proxy may be voted as may be determined by the Proxies.

The three Directors are to be elected by a plurality of the votes cast at the Annual Meeting. The Board of Directors unanimously recommends a vote **"FOR"** each of the nominees.

The Board of Directors has determined each of the following directors to be an "independent director" as such term is defined in Marketplace Rule 4200(a)(15) of the National Association of Securities Dealers ("NASD"):

John L. Finlayson	George Hay Kain III
Chloé R. Eichelberger	Michael W. Gang

Edgar Filing: YORK WATER CO - Form DEF 14A

The Audit Committee held seven (7) meetings during 2003. The Audit Committee monitors the audit functions of our independent public accountants and internal controls of the Company. The Audit Committee of the Company is composed of the following independent Directors appointed by the Board: John L. Finlayson, Chairman; Chloé R. Eichelberger; George W. Hodges; and Thomas C. Norris, all of who have been determined to be independent by the Board. The Board of Directors has adopted a written charter for the Audit Committee which it reviews and reassesses on an annual basis. A copy of the charter is attached herein as Appendix A.

The Compensation Committee held two (2) meetings during the fiscal year ended December 31, 2003 and considers and makes recommendations to the Board of Directors concerning the proposed compensations, salaries and per diems of the corporate officers, Directors and members of the Committees of the Board of Directors of the Company. The Compensation Committee is composed of the following Directors appointed by the Board: George W. Hodges, Chairman; John L. Finlayson; George Hay Kain III; and Chloé R. Eichelberger, all of whom have been determined to be independent by the Board.

The Corporate Governance and Nomination Committee held three (3) meetings during the fiscal year ended December 31, 2003. The Corporate Governance and Nomination Committee develops and makes recommendations to the Board of Directors concerning corporate governance principles and guidelines. The Corporate Governance and Nomination Committee also makes recommendations to the Board of Directors for nominations for Directors and Officers of the Company. This Committee will consider nominees recommended by shareholders of the Company. Such recommendations shall be made in writing, should include a statement of the recommended nominee's qualifications and should be addressed to the Committee at the address of the Company. In accordance with the Company's by-laws, actual nominations must be made in writing and must be received by the Company not less than ninety (90) days before the date of the Annual Meeting. During 2003, the Corporate Governance and Nomination Committee was composed of the following Directors appointed by the Board: Michael W. Gang, Chairman; Irvin S. Naylor; Thomas C. Norris; George W. Hodges; and William T. Morris.

The Corporate Governance and Nomination Committee considers candidates for Board membership suggested by its members and other Board members, as well as management and shareholders. The Corporate Governance and Nomination Committee requires that the Committee consider and recommend to the Board the appropriate size, function and needs of the Board, so that the Board as a whole collectively possesses a broad range of skills, industry and other knowledge and business and other experience useful to the effective oversight of the Company's business. The Board also seeks members from diverse backgrounds with a reputation for integrity. In addition, Directors should have experience in positions with a high degree of responsibility, be leaders in the companies or institutions with which they are affiliated and be selected based upon contributions that they can make to the Company. The Committee considers all of these qualities when selecting, subject to Board ratification, candidates for Director. [No distinctions are made as between internally-recommended candidates and those recommended by shareholders.]

On February 23, 2004 The Company's Board formed a Compensation and Nomination Committee. The Compensation and Nomination Committee consists of five non-employee Directors. The Compensation and Nomination Committee is comprised of the following Directors appointed by the Board: George W. Hodges, Chairman; John L. Finlayson, George Hay Kain, III; Chloé R. (1) Represents Company matching contributions to Mr. Osman's, Mr. Hines', and Mr. Close's 401(k) plan in 2003, 2002, and 2001.

Officers with five years' service are entitled to benefits under the Company's General and Administrative Employees Pension Plan (the "Pension Plan") upon retirement after attaining age 55. The pension benefit computation is based on the years of service times the sum of \$18.00 and 1-1/2% of that portion of the final average monthly earnings which are in excess of \$400. The final average monthly earnings are the average of the employee's earnings for the 60 months immediately preceding the date the pension benefit calculation is made. As of December 31, 2003, Mr. Osman has been credited with 20 years of service, Mr. Hines has been credited with 13 years of service and Mr. Close has been credited with 26 years of service under the Pension Plan. The following table illustrates the approximate annual benefit that may become payable under the Pension Plan to the executive officers who have met both the five year and 55 year age requirements, based upon the indicated assumptions as to remuneration and years of credited service.

Remuneration	Years of Service			
	20	25	30	33
\$233,831	\$73,030	\$91,287	-	-
134,174	43,133	53,916	\$64,699	\$71,169
126,820	40,925	51,156	\$61,387	\$67,526

The above figures assume retirement at age 65 with a straight-life annuity and without reduction for a survivor benefit or Social Security benefits.

The Company maintains a supplemental retirement program (the "Supplemental Plan"), which provides senior management with a retirement benefit in addition to the Pension Plan. The Supplemental Plan is designed to encourage management to stay with the Company until retirement. Supplemental Plan benefits have been made available to five members of the Company's management and are payable to the executive or his beneficiary (a "Supplemental Plan Beneficiary") monthly over a period of 180 months. The annual benefit payable under the Supplemental Plan (the "Annual Benefit") may be calculated by multiplying the number of years of service subsequent to December 31, 1983 but prior to the attainment of age 65, by a predetermined annual retirement benefit unit, which in the case of Mr. Osman is \$1,440, in the case of Mr. Hines is \$2,100, in the case of Mr. Close is \$1,235 and in the case of all Supplemental Plan Participants ranges from \$1,235 to \$2,100. The estimated Annual Benefit payable to Mr. Osman at normal retirement age under the Supplemental Plan is \$33,333, the estimated Annual Benefit payable to Mr. Hines at normal retirement age under the Supplemental Plan is \$53,333, and the estimated Annual Benefit payable to Mr. Close at normal retirement age under the Supplemental Plan is \$33,333. The Supplemental Plan is funded by insurance policies owned by the Company on each executive covered by the Supplemental Plan, and if the assumptions made as to mortality experience, policy dividends and other factors (the "Funding Assumptions") are realized, the Company will recover all of its payments made under the Supplemental Plan plus a factor for the use of the Company's money. The Company is obligated to pay Annual Benefits, and Supplemental Plan Beneficiaries have the status of unsecured creditors of the Company with respect to Annual Benefits, regardless of whether the Funding Assumptions are realized and the insurance policies fully fund or reimburse the Company for its payments under the Supplemental Plan.

The following table illustrates the approximate Annual Benefits that may become payable to Supplemental Plan Beneficiaries:

Annual Retirement Benefit Unit	Years of Service Subsequent to December 31, 1983				
	10	15	20	25	30
\$1,750	\$17,500	\$26,250	\$35,000	\$43,750	\$52,500
1,450	14,500	21,750	29,000	36,250	43,500
1,400	14,000	21,000	28,000	35,000	42,000
1,250	12,500	18,750	25,000	31,250	37,500

The Deferred Compensation Program permits eligible supervisors, managers and executives to defer up to 5% of salary, normally over an eleven (11) year period, with the Company matching the deferment, up to 2-1/2% of salary. The Company has obtained life insurance policies for participants under the Deferred Compensation Program to fund its future payment obligations under the Deferred Compensation Program, and no cash balances are maintained by the Company to fund participant deferrals, Company matching contributions, or earnings with respect to such balances derived from the insurance policies (together, the "Deferred Compensation Program Balances"). At retirement, each participant, or beneficiary, is entitled to receive over a ten-year period, monthly payments equal in the aggregate to the Deferred Compensation Program Balance that accrued with respect to such participant in Company maintained book-entry accounts. Except for Mr. Osman, no other directors participate in this program. Mr. Osman's projected annual payment under this program is \$16,868, Mr. Hines' projected annual payment under this program is \$9,123 and Mr. Close's projected annual payment under this program is \$17,628.

Mr. Osman, Mr. Hines and Mr. Close have employment contracts with the Company which provide that, in the event of their involuntary termination of employment for any reason other than cause prior to or following a change of control of the Company, they would be entitled to severance payments. Mr. Osman would be entitled to a severance payment equal to 2.99 times his base salary for the preceding 12 months. Mr. Osman would be entitled to medical, dental and other insurance benefits for a period of three years after his termination date. Mr. Hines and Mr. Close would be entitled to severance payments equal to .5 times their base salary for the preceding 12 months. Mr. Hines and Mr. Close would also be entitled to medical, dental and other insurance benefits for a period of one year after their termination date. The employment contracts contain provisions regarding their obligation to maintain the confidentiality of Company information and their agreement not to compete with the Company within its franchised service territory for a period of one year after termination of their employment by the Company.

Each Director who is not a regular full-time employee of the Company is entitled to receive the following amounts for services rendered to the Company: \$9,300 per annum in Directors' fees; \$4,650 per annum for service as a regular member of the Executive Committee; a per diem of \$575 for each Board of Directors' Meeting; and a per diem of \$575 for each Executive Committee Meeting. There were 14 Board of Directors' Meetings and 11 Executive Committee Meetings during the fiscal year ended December 31, 2003. All Directors attended at least 75% of the scheduled Board of Directors and committee meetings.

COMPANY PERFORMANCE

The following line graph presents the annual and cumulative total shareholder return for The York Water Company Common Stock over a five-year period, as compared to a comparable return associated with an investment in the S&P 500 Composite Index and a composite index of water companies (the "Peer Index").

The line graph above assumes \$100 invested on December 31, 1998 in the Company's Common Stock and the stock of companies included in the S&P 500 and the Peer Index and assumes the quarterly reinvestment of dividends. The return for the Peer Index presented above took into consideration the cumulative total return of the common stock of the following water companies included in the Peer Index: American States Water Company, Artesian Resources Corp., BIW Limited, California Water Service, Connecticut Water Service, Inc., Middlesex Water Company, Pennichuck Corporation, Aqua America, Inc., SJW Corp., and Southwest Water Co.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors of the Company establishes general compensation policies of the Company and considers and makes recommendations to the Board of Directors concerning the proposed compensation, salaries and per diems of the President and Chief Executive Officer, the Chairman, Vice Chairman, Directors and members of the Committees of the Board of Directors of the Company. The Chairman and Vice Chairman serve the Company in a part-time capacity, and the amount of salary payable to such officers has been determined by the Committee based upon the amount of time dedicated and value of contributions made to the Company.

Mr. Osman, the Chief Executive Officer of the Company, served the Company as its Vice President-Finance and Secretary-Treasurer from May, 1995 to December, 2002. In January 2003, Mr. Osman assumed the position of President and Chief Executive Officer. Mr. Hines, Vice President-Engineering and Secretary of the Company, served the Company as its Vice President-Engineering from May, 1995 to December, 2002, and in January, 2003 became Secretary. Mr. Close has served the Company as Vice President-Operations from May, 1995 to date. The Compensation Committee historically has established Mr. Osman's, Mr. Hines' and Mr. Close's compensation after considering comparative salary data from industry and other salary surveys (including data derived from publicly disclosed compensation information concerning many of the companies identified in the Peer Index), individual past performance, the Company's performance (on an absolute basis and in comparison to peer performance within the context of a regulated industry), and to a lesser extent changes in the cost of living in the Company's service territory. While no formal salary or compensation guidelines have been developed or used, salary levels have been determined after balancing the foregoing factors (in their entirety, without giving weight to any particular factor and without regard to any particular relationship between compensation levels and any quantitative or qualitative aspect of the Company's performance) with the interests of the Company's shareholders, customers and employees.

Section 162(m) of the Internal Revenue Code generally disallows, in certain circumstances, a tax deduction to public companies for compensation over \$1 million paid to a corporation's chief executive officer and next four most highly compensated executive officers. The Company does not have any compensation programs that would be impacted by Section 162(m).

REPORT OF THE AUDIT COMMITTEE

The Company's Audit Committee (the "Committee") consists of four non-employee Directors who are "independent Directors" as defined in NASD Rule 4200 (a)(15). The Board of Directors has determined that each member of the Audit Committee is financially literate. In January 2003, the Board of Directors adopted an amended and restated written charter for the Audit Committee. A copy

Edgar Filing: YORK WATER CO - Form DEF 14A

of the amended and restated written charter is attached as an appendix to the proxy statement.

The Audit Committee reviews the Company's financial reporting process on behalf of the Board, reports to the Securities and Exchange Commission on Forms 10-Q and 10-K and releases of earnings. In addition, the Committee selects, subject to stockholder ratification, the Company's independent public accountants.

The Board of Directors has determined that John L. Finlayson, Chairman of the Audit Committee, is an Audit Committee financial expert within the meaning of the applicable SEC rules. Chairman Finlayson is a Certified Public Accountant, and has an understanding of generally accepted accounting principles and financial statements. Chairman Finlayson is experienced in the preparation and auditing of financial statements of public companies, and has an understanding of accounting estimates, internal accounting controls, and audit committee functions.

Management represented to the Committee that the Company's audited financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the financial statements with management and the independent public accountants. The Committee discussed with the independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, the Committee has discussed with the independent public accountants the auditor's independence from the Company and its management, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

The Committee discussed with the Company's independent public accountants the overall scope and plans for their audits. The Committee meets with the independent public accountants, with and without management present, to discuss the results of their examinations, the evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

Based upon the Committee's discussions with management and the independent public accountants and the Committee's review of the representations of management and the report of the independent public accounts to the Committee, the Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2003, for filing with the SEC.
