* On October 7, 2005, PNM Resources, Inc. (the Issuer) issued 4,000,000 equity-linked units to Cascade. Pursuant to the transaction, Cascade has the right to purchase shares of the Issuer's Common Stock (the Common Stock) from the Issuer through the settlement of purchase contracts. Under the terms of the equity-linked units, Cascade can purchase a minimum of 3,981,600 shares of Common Stock and a maximum of 4,778,000 shares of Common Stock upon settlement of the purchase contracts, subject to anti-dilution adjustments. Certain regulatory approvals must be obtained prior to settling the purchase contracts with Common Stock if such settlement would result in Cascade owning 10% or more of the outstanding Common Stock. It is not possible to know whether such approvals would be obtained within 60 days of being requested. Cascade could, however, without regulatory approval, settle purchase contracts at any time to acquire shares of Common Stock so long as such shares together with shares of Common Stock beneficially owned by Cascade prior to such acquisition represent less than 10% of the outstanding Common Stock. The number of shares reported in this report does not reflect any shares of Common Stock that Cascade would be entitled to purchase without regulatory approval upon settlement of the equity-linked units because such number will change as the number of outstanding shares of Common Stock changes.

All Common Stock held by Cascade may be deemed to be beneficially owned by William H. Gates III as the sole member of Cascade. Michael Larson, the Business Manager of Cascade, has voting and investment power with respect to the Common Stock held by Cascade. Mr. Larson disclaims any beneficial ownership of the Common Stock beneficially owned by Cascade and Mr. Gates.
