ITEM 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 22, 2013, Chembio Diagnostics, Inc. (the “Company”) appointed Sharon Klugewicz to the newly created position of Chief Operating Officer (“COO”). Since joining the Company in September 2012, Ms. Klugewicz has served as Vice President of Quality Assurance/Quality Control and Technical Operations at the Company. As COO, she is responsible for all the Company’s operational activities and will work closely with each of the functional areas of the Company, including research and development, manufacturing, regulatory affairs, and sales and marketing.

Ms. Klugewicz’s employment agreement (the “Employment Agreement”), effective May 22, 2013 (the “Effective Date”), provides that she will serve as the Company’s COO for a term of two years. Ms. Klugewicz will receive an annual salary of \$250,000, with the option of a discretionary, performance-based annual cash bonus of up to 37.5% of her base salary. The Employment Agreement also provides for a grant of 5,000 options to purchase shares of the Company’s common stock, vesting at a rate of 2,500 shares on each of the first and second anniversaries of the Effective Date. In the event Ms. Klugewicz’s employment is terminated by reason of disability or for “cause”, as defined in the Employment Agreement, all compensation including her base salary, her right to receive a performance bonus, and the vesting of any unvested options, will cease as of her termination date, and Ms. Klugewicz will receive no severance benefits. If the Company terminates Ms. Klugewicz’s employment without cause or Ms. Klugewicz terminates her employment for a reasonable basis, as defined in the Employment Agreement (which definition includes involuntary termination within a six-month period upon a “Change of Control”), then the Company will pay Ms. Klugewicz her base salary for a period of six months as severance, and all her unvested stock options shall immediately become vested. The Employment Agreement also contains provisions prohibiting Ms. Klugewicz from (i) soliciting the Company’s employees for a period of twenty-four months following her termination, (ii) soliciting the Company’s customers, agents, or other sources of distribution of the Company’s business for a period of twelve months following her termination, and (iii) for a period of twelve months following termination of this Agreement, except where termination is involuntary upon a “Change in Control,” engaging or participating in any business that directly competes with the business activities of the Company in any market in which the Company is in business or plans to do business. The foregoing description of the Employment Agreement is qualified in its entirety by reference to the full text of the Employment Agreement.

Prior to joining the Company in September 2012, Ms. Klugewicz, age 45, served as Senior Vice President, Scientific & Laboratory Services at Pall Corporation (NYSE:PLL), a world leader in filtration, separation and purification technologies. Prior to that, Ms. Klugewicz held a number of positions at Pall Corporation over her 20-year tenure there, including in the Pall Life Sciences Division, in Marketing Product Management, and Field Technical Services, which included a position as Senior Vice President, Global Quality Controls. Ms. Klugewicz holds an M.S. in Biochemistry from Adelphi University and a B.S. in Neurobiology from Stony Brook University.
