PROXY STATEMENT

Annual Meeting of Stockholders

to be held on May 24, 2006

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Edgar Filing: Citi Trends Inc - Form DEF 14A

This proxy statement is furnished in connection with the solicitation by the board of directors of Citi Trends, Inc. of proxies to be voted at the annual meeting of stockholders on May 24, 2006. This proxy statement, the accompanying proxy card and the annual report to stockholders are being mailed to stockholders on or about April 24, 2006.

The principal executive offices of Citi Trends, Inc., a Delaware corporation, are located at 102 Fahm Street, Savannah, Georgia 31401, and our telephone number is (912) 236-1561.

The terms "Citi Trends" or the "Company" (as well as the words "we," "us" and "our") refer to Citi Trends, Inc. References to "you" or "your" refer to stockholders.

In this section of the proxy statement, we answer some common questions regarding the annual stockholders meeting and the voting of shares of common stock at the meeting.

Where and when will the annual meeting be held?

Edgar Filing: Citi Trends Inc - Form DEF 14A

The date, time and place of the meeting are: May 24, 2006 at 10:00 a.m., EDT, at Doubletree Hotel, 411 West Bay Street, Savannah, Georgia 31401.

Why did you send me this proxy statement?

Edgar Filing: Citi Trends Inc - Form DEF 14A

This proxy statement was prepared under the direction of our board of directors to solicit your proxy for voting at our annual meeting. We sent you this proxy statement and the enclosed proxy card because our board of directors is asking for your proxy to vote your shares at the annual meeting. We have summarized information in this proxy statement that you should consider in deciding how to vote at the meeting. But you do not have to attend in order to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card.

What can I vote on at the meeting?

Edgar Filing: Citi Trends Inc - Form DEF 14A

There are three matters scheduled to be voted on at the meeting:

- (1) The election of one Class I director to our board of directors to hold office until the annual meeting of stockholders in 2009 and until a successor is elected and qualified;
- (2) A proposal to amend Citi Trends' Second Amended and Restated Certificate of Incorporation; and
- (3) Ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2006.

How does the board of directors recommend that I vote?

Edgar Filing: Citi Trends Inc - Form DEF 14A

The board of directors recommends that you vote your shares **FOR** the nominee to the board of directors, **FOR** the proposal to amend Citi Trends' Second Amended and Restated Certificate of Incorporation and **FOR** the ratification of KPMG LLP as our independent registered public accounting firm for 2006.

Who can vote?

Edgar Filing: Citi Trends Inc - Form DEF 14A

You can vote your shares of common stock if our records show that you were the owner of the shares as of the close of business on March 27, 2006, the record date determining the stockholders who are entitled to vote at the annual meeting. As of the close of business on March 27, 2006, there were a total of 13,469,627 shares of our common stock outstanding and entitled to vote at the annual meeting. You get one vote for each share of common stock that you own. Holders of shares of common stock do not have cumulative voting rights. The enclosed proxy card shows the number of shares you can vote.

How are votes counted?

Edgar Filing: Citi Trends Inc - Form DEF 14A

We will hold the annual meeting if stockholders representing the required quorum of shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. One third of the shares of common stock entitled to vote at the meeting present in person or by proxy will constitute a quorum. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote as indicated on the proxy card.

If you abstain or withhold votes, your abstention or withheld vote will not be counted as votes cast and will have no effect on the result of the vote on the election of the director and the ratification of the appointment of KPMG LLP as our independent registered public accounting firm. Abstentions and broker non-votes will have the effect of votes against the amendment of our Second Amended and Restated Certificate of Incorporation.

What is the required vote for approval?

Edgar Filing: Citi Trends Inc - Form DEF 14A

The election of our nominee for director requires a plurality of the votes cast at the annual meeting, the ratification of the appointment of KPMG LLP as our independent registered public accounting firm requires a majority of the votes cast at the annual meeting on such matter and the amendment of our Second Amended and Restated Certificate of Incorporation requires an affirmative vote of a majority of the outstanding shares entitled to vote at the annual meeting.

How do I vote?

Edgar Filing: Citi Trends Inc - Form DEF 14A

Stockholders of record may vote in person by attending the annual meeting or by completing and returning the proxy by mail. Your vote is very important, so whether you plan to attend the annual meeting or not, we encourage you to vote by proxy as soon as possible.

How do I vote by proxy?

Edgar Filing: Citi Trends Inc - Form DEF 14A

Follow the instructions on the enclosed proxy card to vote on the matters to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The individuals named and designated as proxies in the proxy card will vote your shares as you instruct. If you do not mark a selection, your proxy will be voted as recommended by the board of directors.

You have the following choices in completing your proxy:

You may vote on each proposal, in which case your shares will be voted in accordance with your choices.

In voting on the director, you can either vote FOR the director or withhold your vote on the director.

You may vote FOR the amendment of our Second Amended and Restated Certificate of Incorporation or withhold your vote, in which case abstentions will have the effect of a vote against the proposal.

You may abstain on the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm, in which case no vote will be recorded.

You may return a signed proxy card without indicating your vote on any matter, in which case the designated proxies will vote to elect the nominee as director and ratify the appointment of KPMG LLP as our independent registered public accounting firm.

What if other matters come up at the annual meeting?

Edgar Filing: Citi Trends Inc - Form DEF 14A

The only matters we now know of that will be voted on at the annual meeting include the proposals we have described in this proxy statement: the election of the director; the amendment of our Second Amended and Restated Certificate of Incorporation; and the proposal to ratify the appointment of KPMG LLP as our independent public accounting firm for 2006. If other matters are properly presented at the meeting, the designated proxies will vote your shares in their discretion.

Can I change my vote after I return my proxy card?

Edgar Filing: Citi Trends Inc - Form DEF 14A

Yes, so long as you are the record holder and not a nominee holder of the shares. At any time before the vote on a proposal, you can change your vote either by giving us a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card or by attending the annual meeting and voting your shares in person. We will honor the proxy card with the latest date.

Proxy revocation notices or new proxy cards should be sent to Citi Trends, Inc. c/o American Stock Transfer and Trust Company, 6201 15th Avenue, Brooklyn, New York 11219.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Edgar Filing: Citi Trends Inc - Form DEF 14A

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person even if you have submitted a proxy card.

What do I do if my shares are held in street name ?

Edgar Filing: Citi Trends Inc - Form DEF 14A

If your shares are held in the name of your broker, a bank or other nominee, that party will give you instructions for voting your shares.

What do I do if I receive duplicate proxy statements and cards?

Edgar Filing: Citi Trends Inc - Form DEF 14A

You may receive more than one proxy statement, proxy card or annual report. This duplication will occur if you have shares registered in different names or your shares are in more than one type of account maintained by American Stock Transfer and Trust Company, our transfer agent. To have all your shares voted, please sign, date and return all proxy cards.

Who will count the votes?

Edgar Filing: Citi Trends Inc - Form DEF 14A

American Stock Transfer and Trust Company will tabulate the votes. Corporate Communications, Inc. will serve as the inspector of election.

Who will conduct this proxy solicitation and who pays for this proxy solicitation?

Edgar Filing: Citi Trends Inc - Form DEF 14A

We regularly retain the services of Corporate Communications, Inc. to assist with our investor relations and other shareholder communications issues. Corporate Communications, Inc. will assist in the solicitation of proxies and will not receive any additional compensation for these services. Corporate Communications, Inc. may solicit proxies

by telephone, facsimile, other forms of electronic transmission and by mail. We will reimburse the firm's expenses in connection with the solicitation. In addition, proxies may be solicited on our behalf by directors, officers or employees in person or by telephone, facsimile, electronic transmission and by mail. None of these persons will receive any extra compensation for doing this.

In addition, we will request that brokerage houses, banks and other custodians or nominees holding shares in their names for others forward proxy materials to their customers or principals who are the beneficial owners of shares and we will reimburse them for their expenses in doing so.

**PROPOSAL 1:
ELECTION OF DIRECTOR**

Edgar Filing: Citi Trends Inc - Form DEF 14A

Our board of directors currently consists of five directors (Messrs. Anderson, Noll, Flynn and Lupo and Ms. Luzier), the majority of which meet the NASDAQ standard for independence. Our directors are divided into three classes having staggered three-year terms, so that the term of one class expires at each annual meeting of stockholders. One nominee will be proposed for election as a Class I director at the annual meeting to hold office until the annual meeting in 2009 and until her successor is duly elected and qualified.

It is intended that the persons named in the accompanying proxy will vote to elect the nominee listed below unless authority to vote is withheld. The nominee will serve until the annual meeting of stockholders at which her term expires or until an earlier resignation or retirement or until a successor is elected and qualifies to serve.

The nominee has agreed to stand for election and is available for election. However, if a vacancy in the slate of nominees is caused by death or other unexpected occurrence, it is intended that shares represented by the accompanying proxy will be voted for the election of a substitute nominee selected by the persons named in the proxy.

Nomination and Selection of Directors

Edgar Filing: Citi Trends Inc - Form DEF 14A

Our Nominating and Corporate Governance Committee identifies and evaluates potential director candidates in a variety of ways. Recommendations may come from current members of our board of directors, professional search firms, members of management, stockholders or other persons. In assessing the qualifications of potential nominees, the Nominating and Corporate Governance Committee may rely on personal interviews or discussions with the candidate and others familiar with the candidate's professional background, on third-party background and reference checks and on such other due diligence information as reasonably available. The Nominating and Corporate Governance Committee must be satisfied that the candidate possesses the highest professional and personal ethics and values and has broad experience at the policy-making level in business before the Nominating and Corporate Governance Committee would recommend a candidate as a nominee to our board of directors.

REPORT OF COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION*

Edgar Filing: Citi Trends Inc - Form DEF 14A

Citi Trends, Inc. s (the Company) executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee that prepared this report was composed of three independent directors and one non-independent director as permitted by Nasdaq rules 4350(a) and 4350(c) of the NASD Listing Standards for Nasdaq-listed companies, under the transition periods provided for entities listed in connection with their initial public offering and the controlled company exception. In order to maintain compliance with the NASD Listing Standards for Nasdaq-listed companies, our non-independent director has since resigned from the Compensation Committee and our Compensation Committee currently consists entirely of independent directors.

The Compensation Committee is responsible for the strategic direction and administration of the compensation structure of the Company, including, recommending salaries and incentive compensation awards for executive officers, recommending director compensation and administering the Company s 2005 Long-Term Incentive Plan. The specific duties and responsibilities of the Compensation Committee are set forth in the Compensation Committee Charter, which is available under the Corporate Governance section of the Company s website at <http://www.cititrends.com>. You will find the charter by clicking Investor Relations and then Governance. The information set forth on this website should not be deemed filed with, and is not incorporated by reference into, this proxy statement or any of the Company s other filings under the Securities Act or the Exchange Act, except to the extent that the Company specifically so provides.

The Compensation Committee met two times during the 2005 fiscal year. The Compensation Committee members are actively engaged in the review of matters presented. The members of the Compensation Committee responsible for determining salary and incentive compensation awards for the 2005 fiscal year were John S. Lupo and Gregory P. Flynn. Patricia M. Luzier and Tracy L. Noll were appointed to the Compensation Committee on November 30, 2005. From time to time, the Compensation Committee selects and engages outside compensation consultants and other experts for survey data and other information as it deems appropriate.

The Compensation Committee has furnished the following report on executive compensation for the fiscal year ending January 28, 2006.

Executive Compensation Philosophy

Edgar Filing: Citi Trends Inc - Form DEF 14A

Because employees are the key to our success, we believe in providing market-competitive compensation and benefits that will enable us to attract and retain a talented, diverse workforce, which helps us maintain a critical advantage in our competitive marketplace. The guiding principle of the Compensation Committee is to provide a program that enables the Company to retain and motivate a team of high quality executives who will create long-term stockholder value. In addition, we believe that employees should have the opportunity to participate in the ownership of the Company and to share in the value they help create. We also believe that rewards should be proportional to each employee's contribution to our success.

Our compensation philosophy emphasizes each individual's responsibility for high achievement and provides a strong link between pay and performance on both an individual and company level.

Executive Compensation Practices

Edgar Filing: Citi Trends Inc - Form DEF 14A

Periodically for the purposes of benchmarking executive compensation, the Compensation Committee reviews the compensation practices of a group of public companies selected from our industry peer group and having approximately the same amount of revenue as the Company. For fiscal year 2005 the Committee engaged Towers Perrin to conduct a study of executive compensation practices of such a peer group. Towers Perrin completed their evaluation and their report was presented to the Board of Directors during November of 2004. This independent compensation consultant developed information from the peer group surveyed and recommended to us a range for each component of executive compensation with the goal of presenting recommended compensation levels that would be aligned with the Company's compensation philosophy for each of the named executive officers. Based

upon review of the compensation arrangements discussed below, our assessment of compensation at surveyed companies and our assessments of individual and corporate performance, we believe that the value and design of our executive compensation program is appropriate. Generally, performance is measured by the following factors, which may vary as required by business conditions:

- (1) long and short term strategic goals;
- (2) revenue goals;
- (3) new store growth goals; and
- (4) total stockholder return.

In setting these goals and measuring an executive officer's performance against these goals, we consider the performance of the Company's competitors and general economic conditions. None of the factors included in the Company's strategic and business goals are assigned a specific weight. Instead, we recognize that the relative importance of these goals may change over time in order to adapt the Company's operations to specific business challenges and to reflect changing economic and market conditions.

Components of Executive Compensation

The compensation arrangement for executive officers consists of the following components:

Base Salary

Edgar Filing: Citi Trends Inc - Form DEF 14A

Base Salary is comprised of baseline cash compensation and is determined by the competitive market and the individual's performance. In general, Base Salary for each employee, including executive officers, is established each year based on (1) a compensation range which corresponds to the individual's job responsibilities, (2) the individual's overall individual job performance and (3) the competitive market. During fiscal year 2005, salaries for the named executive officers were increased within the following range: 2.1% to 6.3%. We believe that current salaries approximate salary levels for the group of peer companies surveyed.

Annual Incentive Compensation Awards

Edgar Filing: Citi Trends Inc - Form DEF 14A

The Company's compensation-for-performance philosophy ensures that annual incentive compensation awards follow the achievement of business specific goals. Our bonus plan provides for cash bonuses to be paid annually when certain performance targets are achieved. During fiscal year 2005, the executive officers participated in the bonus plan. Actual bonuses paid to executive officers were based on the achievement of certain performance targets which included the attainment of certain sales and earnings targets. Our Chief Executive Officer's bonus was initially set at up to 75% of his base salary with the potential to receive up to 200% of these amounts to the extent performance targets were exceeded. The bonus award for fiscal year 2005 for the named executive officers equaled 103% of base salary. The target bonus is discretionary and actual amounts paid may be more or less than the targeted amount.

Long-Term Incentive Awards

Edgar Filing: Citi Trends Inc - Form DEF 14A

The long-term incentive compensation awards are designed to encourage the creation of long-term value for our stockholders by increasing the retention of qualified key employees and aligning the interests of executive officers with the achievement of specific performance targets set by the Company. In fiscal year 2005, the Compensation Committee granted stock options in accordance with the 2005 Long-Term Incentive Plan as incentives to aid in the retention of the executive officers and to align their interests with those of the Company's stockholders. The number of shares subject to each stock option grant is within the discretion of the Compensation Committee and is based on past performance, evaluation of other compensation, anticipated future contribution and ability to impact the Company's results. For fiscal year 2005, the Committee also relied on the compensation study performed by Towers Perrin. Generally, the stock options granted for fiscal year 2005 become exercisable over a four year period.

Retirement and Other Benefits

Edgar Filing: Citi Trends Inc - Form DEF 14A

The benefits philosophy of the Company provides employees protection from catastrophic events and offers health benefits. During fiscal year 2005, the Company offered the following benefits to its executive officers: contributions under the Company's 401(k) plan which have plan maximums based upon applicable law, the use of a company car, group term life insurance, group health and dental insurance premiums, short and long term disability insurance premiums.

Policy Regarding Compensation in Excess of \$1 Million a Year

Edgar Filing: Citi Trends Inc - Form DEF 14A

Section 162(m) of the Code generally disallows a tax deduction for compensation in excess of \$1 million paid to the Company's named executive officers. Certain compensation is specifically exempt from the deduction limit to the extent that it does not exceed \$1 million during any fiscal year or is performance based as defined in Section 162(m) of the Code. The Compensation Committee considers the net cost to the Company, and its ability to effectively administer executive compensation in the long-term interests of shareholders. Accordingly, the Compensation Committee intends for annual incentive compensation awards and long-term incentive compensation awards to be fully deductible under Section 162(m) of the Code.

Compensation of the Chief Executive Officer

Edgar Filing: Citi Trends Inc - Form DEF 14A

Mr. Anderson has served as Chief Executive Officer of the Company and as a member of the Board of Directors since December 2001. The Compensation Committee used the executive compensation practices described above to determine Mr. Anderson's compensation for fiscal year 2005. In setting both the cash and equity elements of Mr. Anderson's compensation in 2005, the Compensation Committee made an overall assessment of Mr. Anderson's contribution to the Company including his leadership in establishing the Company's strategic business goals, Mr. Anderson's compensation for fiscal year 2004, the achievement of certain performance targets and business objectives of the Company and the compensation study delivered by Towers Perrin.

Based on the Compensation Committee's consideration of the foregoing, the Compensation Committee determined that Mr. Anderson would receive the following compensation package for fiscal year 2005: a base salary of \$340,000 and a cash bonus of \$510,000. In addition, for 2005, Mr. Anderson was granted options to purchase 28,000 shares of common stock. Mr. Anderson also received \$1,354 of additional compensation for the 2005 fiscal year contributed under the Company's 401(k) plan.

The undersigned members of the Compensation Committee have submitted this Report to the Board of Directors.

2005 Long-Term Incentive Plan

The board of directors and stockholders adopted the 2005 Long-Term Incentive Plan, or Incentive Plan, to replace the Amended and Restated 1999 Stock Option Plan, or the 1999 Plan. The Incentive Plan enables our key employees and directors to acquire and maintain stock ownership, thereby strengthening their commitment to our success and their desire to remain with us, focusing their attention on managing as an equity owner and aligning their interests with those of the stockholders. In addition, the Incentive Plan is intended to attract and retain key employees, which, together with the key directors, we refer to collectively as eligible persons, and to provide incentives and rewards for superior performance that will ultimately lead to our profitable growth. The Incentive Plan was approved by a majority of our stockholders on April 8, 2005. As of January 28, 2006, options to purchase up to 1,401,833 shares of the common stock remained outstanding under the 1999 Plan. Due to the adoption of the Incentive Plan, the 1999 Plan was terminated and no additional options was granted under that plan.

The principal features of the Incentive Plan are described in summary form below.

Shares Subject to the Plan

The Incentive Plan provides that no more than 1,300,000 shares of our common stock may be issued pursuant to awards under the Incentive Plan; provided that, in the aggregate, no more than 50% of the total shares of our common stock can be made the subject of an award other than as options under the Incentive Plan. These shares of our common stock will be authorized but unissued shares in such amounts as determined by the board of directors.

However, the amount of shares of common stock granted to an individual in any calendar year period can not exceed 5% of the total number of reserved shares of common stock. Also, in any calendar year period, the maximum dollar amount of cash or the fair market value of common stock that any individual can receive in connection with performance units can not exceed \$2.5 million. The number of shares of common stock available for awards, as well as the terms of outstanding awards, are subject to adjustment as provided in the Incentive Plan for stock splits, stock dividends, recapitalizations, mergers, consolidations, liquidations, changes in corporate structure and other similar events. Awards that may be granted under the Incentive Plan include stock options, stock appreciation rights, or SARs, restricted shares, performance units, performance shares and director's shares. Upon the granting of an award to an individual, the number of shares of common stock available shall be reduced depending on the type of award granted, as provided in the Incentive Plan.

The shares of our common stock subject to any award that expires, terminates or is cancelled, is settled in cash or is forfeited or becomes unexercisable, will again be available for subsequent awards, except as prohibited by law.

Administration

The Compensation Committee administers the Incentive Plan. With respect to decisions involving an award to a reporting person within the meaning of Rule 16a-2 under the Exchange Act, the Compensation Committee is to consist of two or more directors who are disinterested within the meaning of Rule 16b-3 under the Exchange Act. With respect to decisions involving an award intended to satisfy the requirements of Section 162(m) of the Internal Revenue Code, or the Code, the Compensation Committee is to consist solely of two or more directors who are outside directors for purposes of that Section 162(a). We satisfy these requirements as the Compensation Committee is comprised of three independent directors.

Subject to the terms of the Incentive Plan, the Compensation Committee has express authority to determine the eligible persons who will receive awards, when such awards will be granted, the number of shares of common stock, units or SARs to be covered by each award, the relationship between awards and the terms and conditions of awards. The Compensation Committee has broad discretion to prescribe, amend and rescind rules relating to the Incentive Plan and its administration, to interpret and construe the Incentive Plan and the terms of all award agreements and to take all actions necessary or advisable to administer the Incentive Plan. Within the limits of the Incentive Plan, the Compensation Committee may accelerate the vesting of any awards, allow the exercise of unvested awards and modify, replace, cancel or renew the awards.

The Incentive Plan provides that the determination of the Compensation Committee on all matters relating to awards and the Incentive Plan are final. The Incentive Plan also releases members of the Compensation Committee from liability for good faith actions associated with the administration of the Incentive Plan.

Eligibility

The Compensation Committee may grant options that are intended to qualify as incentive stock options, or ISOs, only to employees, and may grant all other awards to employees or any nonemployee director. The Incentive Plan and the discussion below use the term "grantee" to refer to an eligible person who has received an award under the Incentive Plan. Although the Incentive Plan provides the general provisions of the available awards, upon the determination by the Compensation Committee of the type and amount of award to be granted to a grantee, the eligible grantee will enter into an agreement with us specifying the specific terms of the award to be granted. Each type of award (*i.e.*, stock option, restricted share, performance units and performance shares) is governed by a separate agreement that describes the respective terms governing such award, such as the exercise date, term and expiration, restrictions, value, form and timing of payment.

Stock Options

Stock options granted under the Incentive Plan provide grantees with the right to purchase shares of the common stock at a predetermined exercise price. The Compensation Committee may grant stock options that are intended to qualify as ISOs, or stock options that are not intended to so qualify, or non-ISOs. The Incentive Plan also provides that ISO treatment may not be available for stock options that become first exercisable in any calendar year to the extent the value of the underlying shares that are the subject of the stock option exceed \$100,000, based upon the fair market value of the shares of common stock on the stock option grant date. Any ISO shall be granted within ten years from the earlier of the date the Incentive Plan is adopted by the board of directors or the date the Incentive Plan is approved by our stockholders.

Stock Appreciation Rights

A SAR generally permits a grantee to receive, upon exercise, shares of common stock equal in value to the excess of (i) the fair market value, on the date of exercise, of the shares of common stock with respect to which the SAR is being exercised, over (ii) the exercise price of the SAR for such shares. The Compensation Committee may grant SARs in tandem with stock options, or independently of them. The committee has the discretion to grant SARs to any eligible employee or nonemployee director.

Exercise Price for Stock Options and SARs

The exercise price of non-ISOs and SARs may not be less than 100% of the fair market value of common stock on the grant date of the award. The exercise price of ISOs may not be less than 110% of the fair market value of common stock on the grant date of the award for owners who own more than 10% of shares of our common stock on the grant date. For ISOs granted to other participants and for options intended to be exempt from the limitations of Section 162(m) of the Code, the exercise price may not be less than 100% of the fair market value of the common stock on the grant date. With respect to stock options and SARs, payment of the exercise price may be made in any of the following forms, or combination of them: shares of unrestricted stock held by the grantee for at least six months (or a lesser period as determined by the Compensation Committee) prior to the exercise of the option or SAR, based upon its fair market value on the day preceding the date of exercise, or through simultaneous sale through a broker of unrestricted stock acquired on exercise. The exercise price of any option and SAR must be determined by the Compensation Committee no later than the date of grant of such option or SAR and the exercise price shall be paid in full at the time of the exercise.

Exercise and Term of Options and SARs

The Compensation Committee will determine the times, circumstances and conditions under which a stock option or SAR may be exercisable. Unless provided otherwise in the applicable award agreement, each option or SAR shall be exercisable in one or more installments commencing on or after the first anniversary of the grant date; provided, however, that all options or SARs shall become fully vested and exercisable upon a change of control, as defined in the Incentive Plan. To the extent exercisable in accordance with the agreement granting them, a stock option or SAR may be exercised in whole or in part, and from time to time during its term, subject to earlier termination relating to a holder's termination of employment or service as may be determined by the Compensation Committee at the time of the grant. The term during which grantees may exercise stock options and SARs may not exceed ten years from the date of grant or five years in the case of ISOs granted to employees who, at the time of grant, own more than 10% of outstanding shares of our common stock; provided that, an option (excluding ISOs) may, upon the death of the holder of such option, be exercised for up to one year following the date of the holder's death, even if the period extends beyond the ten year limit.

Options and SARs granted to nonemployee directors will be exercisable with respect to one-third of the underlying shares on each of the first, second and third anniversaries of the grant date and will have a term of not more than ten years. If a nonemployee director ceases to serve as a director, any option or SAR granted to such director shall be exercisable during its remaining term, to the extent that the option or SAR was exercisable on the date the nonemployee director ceased to be a director.

Restricted Shares

Edgar Filing: Citi Trends Inc - Form DEF 14A

Under the Incentive Plan, the Compensation Committee may grant restricted shares that are forfeitable until certain vesting requirements are met. For restricted shares, the Incentive Plan provides the Compensation Committee with discretion to determine the per share purchase price of such shares, which can not be less than the minimum consideration (as defined in the Incentive Plan generally as the par value of a share of common stock), and the terms and conditions under which a grantee's interests in such awards become vested. The Incentive Plan also provides the Compensation Committee with discretion to determine whether the payment of dividends declared on the shares should be deferred and held by us until restrictions on the shares lapse, whether dividends should be reinvested in additional shares of restricted shares subject to certain restrictions and terms, whether interest will be credited to the account of such holder for dividends not reinvested and whether dividends issued on the restricted shares should be treated as additional restricted shares. Payment of the purchase price for shares of restricted stock shall be made in full by the grantee before the delivery of such shares and, in any event, no later than ten days after the grant date for such shares. This payment may be made in cash or, with prior approval of the Compensation Committee and subject

to certain conditions, shares of restricted or unrestricted stock owned by the grantee. Under the Incentive Plan, the Compensation Committee has discretion to provide in the award agreement that all or any portion of a grantee's award of restricted shares shall be forfeited (i) upon the grantee's termination of employment within a specified time period, (ii) if specified performance goals are not satisfied by us or the grantee within a specified time period or (iii) if any other listed restriction in the governing award agreement is not satisfied. If a share of restricted stock is forfeited, then the grantee shall be deemed to have resold such share to us at a specified price, we shall pay the grantee the amount due as soon as possible, but no later than 90 days after forfeiture, and the share of restricted stock shall cease to be outstanding.

Performance Awards

The Incentive Plan authorizes the Compensation Committee to grant performance-based awards in the form of performance units and performance shares that are performance compensation awards that are intended to be exempt from the limitations of Section 162(m) of the Code unless otherwise designated in the applicable award agreement. In either case, unless otherwise specified in the award agreement, upon the achievement, within the specified period of time, of the performance objectives, a performance unit shall be deemed exercised on the date on which it first becomes exercisable. Performance units are payable in cash or restricted stock, except that the Compensation Committee may decide to pay benefits wholly or partly in stock delivered to the grantee or credited to a specified brokerage account. For performance shares, unless otherwise specified in the award agreement or by the Compensation Committee, upon the achievement within the specified period of time of the performance objectives, grantees shall be awarded shares of restricted stock or common stock, unless the Compensation Committee decides to pay cash in lieu of stock, based upon the number of percentage shares specified in the award agreement multiplied by the performance percentage achieved. The Compensation Committee decides the length of performance periods, but the periods may not be less than one year nor more than five years. Any performance shares with respect to which the performance goals have not been achieved at the end of the performance period shall expire.

With respect to performance compensation awards, the Incentive Plan requires that the Compensation Committee specify in writing the performance period to which the award relates, and an objective formula by which to measure whether and the extent to which the award is earned on the basis of the level of performance achieved with respect to one or more performance measures. Once established for a performance period, the performance measures and performance formula applicable to the award may not be amended or modified in a manner that would cause the compensation payable under the award to fail to constitute performance-based compensation under Section 162(m) of the Code.

Under the Incentive Plan, the possible performance measures to be used by the Compensation Committee for performance compensation awards include stock price, basic earnings per share, operating income, return on equity or assets, cash flow, earnings before interest, taxes, depreciation and amortization, revenues, overall revenues or sales growth, expense reduction or management, market position, total income, return on net assets, economic value added, stockholder value added, cash flow return on investment, net operating profit, net operating profit after tax, return on capital and return on invested capital. Each measure will be, to the extent applicable, determined in accordance with generally accepted accounting principles as consistently applied by us, or such other standard applied by the committee and, if so determined by the Compensation Committee, and in the case of a performance compensation award, to the extent permitted under Section 162(m) of the Code, adjusted to reflect the impact of specified corporate transactions, special charges, foreign currency effects, accounting or tax law changes and other extraordinary or nonrecurring events. Performance measures may vary from performance period to performance period, and from grantee to grantee, and may be established on a stand-alone basis, in tandem or in the alternative.

Tandem Awards

The Compensation Committee may grant and identify any award with another award granted under the Incentive Plan, on terms and conditions set forth by the committee.

Initial Awards

The board of directors authorized awards for management employees in the form of stock option grants. Fiscal 2005 grants were as follows: options to purchase 168,000, 4,000 and 2,500 shares of common stock at the exercise price of \$14.00, \$26.03 and \$35.75 per share, respectively. These grants were awarded as follows: options to purchase 28,000, 11,000, 6,000, 5,000 and 119,500 shares of common stock were awarded to Messrs. Anderson, Bellino, Stoltz and Dunn and all management employees as a group (approximately 60 employees), respectively.

Independent board members received options to purchase 5,000 shares of common stock for their services in fiscal 2005.

Income Tax Withholding

As a condition for the issuance of shares of the common stock pursuant to awards, the Incentive Plan requires satisfaction of any applicable federal, state, local or foreign withholding tax obligations that may arise in connection with the award or the issuance of shares of the common stock.

Transferability

Unless set forth in the agreement evidencing the award, awards (other than an award of restricted stock) may not be assigned or transferred except by will or the laws of descent and distribution or, in the case of an option other than an ISO, pursuant to a domestic relations order as defined under Rule 16a-12 under the Exchange Act. An option may be exercised during the lifetime of the grantee only by that grantee or his or her guardian, legal representatives or, except as would cause an ISO to lose such status, by a bankruptcy trustee. Notwithstanding the foregoing, the Compensation Committee may set forth in the agreement evidencing the award (other than an ISO) that the award may be transferred to an immediate family member, or related trust or related partnership. The terms of an award shall be final, binding and conclusive upon the beneficiaries, executors, administrators, heirs and successors of the grantee. Each share of restricted stock shall be nontransferable until such share becomes non-forfeitable.

Certain Corporate Transactions

With respect to any award which relates to stock, in the event of our liquidation or dissolution or merger or consolidation with another entity, the Incentive Plan and awards issued hereunder shall continue in effect in accordance with their terms, except that following any of these events either (i) each outstanding award shall be treated as provided for in the agreement entered into in connection with the event or (ii) if not so provided in the agreement entered into in connection with the event, a grantee shall be entitled to receive with respect to each share of stock subject to the outstanding award, upon the vesting, payment or exercise of the award the same number and kind of stock, securities, cash, property or other consideration that each holder of a share of stock was entitled to receive in connection with that certain event.

The applicable award agreement pertaining to each award shall set forth the terms and conditions applicable to such award upon a termination of employment of any grantee by us, which, except for awards granted to nonemployee directors, shall be as the Compensation Committee may, in its discretion, determine at the time the award is granted or thereafter.

Term of Plan; Amendments and Termination

The term of the Incentive Plan is ten years from April 8, 2005, the date it was approved by the board of directors and stockholders, or at such earlier time as the board of directors may determine. The board of directors may from time to time, amend or modify the Incentive Plan without the approval of the stockholders, unless stockholder approval is required (i) to retain ISO treatment under the Code, (ii) to permit transactions in

Edgar Filing: Citi Trends Inc - Form DEF 14A

stock under the Incentive Plan to be exempt from liability under Section 16(b) of the Exchange Act or (iii) under the listing requirements of any securities exchange on which any of our equity securities are listed.

Governing Law

Except where preempted by federal law, the law of the State of Georgia shall be controlling in all matters relating to the Incentive Plan, without giving effect to the conflicts of law principles thereof.

Stock Option Grants

The following table contains summary information regarding stock option grants made during fiscal 2005 by us to the named Executive Officers. We also granted stock options to purchase shares of common stock to certain employees. All options were granted at fair market value of our common stock, as determined by the board of directors, on the grant date.

Potential realizable values are net of exercise price, but before taxes associated with exercise. Amounts representing hypothetical gains are those that could be achieved if options are exercised at the end of the option term. The assumed 5% and 10% rates of stock price appreciation are provided in accordance with rules of the Securities and Exchange Commission, based on our stock price as of January 28, 2006 and do not represent our estimate or projection of the future stock price.

Year-End Option Values

The fair value of the options granted during the year ended January 28, 2006 was \$739,314 using the Black-Scholes option-pricing model, with weighted average

assumptions: no dividend yield; 50% expected volatility; 3.73% risk-free interest rate; 6.2 year expected life and a 10% forfeiture rate.

Non-Interference. From the date of his employment agreement until December 31, 2006, Mr. Bellino has agreed not to, without our consent, own, manage, operate, control, invest or acquire an interest in, or otherwise engage or participate

in, whether as a proprietor, partner, stockholder, lender, director, officer, employee, joint venture, investor, lessor, agent, representative or other participant, any business that competes with us in any state where we operate.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Management Consulting Agreement

We were party to an Amended and Restated Management Consulting Agreement, or Consulting Agreement, effective as of February 1, 2004, with Hampshire Management Company LLC, or Consultant, an affiliate of Hampshire Equity Partners II, L.P., pursuant to which it provided us with certain consulting services related to, but not limited to, our financial affairs, relationships with our lenders, stockholders and other third-party associates or affiliates, and the expansion of our business. In connection with the initial public offering, the parties terminated the Consulting Agreement and we paid the Consultant a one time termination fee of \$1.2 million in the second quarter of fiscal 2005.

Stockholders Agreement

Prior to the initial public offering, Hampshire Equity Partners II, L.P., George Bellino and certain management stockholders were party to a Stockholders Agreement, dated as of April 13, 1999, or Stockholders Agreement. The Stockholders Agreement provided, among other things, that four members of our Board of Directors were designated by Hampshire Equity Partners and its affiliates, the stockholders agreed generally not to transfer their shares and the management stockholders were granted tag-along rights in the event of a sale of more than 50% of our stock. We agreed to register shares of our common stock held by the stockholders under certain circumstances and agreed that Hampshire Equity Partners would include its shares of common stock in an initial public offering of our common stock. In connection with the initial public offering, we terminated the Stockholders Agreement in its entirety.

Registration Rights Agreement

In connection with the initial public offering, we entered into a Registration Rights Agreement, dated as of May 23, 2005, with Hampshire Equity Partners II, L.P., or Registration Rights Agreement. Pursuant to the terms and provisions of the Registration Rights Agreement, Hampshire Equity Partners II, L.P. will have the right, from time to time, subject to certain restrictions, to cause us to register our shares of common stock for sale under the Securities Act, on Form S-1 or, if available, on Form S-3 or any similar short-form registration statement. In addition, if at any time we register additional shares of common stock, Hampshire Equity Partners II, L.P. will be entitled to include its shares of common stock in the registration statement relating to that offering. If our subsequent registration is made pursuant to an underwritten offering, Hampshire Equity Partners II, L.P. must sell its registrable securities to the underwriters selected by us if they choose to participate in that registration.

Nominating Agreement

In connection with the initial public offering, we entered into a Nominating Agreement, dated as of May 23, 2005, with Hampshire Equity Partners II, L.P. pursuant to which we, acting through our Nominating and Corporate Governance Committee, agreed, subject to the requirements of our director's fiduciary duties, that (i) Hampshire Equity Partners II, L.P. is entitled to designate up to two directors to be nominated for election to our board of directors as long as Hampshire Equity Partners II, L.P. owns in the aggregate at least 40% of the shares of the common stock which it owned immediately prior to the consummation of the initial public offering or (ii) Hampshire Equity Partners II, L.P. is entitled to designate one director to be nominated for election to the board of directors as long as Hampshire Equity Partners II, L.P. owns in the aggregate less than 40% and at least 15% of the shares of our common stock which it owned immediately prior to the consummation of the initial public offering. If at any time Hampshire Equity Partners II, L.P. owns less than 15%, it will not have the right to nominate any directors for election to our board of directors.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Edgar Filing: Citi Trends Inc - Form DEF 14A

Section 16(a) of the Securities Exchange Act of 1934 requires our officers and directors, and persons who own, or are part of a group that owns, more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater

than ten percent shareholders are required by regulation of the Securities and Exchange Commission to furnish us with copies of all Section 16(a) forms they file.

To our knowledge, based solely on a review of the copies of reports furnished to us, all reports required by Section 16(a) of the Exchange Act to be filed by the directors and executive officers and all beneficial owners of more than ten percent of the common stock outstanding to report transactions in securities were timely filed, with the exception of a report for one set of validly approved option grants to each of R. Edward Anderson, George A Bellino, James A. Dunn, Thomas W. Stoltz, John S. Lupo and Tracy L. Noll in May that were inadvertently filed late.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Edgar Filing: Citi Trends Inc - Form DEF 14A

The following table sets forth information known to us with respect to the beneficial ownership of our common stock as of March 31, 2006, for the following persons:

each stockholder known by us to own beneficially more than 5% of our common stock;

each of our directors and named Executive Officers; and

all directors and Executive Officers as a group.

This table lists applicable percentage ownership based on 13,487,227 shares of common stock outstanding as of March 31, 2006. We have determined beneficial ownership in the table in accordance with the rules of the SEC. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, we have deemed shares of common stock subject to options held by that person that are currently exercisable or will become exercisable within 60 days of March 31, 2006 to be outstanding, but we have not deemed these shares to be outstanding for computing the percentage ownership of any other person. To our knowledge, except as set forth in the footnotes below, each stockholder identified in the table possesses sole voting and investment power with respect to all shares of common stock shown as beneficially owned by that stockholder.

Set forth below is a line graph comparing the last eight months percentage change in the cumulative total stockholder return on shares of our common stock against (i) the cumulative total return of companies listed on The NASDAQ National Market and (ii) the cumulative total return of the Nasdaq Retail Trade. The period compared commences May 18, 2005, the date on which our common stock began trading on The NASDAQ National Market, and ends January 31, 2006. PROPOSAL 2:

AMEND CITI TRENDS SECOND AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

Edgar Filing: Citi Trends Inc - Form DEF 14A

The board of directors has approved, subject to stockholder approval, an amendment to Citi Trends' Second Amended and Restated Certificate of Incorporation to increase the number of authorized shares of common stock from 20,000,000 shares to 32,000,000 shares. The affirmative vote of a majority of the shares entitled to vote at the annual meeting is required to approve this amendment to Citi Trends' Second Amended and Restated Certificate of Incorporation.

As of March 27, 2006, approximately 5,500,000 shares of common stock were neither issued nor reserved for issuance. The board of directors believes that this number of shares of common stock is not sufficient to provide Citi Trends the needed flexibility to conduct its business and plan for future events, including issuances of common stock for such general corporate purposes as stock splits, stock dividends, incentive awards, acquisitions and other similar transactions.

If the amendment to the Second Amended and Restated Certificate of Incorporation is approved by Citi Trends' stockholders, the board of directors may approve a stock split to be effected in the form of a stock dividend. In such event, pursuant to the provisions of Citi Trends' equity compensation plan, the number of shares of common stock available for issuance and the number of shares covered by outstanding awards under such plans would adjust to give effect to the split. The issuance of shares of common stock in connection with the stock split would not require stockholder approval. The Company has no other present plan, arrangement or understanding to issue additional shares of common stock.

If this amendment is approved by Citi Trends' stockholders, Article Fourth of Citi Trends' Second Amended and Restated Certificate of Incorporation would be amended and restated in its entirety to read as follows:

FOURTH. The total number of shares of stock which the Corporation shall have authority to issue is 32,005,000 shares, consisting of:

(i) 32,000,000 shares of common stock, par value \$0.01 per share (the "Common Stock"); and

(ii) 5,000 shares of preferred stock, par value \$0.01 per share (the "Preferred Stock").

A statement of the powers, designations, preferences, and relative participating, optional or other special rights and the qualifications, limitations and restrictions of the Common Stock and the Preferred Stock is as follows.

I. Common Stock.

(a) Dividends. Dividends may be declared and paid on the Common Stock from funds lawfully available therefor as, if and when, determined by the Board of Directors and subject to any preferential dividend rights of any then outstanding shares of Preferred Stock.

(b) Liquidation Rights. In the event of a voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, the holders of shares of Common Stock shall be entitled, after payment or provision for payment of the debts and other liabilities of the Corporation, to share in the distribution of any remaining assets available for distribution to its stockholders ratably, subject to any preferential rights of any then outstanding Preferred Stock.

(c) Voting Rights. The holders of Common Stock shall be entitled to one vote per share in voting or consenting to the election of directors and for all other matters presented to the stockholders of the Corporation for their action or consideration. Cumulative voting for the election of directors is not

permissible. Except as otherwise required by law, the holders of the Common Stock shall vote together as a single class on all matters submitted to the stockholders of the Corporation.

2. Preferred Stock. The Board of Directors is authorized, subject to limitations prescribed by law, to provide for the issuance of the Preferred Stock in one or more series, and by filing a certificate pursuant to the applicable law of the State of Delaware, to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences and rights of the shares of each such series and the qualifications, limitations or restrictions thereof, as shall be stated in the resolutions providing for the issuance of such series adopted by the Board of Directors.

The authority of the Board of Directors with respect to each series shall include, but not be limited to, determination of the following:

(a) the number of shares constituting that series and the distinctive designation of that series;

(b) the rate of dividend, and whether (and if so, on what terms and conditions) dividends shall be cumulative (and if so, whether unpaid dividends shall compound or accrue interest) or shall be payable in preference or in any other relation to the dividends payable on any other class or classes of stock or any other series of the Preferred Stock;

(c) whether that series shall have voting rights in addition to the voting rights provided by law and, if so, the terms and extent of such voting rights;

(d) whether the shares must or may be redeemed and, if so, the terms and conditions of such redemption (including, without limitation, the dates upon or after which they must or may be redeemed and the price or prices at which they must or may be redeemed, which price or prices may be different in different circumstances or at different redemption dates);

(e) whether the shares shall be issued with the privilege of conversion or exchange and, if so, the terms and conditions of such conversion or exchange (including without limitation the price or prices or the rate or rates of conversion or exchange or any terms for adjustment thereof);

(f) the amounts, if any, payable upon the shares in the event of voluntary liquidation, dissolution or winding up of the Corporation in preference of shares of any other class or series and whether the shares shall be entitled to participate generally in distributions on the Common Stock under such circumstances;

(g) the amounts, if any, payable upon the shares thereof in the event of involuntary liquidation, dissolution or winding up of the Corporation in preference of shares of any other class or series and whether the shares shall be entitled to participate generally in distributions in the Common Stock under such circumstances;

Edgar Filing: Citi Trends Inc - Form DEF 14A

(h) sinking fund provisions, if any, for the redemption or purchase of the shares (the term "sinking fund" being understood to include any similar fund, however designated) and, if so, the terms and amount of such sinking fund; and

(i) any other relative rights, preferences, limitations and powers of that series.

3. No Preemptive Rights. Except as expressly set forth in this Certificate of Incorporation, any certificate of designation, any resolution or resolutions providing for the issuance of a series of stock adopted by the Board of Directors, or any agreement between the Corporation and its stockholders, the holders of Common Stock or any series of Preferred Stock shall have no preemptive right to subscribe for any shares of any class of capital stock of the Corporation whether now or hereafter authorized.

The additional authorized shares of Citi Trends common stock, if and when issued, would be part of the existing class of Citi Trends common stock and would have the same rights and privileges as the shares of Citi Trends common stock presently issued and outstanding. Although the additional shares of common stock would not have any effect on the rights and privileges of Citi Trends' existing stockholders, the issuance of additional shares of common stock, other than in connection with a stock split or stock dividend, may dilute the voting power of existing

stockholders. In addition, the issuance of additional shares of common stock may decrease earnings and the book value attributable to shares presently issued and outstanding.

In addition, the availability of additional authorized but unissued shares of common stock could have an anti-takeover effect. Although the board of directors has no present intention of doing so, new shares of common stock could be issued without stockholder approval to dilute the percentage ownership of current stockholders, thereby increasing the cost and difficulty of obtaining control of Citi Trends. Citi Trends is not aware of any pending or proposed effort to obtain control of Citi Trends or to change Citi Trends' management.

If the amendment to Citi Trends' Second Amended and Restated Certificate of Incorporation is approved, it will become effective upon its filing with the Delaware Secretary of State, which will occur as soon as reasonably practicable after approval.

The board of directors recommends that stockholders vote FOR the amendment to Citi Trends' Second Amended and Restated Certificate of Incorporation. Proxies solicited by the Board will be so voted except where authority has been withheld.

**PROPOSAL 3:
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Edgar Filing: Citi Trends Inc - Form DEF 14A

Our board of directors has appointed KPMG LLP as our independent registered public accounting firm for the fiscal year ending February 3, 2007, and further directed that the appointment of KPMG LLP be submitted for ratification by the stockholders at the annual meeting. KPMG LLP has served as our independent registered public accounting firm since fiscal 2002. We have been advised by KPMG LLP that neither that firm nor any of its associates has any relationship with us other than the usual relationship that exists between independent registered public accounting firms and clients. We understand that a representative from KPMG LLP will be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Stockholder ratification of the appointment of KPMG LLP as our independent registered public accounting firm is not required. However, the appointment is being submitted for ratification at the annual meeting with a view toward soliciting the stockholders' opinions, which the board of directors will take into consideration in future deliberations. If the appointment of KPMG LLP is not ratified at the annual meeting, the board of directors will consider the engagement of other independent registered public accounting firm. The board of directors may terminate the engagement of KPMG LLP as our independent registered public accounting firm without the approval of our stockholders whenever the board of directors deems termination necessary or appropriate.

Principal Accounting Fee Information

Edgar Filing: Citi Trends Inc - Form DEF 14A

The following table sets forth the aggregate fees paid or payable to KPMG LLP relating to the audit of our 2005 consolidated financial statements and the fees billed to us in 2005 by KPMG LLP for other professional services:

	Fiscal Year 2004	Fiscal Year 2005
Audit Fees(1)	\$ 143,333	\$ 1,078,622
Audit-Related Fees		
Tax Fees		
All Other Fees		

(1) Audit fees include amounts billed to us related to the annual audit of our financial statements and interim reviews of the quarterly financial statements filed in fiscal 2005. This category includes services associated with the initial public offering and the secondary public offering, including the related registration statements.

Audit Committee Pre-Approval Policy

In accordance with our Audit Committee pre-approval policy, all audit services performed for us by our independent registered public accounting firm were pre-approved by our Audit Committee.

Our Audit Committee's pre-approval policy provides that our independent registered public accounting firm shall not provide services that have the potential to impair or appear to impair the independence of the audit role. The pre-approval policy requires our independent registered public accounting firm to provide an annual engagement letter to our Audit Committee outlining the scope of the audit services proposed to be performed during the fiscal year. Upon the Audit Committee's acceptance of and agreement with such engagement letter, the services within the scope of the proposed audit services shall be deemed pre-approved pursuant to the policy.

The pre-approval policy provides for categorical pre-approval of specified audit and permissible non-audit services and requires the specific pre-approval by the Audit Committee, prior to engagement, of such services, other than audit services covered by the annual engagement letter. In addition, services to be provided by our independent registered public accounting firm that are not within the category of pre-approved services must be approved by the Audit Committee prior to engagement, regardless of the service being requested or the dollar amount involved.

Requests or applications for services that require specific separate approval by the Audit Committee are required to be submitted to the Audit Committee by both management and the independent registered public accounting firm, and must include a detailed description of the services to be provided.

Our policies prohibit us from engaging the independent registered public accounting firm to provide any services relating to bookkeeping or other services related to accounting records or financial statements, financial information systems design and implementation, appraisal or valuation services, or contribution-in-kind reports, actuarial services, any management function, legal services or expert services not related to the audit, broker-dealer, investment adviser, or investment banking services or human resource consulting. In addition, we evaluate whether our use of the independent registered public accounting firm for permitted non-audit services is compatible with maintaining the independence of the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee is prohibited from delegating to management its responsibilities to pre-approve services to be performed by our independent registered public accounting firm.

Vote Required; Recommendation

The affirmative vote of a majority of the votes cast at the annual meeting is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm. The board of directors recommends that stockholders vote **FOR** ratification of the appointment of KPMG LLP as the independent registered public accounting firm of the Company for the fiscal year ending February 3, 2007.
